This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear John Carroll-

I was in the phone speaker's, and after pressing *3 to speak, the committee could not hear me both times queue to make comments during the Land Use and Transportation Committee meeting today for Agenda Item #5, the Resolution of Intent to Establish a Street Plaza at Eagle Plaza 383-12th Street.

Unfortunately, both times, after pressing *3 to speak, the committee could not hear me, and the speaker line was abandoned to move on to the next meeting item.

I want this email to present my planned statement, which follows:

Good afternoon, Committee Members-

My name is Ben Gilliam, and I am the Chair of the GLBT Historical Society in San Francisco and a previous financial donor to help establish Eagle Plaza.

I am here to support establishing a street plaza at Eagle Plaza and to solicit a Plaza steward for Eagle Plaza. It is becoming a world class destination to visit and the Plaza also hosts many beneficial community events.

Thanks for your consideration of my support.

Sincerely,

Ben Gilliam
