

LEGISLATIVE DIGEST

[Administrative Code - Balboa Reservoir Community Advisory Committee]

Ordinance amending the Administrative Code to extend the sunset date for the Balboa Reservoir Community Advisory Committee (Advisory Committee) from May 8, 2020, to July 1, 2021; and to require the Advisory Committee to provide community input after development entitlements have been issued.

Existing Law

Article XVII of Chapter 5 of the Administrative Code establishes the Balboa Reservoir Community Advisory Committee (the "Advisory Committee"). The purpose of the Advisory Committee is to provide a regular venue for interested community stakeholders and the general public to discuss the development of land located off of Ocean and Phelan Avenues in Balboa Park, and to ask questions of and give input to City officers and staff and to developers. Under Article XVII, the Advisory Committee will sunset on May 8, 2020.

Amendments to Current Law

The proposed ordinance would extend the sunset date of the Advisory Committee from May 8, 2020 until July 1, 2021, and would charge the Advisory Committee with serving as a liaison to the project sponsors after the development entitlements have been issued on issues of community concern, including, but not limited to, the project's construction schedule, the impact of construction on transportation, and noise generated by construction.
