REVISED LEGISLATIVE DIGEST
(Amended in Committee, 6/25/2025)

[Park Code - Recreation Program Fees]

Ordinance amending the Park Code to allow the Recreation and Park Department to set fees for recreation programs based on the Department's operating costs for those programs and various other factors, including whether the program is designated for youth, seniors, or persons with disabilities, subject to approval of the Recreation and Park Commission; directing the Commission to update its scholarship policy to provide for further discounts for recreation programs based on financial need; making certain clarifying changes; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

The Park Code sets fees for various recreation programs offered by the Recreation and Park Department.

Amendments to Current Law

The proposed ordinance would allow the Recreation and Park Department to set recreation program fees based on the estimated operating costs of those programs. The Department generally could set fees intended to cover the programs' full operating costs, but for programs designated for youth or seniors or persons with disabilities (excluding Camp Mather) the fees could be set to recover no more than 50% of the operating costs. In all other instances, the ordinance urges the Department to set a cost recovery target of not more than 50%, if the program benefits the community at large. All program fees would require approval from the Recreation and Park Commission and once approved would be published on the Department's website.

The ordinance also directs the Recreation and Park Commission to update its scholarship policy to provide for further discounts for recreation programs based on financial need.

Background Information

The current recreation program fees would continue to apply pending the Department setting new fees based on cost recovery under the proposed ordinance.

On June 25, 2025, the ordinance was amended in committee to provide that the Department may seek to recover only 50% rather than 75% of the operating costs of programs designated for youth or seniors or persons with disabilities; and to modify the criteria for which types of households would be eligible for scholarships based on financial need.

San Francisco Recreation & Parks

The San Francisco Recreation and Park Department's Mission is to provide enriching recreational activities, maintain beautiful parks and preserve the environment for the well-being of everyone in our diverse community

**BOARD OF SUPERVISORS
BUDGET & APPROPRIATIONS COMMITTEE**

June 20, 2025

Budget: Recreation – Proposed Reductions

RPD disagrees with the proposal to eliminate 7 additional recreation positions

Recreation Staffing Model

- Programs are run with both permanent and part-time staffing.
- If permanent positions are vacant due to hiring delays, RPD uses the salary dollars for part-time employees that run programming.
- Despite vacancies due to attrition and hiring, Recreation's current 253 FTE, is higher than its budgeted 186 FTE by 67 FTE.

Aquatics

- Due to on-going, nationwide Lifeguard shortage, permanent Aquatics positions have been left vacant for an extended period.
- RPD has used TEX positions for a Lifeguard Trainee program

Aquatics	Budget	Actual	Balance	Comments
Permanent Positions	62.72	48.72	14.00	Approved by Mayor's Office for hire in May
Attrition Savings - Miscellaneous	(8.55)	(8.72)	0.17	Vacancies held in attrition
Funded Permanent Positions	54.17	40.00	14.17	
Temporary Staff FTE	8.32	22.44	(14.12)	Using salary balance for TEX staffing
Total Staffing	62.49	62.44	0.05	

Budget: Partnerships – Policy Recommendation

RPD disagrees with the potential cut of 6 filled Partnerships positions

Elimination of the Partnerships Division would leave the Department with no staff to support and project manage community driven projects and programs. This team supports hundreds of donors and community groups in every supervisorial district.

Examples of current and recently completed projects supported by partnerships include **India Basin, Crocker Amazon Playing Fields, Herz Playground Rec Center, Esprit Park, Gilman Playground, Heron's Head, Francisco Park, McLaren Park Tennis Courts, Embarcadero Plaza, Jackson Park, Koshland Park, Reforestation of Parks in the Southeast of San Francisco, Tenderloin Rec Center Playground, and more.**

Over the last five years the partnerships division has generated on average \$29M a year in philanthropic support and state and federal grants unrelated to the former San Francisco Parks Alliance.

Utility Cost Recovery Surcharge

RPD’s total utility budget is expected to increase by **roughly 50% over the next two years.**

- \$13M in FY 2024-25 to \$20M in FY 2026-27

Proposed surcharges to offset utility increases

- Golf: \$4 (9 holes), \$6 (18 holes)
- Athletic Fields: \$1 per hour
- Picnic Areas: \$5–\$25
- Outdoor Events: 10% of venue fees

Estimated revenue

- \$1.2M (FY25-26), \$1.75M (FY26-27)
- Recovers ~10% of utility costs (FY25-26, 9 months)
- Indexed to CPI
- Total utility budget projected compound annual growth is 17% over five years

Court Reservations

Proposed \$1M in new revenue from implementing a **\$5 per hour court reservation fee.**

For reservations made more than one week in advance:

- Not for profit or individual \$20 per hour
- For profit \$40 per hour

28 out of 66 locations will have reservations

- Walk-up play remains free at the majority (68%) of court locations

Other Major Cities:

- Seattle: \$7–\$15/hour
- Berkeley: \$12/hour
- Santa Cruz: \$20–\$30/hour
- Oakland: \$10–\$15/hour
- New York, Los Angeles, Portland, Chicago: All charge for reservable court access

Recreation Scholarships and Cost Recovery

Current Recreation Cost Recovery: \$0.15 for every \$1 spent.

Proposal allows Recreation to recover up to specified amounts based on the type of program and the participants. Model is a best practice in other Bay Area cities, (San Jose, Santa Clara, Mountain View, Milpitas) and around the country.

Cost recovery models provide equitable distributions of funding support, greater transparency on the cost of programming, and improved financial sustainability.

Program categories

- **Community benefit** are group-based, inclusive, and promote community health and/or engagement
- **Individual benefit** are more specialized, skill-focused, or serve a single participant, justifying a higher recovery target.

RPD offers over 3,500 classes annually, with fees ranging from \$0 to \$600 and most benefit the community.

Program Category	Maximum Cost Recovery	Examples
Community Benefit	Up to 50%	Peace Parks Program: No increase, remains free Senior Dance Programs: No increase, remains free
Individual Benefit for Youth, Seniors, and Persons with Disabilities	Up to 75%	Youth Swim Lessons: \$5 increase per lesson Youth Karate: \$3.80 increase per lesson
Individual Benefit for Adults	Up to 100%	Adult Yoga: \$8 increase per lesson

Recreation Scholarships and Cost Recovery

Scholarships: Applicants must live in San Francisco and have income equal to or less than 250% of the current federal poverty level or live in public housing, be in Foster Care, or unhoused.

25% of all program participants are currently on scholarship

Scholarship	Eligibility
50% Subsidy	Households that meet income eligibility.
75% Subsidy	Household are in 2+ government subsidized programs AND Adult
100% Subsidy	Household are in 2+ subsidized programs AND Child or Senior

Golf

Original proposal

Eliminate \$7.5M General Fund subsidy in FY 2026-27 through the potential leasing of golf courses to private operators.

With approval of trailing budget legislation, and revised golf fees, (pending introduction), RPD will no longer pursue lower cost private sector maintenance agreements.

This solution (a new Utility Cost Recovery Surcharge and revised Golf Fees) will preserve excellent public sector work, generate an additional \$4M over the next two years, and result in up to a 60% reduction of the General Fund subsidy.

Golf Affordability

Maintaining Affordable Access to Municipal Golf For All

- **No fee increases** at Lincoln or Golden Gate (except for utility surcharge)
- **Youth rates unchanged**, except for utility surcharge
- **First Tee** provides free access to **11,000 youth** annually (2,000 at Harding)
- **Senior discounts** continue Mon–Thurs at all courses
- **Harding Park Highlights**
 - **Youth on Course:** \$3–\$5 per round at Harding/Fleming
 - **14 high schools** retain discounted access
 - **PGA HOPE:** SF resident rates for all veterans
 - **Beginner lesson discounts** for seniors, adults, and youth

Potential service reductions October 2025

If legislation is not approved, Rec Park will need to reduce services, vacate positions, and implement layoffs as necessary in October 2025 by an additional \$5M, (\$6.7M on an ongoing 12-month basis,) which includes **34 full-time and 92 part-time positions**.

	FY26	FY27
Revenue at risk		
No Paid Parking in GGP		(4.9)
No additional fee revenue	(2.9)	(4.0)
At risk revenue subtotal	(2.9)	(8.9)
Service reductions to balance		
Service Reductions	5.0	6.7
Year 1 savings		2.2
Potential reductions subtotal	5.0	8.9
Ending Balance	2.2	0.0

SWIMMING POOLS (\$0.5M; 4 full-time and 4 part-time positions)

- **Closing one pool out of 9 pools (8 year-round) at a time on a rotating schedule** to reduce costs while keeping overall access available across the city.
 - Swim lessons serve about 5,000 children annually, but waitlists have soared to nearly 7,000—a 131% unmet demand.

RECREATION CENTER PROGRAMS (\$0.5M; 18 part-time positions)

- **Reduced hours at 25 recreation centers** from 60 to 40 per week, a 30% reduction. Fewer senior, tot, and drop-in program hours.

SUMMER CAMPS (\$0.9M; 70 part-time positions)

- A **25% reduction** in summer camps—**2,500 fewer camp slots**
 - In 2024, our summer camps are offering 9,000 spots, but more than 4,200 children are still on the waitlist. One of our most popular, the Jr. Warriors basketball league has more kids waiting to join than are enrolled.

PARK MAINTENANCE (\$2.0M, 21 full-time positions)

- **Reducing 2.5 hours from 120 restrooms** from 8 AM–8 PM to 8 AM–5:30 PM results in a **21% reduction** in open restroom hours.
- **Reduction in Local 261 gardener apprenticeship program**; currently, we have a class of 15, which will be reduced to 6.
- **Reduction in trash service**

PUBLIC SAFETY (\$1.1M, 9 full-time positions)

- A **10+% cut to Park Rangers**—reducing our ability to prevent illegal encampments and possibly eliminating fixed posts like UN Plaza and Dolores Park.

Thank You

NOTICE OF PUBLIC HEARING
BUDGET AND APPROPRIATIONS COMMITTEE
BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

NOTICE IS HEREBY GIVEN THAT the Board of Supervisors of the City and County of San Francisco's Budget and Appropriations Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

Date: June 18, 2025

Time: 10:00 a.m.

Location: Legislative Chamber, Room 250, located at City Hall
1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102

Subject: **File No. 250605.** Ordinance amending the Park Code to allow the Recreation and Park Department to set fees for recreation programs based on the Department's operating costs for those programs and various other factors, including whether the program is designated for youth, seniors, or persons with disabilities, subject to approval of the Recreation and Park Commission; directing the Commission to update its scholarship policy to provide for further discounts for recreation programs based on financial need; making certain clarifying changes; and affirming the Planning Department's determination under the California Environmental Quality Act.

If this legislation passes, a \$100 deposit will be established to hold a reservation for each tent site or cabin reserved at Camp Mather. The remaining balance of the reservation fee shall be due 30 days prior to the start of the reservation. The proposed Ordinance would allow the Recreation and Park Department to set recreation program fees based on the estimated operating costs of those programs. The Department generally could set fees intended to cover the programs' full operating costs, but for programs designated for youth or seniors or persons with disabilities could set fees that recovered only 75% of the operating costs. In addition, the Ordinance urges the Department to set fees for programs that benefit the community at large based on only 50% of the operating costs. All fees would require approval from the Recreation and Park Commission and, once approved, would be published on the Department's website.

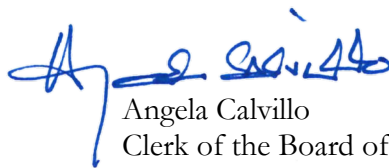

The Ordinance also directs the Recreation and Park Commission to update its scholarship policy to provide for further discounts for recreation programs based on financial need.

BOS Members

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks,
-Tom

Subject: Livable City supports Recreation and Parks" budget and revenue proposals, and R&P support community stewardship

Dear Supervisors,

As the City budget shrinks, it's crucial to preserve essential services for San Franciscans. Access to green spaces for active recreation, socializing, and quiet enjoyment of nature is essential for our physical and mental health. Public parks allow us to exercise our bodies, relax and reduce stress, and connect with people. Research shows we are biophilic by nature, and being around trees and plants is essential to human well-being.

We have reviewed the Recreation and Parks budget proposals, and are impressed by how the department has sought to preserve essential services consistent with San Francisco's equity, health, and environmental goals.

We are municipalists, and believe that City government should play a robust role in providing the public infrastructure and services essential for human and biospheric well-being. However it is important to distinguish between public goods, which should be provided to equitably and at high quality free of charge, and services which ought to be publicly provided on a fee-for-service or cost-recovery basis. The latter include services which have high costs, generate negative externalities, make large demands on limited resources. Everyone should be able to access green and well-maintained parks and open spaces within a short walk of one's home, and enjoy ample opportunities for recreation, connection with nature, and structured and unstructured play. However storing one's private car in a public park is not a public good. Cars are large and space in parks is limited. Cars create health, safety, and environmental liabilities for other users of public space. Charging for parking is both fair and effective. It recovers some of the public cost of providing and maintaining automobile infrastructure, reduces conflicts over limited space, and encourages people to choose sustainable transportation alternatives more often. We have been urging SFMTA, which has chosen to cut essential transit and sustainable mobility while refusing to consider greater cost recovery for private car storage, to follow Recreation and Parks's equitable and sustainable approach. Greater cost-recovery for golf courses is also fair - golf courses require enormous amounts of public space, water, chemicals, and maintenance and serve relatively few users.

San Francisco's park system is excellent – something we should all be proud of, and a model for how we should deliver other public services. It is made possible by the diligence of Recreation and Parks staff, and R&P staffing should not be cut. Thousands of San Franciscans contribute their time and their money to caring for and improving parks and natural areas. Stewardship of public places is good for us individually - it gets us outdoors moving our bodies. It builds community. It is good for the city as a whole, including the native plants and animals we share this place with. Community stewardship of public places is far more effective with city support, including staff support (gardeners, natural resource specialists, and the community garden program, etc), design, planning, and administrative support from professional staff, and grants which can be matched with donations, philanthropy, and volunteer labor and expertise. Community stewardship has taken a hit in the last year from corruption in the Community Challenge Grant program and the collapse of San Francisco Parks Alliance. It's essential that the City continue supporting community stewardship through its programs, Recreation and Parks' partnership division, and making grants available to community groups with minimal rigamarole. Even though budget times are tough, the City should do more, not less, to support community stewardship, understanding that it's an investment rather than an expense.

The R&P budget proposal is equitable and sustainable, maintains essential services for San Franciscans, and preserves the jobs of hard-working and effective public employees. It deserves your full support.

Sincerely,

Tom Radulovich

Hello Budget Committee, and CCing Supervisor Chen (my supervisor),

I came to the budget committee meeting today to voice my support for Rec & Park. I arrived at 10am and had to leave before 2pm so did not get to provide comment in person. Below is a copy of my 1 minute of remarks I prepared. Thank you for including them in your consideration.

Kindly,
Sonya

My name is Sonya Dreizler and I'm here to urge full financial support for Rec & Park programs. I have lived in The City for 23 years and raised a family here for the last 15 of those. When my kids were little we saw lots of families leave for the suburbs because they wanted a backyard, or more community, or they wanted their kids to join a swim team.

Like many other families, my family stayed. And Rec & Park has offered all of those amenities - and more - to our kids.

— The parks offer a **collective backyard** for all city families.

— The programs - from art classes to rock climbing, summer camps to sports teams (even a **swim team!**) - are amazing for both kids and adults.

— And the sense of **community** - though hard to articulate - may be the most valuable thing Rec & Park provides. All over the city, my kids see people they know - from Rec & Park baseball teams, art camp, swim lessons, or Camp Mather. And the instructors and park staff know and look out for all the kids.

In a busy and increasingly tech focused city, Rec & Park programs and people foster *in real life* community and a deep sense of belonging. Please fully fund these people, programs, and places that make The City a great place to live.
