[Musee Mecanique]

Resolution urging the National Park Service to find a sufficient alternative location for Musee Mecanique until renovations are complete at the Cliff House.

WHEREAS, Musee Mecanique, a unique treasure that is housed in the basement of the Cliff House at Ocean Beach, is one of San Francisco’s hidden treasures that provides one of the world’s greatest collection of historic, coin-operated machines; and,

WHEREAS, Musee Mecanique houses more than 150 coin-operated machines, which provides an invaluable learning experience for children of all ages, and is a venue dear to hearts of San Franciscans and visitors alike; and,

WHEREAS, The Cliff House, slated to be renovated, will temporarily displace the Musee Mecanique; and,

WHEREAS, It is imperative that any proposed alternative location will not create a significant financial burden on the museum, including build-out costs; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby urge the National Park Service to find a suitable temporary location for the Musee Mecanique, where residents and visitors can easily access the wonders of the museum.
