RE: Proposed Resolution for the grant agreement with Self-Help for the Elderly for the Provision of Home Delivered Meals for Older Adults

Dear Ms. Calvillo:

Enclosed for the Board of Supervisors' consideration and approval, please find a resolution which will authorize the grant agreement between the City and County of San Francisco and Self-Help for the Elderly for an amount not to exceed \$13,871,295 for the period from July 1, 2025 to June 30, 2029.

The purpose of this grant is to provide home-delivered nutrition services for older adults living in the City and County of San Francisco. Home-delivered nutrition services include the provision of nutritious meals, nutrition education, and nutrition risk screening. Home-delivered nutrition services support individuals to live independently in their own homes and communities, help ensure health and well-being through improved nutrition and reduced isolation, and serve as an access point for other home and community-based services.

Because the contract is over \$10,000,000, the Department is requesting approval from the Board of Supervisors in accordance with the Section 9.118 of the Charter.

If you need additional information, please contact Tahir Shaikh, Contract Manager at tahir.shaikh@sfgov.org.

Attached please find a copy of the proposed resolution and supporting documents. Please calendar this item at the Board's earliest convenience and advise us of the date of introduction.
