Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

Growing up in an immigrant, and working-class family in District 6 (six) offers me, and the committee, a unique and needed perspective on the implementation of the Eastern Neighborhoods Area Plans. Having an understanding of how the area has changed, and continues to change is pivotal to being an effective member of the committee, as it will compliment foundational knowledge when providing input.

Business and/or professional experience:

As a staffer working on housing issues in the Mission, I am heavily involved in the systems which manifest from the Eastern Neighborhood Area Plans. An example of this is my participation in community-wide, and city-wide coalitions which work on advocating for, and/or providing input to land use policies.

A large part of my current position acknowledges the importance of bringing vital information to the community so that they are aware of what is occurring in terms of projects, and policies in their neighborhood. This is in line with one of the core duties of the committee, which is to relay information to community members.

Civic Activities:

Recently, I volunteered some of my time outside of work to help garner support for various propositions put towards the voters of San Francisco. For example, during the last election cycle, the Mayor put forth a housing bond to be voted on (Proposition A), and not only did I personally speak with people about the importance of passing the measure, I spoke with businesses in two different districts (2, and 9) to display a support sign on their store fronts.

Furthermore, part of my professional responsibilities is to educate, and train community members on how to provide their own input, usually via public comment during official city hearings and meetings, on various policies or projects effecting them.

Have you attended any meetings of the Board/Commission to which you wish appointment? Yes No

Appointments confirmed by the Board of Supervisors require an appearance before the Rules Committee. Once your application is received, the Rules Committee Clerk will contact you when a hearing is scheduled. *(Please submit your application 10 days before the scheduled hearing.)*
