20 WHEREAS, On April 13, 2010, the San Francisco Public Utilities Commission (SFPUC)

24 011-02 in Fremont, owned by Malik A. Alarab, Trustee, and Barbara E. Alarab, Trustee, (2)

2 A. Garcia, Trustees (collectively, the Subject Properties), is necessary for construction of the

4 Project (the Project), and that failure to acquire such easements in the Subject Properties

7 of service of seismic and delivery reliability; and,

8 WHEREAS, Under California Code of Civil Procedure §1245.235, the governing body
9 of the public entity may adopt a resolution of necessity only after the governing body has

11 address appears on the last equalized county assessment roll notice and a reasonable
12 opportunity to appear and be heard on the matters referred to in California Code of Civil
13 Procedure §1240.030; and,

14 WHEREAS, California Code of Civil Procedure §1245.235 requires that a public
15 hearing be held by the Board of Supervisors sitting as a committee of the whole in order for

18 construction of the Project, (2) the Project is planned and located in a manner that will be
19 most compatible with the greatest public good and the least private injury, (3) the Subject
20 Easements to be acquired are necessary for the Project, and (4) CCSF has made the offer(s)
21 required by California Government Code Section §7267.2 to the owner(s) of record of the
22 property; now, therefore, be it

23 MOVED, That it is the intention of this Board of Supervisors to hold a public hearing of

7 FURTHER MOVED, At the public hearing, each person whose name and address
8 appears on the last equalized county assessment role for the Subject Properties and who has
9 filed a written request to appear within fifteen (15) days after the notice was mailed to them by
10 first class mail may appear and be heard at the public hearing on whether (1) the public
11 interest and necessity require CCSF to acquire the Subject Easements, (2) the Project is
12 planned and located in the manner that will be most compatible with the greatest public good
13 and least private injury, (3) the Subject Easements sought to be acquired are necessary for
14 the Project, and (4) CCSF has made the offer(s) required by California Government

17 domain must be adopted by a two-thirds vote of all the members of the Board of Supervisors;
18 and, be it

19 FURTHER MOVED, That at the close of the public hearing, the Board of Supervisors
20 will vote to decide whether or not to adopt the Resolution captioned "Resolution authorizing
