Subject: 5/10 BOS: DPH Retroactive Items
Date: Friday, May 6, 2022 7:05:21 PM

Hello Honorable Members of the Board of Supervisors:

The Department of Public Health (DPH) will request approval for three (3) retroactive item at the May 10th Full Board of Supervisors meeting. We'd like to provide you with brief background information and reason for retroactivity prior to the meeting. Please see below for a brief description and our DPH representative who may be contacted directly should you have any questions.

Agenda item #10 – 220265 - Accept and Expend Grant - Retroactive - Stupski Foundation - San Francisco General Hospital Foundation - Zuckerberg San Francisco General Serious Illness Care Program - \$248,924 - Resolution retroactively authorizing the Department of Public Health to accept and expend a grant in the amount of \$248,924 from the Stupski Foundation through the San Francisco General Hospital Foundation for participation in a program, entitled “Zuckerberg San Francisco General Serious Illness Care Program,” for the period of September 1, 2021, through August 31, 2022.

- **Description:** The ZSFG Serious Illness Care Program is developing and implementing a range of interventions that focus on cancer patients within the last year of life, with a plan to scale to patients with other diseases in the future. These interventions will capitalize on current staffing and resources, create new high-impact positions within the program, and leverage established and respected partners both locally and nationally to implement proven solutions and adapt others to the unique setting.
- **Reason for Retroactivity:** We respectfully request retroactive approval to accept and expend these funds. DPH received the award on October 1st, 2021 retroactive to the grant start date of September 1st, 2021.
- **DPH Representative:** Terry Dentoni, RN, MSN, CNL | Chief Nursing Officer, ZSFG, San Francisco Department of Public Health | email: terry.dentoni@sfdph.org

Agenda item #11 – 220266 - Accept and Expend Grant - Retroactive - Centers for Disease Control and Prevention - DP21-2111 Closing the Gap with Social Determinants of Health Accelerator Plans - \$125,000 - Resolution retroactively authorizing the Department of Public Health to accept and expend a grant in the amount of \$125,000 from the Centers for Disease Control and Prevention for participation in a program, entitled “DP21-2111 Closing the Gap with Social Determinants of Health Accelerator Plans,” for the period of September 30, 2021, through September 29, 2022.

- **Description:** The San Francisco Black African American-focused Social Determinants of Health (SDOH) Accelerator plan to improve Black African American health disparities by focusing on two social determinants - Food Security, and Community-Clinical Linkages. The Accelerator plan will focus on disparity in cardiovascular disease incidence and severity, and the food and

nutrition needed to prevent and manage cardiovascular disease. The Leadership team developing the Accelerator plan will include representatives of clinical providers, community-based organizations, a nationally recognized academic institution, DPH, the San Francisco Human Services Agency, and residents with lived experience. These recommendations will be evaluated using a Health Equity Impact Tool, then be presented to the community and potential partners as an action plan for improving the health of the Black/African American community.

- **Reason for Retroactivity:** We respectfully request approval to retroactively accept and expend these funds. DPH received the subaward agreement on September 13th, 2021 for a grant start date of September 30th, 2021.
- **DPH Representatives:**
 - Paula Jones, PhD, MA | Director of Food Security, Population Health Division, San Francisco Department of Public Health | email: paula.jones@sfdph.org
 - Ayanna Bennett, MD, MA | Director, Office of Health Equity, San Francisco Department of Public Health | email: ayanna.bennett@sfdph.org

Agenda item #12 – 220271 - Accept and Expend Grant - Retroactive - Alliance and Safety Justice - San Francisco General Hospital Foundation - Trauma Recovery Center - National Learning Collaborative for Trauma Recovery Centers (TRC's) - \$135,000 - Resolution retroactively authorizing the Department of Public Health to accept and expend a grant from the Alliance and Safety Justice through the San Francisco General Hospital Foundation for participation in a program, entitled “Trauma Recovery Center - National Learning Collaborative for Trauma Recovery Centers (TRC's),” in the amount of \$135,000 for the period of October 1, 2021, through September 30, 2022.

- **Description:** This grant funding supports the Trauma Recovery Center (TRC) to provide technical assistance to TRCs across the country. TRCs deliver survivors of violent crime access to quality and comprehensive trauma informed care.
- **Reason for Retroactivity:** We respectfully request approval to retroactively accept and expend these funds. DPH received the award letter on December 14th, 2021 retroactive to October 1st, 2021.
- **DPH Representatives:**
 - Stacey Wiggall | Director, Trauma Recover Center Technical Assistance, ZSFG | email: stacey.wiggall@ucsf.edu
 - Alicia Boccellari, Ph.D. | Director of Special Programs, Trauma Recovery Center, ZSFG | email: alicia.boccellari@sfdph.org

Thank you for your time and consideration,

Claire
