[Housing Plan Amendments - Mission Rock Project - Seawall Lot 337]

Resolution approving an amendment of the Mission Rock Housing Plan to reduce the minimum percentage of inclusionary affordable housing units per Phase of the Mission Rock Project at Seawall Lot 337, bounded by China Basin Channel, Third Street, Mission Rock Street and San Francisco Bay.

WHEREAS, In January 2018, by Resolution No. 18-03, the Port Commission approved the terms of a Disposition and Development Agreement ("DDA") between the Port and the Seawall Lot 337 Associates, LLC, a Delaware limited liability company ("Developer"), and related transaction documents that are incorporated into the DDA, including the "Housing Plan" that requires Developer to provide below market rate units affordable to low- and moderate-income households, for the development of approximately 28-acres located along the Port's Central Waterfront and commonly referred to as "Mission Rock" (the "Project"), comprised of (1) Seawall Lot 337, bounded by Third Street on the west, Mission Rock Street on the south, Pier 48 to the east, and China Basin Park on the north; (2) Pier 48; (3) China Basin Park; (4) the marginal wharf between Pier 48 and Pier 50; and (5) Parcel P20 (collectively, the "Site"); Capitalized terms not otherwise defined herein shall have the meaning set forth in the Appendix to the DDA; and

WHEREAS, In February 2018, the Board of Supervisors approved the DDA by Resolution No. 42-18, and approved the Development Agreement for the Project by Ordinance No. 33-18; and

WHEREAS, On April 4, 2019, the Developer submitted its "Phase Submittal" for "Phase 1" of the Project, (the "Phase 1 Phase Submittal"), which was accepted by Port staff as complete and in compliance with the DDA; and

WHEREAS, The Port executed that certain Lease No. L-16703 (Mission Rock – Phase 1, Parcel A/Lot 1) with an affiliate of Developer, Mission Rock Parcel A Owner, L.L.C. ("Tenant"), dated as of October 6, 2020 (the "Parcel A Lease"), as evidenced by that certain Memorandum of Lease, dated as of October 6, 2020, by Port and Tenant, and recorded in the Official Records on October 7, 2020 as Document Number 2020027130; and

WHEREAS, The Parcel A Lease documents the Developer's and Tenant's initial dedication of units that are affordable to low- and moderate-income households ("BMR" units) in Parcel A based on the Phase 1 Phase Submittal; and

WHEREAS, The leasing trends for Parcel A BMR units remain consistent since June 2023: lower-income BMR units are leased while some moderate-income units remain vacant for lack of demand, as described in two memoranda to the Port Commission dated April 5, 2024, and dated March 7, 2025; and

WHEREAS, In February 2025, the Developer submitted to Port a revised Phase 1

Phase Submittal that would modify the number of and eligibility for the BMR units in Parcel A, which would reduce the number of BMR units, increase the number of market-rate units, and increase the number of BMR units available to households with lower incomes as described below; and

WHEREAS, The February 2025 Phase 1 Phase Submittal would increase the number of BMR units available to households with incomes less than or equal to 90% of the area median income (AMI) from 10 units to 19 units; maintain 54 units available to households with incomes equal to and less than 120% of AMI; and, eliminate the number of BMR units available to households with incomes equal to or less than 150% of AMI from 38 units to zero units; and

WHEREAS, Some 120%- and 150%-AMI BMR units are occupied by income-eligible households, and Developer and Tenant propose to further lower the AMI eligibility for some

occupied units and commit that, upon approval: (1) current tenant households will be allowed to remain in the BMR units notwithstanding new income-eligibility requirements, (2) those tenants will receive reduced rents based on the lowered AMI eligibility restrictions, and (3) only upon vacancy will the lower household income eligibility take effect; and

WHEREAS, The changes to the Parcel A BMR unit count and income eligibility in the February 2025 Phase 1 Phase Submittal would result in 73 of 283 units restricted as BMR units (i.e., 26% of Parcel A units as BMR); and

WHEREAS, The changes to the Parcel A BMR unit count and income eligibility in the February 2025 Phase 1 Phase Submittal, in conjunction with the Parcel F BMR program approved in April 2024, would result in 132 of 537 units restricted as BMR units for Phase 1 overall (i.e., 24.6% of all Phase 1 residential units as BMR); and

WHEREAS, The Housing Plan, which is attached to the DDA as Exhibit B5, requires Developer to restrict no less than 30% of all residential units delivered in each Project Phase as BMR units; and

WHEREAS, Accepting the February 2025 Phase 1 Phase Submittal and implementing the proposed changes to the BMR units in Parcel A would require amending the Housing Plan to reduce the percentage of residential units restricted as BMR units per Project Phase to no less than 20% from the original 30% (the "Housing Plan Amendment"); and

WHEREAS, The Mayor's Office of Housing and Community Development recommends approval of the Housing Plan Amendment; and

WHEREAS, The Port Commission adopted Resolution No. 25-17 approving the Housing Plan Amendment, in addition to amendments to implementing documents, including the declaration of restrictions, Parcel A Lease and any other necessary documents, subject to approval by the Board of Supervisors; and

WHEREAS, The actions contemplated in this resolution are within the scope of the project, for which the Port Commission by Resolution No. 18-06 on January 30, 2018, and the Board of Supervisors by Ordinance No. 33-18 on March 6, 2018, respectively, affirmed the Planning Commission's certification of the Final Environmental Impact Report for the Seawall Lot 337 and Pier 48 Mixed-Use Project (Planning Commission Motion No. 20018) and made findings in accordance with the California Environmental Quality Act (California Public Resources Code section 21000 et. seq.) and Administrative Code, Chapter 31, which Resolutions are incorporated herein by reference; now, therefore, be it

RESOLVED, That the Board of Supervisors approves the Housing Plan Amendment to reduce the minimum percentage of BMR units restricted per Phase of the Project from 30% to 20% and to update the form declaration of restrictions in substantially the form on file with the Clerk of the Board of Supervisors in File No. 250264; and, be it

FURTHER RESOLVED, That the Board of Supervisors acknowledges that subsequent to approval of the Housing Plan Amendment, the Executive Director of the Port will execute amendments to the Parcel A Lease, and any and all other documents reasonably necessary to reflect the February 2025, Phase 1 Phase Submittal and its modifications to the number and income-eligibility levels of the BMR units in Parcel A as described in this resolution, including but not limited to a declaration of restrictions and memorandum of amendment to the parcel lease, and to record such documents as may be necessary.
