Re: Grant agreement amendment with Children's Council for the provision of the Early Care Workforce Compensation and Administrative Services

Enclosed for the Board of Supervisors' consideration and approval is a resolution authorizing the second amendment to the grant agreement with the Children's Council of San Francisco to increase the agreement amount by \$70,545,604, for a total not to exceed \$234,891,608, and to continue services through June 30, 2027.

The purpose of this agreement is to support the City's implementation of the San Francisco citywide plan for Early Care and Education (ECE) Workforce Development and Compensation Initiatives. The funding provides workforce compensation, administrative infrastructure, and grant management necessary to stabilize and retain early educators serving San Francisco families.

Previously, the Board of Supervisors approved the original agreement because the amount exceeded \$10 million. Approval is required again pursuant to Charter Section 9.118 because the proposed amendment increases the contract amount by more than \$500,000.

Attached please find a copy of the proposed resolution. We respectfully request that this item be calendared at the earliest available meeting. Please notify Katherine Kwok ([katherine.kwok@sfgov.org](mailto:katherine.kwok@sfgov.org)) of the date of introduction and contact her with any questions or requests for additional information.

Thank you for your Consideration.

Sincerely,

Ingrid X. Mezquita  
Executive Director  
Department of Early Childhood
