1 **SEC. 4.133. HOMELESSNESS OVERSIGHT COMMISSION.**

2 (a) There shall be a Homelessness Oversight Commission (“Commission”) to
3 oversee the Department of Homelessness and Supportive Housing (“Department”), or any
4 successor agency. The Department shall, to the extent prescribed by ordinance, manage and

20 treatment. Seat 4 shall be held by a person with a record of participation in a merchants’ or
21 small business association, or neighborhood association. In addition to the aforementioned
22 qualifications, at least one of the Mayor’s appointees shall have experience in budgeting,

3 working with homeless families with children and/or homeless youth.

4 (3) Section 4.101 shall apply to these appointments, with a particular
5 emphasis on diversity in ethnicity, race, age, sex, gender identity, sexual orientation, and types of
6 disabilities.

7 (c) Commission members shall serve at the pleasure of their respective appointing
8 authorities and may be removed by their appointing authorities at any time. Vacancies shall be
9 filled by the respective appointing authorities as prescribed in subsections (b)(1) and (2).

10 (d) Commissioners shall serve four-year terms, beginning at noon on May 1, 2023;
11 provided, however, the term of the initial appointees in Seats 1, 5, and 6 shall be a two-year
12 term, expiring at noon on May 1, 2025.

13 (e) The Commission shall elect a Chair, Vice-Chair, and officers for other such
14 positions, if any, that it chooses to create.

15 (f) The Commission shall have the following powers and duties:

16 (1) With respect to the Department, the Commission shall exercise all of the
17 powers and duties of boards and commissions as set forth in Sections 4.102, 4.103, and 4.104,
18 including but not limited to, approving applicable departmental budgets, formulating goals
19 consistent with the overall objectives of the City and County, holding hearings and taking
20 testimony, conducting public education and outreach concerning programs and services for
21 homeless persons in San Francisco, and issues concerning homelessness, and conducting
22 performance audits of the Department to assess the efficiency and effectiveness of the
23 Department's delivery of services to persons experiencing homelessness and persons
24 participating in programs overseen by the Department.

1 (2) Notwithstanding the Commission’s authority to review and set policies,
2 the Commission shall not have the authority to approve, disapprove, or modify criteria used to
3 ascertain eligibility or priority for programs and/or services operated or provided by the
4 Department, where such criteria are required as a condition of the receipt of state or federal
5 funding.

6 (g) The Mayor and the Board of Supervisors shall make their initial appointments to
7 Seats 1-7, respectively, on the Commission by no later than noon, March 1, 2023. The
8 Commission shall come into existence upon the appointment, and confirmation where required,
9 of four members, or at noon on May 1, 2023, whichever is later. The Commission shall have its
10 inaugural meeting within 30 days of its coming into existence.

11 (h) By no later than May 1, 2023, the City shall enact an ordinance that:

16 Continuum of Care program. This subsection (h)(1) shall not preclude the City by ordinance
17 from amending said Article XXXI in a manner that is not inconsistent with this subsection or as
18 necessary to comply with federal requirements relating to the Continuum of Care.

19 (2) Amends Article XII of Chapter 20 of the Administrative Code, to provide
20 that the Shelter Monitoring Committee shall advise the Commission in lieu of advising the
21 LHCB. This subsection (h)(2) shall not preclude the City by ordinance from amending said
22 Article XII in a manner that is not inconsistent with this subsection.

25 Home Oversight Committee (“Oversight Committee”) shall advise and make recommendations

1 to the Commission and the Health Commission, in addition to advising and making
2 recommendations to the Mayor and the Board of Supervisors, on administration of the Our City,
3 Our Home Fund (“Fund”) and on monies appropriated from the Fund, which monies are subject
4 to the City budget approval process set forth in Article IX of the Charter, and to provide that the
5 needs assessment conducted by the Oversight Committee shall inform the Department’s strategic
6 planning process. This subsection (h)(3) shall not preclude the City by ordinance from
7 amending said Article XLI and said Section 2810 in a manner that is not inconsistent with this
8 subsection, Section 2811 of the Business and Tax Regulations Code, and Articles XIII A and
9 XIII C of the California Constitution, as may be amended from time to time.

10 (i) The references in subsection (h) to the LHCB, Shelter Monitoring Committee, and
11 Oversight Committee do not change their character as bodies created by ordinance.
12 Accordingly, they are not subject to provisions in the Charter or Municipal Code that apply
13 exclusively to bodies enumerated in the Charter or created by the Charter, including but not
14 limited to Charter Sections 4.101.1 and 4.101.5.

15 (j) Within one year of the effective date of the ordinance adopted by the Board of
16 Supervisors in compliance with subsection (h), the City Attorney shall cause subsections (h)-(j)
17 of this Section 4.133 to be removed from the Charter.

18
