

1 [Budget Analyst Assessment of Cost of Proposition O.]

2

3 **Motion directing the Budget Analyst to assess the cost per person to residents of San**
4 **Francisco if voters approve Proposition O on the November ballot.**

5

6 WHEREAS, Proposition O is an initiative ordinance on the November 2002 ballot which
7 would direct the City to create and fund certain services and programs to serve the homeless;
8 and,

9 WHEREAS, It is uncertain what the true total costs and the costs per capita to
10 residents of the City may be if Proposition O passes; and

11 WHEREAS, Information on the impacts of the initiative is crucial to the ability of voters
12 to make an informed decision on whether to support or oppose Proposition O; now, therefore,
13 be it

14 MOVED, That the Budget Analyst of the San Francisco Board of Supervisors is
15 directed to perform an analysis of the estimated cost per person to San Francisco residents if
16 Proposition O on the November ballot is passed by the voters; and be it,

17 FURTHER MOVED, That this analysis should also consider possible sources of
18 revenue to fund services which would be required under Proposition O, including state and
19 federal revenue, as well as existing sources of revenue currently being used to fund programs
20 used by the homeless, so that the Budget Analyst may estimate the likely impact of
21 Proposition O on the City's General Fund.
