Dear Mr Young

As clerk for the San Francisco City and County Rules Committee, I am passing on my thoughts regarding the appointment of Dena Aslanian-Williams to serve on the Oversight Homelessness Commission

I just received notice that Mayor Breed has appointed Dena-Aslanian-Williams to serve on the Oversight Homelessness Commission. I also understand a motion will be made during the meeting of the Rules Committee (#7 on the Agenda) on Monday July 17th.

I have worked with Dena on neighborhood issues for about 10 years now.

- As a San Francisco Tax payer, I strongly support her nomination.
- This commission seat is reserved for someone who has participated in merchant associations or neighborhood associations. She is active as Parliamentarian of the West of Twin Peaks Central Council and served as President of our organization during the pandemic, overseeing 18 homeowner associations as we worked hard to ensure our neighborhoods and merchant corridors were represented in City Hall.
- The Commission will have difficult discussions and would benefit from Dena; as a balanced, empathetic, collaborator.
- Small businesses and neighborhoods deserve a voice on this Commission to bring new ideas and represent our voices which have been underrepresented in the discussion of how homelessness has affected our city.
- Please vote to confirm Dena Aslanian-Williams.

Thank you

Steve Roditti

West of Twin Peaks Central Council Delegate and Vice President on  
the Board of Trustees for Monterey Heights Homes Homeowners  
Association.
