

LEGISLATIVE DIGEST

[Administrative Code - Weights and Measures Fees]

Ordinance amending the Administrative Code to increase certain utility meter fees and authorize the Controller to annually adjust device fees for weights and measures and utility meters up to the maximum allowable under state law.

Existing Law

San Francisco Administrative Code Section 1.13-5 sets forth the amounts the amounts that the County Sealer may charge for the registration of various weighing and measuring devices used for commercial purposes, including specific device fees. State law authorizes counties to adopt such fees, and sets a maximum amount that may be charged. Cal. Bus. & Prof. Code Section 12240 et seq.

Amendments to Current Law

The proposed ordinance would increase the annual device fee for water submeters and vapor submeters, and would authorize the Controller to annually adjust select device fees for weights and measures and utility meters up to the maximum allowable under state law.
