2.1 Term.

The term of this Agreement is for four years and shall commence on July 1, 2026 and expire on June 30, 2030, unless earlier terminated as otherwise provided herein.

2.2 **Options to Extend.** City has the option to renew the Agreement for a period of six (6) additional years. City may exercise this option at City’s sole and absolute discretion by modifying this Agreement as provided in Section 11.5, “Modification of this Agreement.” Extensions may be for the whole or partial period provided for above.

Article 3 Financial Matters

3.1.1 **Termination in the Event of Non-Appropriation.** This Agreement is subject to the budget and fiscal provisions of Section 3.105 of the City’s Charter. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City’s obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to the City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. The City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor’s assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.1.2 **Maximum Costs.** The City’s payment obligation to Contractor cannot at any time exceed the amount certified by City’s Controller for the purpose and period stated in such certification. Absent an authorized emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, “Modification of this Agreement.”

Authorization to Commence Work. Contractor shall not commence any work under this Agreement until the City has issued formal written authorization to proceed, such as a purchase order, task order or notice to proceed. Such authorization may be for a partial or full scope of services.

3.2 **Compensation.**

3.2.1 **Contract Not to Exceed Amount.** The amount of this Agreement shall not exceed **FORTY-ONE MILLION, SIX HUNDRED FORTY-EIGHT THOUSAND, FIVE HUNDRED FIVE DOLLARS (\$41,648,505)** the breakdown of which appears in Appendix B, "Calculation of Charges." City shall not be liable for interest or late charges for any late payments. City will not honor minimum service order charges for any Services covered by this Agreement.

3.2.2 **Payment Limited to Satisfactory Services.** Contractor is not entitled to any payments until City approves the Services delivered. Payments to Contractor by City shall not excuse Contractor from its obligation to replace the unsatisfactory Services even if the unsatisfactory character was apparent or could have been detected at the time such payment was made. Non-conforming Services may be rejected by City and in such case must be replaced by Contractor without delay at no cost to City.

3.2.3 **Withhold Payments.** If Contractor fails to provide the Services in accordance with Contractor's obligations under this Agreement, City may withhold any and all payments due to Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

3.2.4 **Invoicing.** Contractor shall invoice the City for the Services provided under this Agreement on a timely basis, and in no event later than 30 days after delivery of the Services or as specified in Appendix B, Calculation of Charges, except for the last invoice of the fiscal year which must be submitted within 15 days before the end of July. Invoices submitted by Contractor must be in a form acceptable to the Controller and City and include a unique invoice number and a specific invoice date. Payment shall be made by City as specified in Section 3.3.7, or in such alternate manner as the Parties have mutually agreed upon in writing. All invoices must show the PeopleSoft Purchase Order ID Number, PeopleSoft Supplier Name and ID, Item numbers (if applicable), complete description of Services performed, sales/use tax (if applicable), contract payment terms and contract price. Invoices that do not include all required information or contain inaccurate information will not be processed for payment.

3.2.5 **Reserved (LBE Payment and Utilization Tracking System).**

3.3.5.1 **Grant Funded Contracts.**

(a) **Reserved (Grant Terms).**

(b) **Disallowance.** If Contractor requests or receives payment from City for Services, reimbursement for which is later disallowed due to Contractor's non-compliance with the Grant Terms, Contractor shall promptly refund the disallowed amount

to City upon City’s request. At its option, City may offset the amount disallowed from any payment due or to become due to Contractor under this Agreement or any other agreement between Contractor and City.

(c) **Reserved (Subgrantees).**

3.2.6 **Payment Terms.**

(a) **Payment Due Date.** Unless City notifies the Contractor that a dispute exists, Payment shall be made within 30 calendar days, measured from (1) the rendering of the Services or (2) the date of receipt of the invoice, whichever is later. Payment is deemed to be made on the date City issued a check to Contractor or, if Contractor agreed to electronic payment, the date City has posted electronic payment to Contractor.

(b) **Reserved (Payment Discount Terms).**

Audit and Inspection of Records. Contractor agrees to maintain and make available to the City during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make copies of such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.3 **Reserved (Submitting False Claims).**

3.4 **Reserved.**

Article 4 Services and Resources

Services Contractor Agrees to Perform. Contractor agrees to perform the Services stated in **Appendix A, “Scope of Services.”** Officers and employees of the City are not authorized to request and the City is not required to compensate for Services beyond those stated.

Qualified Personnel. Contractor represents and warrants that it is qualified to perform the Services for which it is contracted to provide through this Agreement, and that all Services will be performed by competent personnel with the degree of skill and care required by current and sound professional procedures and practices. Contractor will comply with City’s reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City’s request, must be supervised by Contractor. Contractor shall commit sufficient resources for timely completion within the project schedule.

4.1 **Subcontracting.** Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All subcontracts must incorporate the terms of Article 10 “Additional Requirements Incorporated by Reference” of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.2 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.2.1 **Independent Contractor.** For the purposes of this Section 4.4, “Contractor” shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor is an independent contractor and is wholly responsible for the manner and means by which it performs the Services and work required under this Agreement. Contractor, including its agents and employees, will not represent or hold itself/themselves out to be employees of City at any time. Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor is liable for its acts and omissions. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor’s performing Services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor, or any of its agents or employees. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor’s compliance with Section 4.4. Should City determine that Contractor is not performing in accordance with the requirements of Section 4.4, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor’s receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.2.2 **Payment of Employment Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority.

Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from Section 4.4

4.3 **Assignment.** The Services to be performed by Contractor are personal in character. This Agreement may not be directly or indirectly assigned, novated, or otherwise transferred unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.4 **Reserved (Liquidated Damages).**

4.5 **Reserved (Performance Bond).**

4.6 **Warranty.** Contractor represents to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

Article 5 Insurance and Indemnity

5.1 **Insurance.** Contractor and City agree that each Party will maintain in force, throughout the term of this Agreement, a program of insurance and/or self-insurance of sufficient scope and amount to permit each Party to discharge promptly any obligations each incurs by operation of this Agreement. If at any time during the term of this Agreement either Party plans to cease to be self-insured for any such possible claims, the Party shall provide the other Party advance notice of the change in sufficient time for the Parties to negotiate appropriate insurance requirements before any lapse in coverage. If the Parties fail to reach agreement on the terms of insurance policies or policy endorsements required, either Party may terminate this Agreement by giving written notice of termination specifying the date upon which termination shall become effective. If City terminates the Agreement under Section 5.1, the termination provisions of Section 8.1 shall apply.

5.2 **Indemnification.**

5.2.1 Contractor shall indemnify and hold City, its officers, employees and agents, harmless from and against any and all liability, loss, expense, attorneys' fees, or

claims for injury or damages (collectively, “Claims”) arising out of the performance of this Agreement, but only in proportion to and to the extent such Claims are caused by or result from the negligent or intentional acts or omissions of Contractor, its officers, agents or employees.

5.2.2 City shall indemnify and hold Contractor, its officers, employees and agents, harmless from and against any and all Claims arising out of the performance of this Agreement, but only in proportion to and to the extent such Claims are caused by or result from the negligent or intentional acts or omissions of City, its officers, agents or employees.

5.2.3 In the event of concurrent negligence of City, its officers, employees and agents, and Contractor and its officers, employees and agents, the liability for any and all Claims shall be apportioned under the California theory of comparative negligence as presently established or as may hereafter be modified.

5.2.4 Contractor and City shall indemnify and hold each other harmless from all loss and liability, including attorneys’ fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by City or Contractor, of each other’s articles or services to be supplied in the performance of this Agreement.

Article 6 Liability of the Parties

6.1 **Liability of City.** CITY’S TOTAL LIABILITY UNDER THIS AGREEMENT, INCLUDING WITHOUT LIMITATION ITS PAYMENT OBLIGATIONS UNDER THIS AGREEMENT, SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, “CONTRACT NOT TO EXCEED AMOUNT,” OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

Article 7 Payment of Taxes

7.1 **Contractor to Pay All Taxes.** Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor’s compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 **Possessory Interest Taxes.** Contractor acknowledges that this Agreement may create a “possessory interest” for property tax purposes. Contractor accordingly agrees on

behalf of itself and its permitted successors and assigns to timely report on behalf of the City to the County Assessor the information required by San Francisco Administrative Code Section 23.39, as amended from time to time, and any successor provision. Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 **Termination for Convenience.** City shall have the option, in its sole discretion, to terminate this Agreement for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination specifying the date on which termination shall become effective. Upon receipt, Contractor shall commence and diligently perform all actions necessary on the part of Contractor to effect the termination on the date specified and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Within 30 days after the specified termination date, Contractor shall submit to City an invoice for all services performed prior to the specified date, which shall be compensated on the terms set forth in Section 3.3 (“Compensation”). City shall not be liable for any costs incurred by Contractor after the termination date.

8.2 **Termination for Default; Remedies.**

8.2.1 Each of the following shall constitute an immediate event of default (“Event of Default”) under this Agreement:

Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

4.5	Assignment	10.3.6	Alcohol and Drug-Free Workplace
Article 5	Insurance and Indemnity	11.10	Compliance with Laws
Article 7	Payment of Taxes	Article 13	Data and Security

(a) Contractor fails or refuses to perform the Services or to perform or observe any other term, covenant or condition contained in this Agreement, including any obligation imposed by ordinance or statute and incorporated by reference herein, and such default is not cured within ten (10) days after written notice thereof from City

to Contractor or from when Contractor otherwise becomes aware of the Event of Default. If Contractor defaults a second time in the same manner as a prior default cured by Contractor, in addition to all other remedies available to City, City may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor, or of any substantial part of Contractor's property; or (v) takes action for the purpose of any of the foregoing.

A court or government authority enters an order (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Contractor, or with respect to any substantial part of Contractor's property; (ii) constituting an order for relief or approving a petition for relief, reorganization or arrangement, any other petition in bankruptcy or for liquidation, or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction; or (iii) ordering the dissolution, winding-up or liquidation of Contractor.

8.2.2 Default Remedies. On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default. Contractor shall pay to City on demand all costs and expenses incurred by City arising from the Event of Default and/or in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall also have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent in accordance with Article 11.

8.3 **Non-Waiver of Rights.** The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

8.4 **Rights and Duties upon Termination or Expiration.**

8.4.1 Section 8.4, “Rights and Duties upon Termination or Expiration,” and the following Sections of this Agreement listed below, shall survive termination or expiration of this Agreement:

3.3.2	Payment Limited to Satisfactory Services	9.2	Works for Hire

Article 5	Insurance and Indemnity	11.8	Construction
6.1	Liability of City	11.9	Entire Agreement
6.3	Liability for Incidental and Consequential Damages	11.10	Compliance with Laws
Article 7	Payment of Taxes	11.11	Severability
8.2.2	Default Remedies	Article 13	Data and Security
9.1	Ownership of Results		

8.4.2 Subject to the survival of the Sections identified in Section 8.4.1, above, if this Agreement is terminated prior to expiration of the term specified in Article 2, this Agreement shall be of no further force or effect. Promptly upon expiration of this Agreement, or promptly upon receipt by Contractor of notice of termination of this Agreement, Contractor shall transfer title to City, and deliver in the manner, at the times, and to the extent, if any, directed by City, any Deliverables, work in progress, completed work, supplies, equipment, and other materials produced as a part of, or acquired in connection with the performance of this Agreement, and any completed or partially completed work which, if this Agreement had been completed, would have been required to be furnished to City.

Article 9 Rights In Deliverables

9.1 **Ownership of Results.** Any interest of Contractor or its subcontractors in the Deliverables, any partially completed Deliverables, and related materials, shall become the property of and will be transmitted to City. 9.2 **Works for Hire.** All copyrights in Deliverables that are considered works for hire under Title 17 of the United States Code, shall be the property of the City. If any such Deliverables are ever determined not to be works for hire under federal law, Contractor hereby assigns all Contractor's copyrights to such Deliverables to the City, agrees to provide any material and execute any documents necessary to effectuate such assignment, and agrees to include a clause in every subcontract imposing the same duties upon its subcontractors. With City's prior written approval, Contractor and its subcontractors may retain and use copies of such works for reference and as documentation of their respective experience and capabilities provided that any such use is in conformance with the confidentiality provisions of this Agreement.

Article 10 Additional Requirements Incorporated by Reference

10.1 **Laws Incorporated by Reference.** The full text of the laws listed in this Article 10, including enforcement and penalty provisions, are incorporated by reference into this Agreement. 10.2.2 **Prohibition on Use of Public Funds for Political Activity.** In performing the Services, Contractor shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Contractor is subject to the enforcement and penalty provisions in Chapter 12G.

10.2.3 **Limitations on Contributions.** By executing this Agreement, Contractor acknowledges its obligations under Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves; (ii) a candidate for that City elective office; or (iii) a committee controlled by such elected official

or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve (12) months after the date City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than ten percent (10%) in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Contractor certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract and has provided the names of the persons required to be informed to the City department with whom it is contracting.

11.2.1 Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to people with disabilities. Contractor shall provide the services specified in this Agreement in a manner that complies with the ADA and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against people with disabilities in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Agreement.

11.2.3 Web and Mobile Content Accessibility. Contractor shall adhere to the requirements of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. 11.3 Incorporation of Recitals. The matters recited in the Recitals section of this Agreement are a substantive portion of this Agreement and are hereby incorporated into and made part of this Agreement.

11.4 Sunshine Ordinance. Contractor acknowledges that this Agreement and all City records related to its formation, Contractor's performance of Services, and City's payment may be subject to the California Public Records Act, (California Government Code § 7920.000 et seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state, or local law.

11.5 Modification of this Agreement. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

11.6 Dispute Resolution Procedure.

11.6.1 Negotiation; Alternative Dispute Resolution. The Parties will attempt in good faith to resolve any dispute or controversy arising out of or relating to the performance of services under this Agreement. City may elect, in its sole discretion, to participate in informal dispute resolution proceedings. Disputes will not be subject to binding arbitration. The status of any dispute or controversy notwithstanding, Contractor shall proceed diligently with the performance of its obligations under this Agreement in accordance with the Agreement and the written directions of the City. Neither Party will be entitled to legal fees or costs for matters resolved under Section 11.6.

11.6.2 Government Code Claim Requirement. No suit for money or damages may be brought against the City until a written claim therefor has been presented to and rejected by the City in conformity with the provisions of San Francisco Administrative Code Chapter 10 and California Government Code Section 900, et seq. Nothing set forth in this Agreement shall operate to toll, waive or excuse Contractor's compliance with the California Government Code Claim requirements set forth in San Francisco Administrative Code Chapter 10 and California Government Code Section 900, et seq.

11.7 Agreement Made in California; Venue. The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California without

regard to conflict of law provisions. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

11.8 **Construction.** All paragraph captions are for reference only and shall not be considered in construing this Agreement.

11.9 **Entire Agreement.** This Agreement including the Appendices, sets forth the entire agreement between the Parties, and supersedes all other oral or written provisions. This Agreement may be modified only as provided in Section 11.5, "Modification of this Agreement."

11.10 **Compliance with Laws.** Contractor shall keep itself fully informed of City's Charter, codes, ordinances and duly adopted rules and regulations of City and of all state, and federal laws in any manner applicable to the performance of this Agreement, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

11.11 **Severability.** Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (i) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (ii) such provision shall be enforced to the maximum extent possible so as to effect the intent of the Parties and shall be reformed without further action by the Parties to the extent necessary to make such provision valid and enforceable.

11.12 **Cooperative Drafting.** This Agreement has been drafted through a cooperative effort of City and Contractor, and both Parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No Party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the Party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

11.13 **Order of Precedence.** If the Appendices to this Agreement include any Contractor terms, Contractor agrees that in the event of any discrepancy, inconsistency, gap, ambiguity, or conflict in language between City's terms and Contractor's terms, City's terms shall take precedence. Any hyperlinked terms included in Contractor's terms shall have no legal effect.

11.14 **Notification of Legal Requests.** Contractor shall immediately notify City upon receipt of any subpoenas, service of process, litigation holds, discovery requests and other legal requests ("Legal Requests") related to any City Data under this Agreement, and in no event later than twenty-four (24) hours after Contractor receives the request. Contractor shall not respond to Legal Requests related to City without first notifying City other than to notify the requestor that the information sought is potentially covered under a non-disclosure agreement. Contractor shall retain and preserve City Data in accordance with City's instruction and requests, including, without limitation, any retention schedules and/or litigation hold orders provided by City to Contractor, independent of where City Data is stored.

11.15 **No Third-Party Beneficiaries.** The representations, warranties and other terms contained herein are for the sole benefit of the Parties hereto and their respective successors and permitted assigns, and they shall not be construed as conferring any rights on any other persons.

Article 12 Department Specific Terms

12.1 Emergency Response. [Reserved.]

12.2 Third-Party Beneficiaries

No third parties are intended by the parties hereto to be third-party beneficiaries under this Agreement, and no action to enforce the terms of this Agreement may be brought against either party by any person who is not a party hereto.

12.3 California State Entity

Notwithstanding anything to the contrary in this Agreement, the provisions of Sections 3.5 (False Claims), 10.2 (Conflict of interest), 10.11 (Limitation on Contributions), 10.3 (Prohibition on Use of Public Funds for Political Activity), 13.1.1 (Private Information) of this Agreement are enforceable only to the extent such provisions are applicable to a California state entity and constitutional corporation and are required by applicable law.

12.4 Federal and State Financial Participation

12.4.1 Contractor acknowledges that some or all of the items, products, or services that Contractor furnishes to City under this Agreement may be included, directly or indirectly, in whole or in part, in claims submitted by City to Federal or State health care programs. By executing this Agreement Contractor certifies that it is not excluded, suspended, ineligible or otherwise sanctioned from participation in any Federal or State assistance programs. Contractor shall notify City, as provided in Section 11.1, within thirty (30) days of any such exclusion, suspension, ineligibility, or other sanction, and City may terminate this Agreement immediately upon written notice to Contractor in the event of any such exclusion, suspension, ineligibility, or other sanction. This is a material term of this Agreement.

12.4.2 Contractor agrees to indemnify and hold harmless City and City's officers, directors, employees, agents, successors and permitted assigns from and against any and all (including but not limited to Federal, State, or third party) civil monetary penalties, assessments, repayment obligations, losses, damages, settlement agreements and expenses (including reasonable attorneys' fees) to the extent arising from the exclusion of Contractor and/or Contractor's workforce (including those who oversee Contractor's workforce, supervisors and governing body members) from participation in any Federal or State assistance program.

12.5 Prevention of Fraud, Waste and Abuse.

Contractor shall comply with all laws designed to prevent fraud, waste, and abuse, including, but not limited to, provisions of state and Federal law applicable to healthcare providers and transactions, such as the False Claims Act (31 U.S.C. § 3729 et seq.), the Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)), the Physician Self-Referral Law (Stark Law, 42 U.S.C. § 1395nn), and California Business & Professions Code § 650. Contractor shall immediately notify City of any suspected fraud, waste, and abuse under state or federal law.

12.6 Contractor Amendments; Budgeting Revisions.

12.6.1 Formal Contract Amendment: Contractor shall not be entitled to an increase in the Compensation or an extension of the Term unless the Parties agree to a Formal Amendment in accordance with the San Francisco Administrative Code and Section 11.5 (Modifications of this Agreement).

12.6.2 City Revisions to Program Budgets: The City shall have authority, without the execution of a Formal Amendment, to (1) purchase additional Services within the Statement of Work or (2) reallocate funding among the Services within the Statement of Work. Any change made under this Subsection 12.7.2 must not involve an increase in the Maximum Cost or Amount Not to Exceed or a change to the Term of this Agreement, and must be approved in writing by both Parties, by a person with legal authority to bind their respective Party to its terms. Contractor shall not proceed with any work contemplated in any revision to program budget until Contractor receives written notification from City to commence such work. All revisions to program budget will become part of this Agreement, after written execution by the Parties, which will then form the new baseline upon which future changes will be measured.

Contractor shall comply with all laws designed to prevent fraud, waste, and abuse, including, but not limited to, provisions of state and Federal law applicable to healthcare providers and transactions, such as the False Claims Act (31 U.S.C. § 3729 et seq.), the Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)), the Physician Self-Referral Law (Stark Law, 42 U.S.C. § 1395nn), and California Business & Professions Code § 650. Contractor shall immediately notify City of any suspected fraud, waste, and abuse under state or federal law.

Article 13 Data and Security

13.1 Nondisclosure of Private, Proprietary or Confidential Information.

13.1.1 Protection of Private Information. If this Agreement requires City to disclose “Private Information” to Contractor within the meaning of San Francisco Administrative Code Chapter 12M, Contractor and subcontractor shall use such information only in accordance with the restrictions stated in Chapter 12M and in this Agreement and only as necessary in performing the Services. Contractor is subject to the enforcement and penalty provisions in Chapter 12M.

13.1.2 **City Data; Confidential Information.** In the performance of Services, Contractor may have access to, or collect on City's behalf, City Data, which may include proprietary or Confidential Information that if disclosed to third parties may damage City. If City discloses proprietary or Confidential Information to Contractor, or Contractor collects such information on City's behalf, such information must be held by Contractor in confidence and used only in performing the Agreement. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or Confidential Information.

13.2 **Reserved (Payment Card Industry ("PCI") Requirements).**

13.3 **Business Associate Agreement.** The Parties acknowledge that City is designated as a Hybrid Entity as defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and all Health Care Components of the City, including a City department involved in this Agreement, are required to comply with the HIPAA rules governing the access, use, disclosure, transmission, storage, and security of protected health information (PHI).

For purposes of this Agreement, Parties agree that if Contractor is performing a service or function for or on behalf of a City department that is a Health Care Component, where such service or function makes Contractor a Business Associate of City, Contractor must comply with the obligations and conditions contained in the Business Associate Agreement ("BAA") that shall be attached to this Agreement as Appendix E, and incorporated as though fully set forth herein. Parties agree that if Contractor is not performing a service or function that makes Contractor a Business Associate of City, a BAA is not required and will not be attached to this Agreement. Contractor, however, must still comply with any data privacy and security laws that apply to Contractor, including, but not limited to, HIPAA, CMIA (Cal. Civ. Code Sec. 56 et.seq.), Cal. Welf. & Inst. Code Sec. 5328, and 42 CFR Part 2. Protected Health Information.

13.4 **Management of City Data**

13.4.1 Contractor, all subcontractors, all agents and employees of Contractor and any subcontractor shall comply with all federal and state laws regarding the transmission, storage and protection of all PHI disclosed to Contractor by City in the performance of this Agreement. Contractor agrees that any negligent or intentional failure of Contractor to comply with the requirements of federal and/or state and/or local privacy laws shall be a material breach of the Contract. In the event that City pays a regulatory fine, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of PHI given to Contractor or its subcontractors or agents by City, Contractor shall indemnify City for the amount of such fine or penalties or damages, including costs of notification, but only in proportion to and to the extent that such fine, penalty or damages are caused by or result from the negligent or intentional acts or omissions of Contractor. This section does not apply to the extent fines or penalties or damages were caused by the City or its officers, agents, subcontractors or employees.

13.4.2 Use of City Data. Contractor agrees to hold City Data received from, or created or collected on behalf of, City, in strictest confidence. Contractor shall not use or disclose City Data except as permitted or required by the Agreement or as otherwise authorized in writing by City. Any work by Contractor or its authorized subcontractors using, or sharing or storage of, City Data outside the United States is prohibited, absent prior written authorization by City. Access to City Data must be strictly controlled and limited to Contractor's staff assigned to this project on a need-to-know basis only. City Data shall not be distributed, repurposed or shared across other applications, environments, or business units of Contractor. Contractor is provided a limited non-exclusive license to use City Data solely for performing its obligations under the Agreement and not for Contractor's own purposes or later use, provided, however, that no City Data may be used by Contractor to train, modify or improve any Artificial Intelligence Systems or Models without City's prior written consent, which may be withheld or withdrawn at City's sole discretion. Nothing herein shall be construed to confer any license or right to City Data, by implication, estoppel or otherwise, under copyright or other intellectual property rights, to any third-party. Unauthorized use of City Data by Contractor, subcontractors or other third-parties is prohibited. For purpose of this requirement, the phrase "unauthorized use" means the data mining or processing of data and/or machine learning from the data, stored or transmitted by the service, for unrelated commercial purposes, advertising or advertising-related purposes, or for any purpose that is not explicitly authorized other than security or service delivery analysis.

13.4.3 Use of Generative Artificial Intelligence in Deliverables. Contractor is prohibited from using Generative Artificial Intelligence in the development of Deliverables without City's prior written consent. Contractor represents and warrants to City that Deliverables will not be developed in a manner that conflicts with the City's rights in and to the Deliverables under Article 9, "Rights in Deliverables," or the City Data confidentiality and security requirements under Article 13, "Data and Security," of this Agreement.

13.4.4 Disposition of City Data. Except as otherwise provided for in this Agreement, upon City's request, termination or expiration of this Agreement, or the expiration of any required document retention period or litigation hold, Contractor shall promptly, but in no event later than thirty (30) calendar days, return all City Data given to, or collected or created by Contractor on City's behalf, which includes all original media. Once Contractor has received written confirmation from City that the City Data has been successfully transferred to City, Contractor shall, within ten (10) business days, securely dispose, clear, purge, and/or physically destroy, all copies of all City Data from its servers, files, hosted environments used in performance of this Agreement (including subcontractors' environments), work stations used to process or produce the data, and any other work files stored by Contractor in whatever medium. Contractor shall provide City with written certification that such secure disposal occurred within five (5) business days of the disposal. Secure disposal shall be accomplished by "clearing," "purging" or "physical destruction," in accordance with National Institute of

Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

13.5 Ownership of City Data. The Parties agree that as between them, all rights, including all intellectual property rights, in and to City Data and any derivative works of City Data is the exclusive property of City.

13.6 Loss or Unauthorized Access to City’s Data; Security Breach Notification. Contractor shall comply with all applicable laws that require the notification to individuals in the event of unauthorized release of PII, PHI, or other event requiring notification. Contractor shall notify City of any actual or potential exposure or misappropriation of City Data (any “Leak”) within twenty-four (24) hours of the discovery of such, but within twelve (12) hours if the Data Leak involved PII or PHI. Contractor, at its own expense, will reasonably cooperate with City and law enforcement authorities to investigate any such Leak and to notify injured or potentially injured parties. Contractor shall pay for the provision to the affected individuals of twenty-four (24) months of free credit monitoring services, if the Leak involved information of a nature reasonably necessitating such credit monitoring. The remedies and obligations set forth in this subsection are in addition to any other City may have. City shall conduct all media communications related to such Leak.

13.7 Cybersecurity Risk Assessment. If a Cybersecurity Risk Assessment (“CRA”) was required before entering the Agreement, Contractor must complete an annual CRA to demonstrate that it has maintained the data privacy and information security program required for City contractors. If Contractor does not satisfactorily complete an annual CRA, the City shall have the right, without further obligation or liability to Contractor, to terminate this Agreement or exercise any of its other remedies hereunder. Any failure by Contractor to comply with this Section shall be a material breach of this Agreement.

Such documents or announcements shall contain a credit substantially as follows: "This program/service/activity/research project was funded through the Department of Public Health, City and County of San Francisco."

2. GOAL STATEMENT

This contract will enable DPH to enter into an agreement with San Francisco Community Health Authority or CONTRACTOR to provide reimbursement (1) to non-DPH health care providers participating in the Healthy San Francisco (HSF) provider network and (2) to individual providers providing gender affirming surgeries for Gender Health SF's uninsured

patients. The HSF provider network is comprised of both DPH and non-DPH, community-based providers who deliver a range of primary, preventive, specialty and inpatient services. Non-DPH provider means any health care provider, clinic, hospital, or service entity that is not owned, operated, or administered by the DPH, and that participates in the Healthy San Francisco (HSF) provider network through its direct agreement with San Francisco Community Health Authority.

Here is a link to the most recent HSF Provider network:
<https://healthysanfrancisco.org/participants/your-medical-home/where-are-medical-homes/>.

3. TARGET POPULATION

The target population is San Francisco’s uninsured adult residents who are ineligible for other government subsidized health benefits programs (such as Medi-Cal) and are subsequently determined eligible and enrolled in HSF and uninsured patients who are referred for gender affirming surgeries by DPH’s Gender Health SF office.

4. UNITS OF SERVICE

The “Units of Service” is defined as: (1) the total number of months HSF participants enrolled and assigned to non-DPH primary care medical homes, and (2) the equivalent of services for one patient for gender affirming payments. Over the four-year contract period, approximately

Modes & Units of Service Definitions	Number of Clients	Units of Service (Projected Member Months)
Ensure reimbursement to non-DPH providers.	30,800	369,600
Provide administrative services and reimburse providers for provision of gender affirming medical and surgical services.	10	120

30,800 HSF participants will be assigned to non-DPH primary care medical homes and ten (10) patients will undergo gender affirming surgeries. Non-DPH primary care medical homes will receive payments for providing services to enrolled participants. The 369,600 total units of service (projected members months) reflect months of participation across all coverage periods for FY26-30.

5. SERVICES, DELIVERABLES AND MEASURABLE OBJECTIVES

Based on agreed upon grant agreements with non-DPH providers, CONTRACTOR will reimburse these providers for services provided to HSF participants. For gender affirming medical and surgical services, CONTRACTOR will only pay non-DPH providers that are contracted with CONTRACTOR to provide gender affirming medical and surgical services (“GAS providers”). The table below summarizes the deliverables from CONTRACTOR.

No.	Deliverables (July 2026 – June 2030)
5.1	Engage and contract with non-DPH providers using the rates approved by DPH, and fund allocated to this Agreement, including providers who render primary, specialty, hospital, pharmacy and ambulance services
5.2	Provide reimbursement to non-DPH providers based on approved invoices
5.3	Provide third-party administrative services for gender affirming medical and surgical services
5.4	Submit non-DPH provider payment reports quarterly for the services listed above.

DPH will monitor performance under this contract by verifying the enrollment levels of all non-DPH providers monthly and confirming this with CONTRACTOR before reimbursement is disbursed. DPH will monitor performance of the Gender Health SF provider contract by verifying adherence to established processes between CONTRACTOR and DPH. CONTRACTOR will be evaluated based on (1) its review of non-DPH provider invoices, (2) its timely payment to said providers (generally within 20 business days of the receipt of a provider invoice), and (3) provider relation functions executed under the direct agreement between CONTRACTOR and its providers.

APPENDIX B
CALCULATION OF CHARGES

1. Method of Payment

A. CONTRACTOR shall submit monthly invoices in the format attached in Appendix C, by the twentieth (20th) working day of each month for reimbursement of the actual costs for Services of the immediately preceding month. All costs associated with the Services shall be reported on the invoice each month. All costs incurred under this Agreement shall be due and payable only after Services have been rendered and in no case in advance of such Services. In no event shall the amount of this Agreement exceed **Forty-One Million Six Hundred Forty-Eight Thousand Five Hundred Five Dollars (\$41,648,505)**.

B. CONTRACTOR understands that, of the maximum dollar obligation listed in Section 3.3.1 of this Agreement, **Four Million Four Hundred Sixty-Two Thousand Three Hundred Forty Dollars (\$4,462,340)** is included as a contingency amount and is neither to be used in Program Budgets attached to this Appendix, or available to CONTRACTOR without a modification to this Agreement executed in the same manner as this Agreement or a revision to the Program Budgets of Appendix B, which has been approved by Contract Administrator. CONTRACTOR further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable City and DPH laws, regulations and policies/procedures and certification as to the availability of funds by Controller. CONTRACTOR agrees to fully comply with these laws, regulations, and policies/procedures.

C. CONTRACTOR agrees to comply with its Budget as shown in Appendix B in the provision of Services. Changes to the charges that do not increase or reduce the maximum dollar obligation of the City are subject to the provisions of DPH Policy/Procedure Regarding Contract Budget Changes. Contractor agrees to comply fully with such policy/procedure.

D. The parties acknowledge that the budget is based on good faith projections but there is some uncertainty regarding the expenses that will be incurred by CONTRACTOR. Accordingly, the parties agree to meet as needed, but no less than quarterly, to review contract expenditures and participant enrollment. In the event that expenditures incurred by CONTRACTOR or payments made to non-City providers exceed the amount set forth in Appendix B, the parties shall negotiate in good faith regarding ways to reduce costs, re-allocate dollars within the budget, delay enrollment of new program participants, or add additional dollars to the budget. If CONTRACTOR notifies City that its expenses or payments to non-DPH providers exceeds twenty percent (20%) of the contract budget and City fails to rectify the situation within thirty (30) days, then CONTRACTOR may make decisions regarding reductions in services so that expenditures are reduced to no more than twenty percent (20%) over the contract budget. No charges shall be incurred under this Agreement, nor shall any payments become due to CONTRACTOR until reports, services, or both, required under this Agreement are received from CONTRACTOR and approved by Director as being in

accordance with this Agreement. City may withhold payment to CONTRACTOR in any instance in which CONTRACTOR has failed or refused to satisfy any material obligation provided for under this Agreement.

2. Program Budgets

BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. 5. Litigation or Administrative Proceedings.

BA shall notify CE within forty-eight (48) hours of any litigation or administrative proceedings commenced against BA or its agents or subcontractors. In addition, BA shall make itself, and any subcontractors, employees and agents assisting BA in the performance of its obligations under the Agreement or this BAA, available to CE, at no cost to CE, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers or employees based upon a claimed violation of HIPAA, the HITECH Act, the HIPAA regulations, or other state or federal laws relating to security and privacy, except where BA or its subcontractor, employee or agent is a named adverse party.

6. No Third-Party Beneficiaries.

Nothing express or implied in the Agreement or this BAA is intended to confer, nor shall anything herein confer, upon any person other than CE, BA and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

7. Interpretation.

The provisions of this BAA shall prevail over any provisions in the Agreement that may conflict or appear inconsistent with any provision in this BAA. This BAA and the Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the HIPAA regulations, and other state and federal laws related to security and privacy of health information. The parties agree that any ambiguity in the terms of this BAA shall be resolved in favor of a meaning that complies and is
