4 therefore be \$1.1773 on each \$100 valuation of said taxable property.

5  
6           **Section 7.** Pursuant to Chapter 37.3(a)(6)(A), (B) and (C) of the San Francisco  
7 Administrative Code, the Board of Supervisors hereby determines that, based on the  
8 combined property tax rate provided in Section 6, the property tax pass-through rate for  
9 residential tenants for the fiscal year ending June 30, 2015, shall be \$0.0950 per \$100 of  
10 assessed value. The pass-through rate is based on three factors: (1) 100% of the change in  
11 the landlord's property tax resulting from repayment of the City's general obligation bonds  
12 approved by voters between November 1, 1996 and November 30, 1998; (2) 50% of the  
13 change in the landlord's property tax resulting from repayment of the City's general obligation  
14 bonds approved by voters after November 14, 2002; and (3) 50% of the change in the  
15 landlord's property tax resulting from repayment of the San Francisco Unified School District  
16 or San Francisco Community College District's general obligation bonds approved by voters  
17 after November 1, 2006, payable during the fiscal year ending June 30, 2015.

## LEGISLATIVE DIGEST

[Setting Property Tax Rate and Establishing Pass-Through Rate for Residential Tenants - FY2014-2015]

**Ordinance providing revenue and levying property taxes at a combined rate of \$1.1773 on each \$100.00 valuation of taxable property for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District, and establishing pass-through rate of \$0.0950 per \$100.00 of assessed value for residential tenants pursuant to Administrative Code, Chapter 37, for the fiscal year ending June 30, 2015.**

### Existing Law

San Francisco's combined property tax rate and pass-through rate for residential tenants is adopted annually. Article XIII A of the California Constitution and Sections 93 and 100 of the California Revenue and Taxation Code fix the base property tax rate at \$1.0000 on each \$100 valuation of taxable property. The portion of the property tax rate above the fixed amount varies each year based on the anticipated debt service requirements related to voter-approved general obligation bonds.

The Board of Supervisors adopted and approved Ordinance Number 202-13 on September 24, 2013 for Fiscal Year 2013-2014. That Ordinance established the 2013-2014 fiscal year's combined property tax rate of \$1.1880 on each \$100 valuation of taxable property within the City and County of San Francisco. Ordinance 202-13 also established the property tax pass-through rate of residential tenants of \$0.0880 per \$100 of assessed value based upon the criteria defined in Chapter 37.3(a)(6)(A) and (B) and (C) of the San Francisco Administrative Code.

### Amendments to Current Law

This legislation would update the combined property tax rate to \$1.1773 on each \$100 valuation of taxable property within the City and County of San Francisco to reflect the change in anticipated debt service requirements, including a 0.25% administrative allowance to reimburse costs of collection, for Fiscal Year 2014-2015. The legislation also updates the property tax pass-through rate of residential tenants to \$0.0950 per \$100 of assessed value.

### Background Information

California Government Code Section 29100 requires the Board of Supervisors to adopt the composite property tax rate for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District for the fiscal year on or before October 3 of each year. Section 3.3 of the City and County of San Francisco's Administrative Code requires the property tax rate be adopted by the last working day of September. This legislation fulfills both of those requirements.

## MANDATE STATEMENT AND BACKGROUND

### Mandate Statement

California Revenue and Taxation Code Section 2151 requires the Board of Supervisors to “fix the rates of county and district taxes” and to collect the taxes for the City, County, and State.

San Francisco Administrative Code Section 3.3(h) requires the Board of Supervisors to adopt the property tax rate for the City and County of San Francisco before the last working day in September.

City Charter Section 16.107-109 requires that portions of the City’s annual property tax levy be set-aside for specific uses including: \$0.0250 for the Library Preservation Fund; \$0.0300 for the Children’s Fund; and \$0.0250 for the Open Space Acquisition Fund.

San Francisco Administrative Code Section 37.3(a)(6)(A-C), the Residential Rent Stabilization and Arbitration Ordinance, allows landlords to pass through to tenants one-half of property tax increases due to voter-approved General Obligation bonds that are to be used by the City, the San Francisco Unified School District, and San Francisco Community College District.

### Background

The Board of Supervisors annually sets the combined property tax rate that provides revenues for: (1) general operations, (2) specific Charter-required activities such as acquiring open space or constructing, maintaining, and operating the public library; and (3) paying debt service on voter-approved General Obligation bonds that were issued by the City, the San Francisco Unified School District, and the San Francisco Community College District.

Under the California Revenue and Taxation Code, the base property tax rate that the City can levy on property owners is one percent and can be used for general purposes. Any amount over the base one percent is used to pay for debt service on voter-approved General Obligation bonds.

## DETAILS OF THE PROPOSED RESOLUTION

The proposed ordinance sets the property tax rate for FY 2014-15 for taxing entities<sup>1</sup> within the City and County of San Francisco including (a) the City and County of San Francisco (CCSF); (b) the San Francisco Unified School District (SFUSD); (c) the San Francisco Community College District (SFCCD); (d) the Bay Area Rapid Transit District (BART), and the Bay Area Air Quality Management District (BAAQM).

The proposed ordinance also would set the property tax pass-through rate that landlords can pass-through to tenants in FY 2014-15, as allowed under the City Administrative Code. The allowable tenant pass-through rate is based on the portion of the landlord’s property tax

<sup>1</sup> Taxing entities are agencies or organizations located within the City of San Francisco and that have taxing authority but that may not be a part of the City government. The \$0.8192 General City Operations factor includes \$0.2533 to be shifted to the Educational Revenue Augmentation Fund for the benefit of San Francisco Unified School District, County Office of Education, and the San Francisco Community College District.

liability that comes from General Obligation bond debt service for certain periods, as shown in Table 1 below.

**Table 1: Percent of Property Tax Increases Payable by Tenants to Landlords**

Taxing Entity	Timeframe	Pass-Through Tax
City and County of San Francisco	November 1, 1996 – November 14, 1998	100%
City and County of San Francisco	November 30, 2002 - Present	50%
San Francisco Unified School District San Francisco Community College District	November 1, 2006 - Present	50%

## FISCAL IMPACTS

### Combined Property Tax Rate

The proposed ordinance would set the combined property tax rate (comprised of the property tax rates levied for all of the taxing jurisdictions within the city) for FY 2014-15 at \$1.1743. The FY 2014-15 property tax rate of \$1.1743 is \$0.0137, or 1.15 percent, less than the FY 2013-14 property tax rate of \$1.1880. Table 2 below shows the proposed property tax rates for all taxing jurisdictions within the city, as calculated by the Controller.

<b>Total Property Tax Rate</b>	<b>\$1.1880</b>	<b>\$1.1743</b>	<b>(\$0.0137)</b>

\* Totals may not add due to rounding.

The proposed combined property tax rate shown in Table 2 above includes a 0.25 percent administrative allowance charged on the City's voter-approved General Obligation bonds to reimburse the City for the costs of collecting property taxes. This 0.25 percent administrative allowance is charged to the total property tax collection, rather than to the assessed value.

**Allowable Tenant Pass-Through Property Tax Rate**

The proposed ordinance also would set the allowable property tax rate that landlords can pass through to tenants at \$0.0880 per \$100 of assessed value in FY 2014-15. The allowable tenant pass-through rate is unchanged from FY 2013-14.

**Impacts of the Combined Property Tax Rate and Allowable Pass-Through**

Under Proposition 13, the City may annually increase the assessed value of a property by a State-determined inflation factor of up to 2.000 percent. In December 2013, the State notified the City that the allowable inflation factor for FY 2014-15 was 0.454 percent. Therefore, a single-family residence in San Francisco with an assessed value of \$700,000 in FY 2013-14 has an assessed value of \$703,178 in FY 2014-15.<sup>2</sup>

Table 3 below shows the impact of the proposed property taxes payable by owners and tenants. As shown in Table 3 below, the proposed FY 2014-15 property tax rate of \$1.1743 would reduce property taxes by \$57.62 on a single-family residence that has an assessed value of \$703,178 in FY 2014-15.

---

<sup>2</sup> The State calculates the allowable inflation factor based on the California Consumer Price Index (CCPI) using a weighted equation that combines the metropolitan areas of San Francisco, Los Angeles, San Diego, and the national average. The FY 2014-15 inflation factor is the smallest inflation factor since before FY 1976-1977 not including a single year of deflation in FY 2010-11.

Attention: Budget & Finance Committee

**Re: FY 2014-15 Property Tax Rate Ordinance**

Dear Ms. Calvillo:

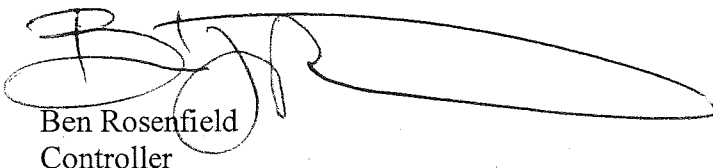

I am submitting an ordinance for consideration to amend the tax levy for FY 2014-15. This ordinance includes the following:

- Property Tax Levy for City and County;
- Property Tax Levy for Unified School District;
- Property Tax Levy for Community College District, and
- Property Tax Levy for Bay Area Rapid Transit District
- Property Tax Levy for Bay Area Air Quality Management District
- Pass-through rate of residential tenants pursuant to Chapter 37 of the Administrative Code

Section 3.3 of the Administrative Code requires the property tax rate be adopted by the last working day of September. Because of the Board of Supervisors' recess schedule, I hereby request these items be scheduled for the Budget & Finance Committee meeting no later than September 3, 2014 in order to satisfy this requirement.

Please contact Jamie Whitaker, Property Tax Manager, at 415-554-7593 if you have questions regarding this matter.

Sincerely,

The Honorable Board of Supervisors

City Hall, Room 244
1 Dr. Carlton B. Goodlett Place

Dear Ladies and Gentlemen:

I am submitting herewith an annual ordinance which formally adopts those portions of the property tax rate for fiscal year 2014-2015 which the City and County of San Francisco administers. The Bay Area Rapid Transit District (BART) also adopts a debt service tax rate for their combined three county service area. The rate shown below includes the estimated rate for BART, which is slated for adoption at BART's August Board meeting. The composite property tax rate for fiscal year 2014-2015 is projected to be \$1.1773 for each \$100 of assessed value, a decrease of \$0.0107 or 0.90 percent from the \$1.1880 rate established for fiscal year 2013-2014. The overall rate decrease is attributable primarily to growth in the total assessed values of secured and unsecured taxable property as of July 1, 2014. Based on a \$1.1773 rate, the average tax bill for a home previously assessed at \$500,000 in fiscal year 2013-2014 will go from \$5,856.84 last fiscal year to \$5,830.80 in fiscal year 2014-2015, a \$26.04 or 0.44 percent decrease. The respective tax rates by accruing entity are as follows:

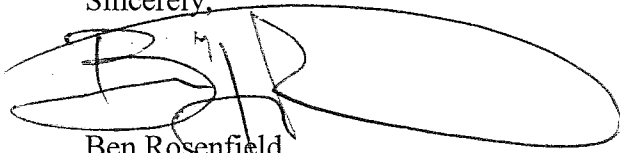

Table with 4 columns: Entity Name, Tax Rate Ordinance, Estimated State Shift, and Effect After State Shift. Rows include San Francisco Community College District, San Francisco Unified School District, CCSF - General Fund, CSF -Library Preservation Fund, CCSF - Children's Fund, CCSF - Open Space Acquisition Fund, CCSF - Bond Interest and Redemption Fund, CCSF - County Superintendent of Schools, Bay Area Air Quality Management District, BART District General Fund, Total excluding BART District Debt Service, BART Debt Service (Estimate), and Total Combined Tax Rate.

The property tax rate reflects anticipated debt service requirements pertaining to voter-approved general obligation bonds, including a 0.25% administrative allowance to reimburse costs of collection. Attachment A is a Property Tax Rate History table for the City and County beginning in fiscal year 1994-1995. Attachment B provides the anticipated fiscal year 2014-2015 general obligation bond debt service schedule (principal and interest) relevant to the property tax rate calculations.

For fiscal year 2014-2015, the pass-through rate for residential tenants is \$0.0950 per \$100 of assessed value, or 9.5 cents per \$100 of assessed value. The pass-through rate is comprised of 3 factors as outlined in Chapter 37.3 of the San Francisco Administrative Code: 1) 100% of the City's general obligation bonds approved by voters between November 1, 1996 and November 30, 1998; 2) 50% of the City's general obligation bonds approved by voters after November 14, 2002; and 3) 50% of the San Francisco Unified School District or San Francisco Community College District's general obligation bonds approved by voters after November 1, 2006.

Except for a consumer price index adjustment which is capped at the lesser of inflation or 2.00% under Proposition 13, individual assessments change only when property is sold, transferred, or otherwise improved. For fiscal year 2014-2015, the consumer price index adjustment authorized by the State is 0.454%. As shown in Attachment C, the combination of a tax rate of \$1.1773 for each \$100 of assessed value and the 0.454% consumer price index adjustment that increases the assessed value of the example residence from \$500,000 in fiscal year 2013-2014 to \$502,270 in fiscal year 2014-2015 results in a \$26.04 property tax decrease.

Sincerely,
