[Public Works Code - Mobile Food Facility Permit Renewal Fees Collection]

Ordinance amending the Public Works Code to permit the Office of the Treasurer and Tax Collector to collect the Mobile Food Facility renewal fees on the unified license bill due annually on March 31.

Existing Law

Under current law, the Department of Public Works collects both initial permit fees and renewal fees for mobile food facility permits.

Amendments to Current Law

This legislation would shift collection of the renewal fees for the mobile food facility permits to the Office of the Treasurer and Tax Collector on the unified license bill, with such fees being due on March 31 following the date the permit was renewed. It would also make other, non-substantive amendments.
