

1 [Directing the Budget Analyst to identify the direct compensation and other benefits which are  
2 received by members of all Commissions of the City and County of San Francisco]

3  
4 **Motion directing the Budget Analyst to conduct a review of the direct compensation**  
5 **and other benefits which are received by the members of all Commissions of the City**  
6 **and County of San Francisco.**

7  
8 WHEREAS, The City and County of San Francisco has 18 City and County  
9 Commissions and 114 members of such Commissions that are responsible for overseeing  
10 individual City department and agency activities; and

11 WHEREAS, Members of these commissions are appointed by the Mayor or a  
12 combination of the Mayor, the Board of Supervisors, and other elected officials; and

13 WHEREAS, The City and County of San Francisco continues to face increasing  
14 financial pressures and annual budgetary shortfalls; and,

15 WHEREAS, Most Commissioners are paid compensation in the form of stipends for  
16 their work, receive health benefits and are reimbursed for various costs including travel  
17 expenditures, staff expenditures and other costs associated with their membership on  
18 Commissions; and,

19 WHEREAS, The cost of providing such compensation and benefits has increased over  
20 the years; and,

21 WHEREAS, There may be other costs related to members of the City and County  
22 Commissions that have not been previously identified; now therefore be it

23 MOVED, That the Budget Analyst is hereby directed to conduct a review to determine  
24 the total costs of the direct compensation and all other benefits which are received by the  
25 members of all Commissions of the City and County of San Francisco.
