

1 [Resolution requiring energy conservation by all City departments, agencies and other
2 municipal bodies.]

3 **Resolution requiring the San Francisco Public Utilities Commission to encourage**
4 **energy conservation by placing all City Departments, Agencies and Other Municipal**
5 **Bodies on Demand Response.**
6

7 WHEREAS, energy generation and use has negative environmental consequences;
8 and

9 WHEREAS, energy conservation reduces demand for electricity; and,

10 WHEREAS, demand response is a mechanism to manage demand for electricity and
11 reduce consumption at critical times, such as periods of peak demand; and,

12 WHEREAS, the City of San Francisco should work to reduce the demand for energy at
13 all times, especially during periods of peak demand; now, therefore, be it

14 RESOLVED, That the city of San Francisco is committed to energy conservation; and,
15 be it

16 FURTHER RESOLVED, That the San Francisco Public Utilities Commission place all
17 City departments, agencies and other municipal bodies on demand response; and, be it

18 FURTHER RESOLVED, That the all City departments, agencies and other municipal
19 bodies conserve energy at all times, particularly at times of peak demand.
