SOMA has been a major part of my life experience, even before my move to San Francisco, as a gay man looking for a welcoming home and community. When the SF Leather and LGBTQ cultural district started holding their formative meetings, I attended those early discussions and have been a consistent member since the Council approved it's creation more than 5 years ago, and continue to support it's efforts to preserve and promote the cultural heritage and diversity of the SOMA communities. I am a retired senior who regularly supports the businesses and cultural activities of the broader SOMA populations, and was appointed to complete an open term on the Stabilization Fund CAC on June 7, 2022, having volunteered at the request of the District to be a voice - not only for their membership, but all needs of the SOMA district.

Business and/or Professional Experience:

I am a retired CPA with extensive background in nonprofit financial management and reporting, as well as a heartfelt commitment to preserving diverse community heritages, and a strong desire to see all voices, all members of the community be aware of the needs and opportunities within SOMA and our City as a whole. My professional background in Southern California included many engagements professionally and as a volunteer working with community support agencies and non profits, as well as governmental entities. I moved to San Francisco in 2017, and retired in 2019. During the 16 months serving on the Stabilization Fund CAC, I have regularly attended meetings, met with other members of the CAC and the community, and worked to ensure broader awareness of funding opportunities and other needs. Additionally, I have worked with the Mayor's office of CHD team to gain a better understanding of the financial structure and challenges for the Fund, and recently met directly with representatives of the consultants under consideration to aid in the development of a new strategic plan.

Civic Activities:

As well as being a member of the Cultural District since it's formation, along with my husband, we are members of several community organizations within the District, and although we live in Glen Park consider SOMA to be our second home, patronizing businesses and events throughout the year. In addition, we support several arts organizations within the City as a whole, and I personally enjoy exploring the history of the Bay Area and identifying lessons from our past to help our communities build a brighter future. San Francisco is a jewel ready for rebirth and a new era of hope.

My office has been located in SOMA since around 1992 at about which time I was invited to join the South Of Market Project Area Committee, the advisory body to the San Francisco redevelopment agency which was instrumental in providing funding for storefront and street beautification and development. At that time I joined the South Of Market Business Agency and was elected president in 2008.

The one development I am proud of is the Redevelopment Agency acquiring by eminent domain of the Hugo Hotel. As reported in the Chronicle "Finally, goaded by the South of Market Business Association, the city went to court to take over the site by eminent domain. In 2009 a judge ruled that the Redevelopment Agency could seize the property after paying the owner \$4.6 million.

"The owner was happy to leave it as it was," said Henry Karnilowicz, president of the association. "The only way to get this blighted property was to go through eminent domain." It was also voted on my motion to building affordable housing for families.

Business and/or Professional Experience:

I completed my apprentice as an electrician in 1968 at the Ford Motor Company in Australia. In 1969 I traveled to South Africa where I worked as an electrician. In 1999 I earned my Associates Degree in Building Inspection at San Mateo Community College. After the 1989 earthquake I primarily worked repairing and retrofitting of earthquake damaged SRO hotels in SOMA. I also have been retained as an expert witness and have produced reports for property owners.

I have been a member of the Department of Building Inspection Codes Advisory Committee since 2006.

Civic Activities:

In 2012 I was elected as president of the San Francisco Council of District Merchants Associations at which time consisted of eleven members and working with Vas Kiniris, Executive Director of Fillmore Merchants Association, by 2021 we grew the memberships to 35 members.

I have been co-chair of the SFPD Chiefs Small Business Advisory Forum since its inception in 2020, We meet monthly on issues related to security and annually we hold a Security Summit where captains from all the stations are present.
