9 Be it ordained by the People of the City and County of San Francisco:

10 Section 1. Article 3 of the San Francisco Traffic Code is hereby amended by amending
11 Section 33.1A, to read as follows:

12 **SEC. 33.1A. VEHICULAR OR PEDESTRIAN TRAFFIC AND PARKING**
13 **PROHIBITED OR RESTRICTED IN CERTAIN CASES—RESIDENTIAL AND**
14 **NEIGHBORHOOD-COMMERCIAL AREAS.** The prohibition imposed by Section 33.1 shall
15 not apply on any street in any area zoned for residential or neighborhood-commercial uses
16 when the construction work has not begun by 12:00 noon. Any permittee who begins work by
17 12:00 noon and where construction activity is not in continuous progress shall place
18 barricades, signs, cones, or other device on the street where the parking is restricted as
19 visible evidence that work has begun and to protect the construction area. In a case where
20 the restricted parking is not entirely necessary for any day as originally posted, the permittee
21 shall erect appropriate signs giving a minimum of 24 hours' notice of the revised and
22 decreased hours of the temporary parking prohibition.

23 Signs posted pursuant to this Section shall include within the notice that the temporary
24 parking prohibition is in effect pursuant to Section 33.1A, Residential Areas, of the San
25 Francisco Traffic Code and shall include a contact person and telephone number for

1 information regarding the reasons for the restrictions. The contact person shall be available
2 to respond to inquiries during business hours.

3 Signs, as determined by the Department of Parking and Traffic to maintain a moving
4 traffic lane, shall be placed to inform the public of a temporary parking prohibition that is in
5 effect for 24 hours. Such signs shall be of a color that is different than the sign that informs
6 the public of a temporary parking prohibition that is in effect less than 24 hours per day.

7 This Section shall not apply on any street within the area defined as the Metropolitan
8 Traffic District by Section 3-a of this Code and State highways within the City and County.

9 The provisions of this Section shall not apply to a vehicle that is actually engaged in
10 making delivery or pickup of construction materials being used at the site of the construction
11 work that necessitated issuance of the permit.

12 For any sign which is posted and not in compliance with this Section, the temporary
13 parking restriction shall not be effective, and the Department of Parking and Traffic shall not
14 cite or tow vehicles at these locations. When a vehicle is removed from a street at the
15 request of a permittee pursuant to this Section and a post-storage hearing determines that as
16 a result of the permittee's improper posting of the required signs, reasonable grounds did not
17 exist for removal, the responsible permittee shall reimburse the City and County of San
18 Francisco for the cost incurred in storage and towing. If a permittee fails to provide
19 reimbursement or to agree to assume all liability for any improper posting future requests by
20 that permittee for removal of vehicles in violation of this Section shall be denied.

21 The responsible permittee shall be given timely notice of the vehicle owner's request
22 for a post-storage hearing and the time and place of such hearing.

23 This Section shall not apply to a utility or public utility, whether privately, municipally,
24 or publicly owned, as defined by State law, nor shall it apply to vehicles of cable television
25 services, when the utility or cable television provider undertakes emergency repairs to utility

1 or cable facilities necessary for the preservation and maintenance of public utility or cable
2 television services.

3 ~~This Section shall be in effect through June 30, 1999 and shall expire, unless it is extended or~~
4 ~~otherwise amended by the Board of Supervisors.~~
