Re: 7-Eleven Store, 195 Pine Street, #20-592392

Dear Ms. Calvillo,

This letter is to request a letter of public convenience or necessity from the Board of Supervisors for the currently existing 7-Eleven site located at 195 Pine Street.

Just recently, 7-Eleven applied to the Department of Alcoholic Beverage Control to transfer a Type-20 license from the CVS Pharmacy located at 1760 Ocean Avenue to this store. This application was made after hearing numerous requests from customers asking why they could not purchase beer and wine at the location and complaining about the inconvenience of not being able to do so.

As our business is to serve the convenience of our customers, 7-Eleven seeks to now sell beer and wine daily between the hours of 7:00 a.m. and midnight, per the Conditions 7-Eleven has agreed to as part of its application for an ABC License. The Conditions, which are attached as Exhibit 1, were created after discussions with the San Francisco Police Department. While the sale of alcoholic beverage will be limited as discussed above, the location itself will remain open 24 hours a day, seven days a week.

The issuance of an ABC license to this store will serve the public convenience or necessity of the immediate neighborhood and citywide because it will allow the community to have one-stop shopping for all of their grocery needs. Currently, we sell a full array of grocery products including, but not limited to, milk, cheese, toilet

paper, toothpaste, diapers, chips, bread, feminine hygiene products, newspapers, household cleaning products, baked goods, and many other sundries. We receive fresh food deliveries daily and are able to offer our customers prepared foods, fresh fruit, and a coffee bar. With the ability to sell a small amount of beer and wine to complement these grocery items, we can then allow customers to grab all of their grocery needs at one location, which will serve the public convenience.

Such one-stop shopping will be vital to help sustain the rapid influx of people into our local community. There is now an ongoing increase in construction of housing as well as additional commercial buildings and office space within the immediate area. This will attract more people to live and work in the surrounding blocks of this 7-Eleven, and demand that more stores carry a modest amount of beer and wine to serve the public convenience. As agreed to in the attached Conditions, we will use no more than 5% of our floor space to sell beer and wine. Therefore, we will provide an alternative to those in the community that do not wish to buy a bottle of wine at a liquor store.

Because of the site's locale near a transportation hub and also the heavy pedestrian traffic that passes by, we will be able to serve the convenience needs not only of residents of the immediate areas but those of the entire San Francisco community. Additionally, this location is near the convention center and the hotels that house the out-of-town convention goers. Ensuring that the convenience needs of these visitors are met is a benefit to San Francisco as a whole.

Prior to submitting this request for a letter of public convenience or necessity, 7-Eleven has discussed its intentions with the Police Department. In recognition of 7-Eleven's commitment to responsible retailing of alcohol and due to the benefits to the community in having this ABC license at this location, the Police Department has no objection to the application for a Type-20 license after 7-Eleven has agreed to the conditions proposed by the Police.

Additionally, as a demonstration of the public's support for our efforts to be able to sell a small amount of beer and wine, attached as Exhibit 2 are numerous signatures from local residents indicating their support for this application. From these signatures, it is clear that the community is in support of 7-Eleven's application. Accordingly, it is respectfully requested that the City issue a letter of public convenience or necessity.

If any questions or wish to have any further information, please contact our counsel, Ryan Kroll, at 310-822-9848 and rkroll@ssjlaw.com. Please direct all mail to the following address:

Re: 7-Eleven – 195 Pine Street, San Francisco, CA

To the City and County of San Francisco's Board of Supervisors and the Department of Alcoholic Beverage Control:

I understand that the 7-Eleven market located at 195 Pine Street is requesting permission to sell beer and wine. I support this request because I think the sale of beer and wine at this business will serve the public convenience of our community. It will help reduce the number of trips that I and others will need to make in order to buy all of our groceries needs at one location.

I am aware that the market has agreed to the conditions suggested by the San Francisco Police Department and the California Department of Alcoholic Beverage Control in order to minimize any potential negative impacts. Some of these conditions include: sales only between 7:00 a.m. and midnight; no malt beverages having alcohol in excess of 5.7% by volume; no sales of beer or malt beverages in quantities of 16 oz., 20 oz., 32 oz., 40 oz., or similar sizes, except Craft Beers; and no wine sold in bottles less than 750 mL. Please know that I enjoy shopping at this market, and appreciate their efforts to work with our community.

I therefore strongly urge all governmental agencies to grant the necessary approvals in this matter and for the Board of Supervisors to determine that the sale of beer and wine at this location does serve the public convenience or necessity, so that the market can become a one-stop location for the community's grocery needs.

Re: 7-Eleven – 195 Pine Street, San Francisco, CA

To the City and County of San Francisco's Board of Supervisors and the Department of Alcoholic Beverage Control:

I understand that the 7-Eleven market located at 195 Pine Street is requesting permission to sell beer and wine. I support this request because I think the sale of beer and wine at this business will serve the public convenience of our community. It will help reduce the number of trips that I and others will need to make in order to buy all of our groceries needs at one location.

I am aware that the market has agreed to the conditions suggested by the San Francisco Police Department and the California Department of Alcoholic Beverage Control in order to minimize any potential negative impacts. Some of these conditions include: sales only between 7:00 a.m. and midnight; no malt beverages having alcohol in excess of 5.7% by volume; no sales of beer or malt beverages in quantities of 16 oz., 20 oz., 32 oz., 40 oz., or similar sizes, except Craft Beers; and no wine sold in bottles less than 750 mL. Please know that I enjoy shopping at this market, and appreciate their efforts to work with our community.

I therefore strongly urge all governmental agencies to grant the necessary approvals in this matter and for the Board of Supervisors to determine that the sale of beer and wine at this location does serve the public convenience or necessity, so that the market can become a one-stop location for the community's grocery needs.
