RE: 2010 U.S. Department of Housing and Urban Development (HUD)
Continuum of Care Funding Application Resolution

Dear Ms. Calvillo:

Enclosed please find a proposed resolution for the Board of Supervisors approval for the upcoming 2010 Continuum of Care funding application to HUD. This application is to secure federal funding for many of our current housing and services programs serving homeless families and individuals.

A similar resolution was approved by the Board of Supervisors in 2009, 2008 and 2007.

I am requesting that the Board schedule a hearing on this resolution as soon as possible so we can have final Board action to submit the application by mid-November.

If you need additional information, please contact Daryl Higashi, Supportive Housing Finance Manager, at 557-6446. Thank you for your assistance.

Sincerely,

San Francisco Local Homeless Coordinating Board
McKinney-Vento Continuum of Care Grants Homeless Assistance Grants

The San Francisco Local Homeless Coordinating Board (LHCB), formed by Resolution 208-05, oversees the San Francisco application for Federal Department of Housing and Urban Development McKinney-Vento Continuum of Care Grants Homeless Assistance Grants. In the 2009 competition, HUD awarded San Francisco \$18,601,756 in competitive Continuum of Care Homeless Assistance grant funds.

In 2010, the proposed resolution would authorize the LHCB to apply for an estimated \$18,201,045, including \$1,057,431 that will be devoted to one or more projects providing new permanent housing for chronically homeless people. The funding goes to city departments and non-profits to provide homeless individuals and families with permanent, supportive housing, transitional housing and supportive services. The grant is expected to be due to HUD on November 18, 2010.

The LHCB undertakes an intensive community process for determining priorities and the competition process each year. For this year's competition, the review and rank process was discussed at five funding committee meetings, and four LHCB meetings. The Funding Committee considered community priorities, then designed and presented scoring tools and materials to the LHCB for approval. LHCB then considered and approved scoring tools and materials.

As it was last year, HUD has shortened the timeline and is not requesting a ranked list of renewal projects, so the review and rank process has been streamlined and will be similar as last year.

As part of the review process, HSA and LCHB staff will review applications to determine that threshold requirements are met. In addition, a panel of non-conflicted people will score and rank the new projects. After the preliminary scoring results are delivered to applicants, any project that is at risk of not being funded will have the opportunity to appeal. After the appeal process has completed, the LHCB members will meet to consider and approve the final list of project applications.

The LHCB also oversees the community portion of the application, known as Exhibit One, which describes the homeless housing and services provided in San Francisco, as well as LHCB plans for future activities.

Included in this packet:

- 2010 SF McKinney Vento Continuum of Care Process and Timeline
- List of SHP McKinney Renewal Grants (includes permanent housing, transitional housing, and support services only projects)
- List of Shelter Plus Care Renewal Grants (housing for homeless who are disabled)

Great, thank you!

I need to request some other materials - not sure if I go through you or another department at Board of Supes.

I'm looking for:

1. Conflict of Interest/Form 700 documentation for the time that Aaron Peskin (1/8/01 - 1/8/09), Tony Hall (1/8/01 - 8/5/04) and Leland Yee (1/8/97 - 11/29/02) were on the Board.
2. Records and invoices documenting costs billed to the public specifically incurred by Aaron Peskin, Tony Hall and Leland Yee including 1) convention and personal travel and meal/per diem costs, 2) vehicle use and gasoline and mileage records, 3) public credit card use, 4) cell phone use, 5) any instance where Aaron Peskin, Tony Hall and Leland Yee had requested reimbursement from the City/County of San Francisco for costs advanced personally.

Can you help me obtain these records, or do I need to send a public records act request to someone else?

Thanks again,

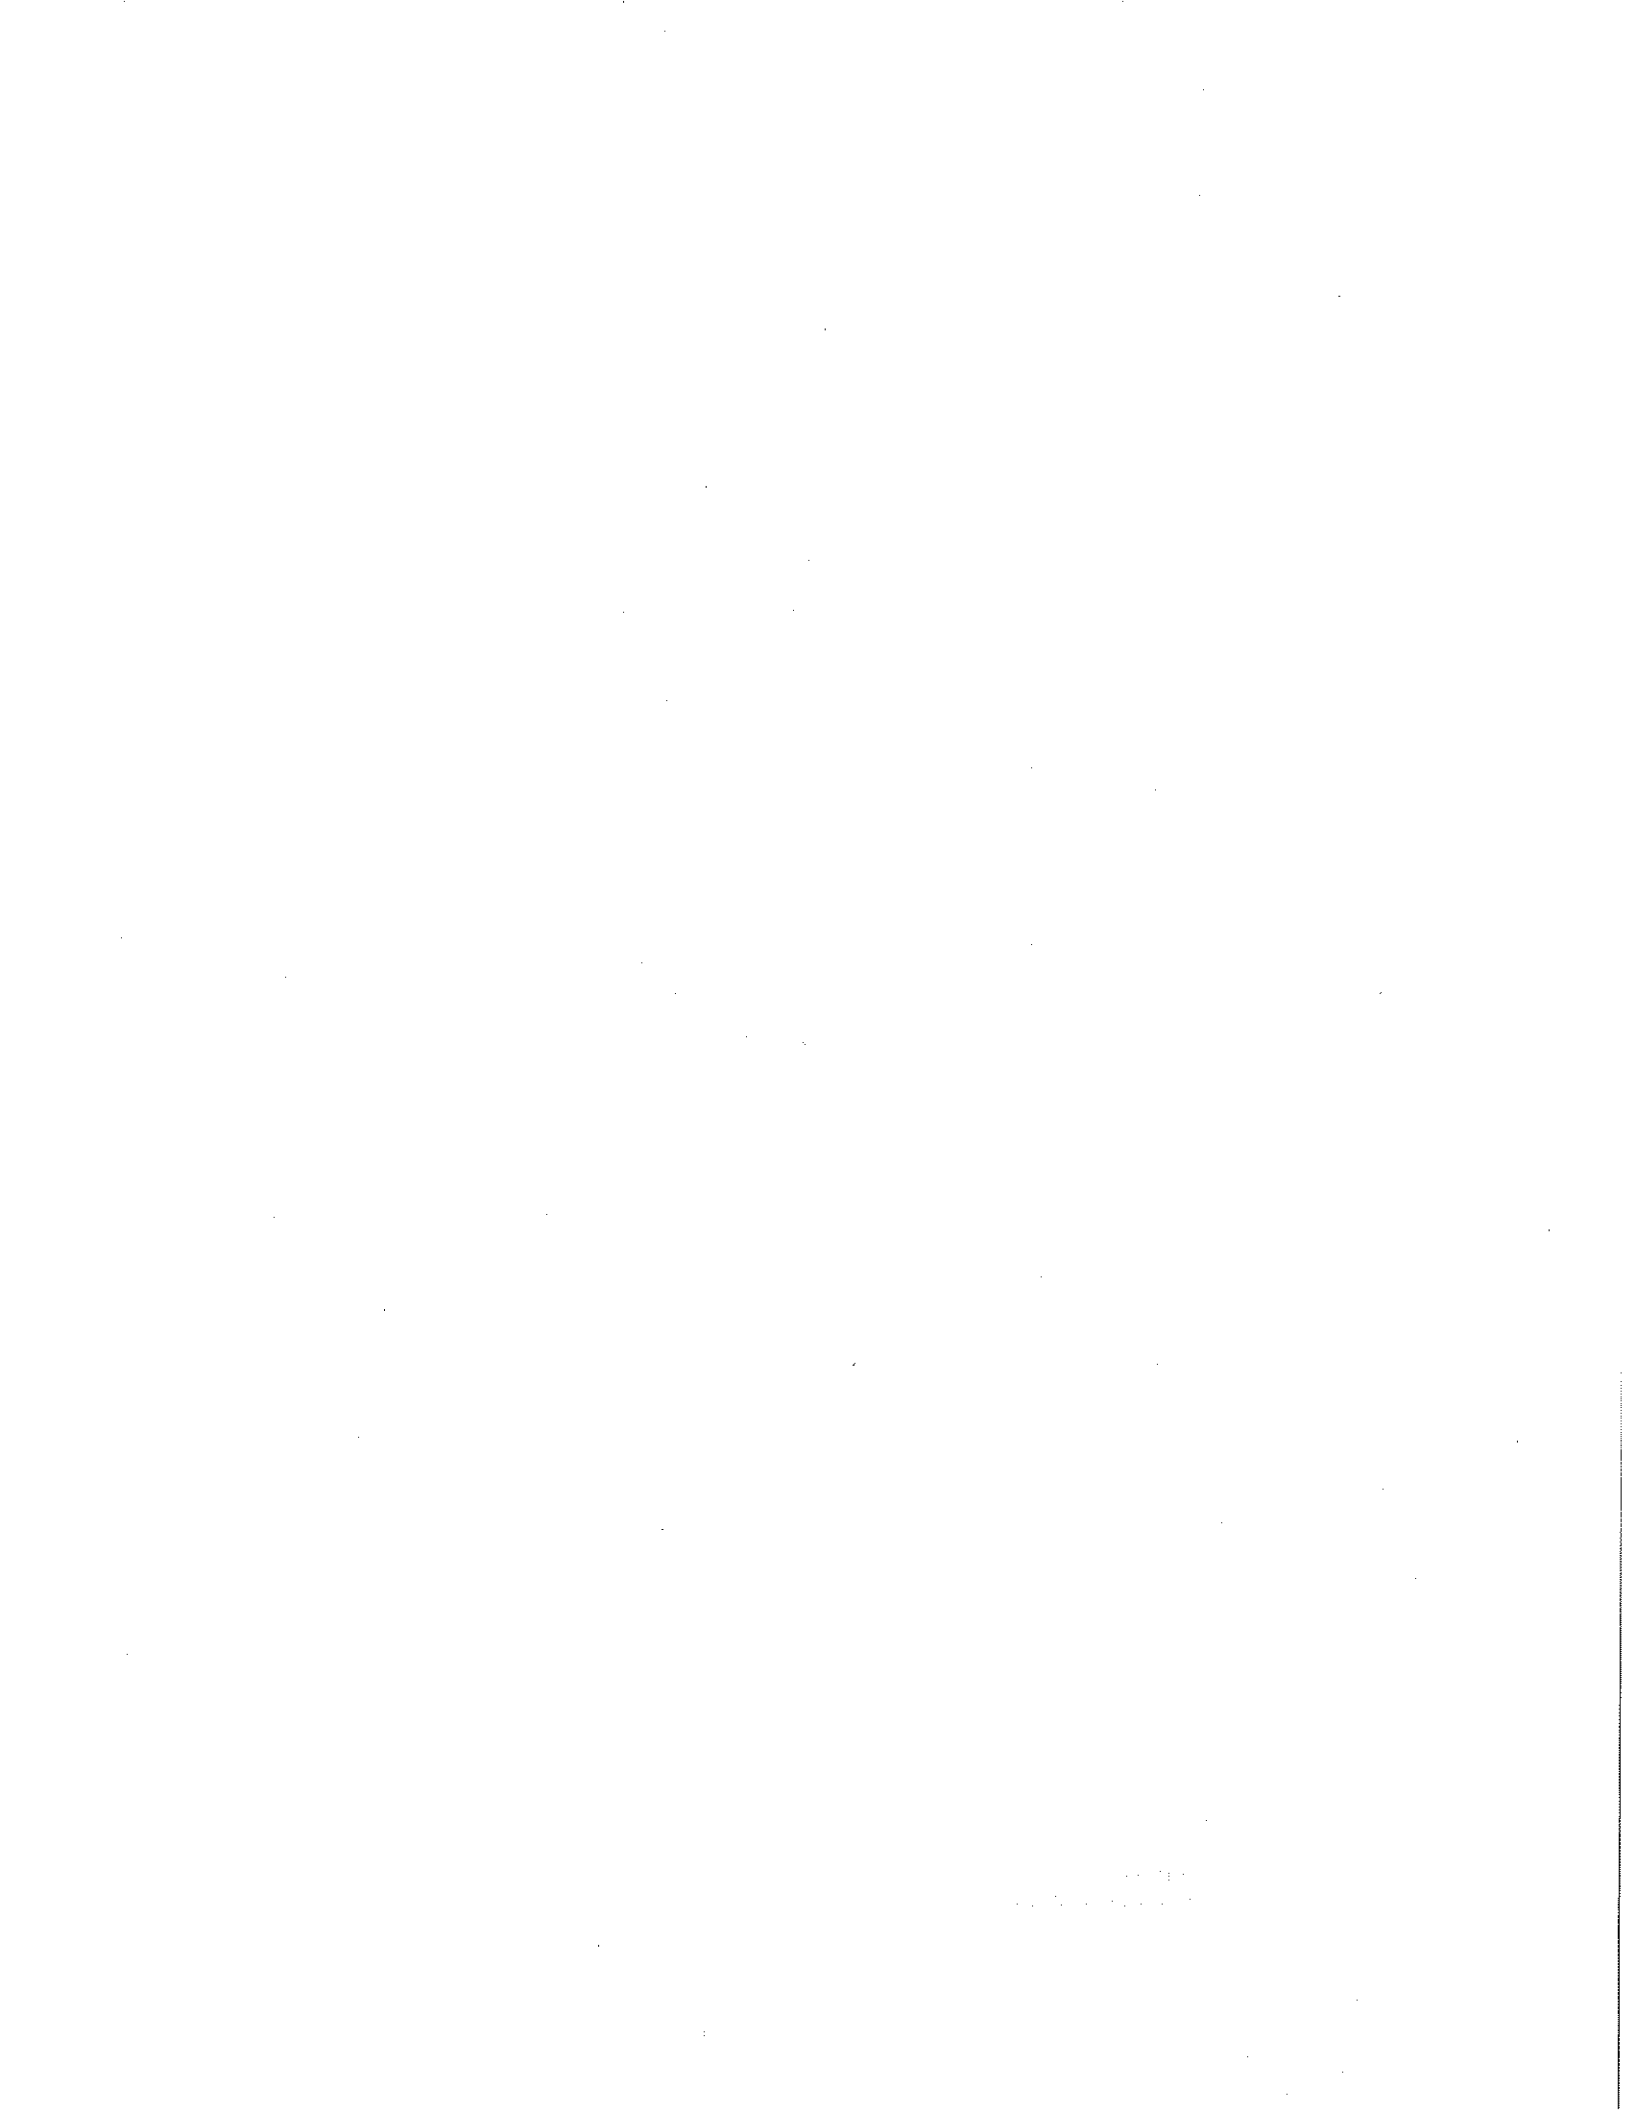

Kristina Brown

Hi Rana,

Great, thank you! How long can you hold the records at your office? I'm not sure I can come in this week, but hopefully next Monday.

Were the minutes from 1997 - 1999 destroyed, or something?

Thanks again!

Hi Kristina,

The committee minutes that you requested have arrived in our office. Unfortunately, they only include minutes starting from 1999. To view these minutes and use our database for further research, please come to the Clerk's Office at your earliest convenience. Thanks!

Hi Rana,

Thanks for helping with with this. I am not 100% sure what committees Peskin, Hall and Yee served on. I have a fairly good idea from online biographies I've read, but is there any way I can confirm their committee assignments with your office? Do you have a list of former Supervisor's committee assignments?

Thanks,

Kristina Brown

Hello Again,

Aaron Peskin was Supervisor from 1/8/01 thru 1/8/09, Tony Hall was Supervisor from 1/8/01 thru 8/5/04, and Leland Yee was Supervisor from 1/8/97 thru 11/29/02. If you can specify which committees and dates you are interested in, I can retrieve them from my database as long as it is from 1998 to Present. If you need any minutes before 1998 I will have to order them from our off-site storage facility. Once the order arrives, you can come in and view and let me know what copies you would be interested in. We order on Fridays so please let me know ASAP if you would like me to place the order for you.

Hi Rana,

Thanks for sending this along. I'm interested in meeting minutes from committees that a few Supervisors were members of - specifically, Tony Hall, Aaron Peskin and Leland Yee.

To the best of my knowledge, Aaron Peskin served from 2004 to 2009 and was a member of the following committees:
Finance and Audits Committee

City Planning Audit Select Committee

Budget Committee

Land Use Committee

Tony Hall, 2000 - 2004

Rules Committee

Government Oversight Committee

Neighborhood and Parks Services Committee

Leland Yee, 1996 - 2002

Finance Committee

Others...

Is there any way you can verify and update this information and send me the minutes? For example, I know that Yee sat on other committees, I just don't know which ones... If there is a list on your website, I'll gladly look it up myself and let you know what minutes I'd like to view.

Thank you! Feel free to give me a call to discuss this matter.

Best,
