Categories: 2017.07.12 - PSNS, 170513

Supervisors Ronen, Fewer and Sheehy,

Thank you for your consideration and recommendation of approval of the Type-20 beer and wine sales license at the new CVS Pharmacy at 799 Beach Street. I wanted to follow up with you on several of the questions you had this morning that we were unable to answer with clarity. Please do not hesitate to send me any additional questions.

1. The Type 20 license we are transferring to the 799 Beach Street store is coming from the existing CVS location at 377 32nd Ave. The 377 32nd Ave store is not closing. Rather, it was approved for a transfer of a Type 21 license (beer, wine and liquor) from the closed, adjacent Fresh & Easy in March of this year.
2. The following two CVS stores in San Francisco closed in April 2017:
 - a. 1760 Ocean Avenue (CVS moved within Target store at 1830 Ocean Ave)
 - b. Market/Noe (Old Tower Records site)

Like I said, please don't hesitate to reach out to me directly with any additional questions you have.

RE: CVS Pharmacy at Beach and Larkin

To whom it may concern:

Formed in 2005/2006, the Fisherman's Wharf Community Benefit District's (FWCBD) mission is to execute market research, brand and destination marketing, sidewalk operations, district beautification and order, traffic and urban planning, and emergency preparedness in order to preserve and enhance its vast San Francisco waterfront landscape and multi-cultural heritage, while integrating modern efficiencies to enrich the experience of visitors from both near and far. The organization is a 501(c)3 and has a 25-member board of directors.

The FWCBD would like to share our thoughts on the proposed CVS Pharmacy at Beach and Larkin. This corner has been vacant for quite some time, is quite run down and in desperate need of a quality tenant that is not providing redundant services for the district. With the recent loss of Walgreen's on Jones Street, the community is underserved for the essentials provided by such an establishment as well as a full-service pharmacy (there is currently only one in our 30-square block district).

One item that caused concern for our board was the sale of alcohol and liquor. However, those concerns were mitigated by the team representing the new location who presented 12 conditions, to be attached to their alcohol license, that addresses these concerns. They are as follows:

1. The hours of operation for the store are currently proposed to be 8 a.m. to 11 p.m. If CVS should decide to increase its hours due to customer demand, CVS would be prohibited from selling alcohol past 11 p.m. regardless of the hours of operation. Customer access to all alcohol will be restricted after 11 p.m. by using any combination of locked cooler cases, gondola covers, and/or physical barricades at the ends of the aisles where the product is located on the sales floor.
2. No more than 5% of the square footage of the premises will be used for the display of alcoholic beverages.
3. No malt beverage shall be sold with an alcoholic content greater than 5.7% by volume.
4. The sale of single beer or malt beverages in quantities of 16 oz., 22 oz., 32 oz., 40 oz., or similar size containers is prohibited.
5. No beer or malt beverages, wine coolers or beer coolers shall be sold in quantities of less than manufacturer pre-packaged multi-unit quantities of four (4) or more.
6. No wine shall be sold with an alcoholic content of great than 15% by volume except for "Dinner Wines" which have been aged two years or more and maintained in corded bottles.

7. Interior security cameras will be installed within the store and concentrated in the area of alcohol products. These cameras will be monitored during store hours by on-site management, CVS regional and corporate operations, and made available to the SFPD for a minimum of 30 days upon request. External facing cameras will be installed and operated, focused on the perimeter of the store. Output from these cameras will be shared with the SFPD, upon request.
8. Interior store layout for the placement of alcohol products will be designed to allow employees and management to easily monitor activities visually.
9. All checkouts will be equipped with electronic scan detection systems to control the sale of age-related products and to prompt cashiers to require proper identification before a sale is completed.
10. Loitering will be prohibited on adjacent sidewalks surrounding the store at all times. Store management will be responsible for site security and monitoring the property during hours of operation.
11. Store will provide a posted phone number to report site vandalism, loitering, or other concerns with mandated response to the person reporting the issue within forty-eight (48) hours. Vandalism and graffiti will be removed within twenty-four (24) hours of reporting and all other issues will be dealt with as expeditiously as possible.
12. The Type 20 alcohol license would be transferred from the CVS store located at 377 32nd Avenue to the CVS store at 799 Beach Street.

Therefore, we would like to share that we are supportive of the project if all these conditions are met.

Sincerely,

Troy Campbell

**Re: Liquor License "PCN" Request – 799 Beach Street – CVS
Our File No.: 7970.28B**

Dear Ms. Calvillo:

Our office represents Boos Development West, LLC ("Boos"), the project sponsor of a new CVS retail store and pharmacy at 799 Beach Street (the "Project"). On November 18, 2016, Boos filed a building permit for the Project, and upon its issuance anticipates undertaking tenant improvements to prepare the space for CVS' operation.

Boos now seeks a type-20 off-sale beer and wine license from the California Department of Alcohol Beverage Control ("ABC"). Boos has filed an application with ABC on behalf of CVS for a license transfer (current License No. 508036 enclosed). The license would be transferred from the CVS store located at 377 32nd Avenue, to the CVS store at 799 Beach Street. Due to the overconcentration of this type of ABC license in this census tract and the Project's location in a high crime reporting district, Boos must obtain a determination by the Board of Supervisors that the public convenience and necessity will be served by the issuance of this license for operations at 799 Beach Street. 580851

The Project will establish a CVS retail store and pharmacy at 799 Beach Street, an existing building at the northeast corner of Larkin and Beach Streets. The CVS would occupy approximately 10,000 square feet of ground and second floor space. The CVS would sell over-the-counter drugs, beauty products and cosmetics, photo finishing, seasonal merchandise, greeting cards, and groceries (such as milk, bread and eggs). The proposed hours of operation are 8 a.m. to 11 p.m. daily.

The CVS will offer a wide variety of convenience goods in the highly-travelled Russian Hill neighborhood adjacent to Ghirardelli Square. Adding beer, wine and liquor to the offerings of this CVS store would serve the public convenience and necessity of the neighborhood by increasing the variety of goods offered at this location. Area workers, residents and tourists will have a new store that will provide a convenient, "one-stop" shopping experience.

Adding alcohol to the offerings of this CVS store would also serve the public convenience and necessity by establishing an alcohol retailer that has vast experience with the sale of alcohol and is a responsible retailer with an effective training and corporate-wide management policy for controlling the sale of beer and wine. CVS's employee training program, approved by the ABC, must be completed by all employees within 14 days of their hire and before they are permitted to operate the registers. CVS has a zero-tolerance policy – any employee knowingly or recklessly selling any age restricted product to a minor or to an adult purchasing product for a minor is subject to disciplinary action up to termination. Security cameras will be equipped throughout the store and particularly in the area of beer and wine sales, which will be monitored by on-site store management, CVS regional and corporate operations, and can be made available to the San Francisco Police Department upon request. The interior store layout for the placement of alcohol products will be designed to allow employees and management to easily monitor activities visually. Further, all checkouts will be equipped with electronic scan detection systems to control the sale of age-restricted products and prompt cashiers to require proper identification before a sale is completed.

CVS is committed operating a store at 799 Beach Street that is welcomed by the neighborhood. CVS has already engaged the local neighborhood group, the Fisherman's Wharf Community Benefits District (the "CBD"), and is currently working through the details of the operation to ensure it has no negative impacts on the neighborhood. CVS will also be meeting with the San Francisco Police Department regarding this off-sale license in the coming weeks to discuss any concerns they have.

For the reasons outlined above, I respectfully request that this letter be forwarded to the Public Safety and Neighborhood Services Committee of the Board and that the Committee and the full Board of Supervisors make a determination under California Business & Professions Code §23958.4 that the public need or convenience would be served by the issuance of a type-20 off-sale beer and wine license to this CVS location.

Please contact me with any questions you have.

Very truly yours,
