6
7 WHEREAS, Cal Grants are scholarships funded by the State of California, and a small
8 portion from the Federal Government, used to help students pay for their college tuition and
9 fees; and

10 WHEREAS, Cal Grants can be used at any California State University, California
11 Community College, University of California, and other colleges that qualify in California; and,

12 WHEREAS, There were approximately 329,300 Cal Grant recipients granted a total of
13 \$1,294,553,000 granted in the 2010-2011 school year; and

14 WHEREAS, In the City and County of San Francisco, 7,115 students were granted a
15 total of \$34,425,000 in Cal Grants for the 2010-2011 school year; and

16 WHEREAS, Participation in the Cal Grant program and costs have increased since
17 2004 from 177,000 students and \$688 million to an estimated 256,000 students and \$1.6
18 billion in the upcoming year; and

19 WHEREAS, Governor Brown's proposed budget for fiscal year 2012-2013 includes a
20 reduction in funding for the Cal Grant program by \$131.2 million, which would be achieved by
21 increasing the minimum GPA requirement for Cal Grant in the following way: for Cal Grant A
22 from 3.0 to 3.25; for Cal Grant B from 2.0 to 2.75; and for community college transfers from
23 2.4 to 2.75—all of which will make it harder for students to qualify; and

24 WHEREAS, About 26,600 prospective UC, Cal State and Community College students
25 would be affected by this change in the 2012-2013 school year; and

1 WHEREAS, The facts that the deadline for financial aid applications was March 2
2 2012, and that the state budget won't be finalized until the summer make it difficult for many
3 high school seniors to make a financially responsible decision about what college to attend by
4 the May 1 2012, deadline for state institutions; and

5 WHEREAS, Students who are uninformed about this proposal will be very likely to
6 choose to attend a college they may not be able to afford if this proposal passes; and

7 WHEREAS, Since this proposal makes it harder for students to be eligible for Cal
8 Grants, many students who are already struggling to achieve academically would be more
9 likely to drop out of college and try to find jobs, causing unemployment rates to increase and
10 creating higher demands for unemployment benefits; and

11 WHEREAS, On March 19, 2012, the Youth Commission adopted Resolution 1112-08,
12 which urged the Board of Supervisors to oppose this proposal; now, therefore, be it

13 RESOLVED, That the San Francisco Board of Supervisors urges the California State
14 Legislature to oppose California Governor Jerry Brown's 2012-2013 budget proposal to raise
15 the bar for Cal Grant financial aid; and be it

16 FURTHER RESOLVED, That the Clerk of the Board of Supervisors is hereby directed
