Agenda

- I. Overview
- II. Governance & Audit
- III. Financial Policies, Rate Setting, and Controls
- IV. SFPUC Investment in Governance

Governance and Audits

SFPUC Audit Bureau

The SFPUC Audit Bureau is responsible for leading department oversight and governance activities.

- Disciplined approach to evaluating and improving governance, control, and risk management.
- Ensure adherence to CCSF and SFPUC policies and procedures, external regulations, adoption of best practices, and effective risk management strategies.
- Promote and support the protection of resources and assets entrusted to our care.
- Promote strong workplace ethics and ensure compliance with CCSF and SFPUC Statement of Incompatible Activities.

SFPUC's Excellent Stewardship

Transparency and Accountability

- Quarterly Audit and Performance Review Report is presented to the Commission each quarter.
- SFPUC partners closely with the Controller's City Service Auditor (CSA) to develop the CSA Annual Audit Plan focused on internal controls and good governance.
- Audit works closely with SFPUC Executive and Senior Staff to determine audit needs in development of SFPUC Annual Audit Plan.

Subject: FY 2022-23 Q3 Audit and Performance Review Report

This memorandum summarizes the San Francisco Public Utilities Commission (SFPUC) Quarterly Audit and Performance Review (QAPR) report for the third quarter of FY 2022-23 Q3, ending March 31st, 2023.

I. Completed Audits

There were eight completed audits during the third quarter of FY 2022-23:

1. Enterprise Risk Management: Cyber Risk Assessment | January 24, 2023

Report Summary: The SFPUC's Cyber ERM Assessment is an annual iterative review of risks, risk components, and treatments. It serves as a continuous monitoring, tracking, and identification of new and emerging risks. Due to the sensitive nature of cybersecurity, the contents of this report are confidential.

- 2.-4. FY 2021-22 Audited Financial Statements (3 Reports) | January 27, 2023

Report Link: <https://invurl.com/mi3yce4s>

Report Summary: Third-party auditor KPMG LLP issued clean, or unqualified opinions, of the financial statements of all three enterprises. It was the auditor's independent opinion that the financial statements are accurate and free from material misstatements, and additionally noted no internal control weaknesses.

5. SSIP CS-165 Program Management Contract Audit | February 16, 2023

Report Link: <https://invurl.com/3eibzuzb6>

Report Summary: Sjoberg Evashenk Consulting, Inc., was engaged by the Controller's Audit Division to conduct a performance audit of SFPUC's Program Management Consultant professional service contract for the Sewer System Improvement Program (Agreement Number CS-165) and evaluate whether

SFPUC's Oversight Bodies

SFPUC supports all financial and performance audits and assessments. We are proud of our timely responsiveness to close audit recommendations and reviews.

Governing and Oversight Entities include:

- Controller's Office
- Board of Supervisor's Budget & Legislative Analyst
- California Department of Finance
- California Department of Tax & Fee Administration
- Revenue Bond Oversight Committee
- SFPUC Business & Financial Services
- Other regulatory and oversight bodies

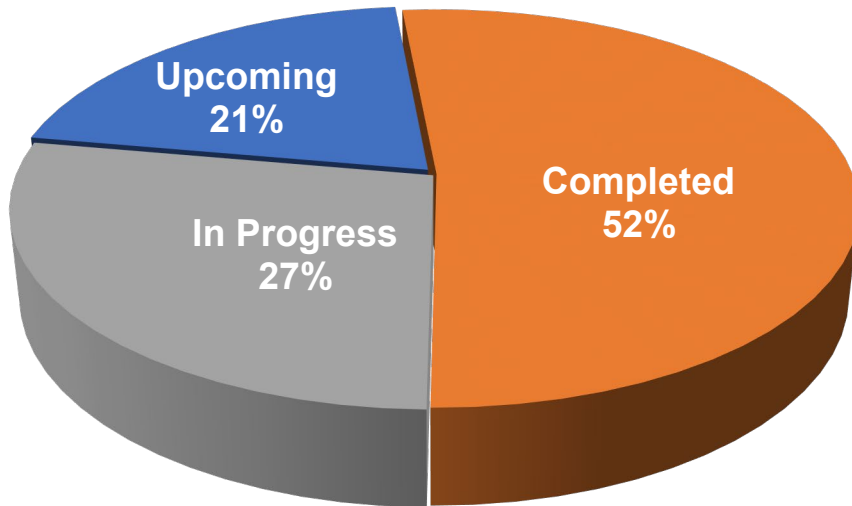

SFPUC: 75+ audits since 2020

Audits/Assessments by Enterprise, Bureau or Function

- **Water and Wastewater Enterprises** 6
- **Hetch Hetchy Water and Power** 8
- **Power Enterprise** 9
- **Infrastructure Bureau** 4
- **Contracting & Procurement** 7
- **Audited Annual Financial Statements** 17
- **Information Technology Services** 5

SFPUC FY 2023 Audit Updates

SFPUC actively tracks all audits and provides timely responses

Status	Count
Completed	15
In Progress	8
Upcoming	6
Total	29

SFPUC Implements All Audit Recommendations

- SFPUC demonstrates timely implementation of all audit recommendations and closes all audits.
- Target metric: Close within 6 months.

Year	Total Recommendations	% Complete
2019	6	100%
2020	N/A	N/A
2021	8	100%
2022	2	100%
2023	23	In process
Total:	39	

Financial Policies, Rate Setting, and Cost Controls

Ratepayer Assurance Policy

Revenue Sufficiency

The Commission will aim to establish rates sufficient to cover the full cost of all SFPUC activities.

Customer Equity

The Commission will establish rates based on cost of service in compliance with the San Francisco Charter and California Proposition 218.

Environmental Sustainability

The Commission will aim to establish rates in a manner that values environmental sustainability and preserves the natural resources entrusted to the SFPUC's care.

Ratepayer Assurance Policy

Affordability

The Commission will consider SFPUC service affordability for all its customers.

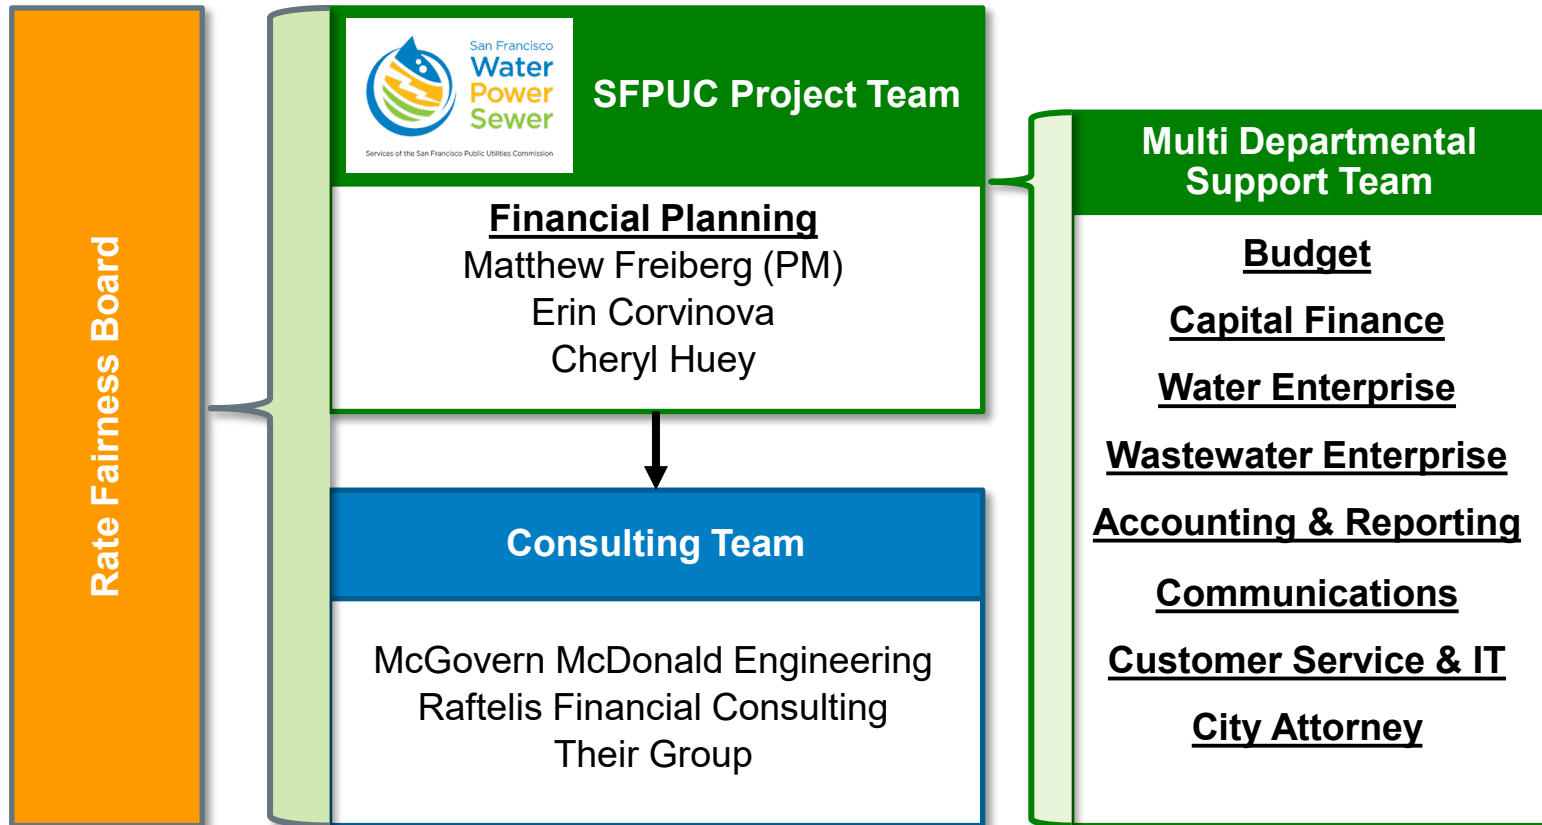

Predictability

The Commission will aim to establish rates designed to minimize bill fluctuations, enabling ratepayers to plan ahead for their personal finances.

Simplicity

The Commission will aim to establish rates that are easy for ratepayers to understand

Water and Sewer Rate Study Team

SFPUC Charter Requires Rates to be Reviewed by a 3rd Party Every 5 Years

What is a Rate Study: Basic Tasks

Revenue Requirement

- Calculate percent rate revenue adjustments
- Determined by current revenues and the costs to operate and maintain facilities plus capital expenses
- Scenario planning to balance capital investment scenarios and rate impact

Cost of Service Analysis

- Allocates revenue requirement to customer classes based on cost drivers
- Key step to achieving compliance with Prop. 218

Rate Design

- Develops specific rates and charges for customer classes

Cost of Service Overview

Expense Type

- Operating, Debt, and Capital Expenditures

Functionalization

- Costs are spread across various functions
- Supply, Pumping, Transmission, Treatment, Customer Service, etc.

Allocation

- Functionalized costs are allocated to Cost Components
- Base Demand, Peak Demand, Customer Service, Meters, etc.

Unit Cost of Demand

- Unit costs are calculated for each Cost Component
- Total cost assigned to each cost component is divided by the system wide factors for each component.

Distribution

- Costs are distributed to customer classes based on the demand units for each cost component

Example Water Quality Lab Salaries

Assigned to Water Quality Function

Allocated to Base Demand

Base Demand is divided by Potable Water Sales

Unit Cost is multiplied by Potable Water Sales from Each Class

Affordability of Water and Sewer Rates

Rate Affordability Policy

- Combined Water / Sewer Bills to remain below 2.5% of median household income (MHI)

Enhanced Customer Assistance Program

- 40% for households earning up to 30% of Area Median Income
- 25% for households earning 31 to 50% of Area Median Income

Incentives

- Stormwater Credit
- Low-flow appliance rebates
- Green infrastructure grants

Cost Comparison of Everyday Items

1 Gallon
Treated Wastewater

\$0.03

1 Gallon
Tap Water

\$0.02

1 Gallon
Bottled Water

\$1.79

1 Gallon
Gas

\$4.58

1 Gallon
Milk

\$4.85

Annual Investment towards Governance and Internal Control

FY 2022-23 governance and audit costs, ~\$5.7 million

Audit Area	Amount
Controller, City Services Auditor	1,081,117
SFPUC Audit Bureau	604,540
Audited Financial Statements	761,889
Informational Technology	517,845
NERC Compliance Program	2,546,000
Water, Sewer, and Power Rate & Cost of Service Studies	206,000
Total *	\$ 5,717,391

* Does not include Revenue Bond Oversight Committee, Rate Fairness Board, Board of Supervisors Budget & Legislative Analyst, and internal personnel staff time responding to audits and assessments.
