WITNESSETH:

WHEREAS, the City is authorized under Section 9.107 of the Charter of the City, and Article I of Chapter 43 of the City’s Administrative Code and, to the extent applicable, Chapter 7 of Part 5 of Division 31 (commencing with Section 52075) of the California Health and Safety Code, each as amended (collectively, the “Act”) to enter into loan agreements with respect to one or more projects authorized under the Act for such payments and upon such terms and conditions as the City may deem advisable in accordance with the provisions of the Act; and

LOAN AND PROVISIONS FOR REPAYMENT

Section 2.1 Basic Loan and Repayment Terms.

(a) The City agrees, upon the terms and conditions contained in this Agreement and the Indenture, to lend to the Borrower the proceeds received by the City from the sale of the Bonds. The Loan shall be made by depositing the proceeds from the initial sale of the Bonds in accordance with Article IV of the Indenture. Such proceeds shall be disbursed to or on behalf of the Borrower as provided for in this Agreement and the Indenture. The Borrower’s obligation to repay the Loan shall be evidenced by the Note, the form of which is attached hereto as Exhibit A.

(b) The Borrower hereby agrees to pay the Note and repay the Loan made pursuant to this Agreement by paying or causing to be paid to the Trustee in immediately available funds for the account of the City for deposit into the Bond Fund or the Redemption Fund, as applicable, two Business Days before the dates, and in the amounts, set forth on the Debt Service Schedule, and two Business Days before any other date that any payment of interest, premium, if any, or principal is required to be made in respect of the Bonds pursuant to the Indenture whether at maturity, upon acceleration or by sinking fund redemption or mandatory redemption, until the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, a sum which will enable the Trustee to pay the amount payable on such date as principal of (whether at maturity or upon mandatory redemption or acceleration or otherwise), premium, if any, and interest on the Bonds, as provided in the Indenture.

(c) It is understood and agreed that the Note and all payments payable by the Borrower under this Section 2.1 are assigned by the City to the Trustee for the benefit of the Bondholders. The Borrower assents to such assignment. The City hereby directs the Borrower and the Borrower hereby agrees to pay to the Trustee, at the address specified in or in accordance with Section 10.1 hereof, all Loan repayments payable to the City pursuant to the Note and this subsection.

(d) The Borrower shall have, and is hereby granted, the option to prepay the unpaid principal amount of the Loan, together with interest thereon to the date of redemption of the Bonds, but only pursuant to the provisions of Section 2.3(b) hereof and Section 3.4(a) of the Indenture with respect to voluntary prepayment of the Loan and optional redemption of the Bonds.

Section 2.2 Fees.

(a) On the date of execution and delivery of this Agreement, the Borrower shall pay, or cause to be paid, to Purchaser the Origination Fee and to Western Alliance Business Trust, a Construction Monitoring Fee, together with the fees and expenses of its counsel.

(b) The Borrower shall pay (as directed by the Controlling Person) two Business Days before each Interest Payment Date, commencing on the First Interest Payment Date and continuing through final completion of the Work in respect of the Project Facilities, an amount equal to the costs of the Engineering Consultant incurred by the Controlling Person in the prior month in an amount not to exceed

\$2,500 per month (plus travel and reasonable and necessary expenses). If the Borrower fails to requisition such costs, the Controlling Person may direct the Trustee to disburse such amounts as part of any Advance, and the Trustee shall follow such direction.

(c) The Borrower shall pay the City Fees and all expenses of the City as provided in Section 7 and Section 17 of the Regulatory Agreement.

(d) The Borrower shall pay the Trustee Fees and all expenses of the Trustee and the fees and expenses of any Qualified Custodian.

(e) The Borrower shall pay any and all special servicing fees or costs in accordance with Section 6.34 hereof.

Section 2.3 Termination; Voluntary Prepayment and Redemption.

(a) Notwithstanding anything to the contrary contained in this Agreement or the other Bond Documents, the Controlling Person's and the Majority Owner's and each Holder's rights, interests and remedies hereunder and under the other Bond Documents shall not terminate or expire or be deemed to have been discharged or released until the earlier to occur of (i) the payment in full of the Bonds, or (ii) defeasance of all of the Bonds. No such termination, expiration or release shall affect the survival of the indemnification provisions of this Agreement, which provisions shall survive any such termination, expiration or release.

(b) The Loan may be prepaid by the Borrower, and the Bonds shall be optionally redeemed pursuant to Section 3.4(a) of the Indenture, on any Interest Payment Date on or after the First Optional Call Date, upon the payment of the principal amount of the Bonds plus interest accrued thereon to, but not including, the date of redemption, without premium or penalty.

(c) Acceleration of the obligations of the Borrower hereunder upon an Event of Default prior to the First Optional Call Date, shall constitute an evasion of the prepayment provisions of this Agreement and any tender of payment of an amount necessary to satisfy the entire indebtedness evidenced by this Agreement shall include an acceleration premium, equal to the amount of interest which would have accrued on the amount of Bonds scheduled to be Outstanding from the date of acceleration to, but not including, the First Optional Call Date.

(d) The Borrower shall be required to prepay the Loan at the times and in the amounts necessary to provide funds for the payment of the mandatory redemption of the Bonds pursuant to Section 3.4(b) of the Indenture. In addition, on each Interest Payment Date, the Borrower shall pay to the Trustee for deposit into the Redemption Fund the amount set forth for such purpose on the Debt Service Schedule, which amount shall be applied on each Principal Payment Date to the mandatory sinking fund redemption of the Bonds pursuant to Section 3.4(c) of the Indenture.

(e) Notwithstanding the foregoing, the Borrower shall have the right at any time to defease the Bonds in accordance with the provisions of Article V of the Indenture, without premium.

(f) The Borrower hereby agrees to provide at least 30 days prior written notice to CDLAC and the City of any payment or prepayment of the Loan prior to or in connection with the Maturity Date of the Bonds, which may be given to such parties at their respective notice address set forth in the Regulatory Agreement and the Indenture, or by mutually acceptable electronic means, for the purpose of facilitating recycling of volume cap as described in Section 10.12 of the Indenture. Any defect in such

notice shall not constitute a default hereunder, under the other Bond Documents or the Regulatory Agreement.

Section 2.4 Obligations Absolute. The obligations of the Borrower under this Agreement shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including without limitation the following circumstances: (i) any lack of validity or enforceability of the Bond Documents or any other agreement or document relating thereto; (ii) any amendment or waiver of or any consent to or departure from the Bond Documents or any document relating thereto; or (iii) the existence of any claim, set-off, defense or other right which the Borrower may have at any time against the City or the Trustee (or any persons or entities for whom the Trustee may be acting) or any other person or entity, whether in connection with this Agreement, the transactions described herein or any unrelated transaction. The Borrower understands and agrees that no payment by it under any other agreement (whether voluntary or otherwise) shall constitute a defense to its obligations hereunder, except to the extent that the Loan evidenced hereby has been indefeasibly paid in full, whether owing under this Agreement or under the other Bond Documents.

Section 2.5 Indemnification. To the fullest extent permitted by law, the Borrower covenants to defend, indemnify and hold harmless the City, the Trustee, the Controlling Person, the Majority Owner, and each of their respective Affiliates and each of their and their Affiliates' respective supervisors, directors, officials, officers, employees, representatives and agents (collectively, the "Indemnified Parties"), except as limited below, from and against any and all claims, damages, losses, liabilities, costs or expenses (including attorneys' fees for counsel of each of the Indemnified Parties' choice and other costs of investigation or defense) whatsoever which the Indemnified Parties may incur (or which may be claimed against any of the Indemnified Parties by any person or entity whatsoever) by reason of or in connection with:

(a) the Bonds, Indenture, Loan Agreement, Regulatory Agreement or Tax Certificate, or the execution or amendment hereof or thereof or in connection with the transactions contemplated hereby or thereby, including the issuance, sale or resale, defeasance or redemption of the Bonds;

(b) any breach by the Borrower of any representation, warranty, covenant, term or condition in, or the occurrence of any default under, this Agreement or the other Bond Documents, including all reasonable fees or expenses resulting from the settlement or defense of any claims or liabilities arising as a result of any such breach or default or any Determination of Taxability;

(c) the involvement of any of the Indemnified Parties in any legal suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of the Controlling Person or the Majority Owner's actions taken pursuant to this Agreement or any of the other Bond Documents or any other event or transaction contemplated by any of the foregoing;

(d) any untrue statement or alleged untrue statement contained or incorporated by reference in any offering or reoffering materials prepared in respect of the Bonds or any Secondary Market Transaction, or any supplement or amendment thereof, or the omission or alleged omission to state therein a material fact necessary to make such statements in light of the circumstances in which they are or were made not misleading;

(e) the acceptance or administration of the Bond Documents or the Security Interests thereunder or the performance of duties under the Bond Documents or any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project Facilities or the use thereof, including without limitation any lease thereof or assignment of its interest in this Agreement;

(f) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Advances or the Project Facilities, the operation of the Project Facilities, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction or rehabilitation of, the Improvements or any part thereof;

(g) any Lien (other than a Permitted Encumbrance) or charge upon payments by the Borrower to the City and the Trustee hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the City or the Trustee in respect of any portion of the Project Facilities;

(h) any violation or alleged violation of any applicable law or regulation including, without limitation, any Environmental Law or any inspection, review or testing with respect to, or the release of any toxic substance from, the Project Facilities or any part thereof;

(i) the enforcement of, or any action taken by the City or any Indemnified Party, related to remedies under, this Agreement, the Indenture and the other Bond Documents;

(j) any action, suit, claim, proceeding, audit, inquiry, examination, or investigation of a judicial, legislative, administrative or regulatory nature concerning or related to the Project Facilities, the Bonds, the Bond Documents, or interest payable on the Bonds not being excludable from gross income for purposes of federal income taxation or exempt from state income taxation;

(k) any action, suit, claim or demand contesting or affecting the title of the Project Facilities;

(l) the investigation of, preparation for or defense of any litigation, proceeding or investigation in connection with the Project Facilities or the transactions to be consummated in connection therewith of any nature whatsoever, commenced or threatened against the Borrower, the Project Facilities or any Indemnified Party; and

(m) any brokerage commissions or finders' fees claimed by any broker or other party in connection with the Bonds or the Project.

The indemnification shall include the reasonable costs and expenses of defending itself or investigating any claim of liability and other reasonable expenses and attorneys' fees incurred by the Indemnified Parties, provided the Borrower shall not be required to indemnify any of the Indemnified Parties for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of any Indemnified Party indemnification for which is not permitted by law. The obligations of the Borrower under this Section shall survive the termination of this Agreement and the Indenture. Notwithstanding any other provision of this Agreement or the Indenture to the contrary, the Borrower agrees (i) not to assert any claim or institute any action or suit against the Trustee or its employees arising from or in connection with any investment of funds made by the Trustee in good faith as directed by the Borrower, the Controlling Person or the Majority Owner, and (ii) to indemnify and hold the Trustee and its employees harmless against any liability, losses, damages, costs, expenses, causes of action, suits, claims, demands and judgments of any nature arising from or in connection with any such investment. Nothing in this Section is intended to limit the Borrower's obligations contained in Section 2.1 and 2.2 hereof or in the Regulatory Agreement. Upon demand of the City, Borrower shall assume the investigation and defense of any claim, action, suit, investigation or proceeding with counsel selected by the City Attorney of the City in his sole discretion, including the payment of the costs of such investigation and defense. Amounts otherwise payable to the City hereunder shall be due and payable five (5) days after

demand and will accrue interest at the Default Rate, commencing with the expiration of the five (5) day period. When the City incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally. The obligations of Borrower to the Indemnified Parties under this Section shall not be subject to the recourse limitations of Section 10.13 hereof.

Section 2.6 Amounts Remaining on Deposit Upon Payment of the Bonds. After payment in full of the principal of, premium, if any, and interest on the Bonds (or defeasance of the Bonds) and upon payment of amounts payable to the United States pursuant to any rebate requirement and the payment of any other amounts owed hereunder or under the Indenture, all amounts on deposit with the Trustee pursuant to the Indenture, this Agreement or any other Bond Document shall be paid by the Trustee to the Borrower.

ARTICLE 3 SECURITY

Section 3.1 Mortgage and Other Bond Documents. To further secure the Borrower's obligations under this Agreement, the Borrower shall, at its sole expense, execute and deliver, or cause to be executed and delivered, to the Trustee (and where required, duly record) the Mortgage and each of the other Bond Documents.

Section 3.2 Financing Statements. The Borrower hereby authorizes the Trustee and the Controlling Person, without the signature of the Borrower, to file such financing statements and continuation statements, and perform such other acts, under the Uniform Commercial Code of the State or other applicable Legal Requirements as are necessary or advisable to perfect and maintain perfection of the City's and/or the Trustee's security interests under this Agreement, the Indenture, the Mortgage and the other Bond Documents. The Borrower will pay upon demand the costs of filing the foregoing financing or continuation statements and the Financing Statements required under Section 7.8 of the Indenture in such public offices as the Controlling Person may designate.

ARTICLE 4 REPRESENTATIONS OF CITY

Section 4.1 Representation by the City. The City represents and warrants to the Borrower, the Trustee and the Holders from time to time of the Bonds as follows:

(a) The City is a municipal corporation, duly organized and validly existing under its charter and the constitution and laws of the State. Under the provisions of the Act, the City has the power to enter into the transactions on its part contemplated by this Loan Agreement, the Indenture and the Regulatory Agreement (collectively, the "City Documents") and to carry out its obligations hereunder and thereunder. The financing of the Project constitutes and will constitute a permissible public purpose under the Act. By proper action, the City has authorized the execution, delivery and due performance of its obligations under the City Documents.

(b) Neither the execution and delivery of the Bonds and the City Documents, nor the City's compliance with the terms, conditions or provisions on the part of the City in the Bonds and the City Documents, to the knowledge of the City without investigation, conflicts in any material respect with or results in a material breach of any of the terms, conditions or provisions of any constitution or statute of the State, or of any agreement, instrument, judgment, order or decree to which the City is now a party or by which it is bound or constitutes a material default by the City under any of the foregoing.

(c) The City has not created and will not create any debt, lien or charge upon the asset and monies explicitly pledged to the repayment of the Bonds under the Indenture, and has not made and will not make any pledge or assignment of or create any encumbrance thereon, other than the pledge and assignment thereof under the Indenture.

(d) The City has complied and will comply with all material provisions of the Act to be complied with by the City applicable to the Bonds and the transactions contemplated by this Loan Agreement and the other City Documents.

(e) The Bonds are being issued under the Indenture, and are secured by the Indenture pursuant to which the City's interest in this Loan Agreement (other than the Reserved Rights) is pledged and assigned to the Trustee. The City covenants that it has not pledged and will not pledge or assign its interest in this Loan Agreement other than to the Trustee under the Indenture.

(f) No litigation or administrative action of any nature has been served on the City and is now pending (i) seeking to restrain or enjoin the execution and delivery of the City Documents, or in any manner questioning the proceedings or authority of the City relating thereto or otherwise affecting the validity of the Bonds, or (ii) challenging the existence or authority of the City or that of the members of the Board of Supervisors or its officers and, to the knowledge of the City, none of the foregoing are threatened.

(g) The City makes no representation or warranty that the Project will be adequate or sufficient for the purposes of the Borrower. Nothing in this Loan Agreement shall be construed as requiring the City to provide any financing for the Project other than the proceeds of the Bonds.

Section 4.2 No Liability of City; No Charge Against City's Credit. Notwithstanding anything herein or in any other document, agreement or instrument to the contrary, the following provisions of this paragraph shall apply to the Indenture, the Loan Agreement, the Bonds, the Bond Documents, and any other document, agreement or instrument securing the same. Any obligation of the City created by, arising out of, or entered into in contemplation of this Agreement, including the payment of the principal of, premium if any, and interest on the Bonds, shall not impose or constitute a debt or pecuniary liability upon the City, the State or any political subdivision thereof or constitute a charge upon the general credit or taxing powers of any of the foregoing. Any such obligation shall be payable solely out of the revenues and any other moneys derived hereunder and under the Indenture, except (as provided in the Indenture and in this Agreement) to the extent it shall be paid out of moneys attributable to the proceeds of the Bonds or the income from the temporary investment thereof. No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement of the City hereunder against any past, present or future trustee, officer, member, employee or agent of the City, whether directly or indirectly, and all such liability of any such individual as such is expressly waived and released as a condition of and in consideration for the execution of this Agreement, the making of the loan of the proceeds of the Bonds to the Borrower, and the issuance of the Bonds.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES OF THE BORROWER

The Borrower represents and warrants to and for the benefit of the City, the Trustee, the Controlling Person and the Holders from time to time of the Bonds as follows:

Section 5.1 Existence. The Borrower is a limited partnership, duly organized, validly existing and in good standing under the Legal Requirements of the state of its organization and is duly qualified to

Section 6.10 Tax-Exempt Status. In furtherance of the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds, the Borrower hereby represents, warrants and agrees as follows:

(a) Qualified Residential Rental Project Exempt Facility Bonds. The Borrower shall use or allocate the proceeds of the Tax-Exempt Bonds in a manner such that the Tax-Exempt Bonds will satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects.

(b) Federal Guarantee Prohibition. The Borrower not take any action or suffer to be taken any action if the result of the same would be to cause any of the Tax-Exempt Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(c) **Rebate Requirement.** The Borrower shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Tax-Exempt Bonds.

(d) **No Arbitrage.** The Borrower shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Tax-Exempt Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Tax-Exempt Bonds would have caused the Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

(e) **Maintenance of Tax-Exemption.** The Borrower shall take all actions necessary to assure the exclusion of interest on the Tax-Exempt Bonds from the gross income of the owners of the Tax-Exempt Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Tax-Exempt Bonds.

(f) **Private Activity Volume Cap.** The Tax-Exempt Bonds upon issuance and delivery shall be considered "private activity bonds" within the meaning of the Code with respect to which the California Debt Limit Allocation Committee has transferred a portion of the State of California's private activity bond allocation (within the meaning of section 146 of the Code) equal to the principal amount of the Tax-Exempt Bonds.

(g) **Limitation on Issuance Costs.** The Borrower covenants that, from the proceeds of the Tax-Exempt Bonds and investment earnings thereon, an amount not in excess of two percent (2%) of the proceeds of the Tax-Exempt Bonds will be used for costs of issuance of the Tax-Exempt Bonds, all within the meaning of section 147(g)(1) of the Code. For this purpose, if the fees of the original purchaser of the Tax-Exempt Bonds are retained as a discount on the purchase of the Tax-Exempt Bonds, such retention shall be deemed to be an expenditure of proceeds of the Tax-Exempt Bonds for said fees.

(h) **Limitation of Expenditure of Proceeds.** The Borrower shall cause not less than 95 percent of the net proceeds of the Tax-Exempt Bonds (within the meaning of section 150(a)(3) of the Code) to be used to pay Qualified Project Costs.

(i) **Limitation on Land.** The Borrower shall not use or allocate more than twenty-five percent (25%) of the proceeds of the Tax-Exempt Bonds, directly or indirectly, for the acquisition of land.

(j) **Existing Facilities Limit.** The Borrower shall not use or allocate proceeds of the Tax-Exempt Bonds for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 145(d) of the Code) with respect to such building equal or exceed 15 percent of the portion of the cost of acquiring such building (and equipment) financed with proceeds of the Tax-Exempt Bonds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100 percent of the portion of the cost of acquiring such structure financed with the proceeds of the Tax-Exempt Bonds.

(k) **Certain Uses Prohibited.** The Borrower covenants not to use any proceeds of the Tax-Exempt Bonds directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, nor to use or allocate any portion of the proceeds of the Tax-Exempt Bonds for an office unless (i) the office is located on the premises of the facilities constituting the

Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(l) **Income Targeting.** The Borrower hereby elects to have the Project meet the requirements of section 142(d)(1)(B) of the Code in that forty percent (40%) or more of the residential units in the Project Facilities shall be occupied by persons or families whose Adjusted Income (as defined in the Regulatory Agreement) is sixty percent (60%) or less of Median Income for the Area (as defined in the Regulatory Agreement), adjusted for household size.

(m) **Program Investment.** The Borrower shall not purchase, nor permit any related party of the Borrower to purchase, the Tax-Exempt Bonds or any portion thereof in an amount related to the amount of the loan of the proceeds of the Tax-Exempt Bonds to the Borrower (the "Tax-Exempt Loan") or any other obligation acquired by the City in furtherance of the governmental program (the "Program") of the City to acquire investments to carry out the financing of qualified residential rental projects, being the governmental purposes of the Program. The City has not waived its right to treat the Tax-Exempt Loan or the Tax-Exempt Bonds as a "program investment" within the meaning of the Code.

(n) The Borrower covenants that all investments of amounts deposited in any fund or account created by or pursuant to the Indenture, or otherwise containing gross proceeds of the Tax-Exempt Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

(o) Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of section 148 of the Code).

Section 6.11 Single Purpose Entities.

(a) The Borrower and the General Partner shall (i) not engage in any business or activity, other than the ownership, construction, renovation, operation and maintenance of the Project Facilities and activities incidental thereto; and (ii) not acquire, own, hold, lease, operate, manage, maintain, develop or improve any assets other than the Project Facilities and such personal property as may be necessary for the operation of the Project Facilities and shall conduct and operate its business as presently conducted and operated.

(b) The Borrower and the General Partner shall (i) not maintain its assets in a way that is difficult to segregate and identify; (ii) ensure that business transactions between the Borrower and any Affiliate of the Borrower or any Affiliate of the General Partner shall be entered into upon terms and conditions that are substantially similar to those that would be available on an arms-length basis with a third Person other than the General Partner, or any respective Affiliate thereof; (iii) not incur or contract to incur any obligations, secured or unsecured, direct or contingent (including guaranteeing any obligation), other than, in the case of the Borrower, the Obligations evidenced by this Agreement and the other Bond Documents and the Subordinate Debt Documents, or unsecured loans or guaranty payments made by the partners or members of the Borrower or Guarantor pursuant to the Partnership Agreement, or unsecured trade payables or the Developer Fee; (iv) not make any loans or advances to any third Person (including any Affiliate of the Borrower or the General Partner), except as otherwise permitted under this Agreement or the Bond Documents; (v) do or cause to be done all things necessary to preserve its existence; (vi) not amend, modify or otherwise change its partnership certificate, Partnership Agreement, articles of incorporation or bylaws without obtaining the prior written consent of the Controlling Person, not to be unreasonably withheld, conditioned or delayed (and which Controlling Person will endeavor to accept or

reject within ten (10) Business Days of request); provided that no consent shall be required for changes or amendments to the Partnership Agreement to the extent such change or amendment is solely required to effect a Permitted Transfer, and provided that any changes with respect to installments of capital contributions which constitute Required Equity Funds or the timing thereof, or that otherwise, except for a change or amendment solely required to effect a Permitted Transfer, materially and adversely affect the rights and interests of the Holders also require Majority Owner consent, which consent shall not be unreasonably withheld, conditioned or delayed; (vii) conduct and operate its business as presently conducted and operated; (viii) maintain its books and records and bank accounts separate from those of its Affiliates; (ix) be, and at all times shall hold itself out to the public as, a legal entity separate and distinct from any other Person (including any Affiliate); (x) file its own tax returns; (xi) maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations and in any event not less than that required under State law in order to remain a separate legal entity; (xii) not seek or consent to the dissolution or winding up, in whole or in part, of the Borrower or the General Partner; (xiii) not (A) consent to the dissolution or liquidation in whole or in part of the Borrower, or (B) permit the General Partner to dissolve, or (C) consent to the dissolution or liquidation of the General Partner; (xiv) not commingle the funds and other assets of the Borrower with those of the General Partner, any Affiliate thereof or any other Person; and (xv) not enter into any transaction with an Affiliate without the prior written consent of the Controlling Person or as permitted pursuant under the Bond Documents.

Section 6.12 Negative Pledge; No Sale.

(a) The Borrower will not create, incur, assume or permit to exist any mortgage, pledge, security interest, encumbrance or other Lien upon the Project Facilities or any property, tangible or intangible, now owned or hereafter acquired (including without limitation property leased to or being acquired by the Borrower under capital leases or installment sale agreements), by the Borrower (the sale with recourse of receivables or any “sale and lease back” of any fixed assets being deemed to be the giving of a lien thereon for money borrowed), other than Permitted Encumbrances.

(b) Other than Permitted Transfers and the making of residential leases, the Borrower shall not sell, assign, transfer, convey or otherwise dispose of the Project Facilities, or any part thereof, or permit or consent to a Sale without in each instance (i) obtaining the express prior written consent of the Controlling Person, which consent may be withheld or granted (and be subject to the payment of such fees and the satisfaction of other conditions as set forth in Section 1.12 of the Mortgage) in the Controlling Person’s sole and absolute discretion; and (ii) complying with the applicable requirements of the Regulatory Agreement.

Section 6.13 Payment of Indebtedness; Accounts Payable; Restrictions on Indebtedness.

(a) The Borrower will pay, discharge or otherwise satisfy at or before maturity or before they become delinquent, as the case may be, all of the Borrower’s Indebtedness under the Bond Documents, the Subordinate Debt Documents and all of its other Obligations, whether now existing or hereafter arising, and comply with all covenants and agreements set forth in agreements evidencing Obligations of the Borrower.

(b) The Borrower shall pay or cause to be paid the Expenses, and capital expenditures and its other accounts payable with respect to and costs of operation and maintenance of the Project Facilities within thirty (30) days of receipt of an invoice therefor, or when the same shall otherwise be due and payable. The Borrower shall make no distribution of funds to its partners unless no Default or Event of Default exists, such distribution is in accordance with the provisions of the Partnership Agreement, and

all current accounts payable shall have been paid and funds shall have been set aside for the payment of accounts payable becoming due within thirty (30) days of said distribution.

(c) Without obtaining the prior written consent of the Controlling Person, the Borrower will not create, incur, assume, guarantee or be or remain liable for any indebtedness or Obligations other than (i) Indebtedness under the Bond Documents; (ii) Indebtedness in respect of the Subordinate Debt; (iii) current liabilities of the Borrower relating to the Project Facilities incurred in the ordinary course of business but not incurred through the borrowing of money or obtaining of credit; and (iv) any unsecured loans or guaranteed payments from partners or their Affiliates or the Guarantor pursuant to the Partnership Agreement.

Section 6.14 Environmental Covenants.

(a) The Borrower will cause all activities at the Project Facilities during the term of this Agreement to be conducted in full compliance with all applicable Environmental Laws. The Borrower will obtain all Governmental Actions and will make all notifications, as required by Environmental Laws, and will, at all times, comply with the terms and conditions of any such Governmental Actions or notifications. During the term of this Agreement, if requested by the Controlling Person, the Borrower will provide to the Controlling Person copies of (i) applications or other materials submitted to any Governmental Authority in compliance with Environmental Laws, (ii) any notifications submitted to any Person pursuant to Environmental Laws, (iii) any Governmental Action granted pursuant to Environmental Laws, (iv) any record or manifest required to be maintained pursuant to Environmental Laws, and (v) any correspondence, notice of violation, summons, order, complaint or other document received by the Borrower, its lessees, sub-lessees or assigns, pertaining to compliance with any Environmental Laws.

(b) The Borrower will, at all times during the term of this Agreement, cause Hazardous Substances used at the Project Facilities to be handled, used, stored and disposed in accordance with all Environmental Laws and in a manner which will not cause an undue risk of Contamination.

(c) The Borrower will cause all construction of new structures at the Project Facilities during the term of this Agreement to use design features which safeguard against or mitigate the accumulation of radon or radon products in concentrations exceeding the Environmental Protection Agency's recommended threshold of 4.0pCi/L.

(d) The Borrower shall not install or permit to be installed any temporary or permanent tanks for storage of any liquid or gas above or below ground, except after obtaining written permission from the Controlling Person to do so and in compliance with Environmental Laws.

(e) [The Borrower shall implement a moisture management and control program (the "Moisture Management Program") for the Improvements at the Project Facilities to prevent the occurrence of mold, dangerous fungi, bacterial or microbial matter contamination or pathogenic organisms that reproduces through the release of spores or the splitting of cells (collectively, "Mold"), at, on or under the Project Facilities, which Moisture Management Program shall include, at a minimum: (a) periodic inspections of the Improvements at the Project Facilities for Mold, (b) removing or cleaning up any Mold and in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by the Controlling Person, and (c) in the event that the Mold identified at the Improvements at the Project Facilities cannot be removed or cleaned from any impacted building materials (e.g., porous materials such as carpeting, certain types of ceiling materials, etc.) and/or equipment, removing all such impacted building materials and/or equipment from the Project Facilities, all in accordance with the procedures set forth in the United States Environmental Protection Agency's ("EPA") guide entitled "Mold Remediation in Schools and Commercial Buildings", EPA No. 402-K-01-001, dated

March 2001 and in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by the Controlling Person. The Borrower shall include as part of every residential lease a Mold/Mildew Addendum in the form attached hereto as Exhibit C. The Borrower further covenants and agrees that, in connection with any mold remediation undertaken by or on behalf of the Borrower hereunder, the source (e.g., leaking pipe, water damage, water infiltration, etc.) of any Mold at the Improvements at the Project Facilities shall be promptly identified and corrected to prevent the occurrence or re-occurrence of any Mold.]

(f) Upon the occurrence of an Event of Default, or if the Controlling Person has reason to believe that there has occurred and is continuing a violation of Environmental Law or that there exists a condition that could give rise to any Governmental Action, the Controlling Person may, at its discretion, commission an investigation at the Borrower's expense of (i) compliance at the Project Facilities with Environmental Laws, (ii) the presence of Hazardous Substances or Contamination at the Project Facilities, (iii) the presence at the Project Facilities of materials which are described in clause (b) of Section 5.12, (iv) the presence at the Project Facilities of Environmentally Sensitive Areas, (v) the presence at the Project Facilities of radon products, (vi) the presence at the Project Facilities of tanks of the type described in paragraph (e) of Section 5.12 or in paragraph (d) of Section 6.14 above, or (vii) the presence of Mold at the Project Facilities. In connection with any investigation pursuant to this paragraph, the Borrower, and its lessees, sub-lessees and assigns, will comply with any reasonable request for information made by the Controlling Person or its agents in connection with any such investigation. Any response to any such request for information will be full and complete. The Borrower will assist the Controlling Person and its agents to obtain any records pertaining to the Project Facilities or to the Borrower and the lessees, sub-lessees or assigns of the Borrower in connection with an investigation pursuant to this paragraph. The Borrower will permit the Controlling Person and its agents access to all areas of the Project Facilities at reasonable times and in reasonable manners in connection with any investigation pursuant to this paragraph. No investigation commissioned pursuant to this paragraph shall relieve the Borrower from any responsibility for its representations and warranties under Section 5.12 hereof or under the Environmental Indemnity Agreement.

(g) In the event of any Contamination affecting the Project Facilities, whether or not the same originates or emanates from the Project Facilities or any contiguous real estate, or if the Borrower otherwise shall fail to comply with any of the requirements of Environmental Laws, the Controlling Person may, at its election, but without the obligation so to do, give such notices, cause such work to be performed at the Project Facilities and take any and all other actions as the Controlling Person shall deem necessary or advisable in order to remedy said Contamination or cure said failure of compliance and any amounts paid as a result thereof, together with interest thereon at the Default Rate from the date of payment by the Controlling Person, shall be immediately due and payable by the Borrower and until paid shall be added to and become a part of the Indebtedness and shall have the benefit of the lien hereby created as a part thereof prior to any right, title or interest in or claim upon the Project Facilities attaching or accruing subsequent to the lien of the Mortgage on the Project Facilities.

(h) The Borrower shall defend, indemnify, and hold harmless the City from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs, or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release, or threatened release of any Hazardous Substances which are on or from the Project Facilities which affect, the soil, water, vegetation, buildings, personal property, persons, animals, or otherwise; (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Substances on or from the Project Facilities, and/or (c) any violation of laws, orders, regulations, requirements or demands of government authorities, or written requirements of the City, which are based upon or in any way related to such Hazardous Substances including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs,

and litigation expenses. Upon demand of the City, Borrower shall assume the investigation and defense of any such claim, demand, penalty, fine, liability, settlement, damage, cost or expense, or any allegation thereof, with counsel selected by the City Attorney of the City in his sole discretion, including the payment of the costs of such investigation and defense. In the event any Project Facilities are foreclosed upon, or a deed in lieu of foreclosure is tendered, or this Agreement is terminated, the Borrower shall deliver such Project Facilities in a manner and condition that shall conform with all applicable federal, state and local laws, ordinances, rules or regulations affecting the Project Facilities.

The indemnifications and protections set forth in this Section 6.14(h) shall be extended, with respect to the City, to the members of its Board of Supervisors, officers, employees, agents and servants and persons under the City's control or supervision, and (ii) shall be for the full and equal benefit of the Trustee, as assignee of the City under the Indenture.

Anything to the contrary in this Agreement notwithstanding, the covenants of the Borrower contained in this Section 6.14(h) shall remain in full force and effect after the termination of this Loan Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought, and (ii) payment in full or the satisfaction of such claim or cause of action and of all expense and charges incurred by the City relating to the enforcement of the provisions herein specified.

For the purposes of this Section 6.14(h), the Borrower shall not be deemed an employee, agent or servant of the City or person under City's control or supervision.

During the period in which this Loan Agreement is in effect, the Borrower hereby grants the City and the Trustee, and their respective agents, attorneys, employees, consultants and contractors, an irrevocable license and authorization upon reasonable notice of not less than 24 hours to enter upon and inspect the Project Facilities and perform such tests, including, without limitation, subsurface testing, soils and ground water testing, and other tests which may physically invade the Project, as the City or the Trustee, in their respective reasonable discretion, determine are necessary to protect the interests of the City or the owners of the Bonds. The provisions of this Section 6.14(h) shall be for the full and equal benefit of the City, and of the Trustee as assignee of the City under the Indenture.

Section 6.15 Controlling Person. The Borrower acknowledges and agrees that (i) the Majority Owner has the sole and exclusive right to arrange for servicing of the Loan and to appoint another person or entity to serve as its representative hereunder, under the other Bond Documents and under the Indenture; (ii) the Majority Owner has appointed Western Alliance Business Trust to serve in the capacity of Controlling Person hereunder, under the other Bond Documents, and under the Indenture; and (iii) the Majority Owner retains the sole and exclusive right to appoint, remove or replace the Controlling Person, without the consent or approval of the Borrower. The Borrower shall comply with the directions of the Controlling Person made on behalf of the Majority Owner.

Section 6.16 Tax Returns. The General Partner will timely file all tax returns for itself and for the Borrower, pay or cause to be paid when due all taxes imposed on their operations, assets, income or properties, and, upon request, provide to the Controlling Person copies of such returns and receipts for payment of such taxes.

Section 6.17 Leases. The Borrower hereby represents that there are no leases or agreements to lease all or any part of the Project Facilities now in effect except for leases to residential tenants in compliance with the Regulatory Agreement. Except for leases to residential tenants in compliance with the Regulatory Agreement and leases for services associated with residential rental properties (such as laundry

and cable leases), the Borrower shall not enter into or become liable under, any leases or agreements to lease all or any part of the Project Facilities without the prior written approval thereof and of the prospective tenant by the Controlling Person. Each lease of residential units in the Project Facilities to a residential tenant shall be on a form of lease approved by the Controlling Person and shall be in compliance with the requirements of the Regulatory Agreement.

Section 6.18 Further Assurances. The Borrower will promptly and duly execute, acknowledge and deliver from time to time such further instruments and take such further actions as may be reasonably required by the City, the Trustee or the Controlling Person to carry out the purposes and provisions of this Agreement and the other Bond Documents, to confirm the priority and/or perfection of any lien, pledge, assignment or security interest created or intended to be created by this Agreement and to assure the Controlling Person and the Majority Owner of the subrogation and security rights in favor of the Trustee for the benefit of the Holders of the Bonds contemplated by this Agreement, by the other Bond Documents and by the Indenture. The Borrower shall obtain any approvals required under the Ground Lease and the Subordinate Debt Documents in connection with any of the foregoing.

Section 6.19 Management Agreement. The Borrower has entered into a property management agreement in a form approved by the Controlling Person with the Managing Agent (together with any extension and replacements thereof and as the same may be amended, modified or supplemented from time to time the "Management Agreement"). Under the Management Agreement, the Managing Agent shall provide certain management services and shall be entitled to receive as compensation for those services an amount not in excess of the Underwritten Management Fee. Any amounts due the Managing Agent in excess of the Underwritten Management Fee shall be subordinated to the payment by the Borrower of all principal of, premium, if any, and interest due on the Bonds, all Third Party Costs and all required deposits into the Accounts and all payments due under the Ground Lease. The Borrower shall not replace the Managing Agent for the Project Facilities without the Controlling Person's prior written approval, and the Management Agreement shall not be terminated or modified without the Controlling Person's prior written approval. In the event the Managing Agent resigns or is removed, the Borrower shall promptly seek a replacement Managing Agent and submit such Managing Agent and its proposed form of Management Agreement to the Controlling Person for approval; if the Borrower has not done so within thirty (30) days of becoming aware of such resignation or removal, the Controlling Person may (but shall not be required to) engage a new Managing Agent on terms satisfactory to the Controlling Person in its sole discretion and at the expense of the Borrower. The sole and exclusive compensation (exclusive of reimbursement for expenses pursuant to the applicable Management Agreement) paid to manage the Project Facilities under the Management Agreement shall be as described in this Section 6.19. The Borrower shall have no employees whatsoever. The Managing Agent shall execute a consent to the Assignment of the Management Agreement pursuant to which the Managing Agent shall confirm the subordination provisions described above and agree that the Management Agreement shall be terminable by the Controlling Person, with or without cause, on thirty (30) days' notice following and during the existence of an Event of Default.

Section 6.20 Determination of Taxability. Neither the Borrower nor the General Partner shall admit in writing to the City or the Trustee or to any Governmental Authority that interest on the Bonds has become includable in gross income for purposes of federal income taxation without first providing reasonable advance notice to the Controlling Person and the Majority Owner and permitting the Controlling Person or the Majority Owner, at its sole discretion and at its expense, to contest such conclusion. Promptly after the Borrower first becomes aware of any Determination of Taxability or an event that could trigger a Determination of Taxability, the Borrower shall give written notice thereof to the City, the Trustee, the Controlling Person and the Majority Owner.

Section 6.21 List of Bondholders. Upon the written request of the Controlling Person, the Borrower shall exercise any right it may have under the Indenture to request a list of Bondholders and shall

deliver such list to the Controlling Person. Any costs associated with obtaining the list of Bondholders at the Controlling Person's request shall be paid by the Controlling Person.

Section 6.22 Use of Proceeds. The Borrower agrees that the proceeds of the Bonds will be allocated exclusively to pay Project Costs and that, for the greatest possible number of buildings, the Bond proceeds will be allocated on a pro rata basis to each building in the Project Facilities and the land on which such building is located, so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code.

Section 6.23 Compliance With Anti-Terrorism Regulations. Neither the Borrower, the General Partner nor any Person holding any legal or beneficial interest whatsoever in the Borrower shall at any time during the Term be described in, covered by or specially designated pursuant to or be affiliated with any Person described in, covered by or specially designated pursuant to Executive Order 13224 —Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended, or any similar list issued by OFAC or any other department or agency of the United States of America. Notwithstanding the foregoing, the Borrower and the General Partner hereby each confirm that if it becomes aware or receives any notice of any violation of the foregoing covenant and agreement (an "OFAC Violation"), the Borrower or the General Partner, as applicable, will immediately (i) give notice to the Controlling Person of such OFAC Violation, and (ii) comply with all Legal Requirements applicable to such OFAC Violation, including, without limitation, Executive Order 13224; the International Emergency Economic Powers Act, 50 U.S.C. Sections 1701-06; the Iraqi Sanctions Act, Pub. L. 101-5 13, 104 Stat. 2047-55; the United Nations Participation Act, 22 U.S.C. Section 2339b); the International Security and Development Cooperation Act, 22 U.S.C. Section 2349 aa-9; the Terrorism Sanctions Regulations, 31 C.F.R. Part 595; the Terrorism List Governments Sanctions Regulations, 31 C.F.R. Part 596; and the Foreign Terrorist Organizations Sanctions Regulations, 31 C.F.R. Part 597 (collectively, the "Anti-Terrorism Regulations"), and the Borrower and the General Partner hereby authorize and consent to the Controlling Person's taking any and all reasonable steps the Controlling Person deems necessary, in its sole discretion, to comply with all Legal Requirements applicable to any such OFAC Violation, including the requirements of the Anti-Terrorism Regulations. Notwithstanding anything to the contrary in this Section, the Borrower shall not be deemed to be in violation of the covenants and agreements set forth in the first sentence of this Section if the Borrower timely complies with all requirements imposed by the foregoing sentence and all requirements of the Antiterrorism Regulations and all other applicable Legal Requirements relating to such OFAC Violation.

Section 6.24 Adoption of Capital and Operating Budgets.

(a) On or before December 1 of each Fiscal Year, the Borrower shall submit to the Controlling Person for approval a proposed capital and operating budget with respect to the Project Facilities to be effective for the next following Fiscal Year (the "Proposed Budget"). The Controlling Person shall have the right to approve or disapprove any Proposed Budget, which approval shall not be unreasonably withheld or delayed. Third party costs not within the Borrower's control and costs associated with remediation of emergency conditions shall be permitted variances to the Annual Budget. If any Proposed Budget is not disapproved by the Controlling Person within thirty (30) days following submission by the Borrower, such budget shall be deemed approved. If any budget is disapproved, the Borrower shall thereafter consult with the Controlling Person in an effort to achieve a mutually acceptable Annual Budget for an additional thirty (30) days. To the extent the proposed operating budget is disapproved, the operating budget for the previous Fiscal Year shall remain in effect increased by five percent (5%) over the previous Fiscal Year (except for costs of utilities, Impositions and insurance and other third-party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed

Budget) until the parties resolve their differences. In addition to, and not in limitation of the foregoing, each Annual Budget may be revised from time to time with approval of Controlling Person to reflect changes to Expenses and proposed Capital Expenditures set forth in the then-current Annual Budget.

(b) Without limiting the generality that each Proposed Budget must be approved by the Controlling Person, each Proposed Budget:

(i) shall be prepared on the basis of sound accounting practices consistently applied;

(ii) shall reflect all amounts projected to be deposited in the Replacement Reserve Fund and the projected revenues and Expenses of the Project Facilities;

(iii) shall reflect all projected Capital Expenditures which are reasonably expected to be made in connection with the Project Facilities during the Fiscal Year covered by such Proposed Budget; and

(iv) shall be in such form as is reasonably acceptable to the Controlling Person and contain such other information as reasonably may be requested by the Controlling Person.

Section 6.25 Borrower's Approval of Indenture. The Borrower understands that the City will, pursuant to the Indenture and as security for the payment of the principal of, acceleration premium, if any, and the interest on the Bonds, assign and pledge to the Trustee, and create a security interest in favor of the Trustee in certain of its rights, title and interest in and to this Agreement (including all payments hereunder) reserving, however, the Reserved Rights; and the Borrower hereby agrees and consents to such assignment and pledge. The Borrower acknowledges that it has received a copy of the Indenture for its examination and review. By its execution of this Agreement, the Borrower acknowledges that it has approved, has agreed to and is bound by the applicable provisions of the Indenture. The Borrower agrees that the Trustee shall be entitled to enforce and to benefit from the terms and conditions of this Agreement that relate to it notwithstanding the fact that it is not a signatory hereto. Borrower hereby agrees to perform any express obligations on its part contained in the Indenture, notwithstanding the fact that it is not a signatory thereto.

Section 6.26 Conditions Precedent; Payment of Certain Fees, Deposits and Expenses. On the date of execution and delivery hereof, (a) the Controlling Person shall have received, in immediately available funds, an amount equal to the fees set forth in Section 2.2(a) hereof, and the fees of the Engineering Consultant set forth in Section 2.2(b) hereof incurred as of the date of the execution and delivery hereof, and (b) the Trustee shall have received the deposits required to be made in the Accounts on such date pursuant to Article 8 hereof.

Section 6.27 Additional Conditions Precedent. The rights of the Borrower to draw the initial advance of funds from the Project Fund under this Agreement shall be subject to the conditions precedent set forth in Section 9.12 hereof and on Schedule 6 hereof.

Section 6.28 No Amendments. The Borrower shall not amend, modify or otherwise change the Ground Lease or the Subordinate Debt Documents without the prior written consent of the Controlling Person. The Borrower shall not agree to any amendment, modification or any other change to the Note, the Bonds or any other Bond Document without first obtaining a No Adverse Effect Opinion.

Section 6.29 Construction of Improvements. The Borrower shall construct the Project Facilities in a true, thorough and workmanlike manner and substantially in accordance with the Plans and

Specifications and in compliance with all applicable Governmental Actions and Legal Requirements. The Borrower shall provide, at the Borrower's expense all manner of materials, labor, implements and cartage of every description for the due completion of renovation or construction of the Project Facilities. The Borrower shall take all necessary steps to assure that commencement of renovation or construction of the Project Facilities shall begin within thirty (30) days following the Issue Date, shall proceed continuously and diligently and in a commercially reasonable manner, and shall be completed lien free in a timely manner substantially in accordance with the Plans and Specifications and in all instances in compliance with all applicable Governmental Actions and Legal Requirements, on or before the Completion Date, subject to delays caused by a Force Majeure.

Section 6.30 Evidence of Payment of Costs. If requested by the Controlling Person, the Borrower shall furnish, before each advance agreed to be made and on completion of construction, all receipted bills, certificates, affidavits, conditional releases of lien and other documents which may be reasonably required by the Controlling Person, as evidence of full payment for all labor and materials incident to the construction of the Project Facilities for each requested draw with copies of unconditional releases of lien from each prior draw and will promptly secure the release of the Project Facilities from all liens by payment thereof or transfer to bond or other security.

Section 6.31 Correction of Deficiencies in Improvements. The Borrower agrees that it will correct any work performed and replace any materials that do not comply with the Plans and Specifications in any material respect. In the event of any dispute between the Borrower and the Controlling Person with respect to the interpretation and meaning of the Plans and Specifications, the same shall be determined by an independent engineer selected by the Borrower from the list of engineers approved by the Controlling Person.

Section 6.32 Loan Rebalancing. If, for any reason, the Controlling Person shall, in the reasonable exercise of the Controlling Person's judgment, determine that the combined total of (i) the remaining proceeds of the Loan, (ii) the capital contributions from Borrower's partners; (iii) any other source of funds shown in the Development Budget attached hereto; and (iv) any other sums deposited by the Borrower with the Trustee are insufficient to pay through completion of the Project Facilities, all of the following sums: (x) all remaining costs of construction, construction, marketing, ownership, maintenance and leasing of the Project Facilities; and (y) all remaining interest and all other remaining sums which may accrue or be payable under the Bond Documents, then the Controlling Person may require the Borrower to deposit with the Trustee for deposit into the Project Fund, within ten (10) days after written request by the Controlling Person, the projected deficiency, and such deposit shall be first disbursed in the same manner as the Loan is to be disbursed as provided herein before any further disbursements of the proceeds of the Loan shall be made. Notwithstanding the foregoing, if, at any time, Controlling Person determines, in Controlling Person's reasonable discretion, that it is unlikely that Borrower will receive all or a portion of the sources of funds shown on the Development Budget (other than Loan proceeds), Controlling Person may exclude such amount from its determination of whether the Loan is "in balance" as provided above.

Section 6.33 Use of Loan Proceeds. All labor and materials contracted for and in connection with the construction of the Project Facilities shall be used and employed solely for the Improvements and in said construction and only in accordance with the Plans and Specifications. Moneys disbursed from Accounts held under the Indenture to or for the account of the Borrower under this Agreement shall constitute a trust fund in the hands of the Borrower or other payee and shall be used solely by such payee for the payment of the Qualified Project Costs and for no other purpose unless another use is specifically provided for in this Agreement or consented to in writing by the Controlling Person. Nothing in this paragraph shall be deemed to impose a trust on the undisbursed portion of the Loan or any other amounts held under the Indenture or to impose any duty on the Controlling Person with respect thereto.

Section 6.34 Special Servicing Costs. The Controlling Person, as servicer of the Loan, may charge the Borrower additional servicing fees and costs for special servicing requests. The Borrower shall pay as and when due all such special servicing fees or costs.

Section 6.35 Developer Fee. Borrower will not pay any Developer Fee unless permitted under Section 2 of the Developer Fee Pledge.

Section 6.36 Payment and Performance Bonds. Borrower shall furnish to Controlling Person, and shall maintain in effect through final completion of the Work, such Payment and Performance Bonds with respect to the Contractor, or if the Contractor does not obtain such Payment and Performance Bond, such Payment and Performance Bonds shall be obtained with respect to each contractor that enters into a Major Contract; provided, however, that if Payment and Performance Bonds have been provided by any contractor under a Major Contract in accordance with the terms hereof, any subcontractor of such contractor shall not be required to post any Payment and Performance Bonds in respect of such subcontract. Borrower shall take such action and require such performance as Controlling Person deems necessary under the Payment and Performance Bonds. In the event that any payments under any Payment and Performance Bonds are issued jointly to Borrower and Trustee or Borrower and Controlling Person, Borrower shall endorse any such jointly issued payments to the order of Trustee or Controlling Person, as determined by Controlling Person in its discretion, promptly upon Controlling Person's demand. Notwithstanding the foregoing, provided no Default or Event of Default exists, the Borrower may request that Controlling Person consent in writing to the release of the Payment and Performance Bonds following achievement of Completion.

Section 6.37 Extension of the Outside Stabilization Date.

(a) The Borrower may, upon 45 days prior written notice to the Controlling Person, extend the deadline for the Project Facilities to achieve Stabilization for up to two 3-month extensions so long as:

(1) there is no uncured Default or Event of Default exists and the Borrower is then in compliance with its obligations under the Bond Documents;

(2) the extended deadline for the achievement of Stabilization is no later than six months after the initial Outside Stabilization Date;

(3) an extension fee equal to 0.25% times the principal amount of Bonds Outstanding at the date of each extension is paid to the Controlling Person with respect to such extension;

(4) the Borrower certifies in writing to the Controlling Person that cash flows generated from property operations at the Project Facilities and/or funds on deposit with the Trustee (or other sources approved by the Controlling Person) will be sufficient to pay debt service during the term of the extension; and

(5) the Borrower obtains a No Adverse Effect Opinion.

(b) In connection with such extension, the First Principal Payment Date shall be extended to commence on the first Interest Payment Date following achievement of Stabilization.

ARTICLE 7 DEFAULTS AND REMEDIES

Section 7.1 Defaults. Each of the following shall constitute an event of default hereunder (“Event of Default”):

(a) Failure by the Borrower to pay any amount required to be paid by the Borrower under this Agreement, the Note or any of the other Bond Documents when the same shall become due and payable;

(b) Failure by the Borrower to perform or comply with any of the terms or conditions contained in Section 6.1, 6.11 or 6.12 hereof;

(c) Failure by the Borrower to perform or comply with any of the terms or conditions contained in this Agreement and any of the other Bond Documents to which the Borrower is a party, other than as described in paragraphs (a) and (b) above, and continuation of such failure for thirty (30) days after written notice from the Trustee or the Controlling Person to the Borrower (with a copy to the Investor Limited Partner), or such longer period to which the Controlling Person may agree in the case of a default not curable by the exercise of due diligence within such thirty (30) day period, if the Borrower, the General Partner or the Investor Limited Partner shall have commenced a cure of such default within such thirty (30) day period and shall be diligently pursuing such cure as quickly as reasonably possible;

(d) Any of the representations or warranties of the Borrower set forth in this Agreement, any of the other Bond Documents or any other document furnished to the City, the Trustee, the Controlling Person or the Majority Owner pursuant to the terms hereof proves to have been false or misleading in any material respect when made;

(e) Any provision of this Agreement or any of the other Bond Documents to which the Borrower, the General Partner or any Guarantor is a party for any reason ceases to be valid and binding on the Borrower, the General Partner or the Guarantor, is declared to be null and void, or is violative of any applicable Legal Requirement relating to a maximum amount of interest permitted to be contracted for, charged or received, or the validity or enforceability thereof is contested by the Borrower, the General Partner or any Guarantor or any Governmental Authority, or the Borrower, the General Partner or any Guarantor denies that it has any or further liability or obligation under this Agreement or any of the Bond Documents to which the Borrower, the General Partner or any Guarantor is a party;

(f) The occurrence of an Event of Default as defined in the Indenture or the other Bond Documents or the Subordinate Debt Documents or an act or event (or failure to act or non-occurrence of an act) which, with the passage of time, the giving of notice or both, would constitute an Event of Default under the Indenture or the other Bond Documents or the Subordinate Debt Documents; or the occurrence of a breach under the HAP Contract which causes, or, with the giving of notice, the passage of time, or both, would cause HUD to terminate the payments thereunder;

(g) The Borrower, any Guarantor or the General Partner (i) applies for or consents to the appointment of a receiver, trustee, liquidator or custodian or the like of the Borrower, any Guarantor or the General Partner, as applicable, or of property of any such party or (ii) admits in writing the inability of the Borrower, any Guarantor or the General Partner to pay its debts generally as they become due, or (iii) makes a general assignment for the benefit of creditors, (iv) is adjudicated bankrupt or insolvent, (v) commences a voluntary case under the Bankruptcy Code or files a voluntary petition or answer seeking reorganization, an arrangement with creditors or an order for relief or seeking to take advantage of any insolvency law or files an answer admitting the material allegations of a petition filed against the Borrower,

any Guarantor or the General Partner in any bankruptcy, reorganization or insolvency proceeding, or action of the Borrower, any Guarantor or the General Partner is taken for the purpose of effecting any of the foregoing, or (vi) has instituted against it, without the application, approval or consent of the Borrower, any Guarantor or the General Partner, as applicable, a proceeding in any court of competent jurisdiction, under any Legal Requirements relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking in respect of the Borrower, any Guarantor or the General Partner an order for relief or an adjudication in bankruptcy, reorganization, dissolution, winding up or liquidation, a composition or arrangement with creditors, a readjustment of debts, the appointment of a trustee, receiver, liquidator or custodian or the like of the Borrower, any Guarantor or the General Partner or of all or any substantial part of the assets of such party or other like relief in respect thereof under any Legal Requirements relating to bankruptcy or insolvency law, and, if such proceeding is being contested by the Borrower, such Guarantor or the General Partner, as applicable, in good faith, the same (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed and undischarged for a period of sixty (60) days;

(h) The Borrower fails to maintain in full force and effect any insurance required pursuant to this Agreement;

(i) The Project Facilities suffer a loss by fire or other casualty and such loss is not fully insured and any deficiency in the amount of insurance proceeds paid with respect to such loss is not posted with the Trustee within thirty (30) days of the determination of such deficiency;

(j) Subject to any extensions or cure periods contemplated herein or in the Indenture, the Project Facilities fail to achieve (i) Completion on or before the Completion Date; (ii) Stabilization on or before the Stabilization Date, or (iii) if specified on the Schedule of Financial Terms, as applicable, to obtain and maintain the exemption from ad valorem real estate taxation under the laws of the State;

(k) Any litigation or administrative proceeding ensues, and is not dismissed within thirty (30) days, involving the Borrower, the General Partner, any Guarantor or any instrument, contract or document delivered by the Borrower to the Controlling Person or the Trustee in compliance with this Agreement, and the adverse result of such litigation or proceeding would have, in the Controlling Person's reasonable opinion, a materially adverse effect on the Borrower's, the General Partner's or any Guarantor's ability to pay its obligations and comply with the covenants under this Agreement or any of the other Bond Documents;

(l) Any one or more judgments or orders are entered against the Borrower, any Guarantor or the General Partner, and (1) continue unsatisfied and unstayed for thirty (30) days or (2) a judgment lien on any property of the Borrower, any Guarantor or the General Partner is recorded in respect thereof and is not stayed pending appeal by a bond or other arrangement given or obtained by the Borrower, any Guarantor or the General Partner on terms which do not violate any of the Borrower's covenants under this Agreement;

(m) Failure by the Borrower or the Guarantor (1) to make any payment or payments in respect of any Obligation or Indebtedness (unless a bona fide dispute exists as to whether such payment is due), when such payment or payments are due and payable (after the lapse of any applicable grace period), (2) to perform any other obligation or covenant under any such obligation or obligations or (3) to pay or perform any obligation or covenant under any Material Contract, any of which (x) results in the acceleration of such Obligation or Indebtedness or enables the holder or holders of such Obligation or Indebtedness or any person acting on behalf of such holder or holders to accelerate the maturity of such obligation or (y) would have, in the Controlling Person's reasonable opinion, a materially adverse effect on either the Borrower's or the Guarantor's ability to pay its obligations and comply with the covenants under this Agreement or any of the other Bond Documents;

(n) Construction of the Improvements shall have been discontinued for thirty (30) consecutive working days for any reason whatsoever, except such reason as the Controlling Person shall deem reasonable;

(o) If at any time the Borrower shall have been unable for a period of forty-five (45) days to meet the requirements for an Advance under this Agreement, regardless of whether the Borrower has requested an Advance that has not been funded;

(p) The Contractor shall have defaulted under the Construction Contract, which default the Controlling Person, in its sole opinion, shall deem to be substantial, and the Borrower, upon five (5) days written notice from the Controlling Person, shall have failed to exercise any right or remedy to which it shall be entitled; and

(q) An event of default shall have occurred under the Subordinate Debt Documents.

Section 7.2 Remedies. If an Event of Default has occurred and is continuing uncured, the Trustee, acting solely at the direction of the Controlling Person, shall:

(a) Declare the principal of all Bonds then Outstanding and the interest accrued thereon to be due and payable; and

(b) Declare the Borrower's obligations hereunder, under the Note and under the other Bond Documents to be, whereupon the same shall become, immediately due and payable, provided, no such declaration shall be required, and acceleration shall be automatic, upon occurrence of an event set forth in Section 7.1(g) hereof; and

(c) Enter upon the Project Facilities and take possession thereof, together with the Improvements in the course of construction or completion, and all of the Borrower's materials, supplies, tools, equipment and construction facilities and appliances located thereon, and proceed either in the name of the Trustee or in the name of the Borrower as the attorney-in-fact of the Borrower (which authority is coupled with an interest and is irrevocable by the Borrower) as the Controlling Person shall elect, to complete the construction of the Improvements at the cost and expense of the Borrower; if the Controlling Person elects to complete or cause the construction of the Improvements to be so completed, it may do so according to the terms of the Plans and Specifications and as the Controlling Person shall deem expedient or necessary, and the Trustee may enforce or cancel all contracts entered into as aforesaid or make other contracts which in the Controlling Person's reasonable opinion may seem advisable, and the Borrower shall be liable, under this Agreement and under the Note or any other note given by it pursuant to the provisions hereof, to pay the Trustee upon demand any amount or amounts expended by the Trustee or its representatives for such performance, together with any costs, charges or expenses incident thereto or otherwise incurred or expended by the Trustee or its representatives on behalf of the Borrower in connection with the Improvements, and the amounts so expended shall bear interest at the default rate specified in the Note, and shall be considered part of the indebtedness evidenced by the Note and secured by the Mortgage; and

(d) In the event the Contractor shall have defaulted as aforesaid, and the Contractor has no surety, the Controlling Person shall proceed to negotiate or invite bidding to procure, within an additional fifteen (15) days, a successor Contractor to complete the Improvements under a performance bond and labor and material payment bond approved by the Controlling Person in the full amount of the new contract price; if the Contractor has a surety, but the surety refuses or fails to commence completion of the Improvements within fifteen (15) days after notice from the Borrower to do so, the Controlling Person

shall proceed, within ten (10) days, to negotiate or invite bidding as herein provided or to take action against the entity; and

(e) (1) Enter upon or take possession of the Project Facilities and call upon or employ suppliers, agents, managers, maintenance personnel, security guards, architects, engineers and inspectors to complete, manage or operate the Project Facilities or to protect the Project Facilities from injury; (2) pay out additional sums (which sums shall be immediately due and payable by the Borrower to the Trustee) and use any property of the Borrower associated with the Project Facilities, or any property of the Borrower in which the Trustee has or obtains an interest for application to or as a reserve for payment of any or all of the following with respect to the protection, management, operation or maintenance of the Project Facilities or the protection of the Trustee's interest therein, and in such connection deliver or disburse the same to such entities in such amounts and with such preferences and priorities as the Controlling Person in its sole discretion shall determine, either with or without vouchers or orders executed by the Borrower: (A) all sums due from the Borrower to the Trustee; (B) premiums and costs of title and any other insurance; (C) leasing fees and brokerage or sales commissions; (D) fees, costs and expenses of the Trustee and its counsel in connection with the enforcement and performance of this Agreement, the other Bond Documents and the other documents contemplated hereby; (E) any taxes (including federal, state and local taxes) or other governmental charges; (F) any sums required to indemnify and hold the Trustee harmless from any act or omission of the Trustee (except such as are grossly negligent or due to its willful misconduct) under Section 2.5 hereof, the other Bond Documents or any other document; (G) architectural and engineering costs or any sums due to contractors, subcontractors, mechanics or materialmen for work or services actually furnished on or for the Project Facilities; (H) claims of any Governmental Authority for any required withholding of taxes on wages payable or paid by the Borrower; and (I) other costs and expenses which are required to complete, manage or operate the Project Facilities or to protect the Project Facilities from injury or maintain the Trustee's security position before the rights of all others; (3) place additional encumbrances upon the Project Facilities; and (4) employ leasing and sales agents and negotiate and execute leases, sales contracts and financing undertakings in connection with all or any part of the Project Facilities; and

(f) Subject to all Legal Requirements, require the Borrower to transfer all security deposits to the Trustee; and

(g) Exercise, or cause to be exercised, any and all such remedies as it may have under this Agreement, the other Bond Documents or at law or in equity.

Section 7.3 No Waivers; Consents. No waiver of, or consent with respect to, any provision of this Agreement shall in any event be effective unless the same shall be in writing and signed by the Trustee at the direction of the Controlling Person (or by the City if the same relates to Reserved Rights), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

Section 7.4 No Waiver; Remedies Cumulative. No failure on the part of the City, the Trustee, the Controlling Person or any Bondholder to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; and no single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies available under any other document or at law or in equity.

Section 7.5 Set-Off. Upon the occurrence and during the continuation of an Event of Default hereunder, the Trustee is hereby authorized at any time and from time to time without notice to the Borrower or the General Partner (any such notice being expressly waived by the Borrower and the General Partner) and, to the fullest extent permitted by applicable Legal Requirements, to set off and to apply any and all balances, credits, deposits (general or special, time or demand, provisional or final), accounts or moneys at

any time held (including any amounts in the Accounts except for the Rebate Fund and the Tax and Insurance Escrow Fund) and other indebtedness at any time owing by the City to or for the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement, the Bond Documents or any other agreement or instrument delivered by the Borrower to the City in connection therewith, whether or not the City shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. The rights of the Trustee under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Trustee may have.

Section 7.6 City and Borrower to Give Notice of Default. The City and the Borrower severally covenant that they will, at the expense of the Borrower, promptly give to the Trustee, the Controlling Person and the Investor Limited Partner and to each other written notice of the occurrence of any Event of Default under this Agreement, and any act, event or circumstance which, with the passage of time, or notice, or both, would constitute such an Event of Default of which they shall have actual knowledge or written notice, but the City shall not be liable for failing to give such notice.

Section 7.7 Cure by Investor Limited Partner. Notwithstanding anything to the contrary contained herein, the City hereby agrees that any timely cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower, and shall be accepted or rejected on the same basis as if made or tendered by the Borrower; provided, however, that the Investor Limited Partner shall not have any obligation or duty to take any action to cure any default or to cause any default to be cured.

Section 7.8 Default Rate; Acceleration Premium. In the event there shall have occurred an acceleration of the obligations of the Borrower hereunder following an Event of Default on or before the First Optional Call Date, any tender of payment of an amount necessary to satisfy the indebtedness evidenced by this Agreement shall include the acceleration premium set forth in Section 2.3(c) hereof. In addition, in the event that principal or interest payable hereunder is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

Section 7.9 Reserved Rights; Regulatory Agreement Defaults.

(a) Notwithstanding anything to the contrary contained herein, the City may enforce its Reserved Rights under the Bond Documents and exercise the permitted remedies with respect thereto against the Borrower, subject to the provisions of subparagraph (c) below.

(b) If there shall have occurred and be then continuing an event of default under the Regulatory Agreement which would, in the reasonable judgment of the City or the Trustee, jeopardize the exclusion from gross income of interest on the Tax-Exempt Bonds (a "Regulatory Agreement Default") and such Regulatory Agreement Default remains uncured or unwaived for a period of sixty (60) days after the Borrower, the Controlling Person and the Majority Owner receive written notice from the Trustee or the City stating that a Regulatory Agreement Default has occurred and specifying the nature of such default, then, if authorized by any of the Bond Documents, the City and the Trustee may, without the consent of the Controlling Person or the Majority Owner, exercise the remedy of pursuing specific performance of the Bond Documents on account of such default, unless:

(i) The City and the Trustee, prior to the end of such sixty (60) day period, are provided with an opinion of Bond Counsel to the effect that the failure to cure such default will not have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds (which opinion may be requested and obtained by the Controlling Person or the Majority Owner);

(ii) The Controlling Person, the Majority Owner or the Borrower institutes action to cure such Regulatory Agreement Default within such sixty (60) day period and diligently pursues such action thereafter until such Regulatory Agreement Default is cured; or

(iii) If such Regulatory Agreement Default is not reasonably curable by the Controlling Person or the Majority Owner without the Trustee's first securing possession of the Project Facilities and/or operational control of the Borrower and the Controlling Person or the Majority Owner (subject to extension during any stay on account of the bankruptcy of the Borrower) (x) instructs the Trustee, subject to the terms of the Indenture, to institute, within such sixty (60) day period, proceedings or other action for the purposes of obtaining such possession or control pursuant to the Bond Documents; (y) thereafter instructs the Trustee, pursuant to the terms of the Indenture, to pursue diligently such proceedings until such possession or control is obtained; and (z) diligently pursues action to cure such default after the Trustee or other designee of the Controlling Person or the Majority Owner obtains possession or control of the Project Facilities, until such default is cured; provided, however, that any extension of the period within which a Regulatory Agreement Default must be cured shall only be effective if and to the extent that, in the opinion of Bond Counsel provided to the Trustee, such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds; and provided further, that the Trustee, upon five (5) Business Days' prior written notice to the Controlling Person and the Majority Owner following any such Regulatory Agreement Default, may reduce the 60-day period provided above to such shorter period of time as is specified in such notice (but in no event less than fifteen (15) Business Days), but only if the Trustee, the Controlling Person and the Majority Owner shall have been provided with an opinion of Bond Counsel to the effect that such reduction of such period is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Bonds.

(c) In the event of a default in respect of Reserved Rights or a Regulatory Agreement Default which remains uncured after written notice thereof to the Borrower, the Controlling Person and the Majority Owner, nothing in this Section 7.9 shall restrict or in any way limit the right of the City or the Trustee to take any action for specific performance available under the Regulatory Agreement or at law or in equity in order to enforce the terms of the Regulatory Agreement or to enforce Reserved Rights hereunder, so long as neither the City nor the Trustee takes any action (i) to declare the outstanding balance of the Bonds or the Loan to be due on account of such default, (ii) to have a receiver appointed in respect of the Project Facilities, (iii) to foreclose any liens upon or security interests or to enforce any other similar remedy against any of the property described in the Mortgage, or (iv) to enforce any other similar remedy which would cause such liens or security interests to be discharged or materially impaired thereby.

ARTICLE 8 DEPOSITS TO FUNDS

The Borrower shall also pay to the Trustee for deposit in the Redemption Fund all other amounts required to redeem Bonds pursuant to Section 3.4 of the Indenture, as provided therein.

Section 8.5 Deposits to Operating Reserve Fund. The Borrower, upon achievement of Stabilization, shall pay or cause to be paid to the Trustee, to be deposited in the Operating Reserve Fund, the sum of \$[1,573,604] pursuant to Section 4.1 of the Indenture. [Following any disbursement, payment or transfer of moneys from the Operating Reserve Fund, the Borrower shall replenish the Operating Reserve Fund monthly, from and to the extent of revenue from the operation of the Project Facilities available after payment of Expenses, capital expenditures and amounts then due and owing under the Bond Documents, and prior to the payment of any distributions to the Borrower's partners, until such time as the balance on deposit in the Operating Reserve Fund equals \$[].]

Section 8.6 Investment. Funds in the Accounts shall be invested in Permitted Investments upon the direction of the Borrower with the consent of the Controlling Person, as set forth in Section 4.7 of the Indenture. Earnings on the Accounts hereunder shall be held or disbursed as set forth in Article IV of the Indenture. The Trustee shall have the right to invest or withdraw any deposited funds or to direct the liquidation of any investments held in order to pay the amounts required under this Agreement and the other Bond Documents. The Trustee shall not be liable for any loss sustained as a result of any liquidation of any collateral prior to its maturity. Any income or gain realized on such investments shall be credited to and become part of the respective Account and reinvested and applied as provided in the Indenture. Provided that no Default or Event of Default exists, the Borrower from time to time may request the Controlling Person to consent to the disbursement to or upon the order of the Borrower of the investment income previously credited to the Accounts, which consent by the Controlling Person shall not be unreasonably withheld or delayed.

Section 8.7 Security Interest in Accounts. The Borrower hereby assigns and pledges to the City, and grants the City a security interest in, as additional collateral security for the Borrower's obligations to the City hereunder (and the Borrower acknowledges and agrees that the City shall have a continuing security interest in) all of the Borrower's right, title and interest, if any, in all Accounts, all cash, cash equivalents, instruments, investments and other securities at any time held in the Accounts, all proceeds of the foregoing, and all of the Borrower's rights associated with such Accounts, if any. The City hereby directs the Trustee to hold all moneys in the Accounts from time to time as assignee of the City.

Section 8.8 Reports. The Trustee shall provide to the Borrower detailed monthly reports on or before the fifth (5th) day of the month following the month to which such report relates showing receipts, disbursements, balances and investments of each Account. Within ten (10) days of a written request of the Borrower to such effect, the Trustee shall deliver to the Borrower an accounting of receipts, disbursements and balances in one or more of the Accounts as necessary and appropriate to assist the Borrower in complying with its covenants to calculate and pay any rebate amount or yield reduction payments due and owing to the United States of America with respect to the Bonds.

Section 8.9 No Liability of Trustee. In performing any of its duties hereunder, the Trustee shall not incur any liability to anyone for any damages, losses or expenses, except for its gross negligence, bad faith or willful misconduct; and the Trustee shall not incur any liability with respect to any action taken or omitted in good faith in the performance of its duties and responsibilities under this Agreement.

ARTICLE 9 CONSTRUCTION AND FUNDING OF ADVANCES

Section 9.1 Construction of Project Facilities; Completion and Stabilization. The Borrower shall commence performance of the Work in respect of the Improvements no later than thirty (30) days' following the Issue Date, and shall achieve Completion of such Work in accordance with the Plans and Specifications on or before the Completion Date and Stabilization on or before the Stabilization Date. At the request of the Borrower and with the prior written approval of the Controlling Person, the Completion Date may be extended one or more times for such periods as the Controlling Person may approve in its sole discretion and upon delivery of such other information and funds as the Controlling Person may require in its sole discretion and the Stabilization Date may be extended as provided in Section 6.37 herein.

Section 9.2 Making The Advances.

(a) At such time as the Borrower desires to obtain an advance from the Project Fund, an Authorized Person shall complete, execute and deliver a Requisition to the Controlling Person for its approval; no Requisition shall be delivered to the Trustee until it has been approved by the Controlling Person, and each advance by the Trustee of the amounts in the Project Fund shall be subject to the prior approval of the Requisition by the Controlling Person. The Controlling Person shall endeavor to approve or object to any Requisition within ten (10) Business Days of its submission and the submission of all additional information required in connection with such Requisition and shall endeavor to provide specific information concerning the nature of any objection it may have.

(b) Each Requisition shall be submitted to the Controlling Person at least fifteen (15) Business Days prior to the date of the requested Advance, and no more frequently than once each month (excluding the month in which the initial advance is requested). The Borrower shall open and maintain a checking account with a financial institution reasonably satisfactory to the Controlling Person. Except as otherwise provided for herein, the Controlling Person shall direct the Trustee to deposit the proceeds of each Requisition into such account.

Section 9.3 Advances to Contractors; to Others. At its option during the existence of any Event of Default or Default, the Controlling Person may direct the Trustee to make any or all advances: (a) for costs incurred under any construction contract directly to a contractor, subcontractor or vendor, (b) through the Title Company, or (c) to any Person to whom the Controlling Person in good faith determines payment is due.

Section 9.4 Requisition. Each Requisition shall be in the form set forth on Exhibit B hereto, shall be signed on behalf of the Borrower by an Authorized Person, shall be subject to approval by the

Controlling Person prior to payment and shall state with respect to each disbursement to be made: (a) the number of the Requisition; (b) the amount to be disbursed; (c) that each obligation therein for which such disbursement is being requested has been properly incurred and has not been the basis for any previous disbursement; and (d) that the expenditure of such disbursement, when added to all previous disbursements, will result in not less than ninety-five percent (95%) of all disbursements having been used to pay or reimburse the Borrower for Qualified Project Costs.

Section 9.5 Project Costs. The Development Budget reflects the purposes and the amounts for which funds to be advanced by the Trustee from the Project Fund are to be used. Subject to Section 9.7 hereof, the Controlling Person shall not be required to approve any Requisition requiring disbursement of funds from the Project Fund for any item of Work in an amount exceeding the amount specified for any item in the Development Budget. Subject to Section 9.7 hereof, in no event shall the Controlling Person approve any Advance in an amount exceeding (a) the total cost (as determined by the Controlling Person) of the labor, materials, fixtures, machinery and equipment completed, approved and incorporated into the Project Facilities prior to the date of such Requisition, less (b) Retainage (if required) less (c) the total amount of any advances previously made by the Trustee from the Project Fund for such costs.

Section 9.6 Retainage. The Controlling Person shall approve disbursement of Retainage upon completion of the Work or category of Work by the contractor or subcontractor under the contract for which the Retainage was held. No advance of funds from the Project Fund shall be approved unless all Work done at the date the Requisition for such advance is submitted is done in a good and workmanlike manner and without defects, as confirmed by the report of the Engineering Consultant.

Section 9.7 Contingency Reserve. The amount allocated to “contingency” in the Development Budget is not intended to be disbursed without, and will only be disbursed upon, the prior approval of the Controlling Person. The disbursement of a portion of the contingency reserve shall in no way prejudice the Controlling Person from directing the Trustee to withhold disbursement of any further portion of the contingency reserve.

Section 9.8 Stored Materials; Removal of Materials.

(a) The Controlling Person shall approve Requisitions for funds for materials, furnishings, fixtures, machinery or equipment not yet incorporated into the Improvements, provided that any such disbursement shall be subject to and shall be contingent upon the Controlling Person’s receiving satisfactory evidence that:

(1) such materials are components in a form ready for incorporation into the Improvements and shall be so incorporated within a period of thirty (30) days; and

(2) such materials are stored at the Project Facilities, or at such other site as the Controlling Person shall approve, and are insured and protected against theft and damage.

(b) Within five (5) days after receiving notice from the Controlling Person (or the Engineering Consultant), the Borrower will commence or cause to be commenced the removal of all materials, whether worked or unworked, and all portions of the construction which the Controlling Person (or the Engineering Consultant) may condemn as failing in a substantial way to conform with the Plans and Specifications, and will prosecute diligently or cause to be prosecuted diligently such removal. The Borrower further agrees to make good all portions of the construction and other materials damaged by such removal.

Section 9.9 Cost Overruns and Savings.

(a) If the Borrower becomes aware of any change in the costs of the Work which will increase or decrease the projection of the costs reflected on the Development Budget by \$[250,000] or more, the Borrower shall immediately notify the Controlling Person in writing and promptly submit to the Controlling Person for its approval a revised Development Budget. If the Controlling Person otherwise becomes aware of any such change in costs of the Work, the Controlling Person shall have the right to prepare and to authorize disbursements on the basis of a revised Development Budget.

(b) If the revised Development Budget indicates an increase in costs of the Work for the Project Facilities (in excess of the aggregate contingency amount and savings), no further Requisitions for the Work at the Project Facilities need be approved by the Controlling Person unless and until the Borrower has deposited with the Trustee any required funds necessary to cause the amount remaining on deposit in the Project Fund and any Required Equity Funds yet to be deposited with the Trustee to be sufficient to complete fully the construction of the Improvements in accordance with the Plans and Specifications to the extent applicable, and to pay all other Projected costs in connection with the Work.

(c) If the revised schedule indicates a decrease in costs of the Work for the Project Facilities, no savings may be reallocated by the Borrower unless and until the Borrower has furnished the Controlling Person and the Engineering Consultant with evidence satisfactory to them that the labor performed and materials supplied in connection with such line item of costs have been satisfactorily completed and paid for in full. At such time, such savings may be reallocated by the Borrower, with the consent of the Controlling Person, to other line items.

(d) The City does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Project Costs will be sufficient to pay all of the Project Costs, nor does the City have any obligation to provide additional funds to pay any Project Costs from any source whatsoever, other than from proceeds of the Bonds and any Subordinate Debt of which it is the applicable Subordinate Lender but in each case subject to the provisions of the Indenture, this Agreement and the applicable Subordinate Debt Documents. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the Project Costs as required herein, the Borrower shall not be entitled to any reimbursement therefor from the City, nor shall the Borrower be entitled to any diminution of the amounts payable under this Agreement or under the Note.

Section 9.10 Right to Retain the Engineering Consultant.

(a) The Trustee shall have the right to retain, at the direction of the Controlling Person and at the Borrower's cost and expense, the Engineering Consultant to perform various services on behalf of the Controlling Person, including, without limitation, to make periodic inspections for the purpose of assuring that construction of the Improvements to date is in accordance with the Plans and Specifications, to advise the Controlling Person of the anticipated cost of and time for completion of construction of the Improvements and to review all construction contracts and subcontracts.

(b) The fees of the Engineering Consultant during the performance of the construction shall be paid by the Borrower in accordance with Section 2.2(b) hereof.

(c) Neither the City, the Controlling Person, Majority Owner nor the Engineering Consultant shall have any liability to the Borrower on account of (i) the services performed by the Engineering Consultant, (ii) any neglect or failure on the part of the Engineering Consultant to properly perform its services, or (iii) any approval by the Engineering Consultant of construction of the Improvements. Neither the City, the Controlling Person nor the Engineering Consultant assumes any

obligation to the Borrower, the General Partner or any other Person concerning the quality of the Work performed or the absence of defects from the Improvements.

Section 9.11 Inspections. The Borrower agrees to provide and cause to be provided to the Controlling Person and its authorized agents, at all times, facilities commonly made available by responsible general contractors for the inspection of the Improvements, and to afford full and free access to the Controlling Person and its authorized agents to all plans, drawings and records with respect to the construction of the Improvements. The Borrower further agrees to promptly send to the Controlling Person a copy of all construction inspection reports made by the Borrower's Architect or engineer.

Section 9.12 Initial Advances. The right of the Borrower to draw the initial Advance on the Issue Date shall be subject to the satisfaction of the conditions precedent listed on Part A of Schedule 6 attached hereto.

Section 9.13 Subsequent Advances. The right of the Borrower to draw any subsequent advances of funds from the Project Fund shall be subject to the satisfaction of the conditions listed on Part B of Schedule 6 attached hereto. The anticipated schedule of advances is set forth in Schedule 13, subject to change upon agreement of the Controlling Party and the Borrower.

Section 9.14 Construction Information and Verification. From time to time, within ten (10) days after the written request of Controlling Person, Borrower shall deliver to Controlling Person any and all of the following information and documents, to the extent applicable to the construction or renovation of the Project Facilities, that Controlling Person may request, all in forms acceptable to Controlling Person, as applicable:

(a) Current Plans and Specifications for the Improvements certified by the Architect as being complete and accurate, and a line item cost breakdown for the proposed construction and/or rehabilitation of the Improvements;

(b) A current, complete and correct list showing the name, address, telephone number and license information of each contractor, subcontractor and material supplier engaged in connection with the construction and/or rehabilitation of the Improvements, and the total dollar amount of each contract and subcontract (including any changes) and the scope of work involved, together with the amounts paid through the date of the list and all other information reasonably requested by Controlling Person;

(c) True and correct copies of the most current versions of all executed contracts and subcontracts with each party identified in the list described in clause (b) above, including any changes;

(d) True and correct copies of all grading, foundation, building and all other construction permits, licenses and authorizations from all applicable Governmental Authorities or third parties necessary for the construction and/or rehabilitation of the Improvements and the operation of, and access to, the Project;

(e) Copies of (i) owner/architect/contractor project meeting minutes; (ii) requests for information (RFI), submittal logs, proposed change orders (PCO), and change order logs; (iii) independent test results, (iv) quality inspection reports; and (v) anticipated cost reports, buy-out logs and Major Contracts;

(f) A construction schedule showing the progress of construction or rehabilitation, as the case may be, and the projected sequencing and completion times for uncompleted Work, all as of the date of the schedule; and

(g) Any update to any item described above which Borrower may have previously delivered to Controlling Person.

(h) Borrower expressly authorizes Controlling Person to contact Architect, Contractor or any contractor, subcontractor, material supplier, surety or any Governmental Authority to verify any information disclosed in accordance with this Section 9.14. Controlling Person shall give notice to Borrower of any such contacts, provided that neither Controlling Person nor Trustee shall incur any liability to Borrower by reason of the failure to give such notice, and Borrower's obligations under the Borrower Loan Documents shall not be affected in any manner by any failure to give such notice. The Construction Contract shall require the Contractor to disclose such information to Trustee and Controlling Person. Any defaulting architect, contractor, subcontractor, material supplier or surety shall be promptly replaced, and Borrower shall promptly deliver all required information and documents to Controlling Person and Trustee regarding each replacement architect, contractor, subcontractor, material supplier and surety. Controlling Person may disapprove any architect, contractor, subcontractor, material supplier, surety or other party whom Controlling Person in its reasonable judgment may deem financially or otherwise unqualified, however, the absence of any such disapproval shall not constitute a representation of qualification.

Section 9.15 Effect of Approval. Approval of any Requisition by the Controlling Person shall not constitute an approval or acceptance of the Work or materials, nor shall such approval give rise to any liability or responsibility relating to: (i) the quality of the work, the quantity of the work, the rate of progress in completion of the Work, or the sufficiency of materials or labor being supplied in connection therewith; and (ii) any errors, omissions, inconsistencies or other defects of any nature in the Plans and Specifications. Any inspection of the work that the Controlling Person may choose to make, whether through any consulting engineer or architect, agent or employee or officer, during the progress of the work shall be solely for the Controlling Person's information and under no circumstances will they be deemed to have been made for the purpose of supervising or superintending the Work, or for the information or protection of any right or interest of any person or entity other than the Controlling Person and the Majority Owner.

Section 10.2 Successors and Assigns; Third Party Beneficiaries. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns, including, without limitation, the Trustee. The Controlling Person and the Majority Owner are express third party beneficiaries of this Agreement and the rights of the Trustee (as assignee of the City) hereunder, with full rights of enforcement thereof. The Borrower may not assign its interests in or its rights, duties or obligations under this Agreement without the prior written consent of the Controlling Person. The Borrower and the City intend that no person other than the parties hereto, the Majority Owner, the Controlling Person, and their respective successors and assigns as permitted hereunder, shall have any claim or interest under this Agreement or right of action hereon or hereunder.

Section 10.3 Survival of Covenants. All covenants made by the Borrower herein and in any document delivered pursuant hereto shall survive the issuance, sale and delivery of the Bonds, the delivery of this Agreement and the payment of any amounts under the Bond Documents.

Section 10.4 Counterparts; Electronic Signature. The execution hereof by each party hereto shall constitute a contract between them for the uses and purposes herein set forth, and this Agreement may be executed in any number of counterparts, with each executed counterpart constituting an original and all counterparts together constituting one agreement. To the fullest extent permitted by applicable law, facsimile or electronically transmitted signatures shall be treated as original signatures for all purposes hereunder.

Section 10.5 Costs, Expenses and Taxes. The Borrower agrees to pay on the Issue Date and thereafter within thirty (30) days after demand, all reasonable costs and expenses of the City, the Trustee, the Controlling Person and the Majority Owner in connection with the preparation, execution, delivery and administration of this Agreement, the other Bond Documents and any other documents that may be delivered in connection with this Agreement or the other Bond Documents or any amendments or

supplements thereto, including, without limitation, the fees and expenses of counsel, advisors and other consultants to the City and the Trustee, the fees and expenses of the Engineering Consultant, the cost of an annual appraisal (but only upon the occurrence and during the continuation of an Event of Default) of the Project Facilities by an appraiser selected by the Controlling Person, and the reasonable fees and expenses of counsel for the Majority Owner and the Controlling Person with respect thereto and with respect to advising the Majority Owner and the Controlling Person as to their respective rights and responsibilities under this Agreement, the other Bond Documents and such other documents, and all costs and expenses, if any, (including, without limitation, reasonable counsel fees and expenses of the Controlling Person and the Majority Owner) in connection with the enforcement of this Agreement, the other Bond Documents and such other documents. This Section 10.6 is not intended to limit the Borrower's obligations under Section 7 or Section 17 of the Regulatory Agreement.

Section 10.6 Severability; Interest Limitation. If any provision hereof is found by a court of competent jurisdiction to be prohibited or unenforceable in any jurisdiction, it shall be ineffective as to such jurisdiction only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability shall not invalidate the balance of such provision as to such jurisdiction to the extent it is not prohibited or unenforceable, nor invalidate such provision in any other jurisdiction, nor invalidate the other provisions hereof, all of which shall be liberally construed in favor of the City in order to effect the provisions of this Agreement. Notwithstanding anything to the contrary herein contained, the total liability of the Borrower for payment of interest pursuant hereto shall not exceed the maximum amount, if any, of such interest permitted by applicable Legal Requirements to be contracted for, charged or received, and if any payments by the Borrower to the Trustee include interest in excess of such a maximum amount, the Trustee shall apply such excess to the reduction of the unpaid principal amount due pursuant hereto, or if none is due, such excess shall be refunded to the Borrower; provided that, to the extent permitted by applicable Legal Requirements, in the event the interest is not collected, is applied to principal or is refunded pursuant to this sentence and interest thereafter payable pursuant hereto shall be less than such maximum amount, then such interest thereafter so payable shall be increased up to such maximum amount to the extent necessary to recover the amount of interest, if any, theretofore uncollected, applied to principal or refunded pursuant to this sentence. Any such application or refund shall not cure or waive any Event of Default. In determining whether or not any interest payable under this Agreement exceeds the highest rate permitted by applicable Legal Requirements, any non-principal payment (except payments specifically stated in this Agreement to be "interest") shall be deemed, to the extent permitted by applicable Legal Requirements, to be an expense, fee, premium or penalty rather than interest.

Section 10.7 Conflicts. Insofar as possible the provisions of this Agreement shall be deemed complementary to the terms of the other Bond Documents, but in the event of conflict the terms hereof shall control to the extent such are enforceable under applicable Legal Requirements.

Section 10.8 Complete Agreement. Taken together with the other Bond Documents and the other instruments and documents delivered in compliance herewith, this Agreement is a complete memorandum of the agreement of the Borrower, the General Partner, the Guarantor, the Controlling Person, the Trustee, the City and the Holders from time to time of the Bonds, with respect to the subject matter hereof.

Section 10.9 Consent to Jurisdiction; Venue; Waiver of Jury Trial. The parties hereby irrevocably (i) agree that any suit, action or other legal proceeding relating to the Bond Documents shall be brought solely in a federal or state court located in the City and (ii) waive any objection which it may have to the laying of venue of any such suit, action or proceeding in any such court and any claim that any such suit, action or proceeding has been brought in an inconvenient forum. The parties hereby irrevocably consent to the service of any and all process in any such suit, action or proceeding by mailing of copies of such process to such party at its address (including without limitation the addresses of such party's counsel)

provided under or pursuant to Section 10.1 hereof. The parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable legal requirements. All mailings under this Section shall be by certified or registered mail, return receipt requested. Nothing in this Section shall affect the right of the Controlling Person and the Majority Owner to serve legal process in any other manner permitted by applicable Legal Requirements.

Section 10.10 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Legal Requirements of the State without reference to its principles of conflicts of law.

Section 10.11 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.12 Sale of Bonds and Secondary Market Transaction.

(a) At the Controlling Person or Majority Owner's request (to the extent not already required to be provided by the Borrower under this Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Controlling Person or Majority Owner customarily adheres or which may be reasonably required in the marketplace or by the Controlling Person or Majority Owner in connection with obtaining a rating or one or more sales or assignments of all or a portion of the Bonds or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Bonds (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the City shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs including, without limitation, any costs associated with receiving a rating on the Bonds, shall be paid by the Controlling Person or Majority Owner, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Loan is still outstanding:

(i) (1) provide financial and other information with respect to the Bonds, and with respect to the Project Facilities, the Borrower, the General Partner, the Managing Agent, or the contractor of the Project Facilities, (2) provide financial statements, audited, if available, relating to the Project Facilities with customary disclaimers for any forward looking statements or lack of audit, and (3) at the expense of the Controlling Person or Majority Owner, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports, termite and other insect infestation reports and other due diligence investigations of the Project Facilities, the Borrower, General Partner, Guarantor, Managing Agent, Contractor and other third parties in connection with the Bonds, as may be reasonably requested from time to time by the Controlling Person or Majority Owner or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Controlling Person or Majority Owner pursuant to this paragraph (i) and the other information provided pursuant to this Agreement and the other Bond Documents used in connection with a Secondary Market Transaction being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Controlling Person or Majority Owner and the Rating Agencies;

(ii) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project Facilities, the Borrower, General Partner, Guarantor, Managing Agent, Contractor or other third parties and the Bond Documents reasonably acceptable to the Controlling Person or Majority Owner, consistent with the facts covered by such representations and warranties as they exist on the date thereof, including a “bringdown” of the representations and warranties contained in the Bond Documents as of the date thereof and a representation that no default or event of default has occurred and is continuing; and

(iii) execute such amendments to the Bond Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Bond Documents and is not otherwise adverse to such party in its reasonable discretion.

(b) The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “Secondary Market Disclosure Document”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 10.12(c) hereof, with the Controlling Person and Majority Owner in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project Facilities necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

(c) In connection with a Secondary Market Disclosure Document, the Borrower, General Partner or Guarantor shall provide, or in the case of a Borrower-engaged third party such as the Managing Agent, cause it to provide, information reasonably requested by the Controlling Person or the Majority Owner pertaining to the Borrower, General Partner or Guarantor, the Project Facilities or such third party (and portions of any other sections reasonably requested by the Controlling Person or the Majority Owner pertaining to the Borrower, General Partner or Guarantor, the Project Facilities or the third party). The Borrower shall, if requested by the Controlling Person or the Majority Owner, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, General Partner or Guarantor, the Project Facilities or the third party, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project Facilities or the third party) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such third parties; provided further that the Borrower will be required to cause such third parties to provide similar certification with respect to any information not so certified by the Borrower. Furthermore, the Borrower hereby indemnifies the Majority Owner, the Controlling Person, the Trustee, the City and issuer, sponsor, guarantor and the underwriter group for any securities, and their affiliates, officers, directors, partners, members, agents, attorneys and controlling persons (the “Underwriter Group”) for any liabilities to which any such parties may become subject to the extent such liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

(d) In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) defend and indemnify the Controlling Person, the Majority Owner, the Trustee, the City, its members, and the Underwriter Group for any liabilities to which the Majority Owner, the Controlling Person, the City, the Trustee or the Underwriter Group may become subject insofar as such liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading, and (ii) reimburse the Controlling Person, the Majority Owner, the Trustee, the Underwriter Group, the City and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Controlling Person, the Majority Owner, the Trustee, the City or the Underwriter Group in connection with defending or investigating the liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties, but shall require such third parties to provide such indemnification with respect to information they certify.

(e) Promptly after receipt by an indemnified party under this Section 10.12 of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion and shall, with respect to the City, assume such defense upon request of the City, with counsel selected by the City Attorney of the City in his sole discretion. After notice from the Borrower to such indemnified party under this Section 10.12 and provided that the Borrower duly provides the defense and indemnity herein described, including payment of all required fees, expenses and liabilities, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party (other than the City) in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

(f) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in this Section 10.12 is for any reason held to be unenforceable by an indemnified party in respect of any liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Section 10.12, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(g) Notwithstanding any contrary provision of this Section, the City is under no obligation whatsoever to take any action to facilitate or consent to a Secondary Market Transaction.

Section 10.13 Nonrecourse.

(a) Notwithstanding anything to the contrary contained in this Agreement (other than Sections 10.13(b) through (e) hereof) or the other Bond Documents, the City agrees that, in connection with the exercise of any rights or remedies available to the City under this Agreement or any of the other Bond Documents (other than the Environmental Indemnity and the other guaranty agreements of the Guarantors), the City shall look solely to the enforcement of the lien and security interests created by this Agreement and the other Bond Documents and to the collateral and other security held by the Trustee.

(b) Notwithstanding the preceding subsection, the Borrower and the Guarantor shall have full recourse and personal liability for, and be subject to, judgments and deficiency decrees arising from and to the extent of any loss or damage suffered or incurred by the City, the Trustee, the Majority Owner, the Controlling Person or the Bondholders as a result of the occurrence of any of the following events:

(i) the Borrower fails to pay to the Trustee upon demand after an Event of Default all Rents to which the Trustee is entitled under Section 2 of the Mortgage and the amount of all security deposits collected by Borrower from tenants then in residence. However, Borrower will not be personally liable for any failure described in this Section 10.13(b)(i) if Borrower is unable to pay to the Trustee all Rents and security deposits as required by the Mortgage because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding;

(ii) the Borrower fails to apply all insurance proceeds or casualty or condemnation proceeds as required by the Bond Documents. However, Borrower will not be personally liable for any failure described in this Section 10.13(b)(ii) if Borrower is unable to apply insurance or casualty or condemnation proceeds as required by the Bond Documents because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding;

(iii) if an Event of Default has occurred and is continuing, the Borrower fails to deliver all books and records relating to the Mortgaged Property or its operation in accordance with the provisions of Section 6.8 or 6.9 of this Agreement;

(iv) the Borrower engages in any willful act of material waste of the Project Facilities;

(v) the Borrower or the General Partner fails to comply with any provision of Section 6.11(b) hereof;

(vi) the occurrence of any of the following transfers:

(A) any Person that is not an Affiliate creates a mechanic's lien or other involuntary lien or encumbrance against the Project Facilities and Borrower has not complied with the provisions of this Agreement.

(B) a transfer of property by devise, descent or operation of law occurs upon the death of a natural person in violation of the requirements set forth in the Bond Documents.

(C) the Borrower grants an easement that does not meet the requirements set forth in the Bond Documents.

(D) Borrower executes a Lease that does not meet the requirements set forth in the Bond Documents;

(vii) any act of fraud or willful misconduct or any criminal act of the Borrower, the General Partner or the Guarantor;

(viii) the Borrower's misappropriation of funds or other Collateral; or

(ix) any litigation or other legal proceeding related to the Obligations filed by any of the Borrower, Guarantor, or any of their Affiliates, or any other action of any such Person that delays, opposes, impedes, binders, enjoins or otherwise interferes with or frustrates the efforts of Trustee to exercise any rights and remedies available to Trustee provided herein or in the other Bond Documents.

(c) The Borrower and the Guarantor shall have full recourse and personal liability for all of the Indebtedness (and the limitation on liability in the first sentence of Section 10.13(a) hereof shall be null and void) as a result of the occurrence of any of the following:

(i) a violation of Section 6.11(a), 6.12(b) or 6.13(c) hereof;

(ii) the Borrower's taking any action which adversely affects the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes, or the Borrower's omitting or failing to take any action required to maintain the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes;

(iii) the Borrower or the General Partner fails to comply with any provision of Section 6.11(b) hereof and a court of competent jurisdiction holds or determines that such failure or combination of failures is the basis, in whole or in part, for the substantive consolidation of the assets and liabilities of the Borrower or the General Partner with the assets and liabilities of a debtor pursuant to Title 11 of the Bankruptcy Code;

(iv) a transfer that is an Event of Default under Section 7.1 hereof occurs (other than a transfer described in Section 10.13(b)(vi) above, for which Borrower will have personal liability for any loss or damage); provided, however, that Borrower will not have any personal liability for a transfer consisting solely of the involuntary removal or involuntary withdrawal of the General Partner;

(v) there was fraud or written material misrepresentation by the Borrower or any officer, director, partner, member or employee of the Borrower in connection with the application for or creation of the Indebtedness or there is fraud in connection with any request for any action or consent by the City, Trustee, Controlling Person or the Bondholders;

(vi) the Borrower or the General Partner voluntarily files for bankruptcy protection under the Bankruptcy Code;

(vii) the Borrower or the General Partner voluntarily becomes subject to any reorganization, receivership, insolvency proceeding, or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(viii) the Project Facilities or any part of the Project Facilities becomes an asset in a voluntary bankruptcy or becomes subject to any voluntary reorganization, receivership, insolvency proceeding, or other similar voluntary proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(ix) an order of relief is entered against the Borrower or the General Partner pursuant to the Bankruptcy Code or other federal or state law affecting debtor and creditor rights in any involuntary bankruptcy proceeding initiated or joined in by a Related Party; or

(x) an involuntary bankruptcy or other involuntary insolvency proceeding is commenced against the Borrower or the General Partner (by a party other than the Trustee or the owner of any Bonds) but only if the Borrower or the General Partner, as applicable, has failed to use commercially reasonable efforts to dismiss such proceeding or has consented to such proceeding. "Commercially reasonable efforts" will not require any direct or indirect interest holders in the Borrower or the General Partner to contribute or cause the contribution of additional capital to the Borrower or the General Partner.

(d) The Borrower and the Guarantor shall have full recourse and personal liability for all of the following:

(i) the performance of and compliance with all of Borrower's obligations under Sections 5.12 and 6.14 of this Agreement (relating to environmental matters) or the Borrower's failure to comply with the provisions of the Environmental Indemnity;

(ii) the costs of any audit under Section 6.8 of this Agreement;

(iii) any costs and expenses incurred by the City, Trustee, the Controlling Person and the Majority Owner in connection with the collection of any amount for which Borrower is personally liable under this Section 10.13, including attorneys' fees and costs and the costs of conducting any independent audit of Borrower's books and records to determine the amount for which Borrower has personal liability; and

(iv) Borrower's indemnity obligations pursuant to Section 2.5 and 10.12.

(e) Further, nothing contained in this Section shall be deemed to limit, vary, modify or amend any obligation owed under any guaranty, master lease or indemnification agreement, including the Environmental Indemnity and the other guaranty agreements of the Guarantors, furnished in connection with financing of the acquisition, construction and equipping of the Project Facilities, recourse under which is not, by its terms, expressly limited in accordance with this Section 10.13.

(f) Notwithstanding anything to the contrary, the City, the Trustee, the Controlling Person and the Holders shall not be deemed to have waived any right such Persons may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Borrower's and the Guarantor's Obligations under the Bond Documents or to require that all collateral shall continue to secure all Obligations under the Bond Documents.

Section 10.14 Publicity. The Borrower hereby authorizes the Controlling Person or the Majority Owner and their respective affiliates, without further notice or consent, to use the Borrower's and its affiliates' name(s), logo(s) and photographs related to the Project Facilities in its advertising, marketing and communications materials on a national and/or international basis. Such materials may include web pages, print ads, direct mail and various types of brochures or marketing sheets, and various media formats other than those listed (including without limitation video or audio presentations through any media form). In these materials, the Controlling Person or the Majority Owner also may discuss at a high level the types of services and solutions the Controlling Person or the Majority Owner has provided the Borrower. This authorization shall remain in effect unless the Borrower notifies the Controlling Person in writing in accordance with the notice provisions set forth herein that such authorization is revoked. The Controlling Person or the Majority Owner shall also have the right to publicize its involvement in the financing of the Project Facilities, including the right to maintain a sign indicating such involvement at a location at the Project Facilities reasonably acceptable to the Borrower and Controlling Person.

Section 10.15 Determinations by the City, the Majority Owner and Controlling Person. Subject to specific provisions in this Agreement to the contrary, in any instance under this Agreement where the consent or approval of the City, the Controlling Person or the Majority Owner may be given or is required, or where any determination, judgment or decision is to be rendered by the City, the Controlling Person or the Majority Owner under this Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the City, the Controlling Person or the Majority Owner (or its designated representative) at its sole and absolute discretion. The Trustee may, and shall at the written direction of the Holders of all Outstanding Bonds, by separate instrument delegate, assign, transfer and set over unto a successor trustee approved by the City and the Controlling Person any or all of the rights, remedies, duties and obligations of the Trustee under this Indenture and the other Bond Documents, in which event such successor trustee shall have each of the rights, remedies, duties and obligations delegated to it as if specifically named herein and in the other Bond Documents, as applicable, and shall be entitled to act in its own name, but if necessary in the name and stead of the Trustee, to enforce each of the remedies provided to the Trustee hereunder or under the other Bond Documents. Any certification, acknowledgment, consent, approval, direction, determination, judgment or decision to be rendered by the City under this Loan Agreement shall be made by an Authorized City Representative.

Section 10.16 Further Assurances. The Borrower will promptly and duly execute, acknowledge and deliver from time to time such further instruments and take such further actions as may be reasonably required by the City, the Trustee or the Controlling Person to carry out the purposes and provisions of this Agreement and to the other Bond Documents, to make elections or take actions (or, as requested, to refrain from making elections or taking actions) related to the audit procedures involving the Borrower and/or its partners set forth in the Bipartisan Budget Act of 2015 so that the Borrower's members, equity holders, shareholders and partners will be directly responsible for any audit adjustments, changes or modifications rather than the Borrower, to confirm the priority and/or perfection of any lien, pledge, assignment or security interest created or intended to be created by this Agreement and the other Bond Documents and to assure the Controlling Person and the Majority Owner of the subrogation and security rights in favor of the Trustee for the benefit of the Holders of the Bonds contemplated by this Agreement, by the other Bond Documents in connection with any of the foregoing and such approvals shall be in form satisfactory to the Controlling Person.

IN WITNESS WHEREOF, the City and the Borrower have caused this Agreement to be duly executed and delivered on the day and year first above written.
