8 cards signed by the supermajority of workers at their warehouse; and

9 WHEREAS, Since October 2, 2024, Amazon has not recognized DCK6 workers,

11 busting; and

12 WHEREAS, In April 2025, the National Labor Relations Board Region 20 issued an
13 initial complaint against Amazon for illegal union-busting activity at the DCK6 facility; and

14 WHEREAS, This complaint seeks to force Amazon to recognize the unions and begin
15 good faith bargaining with Teamsters; and

10 typically laid off once the holiday season ends; and

14 be concentrated in more marginalized communities, meaning that these warehouses create
15 safety and health issues that disproportionately impact already vulnerable populations; and

17 counterparts in the United States, particularly in the private sector; and

18 WHEREAS, Many Amazon workers make significantly lower wages, experience less
19 job stability, and have inferior working conditions compared to competing large, unionized
20 logistics employers, such as workers at United Parcel Service, DHL, and the United States
