3. Background

The San Francisco Department of Public Health's (SFPDH) Behavioral Health Services (BHS) solicited proposals from qualified vendors to serve as a FISCAL INTERMEDIARY (CONTRACTOR) for check-writing services for four types of BHS services:

- 1) Private Provider Network (PPN)/ Out of Network Provider Reimbursement;
- 2) Residential Care Facilities (RCFs);
- 3) Client wraparound services and related expenses; and
- 4) Emergency Housing/Stabilization Rooms and Related Expenses Workforce and Training and Other Emergent Needs such as Mental Health and Substance Use Disorder consultations, and hospital payments for psychiatric emergency and eating disorders.

The four types of services are described as follows:

A. San Francisco Health Plan Private Provider Network (PPN)/Out of Network Provider Reimbursement:

On April 1, 1998, the Department assumed responsibility from the State for providing specialty mental health services to San Francisco Medi-Cal beneficiaries and other eligible San Francisco Mental Health Plan (SFMHP) members, including residents who are indigent and/or uninsured. Most of the providers of these services have a contract with BHS for the provision of these services. However, BHS utilizes non-contract providers to serve SFMHP members, who reside in other California counties, with emergency or urgent care needs. Since non-contract providers are not considered "**VENDORS**" in the City's accounts payable system, the SFMHP needs a FISCAL INTERMEDIARY (CONTRACTOR) mechanism to provide payment to non-contract providers, both within San Francisco County and out-of-county. A FISCAL INTERMEDIARY (CONTRACTOR) selected under this RFP will make claim payments to providers who are in the SFMHP Private Provider Network (PPN) but whose claims cannot be processed through the City's Controller's Office. (For the purposes of this RFP, a "provider" is defined as an entity that provides services directly to BHS clients.)

B. Residential Care Facilities (RCFs) and Residential Care Facilities for the Elderly (RCFEs)

BHS has as one of its longest-standing missions the goal of achieving and maintaining optimal health for its clients in non-institutional settings, such as, licensed Residential Care Facilities (RCFs) and licensed Residential Care Facilities for the Elderly (RCFEs). BHS recognizes these licensed facilities as a key component within the continuum of care that assists its clients to live in a stable community setting.

Contractor: HealthRIGHT360
 Program: Fiscal Administrator – Check Writing Services

Appendix A-1
 07/01/22 through 06/30/23

BHS needs a fiscal intermediary mechanism to provide payment to several dozen providers, both within San Francisco and out-of-county. Many of these providers are small, home-like operations that are owner-occupied licensed facilities unable to contract with the City and County of San Francisco but who are willing to enter into a Memorandum of Agreement ("MOA") regarding placement of mental health clients at their facility. BHS enters into a MOA with each participating provider and agrees to pay to the provider a daily per diem for each client or bed utilized by mental health clients. Payments are made either monthly or quarterly for services rendered during the previous month or quarter, or in some cases payments are made in advance of services rendered.

C. Client Wraparound Services and Related Expenses; Workforce and Training; and Emergent Needs
 BHS needs a FISCAL INTERMEDIARY (CONTRACTOR) to provide check writing and tracking services to support the function of providing client wraparound and related services. These fiscal management services include: direct check writing for services or expenses that will assist in a client's stabilization efforts, such as for emergency housing needs or food, and for non-emergency services such as transportation, clothing, and vocational training. Additionally, consultants are occasionally hired for amounts up to approximately \$10,000 to assist in various efforts related to the service delivery system, which may include work force or specialty training. Finally, there may be miscellaneous related costs that occur from time to time that require check writing to respond to emergent needs.

D. Emergency Housing/Stabilization Rooms and Related Expenses , including for the Department of Homeless and Supportive Housing (HSH)

The Department requires a fiscal intermediary to provide payment to several providers within San Francisco. These providers are small hotel operators who have entered into a Memorandum of Agreement ("MOA") regarding placement of clients at their buildings for a limited time period. The Department or HSH enters into a MOA with each participating provider and agrees to pay to the provider a monthly rate for a specified number of rooms. Payments are made monthly or quarterly for services rendered during the previous month, or in some cases, payments are made in advance to secure the rooms. Furthermore, housing vouchers and housing subsidies are needed for clients served by four different UCSF programs: SFGH/UCSF case management programs: Citywide Case Management, Crisis Resolution Team (CRT), Emergency Department (ED), and Community Focus are managed through this agreement.

Target populations are all populations and ethnicities in San Francisco with focused expertise to address the unique needs of clients experiencing homelessness and clients with special needs who are referred by the San Francisco Homeless Outreach Team (SFHOT). This fiscal intermediary service includes managing monthly rental payments for rooms at the Kean, Riviera and Crystal hotels and up to 30 or more additional rooms at other sites identified throughout the year as necessary.

Data Access Agreement

Article 1 Access

1.1 Revision to Scope of Access (RSA):

Any added access may be granted by the City to Agency and each Agency Data User through a Revision to Scope of Access in writing and executed by both parties. Any Revision to Scope of Access shall be considered a part of and incorporated into this Agreement, governed by all its terms, by reference.

1.2 Primary and Alternate Agency Site Administrator.

Before System(s) access is granted, Agency must appoint a primary and alternate Agency Site Administrator responsible for System(s) access tasks, including but not limited to the following:

1. Completing and obtaining City approval of the Account Provisioning Request documents and/or Data Set Request documents;
 2. Communicating with the SFDPH IT Service Desk;
 3. Providing Agency Data User(s) details to the City;
 4. Ensuring that Agency Data User(s) complete required SFDPH trainings annually;
 5. Ensuring that Agency Data User(s) understand and execute SFDPH's data access confidentiality agreement; and
 6. Provisioning and deprovisioning Agency Data Users as detailed herein.
- To start the process, the Agency Site Administrator must contact the SFDPH IT Service Desk at 628-206-7378, dph.helpdesk@sfdph.org.

1.3 SFDPH IT Service Desk.

For new provisioning requests, only Agency Site Administrators are authorized to contact the SFDPH IT Service Desk. The City reserves the right to decline any call placed by other than the Agency Site Administrator. Individual Agency Data Users are not authorized to contact the SFDPH IT Service Desk.

1.4 Deprovisioning Schedule.

Agency, through the Agency Site Administrator, has sole responsibility to deprovision Agency Data Users from the System(s) as appropriate on an ongoing basis. Agency must immediately deprovision an Agency Data User upon any event ending that Data User's need to access the System(s), including job duty change and/or termination. Agency remains liable for the conduct of Agency Data Users until deprovisioned. When deprovisioning employees via the SFDPH IT Service Desk, Agency must maintain evidence that the SFDPH IT Service Desk was notified.

1.5 Active Directory.

Agency Data Users will need an SFDPH Active Directory account in order to access each System(s). These Active Directory Accounts will be created as part of the provisioning process.

1.6 Role Based Access.

Each Agency Data User's access to the System(s) will be role-based and access is limited to that necessary for treatment, payment, and health care operations. The City will assign Agency Data User roles upon provisioning and reserves the right to deny, revoke, limit, or modify Agency Data User's access acting in its sole discretion.

1.7 Training Requirements.

Before System(s) access is granted, and annually thereafter, each Agency Data User must complete SFDPH compliance, privacy, and security training. Agency must maintain written records evidencing such annual training for each Agency Data User and provide copies upon request to the City. For questions about how to complete SFDPH's compliance, privacy, and security training, contact Compliance.Privacy@sfdph.org, (855) 729-6040.

Before Agency Data User first access to System(s), system-specific training must be completed. For training information, Agency Site Administrator may contact the SFDPH IT Service Desk,

1.8 Agency Data User Confidentiality Agreement.

Before System(s) access is granted, as part of SFDPH's compliance, privacy, and security training, each Agency Data User must complete SFDPH's individual user confidentiality, data security and electronic signature agreement form. The agreement must be renewed annually.

1.9 Corrective Action.

Agency shall take corrective action, including but not limited to termination and/or suspension of any System(s) access by any Agency Data User who acts in violation of this Agreement and/or applicable regulatory requirements.

1.10 User ID and Password.

Each Agency Data User will be assigned or create a User ID and password. Agency and each Agency Data User shall protect the confidentiality of User IDs and passwords and shall not divulge them to any other person(s). Agency is responsible for the security of the User IDs and passwords issued to or created by Agency Data Users and is liable for any misuse.

1.11 Notification of Compromised Password.

In the event that a password assigned to or created by an Agency Data User is compromised or disclosed to a person other than the Agency Data User, Agency shall upon learning of the compromised password immediately notify the City, at Compliance.Privacy@sfdph.org, (855) 729-6040. Agency is liable for any such misuse. Agency's failure to monitor each Agency Data User's ID and/or password use shall provide grounds for the City to terminate and/or limit Agency's System(s) access.

1.12 Multi Factor Authentication.

Agency and each Agency Data User must use multi-factor authentication as directed by the City to access the System(s).

1.13 Qualified Personnel.

Agency shall allow only qualified personnel under Agency's direct supervision to act as Agency Data Users with access to the System(s).

1.14 Workstation/Laptop encryption.

All workstations and laptops that process and/or store City Data must be encrypted using a current industry standard algorithm. The encryption solution must be full disk unless approved by the SFDPH Information Security Office.

1.15 Server Security.

Servers containing unencrypted City Data must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.

1.16 Removable media devices.

All electronic files that contain City Data must be encrypted using a current industry standard algorithm when stored on any removable media or portable device (i.e. USB thumb drives, CD/DVD, smart devices tapes etc.).

1.17 Antivirus software.

All workstations, laptops and other systems that process and/or store City Data must install and actively use a comprehensive anti-virus software solution with automatic updates scheduled at least daily.

1.18 Patch Management.

All workstations, laptops and other systems that process and/or store City Data must have operating system and application security patches applied, with system reboot if necessary. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.

1.19 System Timeout.

The system must provide an automatic timeout, requiring reauthentication of the user session after no more than 20 minutes of inactivity.

1.20 Warning Banners.

All systems containing City Data must display a warning banner each time a user attempts access, stating that data is confidential, systems are logged, and system use is for business purposes only. User must be directed to log off the system if they do not agree with these requirements.

1.21 Transmission encryption.

All data transmissions of City Data outside the Agency's secure internal network must be encrypted using a current industry standard algorithm. Encryption can be end to end at the network level, or the data files containing City Data can be encrypted. This requirement pertains to any type of City Data in motion such as website access, file transfer, and e-mail.

1.22 No Faxing/Mailing.

City Data may not be faxed or mailed.

1.23 Intrusion Detection.

All systems involved in accessing, holding, transporting, and protecting City Data that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution of the City.

1.24 Security of PHI.

Agency is solely responsible for maintaining data security policies and procedures, consistent with those of the City that will adequately safeguard the City Data and the System. Upon request, Agency will provide such security policies and procedures to the City. The City may examine annually, or in response to a security or privacy incident, Agency's facilities, computers, privacy and security policies and procedures and related records as may be necessary to be assured that Agency is in compliance with the terms of this Agreement, and as applicable HIPAA, the HITECH Act, and other federal and state privacy and security laws and regulations. Such examination will occur at a mutually acceptable time agreed upon by the parties but no later than ten (10) business days of Agency's receipt of the request.

1.25 Data Security and City Data

Agency shall provide security for its networks and all internet connections consistent with industry best practices, and will promptly install all patches, fixes, upgrades, updates and new versions of any security

software it employs. For information disclosed in electronic form, Agency agrees that appropriate safeguards include electronic barriers (e.g., "firewalls", Transport Layer Security (TLS), Secure Socket Layer [SSL] encryption, or most current industry standard encryption, intrusion prevention/detection or similar barriers).

1.26 Data Privacy and Information Security Program.

Without limiting Agency's obligation of confidentiality as further described herein, Agency shall be responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (i) ensure the security and confidentiality of the City Data; (ii) protect against any anticipated threats or hazards to the security or integrity of the City Data; (iii) protect against unauthorized disclosure, access to, or use of the City Data; (iv) ensure the proper disposal of City Data; and, (v) ensure that all of Agency's employees, agents, and subcontractors, if any, comply with all of the foregoing. In no case shall the safeguards of Agency's data privacy and information security program be less stringent than the safeguards and standards recommended by the National Institute of Standards and Technology (NIST) Cybersecurity Framework and the Health Information Technology for Economic and Clinical Health Act (HITECH).

1.27 Disaster Recovery.

Agency must establish a documented plan to protect the security of electronic City Data in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this agreement for more than 24 hours.

1.28 Supervision of Data.

City Data in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an Agency Data User authorized to access the information. City Data in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.

1.29 As Is Access.

The City provides Agency and each Agency Data User with System(s) access on an "as is" basis with no guarantee as to uptime, accessibility, or usefulness. To the fullest extent permissible by applicable law, the City disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

1.30 No Technical or Administrative Support.

Except as provided herein, the City will provide no technical or administrative support to Agency or Agency Data Users for System(s) access.

1.31 City Audit of Agency and Agency Data Users.

The City acting in its sole discretion may audit Agency and Agency Data Users at any time. If an audit reveals an irregularity or security issue, the City may take corrective action including but not limited to termination of such Agency's and/or Agency Data User's access to the System(s) permanently or until the City determines that all irregularities have been satisfactorily cured. Agency and each Agency Data User understands that the City may create and review an audit trail for each Agency Data User, including but not limited to, noting each Agency Data User's ID(s), the patient information accessed, and/or the date accessed. Agency and each Agency Data User understands that any inappropriate access or use of patient information, as determined by the City, may result in the temporary and/or permanent termination of Agency's or such Agency Data User's access to the System(s). Agency remains liable for all inappropriate System(s) access, misuse and/or breach of patient information, whether in electronic or hard-copy form.

1.32 Minimum Necessary.

Agency and each Agency Data User shall safeguard the confidentiality of all City Data that is viewed or obtained through the System(s) at all times. Agency and each Agency Data User shall access patient information in the System(s) only to the minimum extent necessary for its assigned duties and shall only disclose such information to persons authorized to receive it, as minimally necessary for treatment, payment and health care operations.

1.33 No Re-Disclosure or Reporting.

Agency may not in any way re-disclose SFDPH Data or otherwise prepare reports, summaries, or any other material (in electronic or hard-copy format) regarding or containing City Data for transmission to any other requesting individuals, agencies, or organizations without prior written City approval and where such re-disclosure is otherwise permitted or required by law.

1.34 Health Information Exchange.

If Agency is qualified to enroll in a health information exchange, the City encourages Agency to do so in order to facilitate the secure exchange of data between Agency's electronic health record system (EHR) and the City's Epic EHR.

1.35 Subcontracting.

Agency may not subcontract any portion of Data Access Agreement, except upon prior written approval of City. If the City approves a subcontract, Agency remains fully responsible for its subcontractor(s) throughout the term and/or after expiration of this Agreement. All Subcontracts must incorporate the terms of this Data Access Agreement. To the extent that any subcontractor would have access to a System, each such subcontractor's access must be limited and subject to the same governing terms to the same extent as Agency's access. In addition, each contract between Agency and that subcontractor must, except as the City otherwise agrees, include a Business Associate Agreement requiring such subcontractor to comply with all regulatory requirements regarding third-party access, and include a provision obligating that subcontractor to (1) defend, indemnify, and hold the City harmless in the event of a data breach in the same manner in which Agency would be so obligated, (2) provide cyber and technology errors and omissions insurance with limits identified in Article 5, and (3) ensure that such data has been destroyed, returned, and/or protected as provided by HIPAA at the expiration of the subcontract term.

Article 2 Indemnity

2.1 Medical Malpractice Indemnification.

Agency recognizes that the System(s) is a sophisticated tool for use only by trained personnel, and it is not a substitute for competent human intervention and discretionary thinking. Therefore, if providing patient treatment, Agency agrees that it will:

1. Read information displayed or transmitted by the System accurately and completely;
2. Ensure that Agency Data Users are trained on the use of the System;
3. Be responsible for decisions made based on the use of the System;
4. Verify the accuracy of all information accessed through the System using applicable standards of good medical practice to no less a degree than if Agency were using paper records;
5. Report to the City as soon as reasonably practicable all data errors and suspected problems related to the System that Agency knows or should know could adversely affect patient care;

6. Follow industry standard business continuity policies and procedures that will permit Agency to provide patient care in the event of a disaster or the System unavailability;

7. Use the System only in accordance with applicable standards of good medical practice.

Agency agrees to indemnify, hold harmless and defend City from any claim by or on behalf of any patient, or by or on behalf of any other third party or person claiming damage by virtue of a familial or financial relationship with such a patient, regardless of the cause, if such claim in any way arises out of or relates to patient care or outcomes based on Agency's or an Agency Data User's System access.

Article 3 Proprietary Rights and Data Breach

3.1 Ownership of City Data.

The Parties agree that as between them, all rights, including all intellectual property rights in and to the City Data and any derivative works of the City Data shall remain the exclusive property of the City.

3.2 Data Breach; Loss of City Data.

The Agency shall notify City immediately by telephone call plus email upon the discovery of a breach (as herein). For purposes of this Section, breaches and security incidents shall be treated as discovered by Agency as of the first day on which such breach or security incident is known to the Agency, or, by exercising reasonable diligence would have been known to the Agency. Agency shall be deemed to have knowledge of a breach if such breach is known, or by exercising reasonable diligence would have been known, to any person, other than the person committing the breach, who is an employee or agent of the Agency.

Agency shall take:

- ii. a description of the unauthorized persons known or reasonably believed to have improperly used the City Data and/or a description of the unauthorized persons known or reasonably believed to have improperly accessed or acquired the City Data, or to whom it is known or reasonably believed to have had the City Data improperly disclosed to them; and
- iii. a description of where the City Data is believed to have been improperly used or disclosed; and
- iv. a description of the probable and proximate causes of the breach or security incident; and
- v. whether any federal or state laws requiring individual notifications of breaches have been triggered.

2. **Written Report:** Agency shall provide a written report of the investigation to the City as soon as practicable after the discovery of the breach or security incident. The report shall include,

but not be limited to, the information specified above, as well as a complete, detailed corrective action plan, including information on measures that were taken to halt and/or contain the breach or security incident, and measures to be taken to prevent the recurrence or further disclosure of data regarding such breach or security incident.

3. **Notification to Individuals:** If notification to individuals whose information was breached is required under state or federal law, and regardless of whether Agency is considered only a custodian and/or non-owner of the City Data, Agency shall, at its sole expense, and at the sole election of City, either:

- i. make notification to the individuals affected by the breach (including substitute notification), pursuant to the content and timeliness provisions of such applicable state or federal breach notice laws. Agency shall inform the City of the time, manner and content of any such notifications, prior to the transmission of such notifications to the individuals; or
- ii. cooperate with and assist City in its notification (including substitute notification) to the individuals affected by the breach.

i. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within (5) days of request by CE to enable CE to fulfill its obligations under state law [Health and Safety Code Section 123110] and the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

l. Minimum Necessary. n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

o. Breach Pattern or Practice by Business Associate's Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

APPENDIX E

Business Associate Agreement

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI. Per the Secretary's guidance, the City will accept destruction of electronic PHI in accordance with the standards enumerated in the NIST SP 800-88, Guidelines for Media Sanitization. The City will accept destruction of PHI contained in paper records by shredding, burning, pulping, or pulverizing the records so that the PHI is rendered unreadable, indecipherable, and otherwise cannot be reconstructed.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure of Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.
