4. Grantee's authorized personnel with CARBON login credentials shall not share or internally reassign logins.
5. Grantee's Executive Director or Chief Financial Officer shall immediately notify the assigned HSH Contract Manager, as listed in CARBON, via email or letter regarding any need for the restriction or termination of previously authorized CARBON users and include the name(s), email(s) and phone number(s) of those previously authorized CARBON users.
6. Grantee may invoice and submit related documentation in the format specified by HSH via paper or email only upon special, written approval from the HSH Contracts Manager.

3. Failure to spend Grant funding monthly and annually may result in reductions to future allocations and may impact future advance. HSH may set specific spend down targets and communicate those to Grantees.

1. In accordance with Article 5 Use and Disbursement of Grant Funds; Article 6 Reporting Requirements; Audits; Penalties for False Claims; and the Appendix A(s), Services to be Provided of the Agreement, Grantee shall keep electronic or hard copy records and documentation of all HSH invoiced costs, including, but not limited to, payroll records; paid invoices; receipts; and payments made for a period not fewer than five years after final payment under this Agreement, and shall provide to the City upon request.

4. HSH will conduct regular monitoring of provider operating expenses under \$10,000 including, but not limited to requesting supporting documentation showing invoices were paid. Grantees shall provide requested information within specified timelines. HSH reserves the right to require full documentation of invoice submission regardless of amount to ensure the Grantee's compliance with HSH's invoicing requirements.

III. Advances or Prepayments: Advances or prepayments are allowable on certified annual ongoing General Fund or Prop C amounts (i.e., authorized by executed Agreements) in order to meet non-profit Grantee cash flow needs in certain circumstances. Requests for advance

payment will be granted by HSH on a case-by-case basis. Advances are not intended to be a regular automatic procedure.

A. Advance Requirements:

Once the Agreement is certified, Grantee, prior to distribution of any advanced payment, must fulfill the following conditions:

1. All Agreement compliance requirements must be currently met (e.g., reports submitted and approved; corrective actions resolved; business tax and insurance certificates in place; prompt and properly documented invoicing; appropriate spend down);
2. The final invoice from the preceding fiscal year must be received prior to advance distribution; and
3. Advances from the preceding fiscal year must be repaid, in full, prior to any additional advance distribution.

B. Advance Request Process:

1. Grantee shall submit a written request to the assigned HSH Contract Manager, as listed in CARBON, on an agency letterhead with a narrative justification that fully describes the unique circumstances, for review and approval. Advance requests must be submitted by the Grantee's authorized staff only.
2. HSH, at its sole discretion, may make available to Grantee up to one month of the total ongoing annualized General Fund or Prop C budget amount, per the Appendix B, Budget(s) of this Agreement. Requests for greater than one month of the ongoing annualized budget amount may be considered on a case-by-case basis only.
3. Grantee is expected to maintain adequate cash reserves for multi-year Grant agreements and not rely on cash advances to cover expenses necessary to operate Grantee's core operations.

C. Advance Repayment Process:

1. If approved by HSH, the advanced sum will be deducted from the Grantee's monthly invoices at an equal rate each month that will enable repayment before the close of the fiscal year. For example, for a twelve-month grant the rate of repayment of the advance will be 1/10th per month from July to April. An alternative period of repayment may be calculated to ensure cash flow and repayment.
2. All advance repayments must be recovered within the fiscal year for which it was made.

3. In the case where advance repayments cannot be fully recovered by deducting from the Grantee's monthly invoices, Grantee shall repay the outstanding balance via check in the amount verified by the assigned HSH Contract Manager, as listed in CARBON. Grantee shall make the repayment after the final invoice of the fiscal year has been approved to the address provided by the assigned HSH Contract Manager, as listed in CARBON.

IV. Timely Submission of Reports and Compliance: If a Grantee has outstanding items due to the City (e.g., Corrective Action Plans/report/document/data input), as specified in any written form from HSH (e.g., Letter of Correction, Corrective Action Plan, and/or Appendix A(s), Services to be Provided of the Agreement), Grantee shall submit and comply with such requirements prior to or in conjunction with monthly invoicing. Failure to submit required information or comply by specified deadlines may result in HSH withholding payments.
