

AGREEMENT FOR THE ADMINISTRATION OF THE OCEAN AVENUE COMMUNITY BENEFIT DISTRICT

This Agreement (“Agreement”) is entered into by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (“City”), through its Office of Economic and Workforce Development (“OEWD”), and the **Ocean Avenue Association**, a California nonprofit corporation (“Corporation”), with respect to the special assessment district known as the **Ocean Avenue Community Benefit District** (“District”).

RECITALS

WHEREAS, pursuant to Article XIID of the California Constitution (“Article XIID”), California Government Code Section 53753 (“Section 53753”), and California Streets and Highways Code section 36600 et seq. (“the 1994 Act”) as augmented by Article 15 of the San Francisco Business and Tax Regulations Code (“Article 15”), the City may levy assessments on real property for the purpose of funding services, improvements, and activities that confer special benefits on the assessed parcels.

WHEREAS, In 2010, the Board of Supervisors established the District, which is not a governmental or corporate or separate legal entity but a geographic area within the City, and levied multi-year special assessments (“Assessments”) on specified parcels in the District, to fund certain services, improvements and activities in the District (“District Programs”) for a 15-year term expiring on December 31, 2025 (Board Resolution No. 587-10), and subsequently approved an agreement to retain Corporation to administer the Assessments to provide the District Programs on the City’s behalf (Board Resolution No. 221-11).

WHEREAS, In July 2025, the Board of Supervisors renewed and expanded the District, and levied Assessments on specified parcels in the District to fund certain District Programs, as set forth in the Management Plan for the District for a further 15-year term expiring on December 31, 2040 (Board Resolution No. 314-25).

WHEREAS, OEWD, which oversees the District on behalf of the City, desires to retain Corporation to help provide the District Programs under the renewed and expanded District, under Section 36612 of the 1994 Act, it being understood that Corporation shall hold all Assessment Revenues in trust and use them only to administer, manage and provide the District Programs, by its own personnel or by third party providers contracting with the Association, as set forth in the Management Plan (as it may be amended from time to time), the annual budgets for the District, and further subject to the terms, conditions, and restrictions in this Agreement.

WHEREAS, the District Programs are supplemental to the services the City currently provides within the District. Without the City's formation of the District, the District Programs could not or would not be performed by the City or by City employees. The City intends that the formation of the District and its expenditure of the Assessment Revenues for the District Programs will not affect the level of services it has been providing within the District as of the date the Board approved the Resolution of Formation. City will notify Corporation if City reduces the level of, or discontinues, such services.

WHEREAS, On July 11, 2025, the Purchaser granted sole-source approval for this Agreement.

WHEREAS, On _____, the Board of Supervisors approved this Agreement (Res. No. _____).

NOW, THEREFORE, the parties agree as follows:

The Management Plan shall be implemented only by competent personnel under the direction and supervision of Corporation. Corporation is responsible for the oversight, administration, and enforcement of any and all contracts with third parties to provide any District Programs paid or to be paid with Assessment Revenues. The use of Assessment Revenues for purposes other than Eligible Expenditures by any third party under contract with Corporation shall be attributable to Corporation and shall be deemed a material breach of this Agreement for which the City may exercise any of its remedies under this Agreement or applicable law, including to seek reimbursement, terminate this Agreement, and/or enter into a contract with a different nonprofit entity to act as the Owners' Association.

Section 3.3 Corporation's Board of Directors. - f. The estimated amount of any surplus or deficit revenues to be carried over from the previous fiscal year, and the breakdown of how those funds will be spent in the following fiscal year.
- g. The amount of non-Assessment sources to be used for District Programs. If non-Assessment sources will fund less than 5.47% of that year's budget, provide an explanation why non-assessment collections fell short of requirement and how the Corporation will correct the funding going forward.
- h. The proposed budget for the following fiscal year (in a manner consistent with Section 3.9).
- i. Summary of year-to-date performance metrics, as requested by OEWD. Corporation shall follow OEWD's year-to-year guidance for reporting performance metrics. Section 3.6 Coordination. Corporation shall render all services and perform all work in accordance with the Management Plan and this Agreement, in cooperation with the City. OEWD shall be the lead City agency responsible for administering this Agreement and for any acceptance, approval, permission or determination of the City required or permitted under this Agreement, all of which shall be in writing and delivered to Corporation by email, mail or personal delivery.

Section 3.7 Eligible Expenditures; Support Services. Corporation shall use Assessment Revenue on Eligible Expenditures only. Items not budgeted in the Annual Report are not Eligible Expenditures. In addition, Corporation shall ensure that at least 5.47% of the funding for District Programs derives from sources other than Assessments, consistent with the Management Plan, to cover the proportional share of the costs of general benefits conferred by the District Programs. Corporation assumes responsibility for contracting for support services as required, and for paying all direct and indirect expenses as may be necessary or convenient to provide the District Programs. In administering contracts with third party providers for District Programs, Corporation shall comply with all applicable federal, state and City laws and regulations.

Section 3.8 Community/Public Access. To foster effective working relationships and effectuate the goals of the District as set forth in the Management Plan, Corporation's responsibilities under this Agreement shall include the following:

- a. **Open Meetings Generally; Compliance with Ralph M. Brown Act.** Consistent with Section 36612 of the 1994 Act, all meetings of the Corporation shall occur in compliance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code). At minimum, Corporation shall post meeting notices and agendas by sending them for posting to the Government Information Center at the main branch of the San Francisco Public Library, and by posting such notices and agendas on Corporation's own website. In the event of a conflict between the notice provisions of the Ralph M. Brown Act and subsections (b) and (c), the provision that results in greater public access shall apply.
- b. **Annual Outreach/Informational Meeting.** Corporation shall organize and conduct at least one annual informational meeting, with at least 30 days' notice by mail to the owners of Identified Parcels located in the District. (In lieu of one informational meeting noticed to all owners, Corporation may organize and conduct a series of informational meetings, each of which will be noticed to only some of the owners so long as all owners are invited to at least one meeting each year.) Corporation shall conduct such meetings at a location within the District that allows the owners of the Identified Parcels to familiarize themselves with the Corporation, its functions and its officers and directors, and to express their views relating to the District. Such meetings may, but are not required to be, consolidated with a regular meeting of the Corporation's board of directors for the transaction of Corporation's business.
- c. **Designated Meetings.** If Corporation receives a cumulative total per year of at least \$250,000 in City funds (including Assessment revenue), Corporation shall also comply with and be bound by all the applicable provisions of Chapter 12L of the Administrative Code. Consistent with Chapter 12L, Corporation shall hold at least two designated public meetings per year at which it shall address issues of approximately the same general nature and significance as those it typically addresses at its other regular or special meetings. At least one of these designated public meetings shall provide the public an opportunity to address the

Board of Directors on membership on the Board of Directors and to propose candidates for membership on the Board of Directors. Corporation agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Corporation further acknowledges that its failure to comply with any material provisions of this paragraph shall constitute a material breach of this Agreement, and shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety. Corporation shall provide notice of these designated meetings at least 30 days in advance, by submitting a written notice to the Clerk of the Board of Supervisors for posting where notices of meetings of the Board of Supervisors are posted, to the San Francisco Main Library Government Information Center which shall post the written notice where notices of meetings of City boards and commissions are posted, and by publishing a copy of the notice on its own website.

- d. **Public Access to District Related Records; Compliance with the California Public Records Act.** Consistent with Section 36612 of the 1994 Act, Corporation shall comply with the California Public Records Act (Government Code Section 7928.500 *et seq.*), for all records relating to the District, this Agreement, the Assessments, Annual Reports, District Programs, Management Plan, contracts with third party providers and any other matter related to the District or the subject matter of this Agreement. If Corporation receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds, Corporation shall also comply with the provisions of Section 12L.5 of that Chapter. In the event of a conflict between the Public Records Act and Chapter 12L, the provision that results in greater public access shall apply.
- e. **Newsletters.** If Corporation prepares a District newsletter for the owners of Identified Parcels and businesses and community-based organizations operating in the District, Corporation shall also distribute copies to OEWD.
- f. **Other Events.** Corporation may organize at its discretion other events and programs that involve the owners of Identified Parcels, businesses and community-based organizations operating in the District and the public that further the goals and objectives described in the Management Plan; provided, that Assessment Revenues may only be used for such events and programs if included in the annual budget set forth in the Management Plan or Annual Report.

Section 3.9 Budget. Corporation shall provide District Programs consistent with each year's budget. The budget for the First Fiscal Year is set forth in the Management Plan. Corporation shall provide the Budgets for subsequent Fiscal Years in the Annual Reports, and to ensure consistency in reporting shall conform these budgets to the budget categories and line items in the Management Plan. The parties acknowledge and agree that the budgeted amounts are estimates of the costs anticipated for the District Programs, and that some deviations from those estimates may occur. Corporation will use its best efforts to expend Assessment Revenues consistent with the approved budget. Deviations up to ten percent (10%) from the budget for a particular line item will not constitute a material breach of this Agreement. But if the deviation for a budget line item exceeds 10%, or if Corporation desires to make budget allocation changes that exceed 10% of the total budget for all District Programs in a given Fiscal Year, and such changes would, in the opinion of OEWD, constitute a material change to the District Programs, then Corporation will first secure the approval of the Board of Supervisors to modify the Management Plan pursuant to Section 36636 of the Streets and Highways Code. In no event may Corporation expend more than the budgeted amount of Assessment Revenues.

Section 3.10 Assessment Records. Corporation shall maintain an Assessment Database, in a format requested by the Controller and current to the most recent property tax year available, containing the following information: the Assessor Parcel Number and site address of all Identified Parcels; the name and address of the legal owner of each Identified Parcel; the amount of Assessments levied upon each Identified Parcel, including all variables used to calculate the Assessments; for exempt Parcels,

documentation acceptable to the City; the proportionate financial obligation of each Identified Parcels to pay Assessments relative to the entire amount of the Assessments levied in the District; and such other information as City may reasonably require. Corporation shall update the database at least once each year to reflect changed conditions such as merger of parcels, subdivision of parcels (including condominium conversions), lot line adjustments, changed property usage, new construction, and to accurately reflect the status of the Identified Parcels and correct errors, if any. Corporation shall be responsible for maintaining the accuracy of the Assessment Database and may seek assistance from OEWD, which may be provided in OEWD's sole discretion.

Section 3.11 Preparation Annual Assessment Database. Upon request of the City, Corporation shall provide a copy of the Assessment Database to the Controller and OEWD. Upon request of the City, Corporation shall promptly investigate any errors or discrepancies and shall take all reasonable efforts to obtain additional documentation related to any matter for which a correction or adjustment is requested. Corporation shall provide the Annual Assessment Database to OEWD and the Controller by email or through such other electronic medium as requested.

Section 3.12 Prohibited Contracts with City Officers and Employees. Corporation may not employ or subcontract with any person where such employment or subcontract would constitute a violation of California Government Code Sections 1090 et seq.

Section 3.13 Prohibited Use of Assessment Revenue for Lobbying. Corporation may not use Assessment Revenue to influence legislation, commonly known as lobbying. Legislation includes action by Congress, any state legislature, any local council, any Board of Supervisors, or similar governing body with respect to acts, bills, resolutions, or similar items (such as legislative confirmation of appointive office), or by public in referendum, ballot initiative, constitutional amendment, or similar procedure. Corporation will be regarded as attempting to influence legislation if it contacts, or urges the public to contact, members or employees of a legislative body for the purpose of proposing, supporting, or opposing legislation, or if the organization advocates the adoption or rejection of legislation.

Section 3.14 City Access to Records; Copies. Corporation shall make all designs, plans, reports, files, invoices, investigations, materials, documents and other records that are prepared, acquired, owned, maintained or under the control or possession by Corporation, its agents or representatives, or other person under contract with Corporation, pursuant to this Agreement (including any duplicate copies), fully available to City. Corporation agrees to exercise reasonable and due diligence in providing for the secure storage of all such materials and, upon request, to provide copies for City's use for any purpose.

Section 3.15 Digital Photographs of Streetscape Conditions. Within 30 days of execution of this Agreement, Corporation shall provide to City digital photographs of the conditions of streets, sidewalks and other streetscape, acceptable to OEWD, prior to commencing the District Programs.

ARTICLE IV CITY RESPONSIBILITIES

Section 4.1 Collection and Disbursement of Assessments. City shall include the Assessments on the property tax bills mailed to the owners of Identified Parcels on the secured property tax roll that year, based upon the annual Assessments as listed in the Management Plan and, after the first Fiscal Year, the Annual Reports, also taking into account any recoverable City costs for supplemental City service fees, loans, or advances. OEWD, or at OEWD's direction, Corporation, shall directly bill annual Assessments on Identified Parcels/Businesses owned by entities exempt from property taxation. The City shall disburse to Corporation the actual revenues received from the Assessments, subject to the terms and conditions of this Agreement. The City shall be under no obligation to disburse any Assessment Revenues without a Disbursement & Depository Certification executed by Corporation

containing the information described in Section 1.1(j) of this Agreement. The City shall disburse Assessment Revenues during each Fiscal Year for the duration of this Agreement according to the following schedule:

- a. **Disbursement of First Installment.** For Assessments the City receives with the first installment of secured property taxes which, if not paid on or before December 10, are delinquent, the City shall disburse all Assessment Revenues available for immediate disbursement on or before January 10 of the following calendar year.
- b. **Disbursement of Second Installment.** For Assessments the City receives with the second installment of secured property taxes which, if not paid on or before April 10, are delinquent, the City shall disburse all Assessment Revenues available for immediate disbursement on or before May 10 of the same calendar year.
- c. **Reconciliation; Delinquent Assessments and Other Special Disbursements.** In addition to the disbursements for the first and second installments described above, and subject to the terms and conditions of this Agreement, the City may disburse Assessment Revenues during the last Fiscal Quarter of each Fiscal Year, or from time to time as deemed appropriate by the Controller (for example and without limitation, where the assessments were paid, processed, and/or posted to the special assessment account within the City's Treasury for the District after disbursement of the second installment; based on the need to reconcile books and records related to the Assessments, resolve disputes between the parties, cure an Event of Default resulting in withholding of Assessment Revenues; and/or in situations of delinquent Assessments).
- d. Disbursements made under subsection (c) shall be made at such intervals and under such conditions or assurances of Corporation's future compliance with this Agreement as the Controller deems appropriate. Assessments not disbursed during the Fiscal Year in which received shall carry over to the next Fiscal Year and be disbursed with the first installment disbursement, unless disbursement would violate this Agreement or applicable law.
- e. City shall not be responsible for delays in disbursements to Corporation due to delays in transmittals of funds or payment delays by property owners, including other public entities, organizations or agencies, or delays caused by the resolution of disputes which, in the discretion of the Controller, warrant suspension of disbursements as set forth in this Article.
- f. The City shall provide reports to the Corporation electronically four times a year, coinciding with the assessment distribution. The first report will be distributed on or about January 10 with the disbursement of the first installment and shall include a detailed assessment payment report by parcel for the current fiscal year. The second report will be distributed on or about May 10 with the disbursement of the second installment and shall include a detailed assessment payment report by parcel for the current fiscal year. If there are remaining Assessment Revenues to be distributed the third report will be distributed in June and will include the assessment payment redemption report by parcel for the current and previous fiscal years and the fourth report will be distributed in August and will include assessment payment redemption report by parcel for previous fiscal years.

Section 4.2 Assistance. As the primary City liaison to Corporation, OEWD may at its discretion provide Corporation reasonable assistance in resolving any discrepancies in individual Assessments amounts, calculations or benefits; ensuring the timely collection of Assessments, including City Assessments and direct-billed Assessments, if any; and pursuing delinquent Assessments including interest and penalties. City may subject to current or future City policies recover its reasonable costs related to the foregoing from Assessment Revenues.

Section 4.3 Delinquent Assessments. If City collects any delinquent Assessments, and interest and penalties thereon, it shall disburse them to Corporation in accordance with the Section 4.1. The City

shall be under no obligation to make a special disbursement of delinquent Assessments except as provided in Section 4.1.

Section 4.4 Withholding; Suspension of Disbursements. The City may withhold either all or some portion of the actual revenues received from Assessments if, in the judgment of the Controller: (a) Corporation is not properly administering the budget in accordance with the Management Plan, Annual Report, and this Agreement, (b) Corporation has failed to maintain proper records or follow generally accepted accounting principles, (c) Corporation has failed to diligently implement audit recommendations regarding the safekeeping or use of Assessment Revenues, (d) based on advice from the City Attorney, Corporation is in violation of this Agreement, the 1994 Act, Article 15, or other applicable law. The City will notify Corporation and set forth the specific problems and issues the Controller determines warrant suspension of disbursements. Corporation will immediately attempt to cure the problems if, at the City's discretion, an opportunity for cure is appropriate. City will release Assessment Revenues upon the implementation of an acceptable cure, subject to the approval of the Controller and possible modification of the disbursement schedule. This Section 4.4 does not alter or diminish in any way City's right to proceed in a manner consistent with California Streets and Highways Code, Section 36670, Article 15 or other applicable law, or to invoke other appropriate remedies, including termination of this Agreement.

Section 4.5 Notification of Changed Status. If the Corporation is dissolved, no longer has nonprofit status, or has its corporate powers suspended by the Secretary of State or otherwise fails to remain in good standing, Corporation shall immediately transmit to City all unexpended Assessment Revenues for distribution to the owners of Identified Parcels, less amounts City, in its sole discretion, may pay or agree to pay to Corporation's unpaid creditors for Eligible Expenses, unless Corporation makes arrangements for payment of creditors and return of excess Assessment Revenues acceptable to City. Corporation will immediately notify OEWD and the Controller in writing of any such change in the status of the Corporation described in this Section or which constitutes a breach of this Agreement.

ARTICLE V

APPROPRIATION AND CERTIFICATION OF ASSESSMENT REVENUES; LIMITATIONS ON CITY'S OBLIGATIONS

Section 5.1 Risk of Non-Appropriation of Assessment Revenues. This Agreement is subject to the budget and fiscal provisions of the City's Charter. City shall have no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements for administration of the District by Corporation or by a different nonprofit entity acting as the Owners' Association for the District. Corporation assumes all risk of possible non-appropriation or non-certification of funds, and such assumption is part of the consideration for this Agreement. Any Assessment Revenues collected by the City that are not appropriated for implementation of the Management Plan by an Owners' Association shall be refunded, on a proportional basis, to the owners of the Identified Parcels.

Section 5.2 Certification of Controller; Guaranteed Maximum Costs. No Assessment Revenues shall be available under this Agreement without prior written authorization certified by the City Controller. In addition, as set forth in Section 21.19 of the San Francisco Administrative Code, and as required by other applicable law:

- a. City's obligations hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification.
- b. Except as may be provided by City ordinances governing emergency conditions, City and its employees, officers agents and representatives may not request Corporation to perform services or to provide materials, equipment and supplies that would result in Corporation

performing services or providing materials, equipment and supplies that are beyond the scope of this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City may not disburse Assessment Revenues to Corporation for purposes beyond the scope of the Management Plan, Annual Report for the relevant Fiscal Year, or this Agreement, unless an amendment to the Plan, such Annual Report and/or this Agreement, as appropriate, has been made in accordance with applicable law, or that is beyond the scope of Activities and Improvements authorized by the Property and Business Improvement District Law of 1994, as augmented by Article 15.

- c. City and its employees and officers are not authorized to offer or promise to Corporation additional funding for this Agreement which would exceed the maximum amount of Assessment Revenues provided for herein. Additional funding from any City funds for District Programs in excess of Assessment Revenues actually collected under this Agreement shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding which exceeds the maximum amount of Assessment Revenues provided in this when the lawful approval and certification by the Controller has not been obtained.
- d. The Controller is not authorized to make disbursements on any agreement for which funds have not been certified as available in the budget or by supplemental appropriation.

Section 5.3 Automatic Termination for Nonappropriation of Funds. Corporation shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by City, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

Section 9.2 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Corporation's acts or omissions. Corporation agrees that all private or confidential information to which City allows access to Corporation in the performance of this Agreement shall be held in confidence and used only in the performance of this Agreement. Corporation shall exercise the same standard of care to

protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.

Section 12.2 Sunshine Ordinance. Corporation acknowledges and agrees that this Agreement is subject to Section 67.24(e) of the San Francisco Administrative Code. All information provided by Corporation to City will be subject to inspection and copying unless exemption from disclosure under federal, state, or local law.

ARTICLE 13

ASSIGNMENTS AND SUBCONTRACTING

Section 13.1 No Assignment by Corporation. Corporation shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Corporation hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Corporation involuntarily or by operation of law without the prior written consent of City. A change of control of Corporation or a sale or transfer of substantially all of the assets of Corporation shall be deemed an assignment for purposes of this Agreement.

Section 13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.

Section 13.3 Subcontracting. Corporation shall have the right to subcontract for the provision of District Programs and administrative, professional and related services necessary or convenient for the implementation of the Management Plan only on the terms set forth in this Section.

- a. **Limitations.** In no event may Corporation subcontract or delegate for the implementation of the whole of the Management Plan. Corporation may subcontract with any person or entity acceptable to the City; provided, however, that Corporation shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Corporation, Corporation shall be responsible for the acts, defaults and omissions of any subcontractor or its agents or employees as fully as if they were the acts, defaults or omissions of Corporation. Corporation shall ensure that its subcontractors comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Management Plan. All references herein to duties and obligations of Corporation shall be deemed to pertain also to all subcontractors to the extent applicable. A default by any subcontractor shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subcontractor and City.
- b. **Terms of Subcontract.** Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subcontractor. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Management Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subcontractor, the audit and inspection rights set forth in Article 6. Upon the request of City, Corporation shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Corporation.

Section 14.2 Direction. Any terms in this Agreement referring to direction or instruction from the City or any Indemnified Party shall be construed as providing for direction as to policy and the result of Corporation's work only, and not as to the means by which such a result is obtained.

Section 14.3 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Corporation (including its subcontractors) is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Corporation which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Corporation for City, upon notification of such fact by City, Corporation shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Corporation under this Agreement (again, offsetting any amounts already paid by Corporation which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 14.3 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Corporation (including its subcontractors) shall not be considered an employee of City. Notwithstanding the foregoing, Corporation agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this Section.

Corporation acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Section 16.9 Limitations on Contributions. By executing this Agreement, Corporation acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of Corporation's board of directors; Corporation's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in Corporation; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Corporation. Section 16.13 Reserved. (Working with Minors.)

Section 16.14. Consideration of Criminal History in Hiring and Employment Decisions.

Corporation agrees to comply fully with and be bound by all of the provisions of Article 142, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Labor and Employment Code ("Article 142"), including the remedies and implementing regulations, as may be amended from time to time. The text of Article 142 is available on the web at <http://sfgov.org/olse/fco>. Corporation is required to comply with all of the applicable provisions of Article 142, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Article 142. But the requirements of Article 142 shall apply to Corporation or a Subcontractor's operations only to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco. Section 16.16 Reserved (HCAO)

Section 16.17 Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Corporation shall remove all graffiti from any real property owned or leased by Corporation in the City and County of San Francisco within forty-eight (48) hours of the earlier of Corporation's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works; or alternatively, according to the time requirements in any DPW Notice of Violation that is received by Corporation. This section is not intended to require a Corporation to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti"

shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

Any failure of Corporation to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

Section 16.18 Food Service Waste Reduction Requirements. Contractor shall comply with the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including but not limited to the remedies for noncompliance provided therein.

Section 16.19 Compliance with Other Laws. Without limiting the scope of any of the preceding sections of this Article 16, Corporation shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

ARTICLE 17 MISCELLANEOUS

Section 17.1 No Waiver. No waiver by the City of any default or breach of this Agreement shall be implied from any failure by the City to take action on account of such default if such default persists or is repeated. No express waiver by the City shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by City of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by the City of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

Section 17.2 Modification. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

Section 17.3 Administrative Remedy for Agreement Interpretation. Should any question arise as to the meaning or intent of this Agreement, the question shall, prior to any other action or resort to any other legal remedy, be referred to the Director of the Office of Economic Development who shall decide the true meaning and intent of the Agreement. Such decision shall be final and conclusive.

Section 17.4 Governing Law; Venue. The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California, without regard to its conflict of laws principles. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

Section 17.5 Headings. All article and section headings and captions contained in this Agreement are for reference only and shall not be considered in construing this Agreement.

Section 17.6 Entire Agreement. This Agreement and the documents set forth as appendices hereto constitute the entire Agreement between the parties, and supersede all other oral or written provisions. If there is any conflict between the terms of this Agreement and other documents, the terms of this Agreement shall govern.

Section 17.7 Certified Resolution of Signatory Authority. Upon request of City, Corporation shall deliver to City a copy of the corporate resolution(s) authorizing the execution, delivery and performance of this Agreement, certified as true, accurate and complete by the secretary or assistant secretary of Corporation.

Section 17.8 Severability. Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

Section 17.9 Successors; No Third-Party Beneficiaries. Subject to the terms of Article 13, the terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their successors and assigns. Nothing in this Agreement, whether express or implied, shall be construed to give any person or entity (other than the parties hereto and their respective successors and assigns and, in the case of Article 9, the Indemnified Parties) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

Section 17.10 Survival of Terms. The obligations of Corporation and the terms of the following provisions of this Agreement shall survive and continue following expiration or termination of this Agreement: Sections 6.4 through 6.8, Articles 7 and 9, Section 10.4, Article 12, Section 13.4, Section 14.3 and this Article 17.

Section 17.11 Further Assurances. From and after the date of this Agreement, Corporation agrees to do such things, perform such acts, and make, execute, acknowledge and deliver such documents as may be reasonably necessary or proper and usual to complete the transactions contemplated by this Agreement and to carry out the purpose of this Agreement in accordance with this Agreement.
