12 Be it ordained by the People of the City and County of San Francisco:

13 Section 1. Findings. The Board of Supervisors hereby finds and determines as  
14 follows:

15 (a) The Board affirms the Planning Commission's certification of the Final  
16 Environmental Impact Report 1999.41OE and the Final Supplement Environmental Impact  
17 Report 1999.41OE/2003.0038E and adopts these environmental documents as its own. The  
18 Board incorporates by reference as though fully set forth the California Environmental Quality  
19 Act findings set forth in Planning Commission Resolution No. 16632. Copies of these  
20 environmental documents and of Planning Commission Resolution No. 16632 are on file with  
21 the Clerk of the Board of Supervisors in File No. 022032.

22 (b) These amendments to the Planning Code will serve the public necessity,  
23 convenience, and general welfare in that they facilitate the development of a grocery store at  
24 17th and Rhode Island Streets in the Potrero Hill neighborhood, in an area that does not have  
25 a proliferation of off-sale Type 20 or Type 21 liquor establishments and previously was zoned

1 M-1 (which allowed liquor stores as a principal permitted use). The 450 Rhode Island Street  
2 mixed-use project contemplated to be developed pursuant to the proposed Special Use  
3 Subdistrict and companion Zoning Map amendment (the “Project”) will add neighborhood-  
4 serving retail uses, including a full-service grocery store, where none currently exists.

5 (c) These amendments to the Planning Code are consistent with the General Plan  
6 for the reasons set forth in Planning Commission Resolution No. 16632, which reasons are  
7 incorporated herein by reference as though fully set forth. A copy of Resolution No. 16632 is  
8 on file with the Clerk of the Board of Supervisors in File No. 022032.

9 (d) These amendments to the Planning Code are consistent with the Eight Priority  
10 Policies of Planning Code Section 101.1, in that:

11 Policy 1. The 450 Rhode Island Street mixed-use project contemplated to be  
12 developed pursuant to the proposed Special Use Subdistrict and companion Zoning Map  
13 amendment (the “Project”) will add neighborhood-serving retail uses, including a full-service  
14 grocery store, where none currently exists. In addition, other neighborhood-serving retail uses  
15 in the area will be supported by the approximately 168 dwelling units in the Project.

16 Policy 2. The proposed Project will significantly improve neighborhood character by  
17 replacing a previously demolished automotive repair facility with a well-designed mixed-use  
18 development, including a neighborhood grocery store, and will enhance the cultural and  
19 economic diversity of the neighborhood by providing housing, including affordable units, for  
20 people from diverse backgrounds and at a variety of income levels.

21 Policy 3. The Project neither displaces nor detracts from the City’s supply of affordable  
22 housing. To the contrary, the Project includes approximately 168 units of needed housing,  
23 including approximately 20 permanently affordable dwelling units.

24 Policy 4. Potential conflicts with existing transit service routes are minimized in the  
25 Project design, and the Project is convenient to transit services.

1 Policy 5. While the current M-1 use subdistrict permits office development, the NC-3  
2 use subdistrict will not permit administrative office uses, thus avoiding the displacement of  
3 industrial and service sectors due to commercial office development. The prior automotive  
4 repair facility on the Project site was previously demolished in contemplation of a business  
5 services project that was not unbuilt. The Project will promote a diverse economic base by  
6 providing new retail and service employment opportunities.

7 Policy 6. Construction of the Project will enhance earthquake preparedness and  
8 protect against injury and loss of life because the new structure will meet or exceed current  
9 seismic standards.

10 Policy 7. The site is vacant. The prior building that was demolished did not have any  
11 historic significance nor was it classified or registered as a landmark or historic structure.

12 Policy 8. The height of the Project will be consistent with other nearby structures and  
13 will have no impact on sunlight access to or vistas from any park or open space.

14 Section 2. The San Francisco Planning Code is hereby amended by adding Section  
15 781.10, to read as follows:

16 SEC. 781.10 17TH AND RHODE ISLAND STREET GROCERY STORE SPECIAL USE

17 SUBDISTRICT.

18 In order to facilitate the development of a neighborhood grocery store at 17th and Rhode Island  
19 Street in the Potrero Hill neighborhood, in an area that does not have a proliferation of off-sale Type  
20 20 or Type 21 liquor establishments and previously was zoned M-1 (which permitted liquor stores as a  
21 principal permitted use), there shall be a 17th and Rhode Island Street Grocery Store Special Use  
22 Subdistrict, applicable to the NC-3 zoned block bounded by 17th Street, Rhode Island Street, Mariposa  
23 Street and Kansas Street (Assessor's Block 3978, Lot 1). The following provisions shall apply within  
24 the Special Use Subdistrict:

1            (a) One off-sale Type 20 and Type 21 liquor store, as defined by Section 790.55 of this  
 2            Code, is permitted as a conditional use on the first or second story, provided that it is operated as an  
 3            integral element of a grocery store of not less than 30,000 gross square feet.

4            Section 3. The San Francisco Planning Code is hereby amended by amending the  
 5            Section 712 Zoning Control Table, to read as follows:
