Under Section 16.110 *et seq.* of the San Francisco City Charter, the City is authorized to provide funds from the Housing Trust Fund under this Agreement to Borrower for the development and construction of affordable housing. The City is authorized to use a portion of the OCOH Fund for the construction, acquisition, rehabilitation, lease, preservation, and operation of permanent supportive housing units, which include a rental subsidy and onsite supportive services for formerly homeless adults, families, and youth, or the acquisition, rehabilitation, master lease, and operation of SRO Buildings (as defined in Business & Tax Regulations Code Section 2810(h)(2)), or portions thereof, newly acquired or master leased on or after January 1, 2019. MOHCD and the Department of Homelessness and Supportive Housing ("HSH") issued a Notice of Funding Availability ("NOFA") for Affordable Rental Housing for Families Including Families Experiencing Homelessness on April 25, 2022, to solicit qualified affordable housing developers for the development of new, permanent affordable housing for families, with at least 50% of units provided for families experiencing homelessness. - D. **2530 18th STREET, LLC**, an affiliate of HPP, owns a fee interest in the real property located at 2530 18th Street, San Francisco, California, which is subject to that certain

Declaration of Restrictions and Affordable Housing Covenants dated October 18, 2023 for the benefit of the City, and recorded in the Official Records on October 18, 2023, as Document Number 2023076814 (the "Site"). The Site will be acquired by the City prior to start of construction, and Borrower intends to acquire a leasehold interest in the Land under a future Ground Lease by and between Borrower and the City ("Ground Lessor"). Borrower desires to use the Funds to refinance an existing predevelopment loan that has funded predevelopment expenses for the Project and to conduct additional predevelopment work related to construction of the Project.

The City may agree to extend the Outside Acquisition Date in its sole and absolute discretion. Notwithstanding the foregoing, if Borrower's failure to acquire Control of the Site by the Outside Acquisition Date is not caused by Borrower's acts or omissions, whether direct or indirect, and if Borrower has acted in good faith and no event has occurred and is continuing that constitutes an Event of Default or, with the passage of time would become an Event of Default under any of the City Documents, then in such an event, Borrower shall deliver to City all of the Work Product, the Agreement shall be deemed satisfied in full and Borrower shall be deemed to be released from all obligation or liability with respect to this Note and the Loan.
- 3.2 <u>Compliance Term; Declaration of Restrictions</u>. If Borrower acquires Control of the Site, Borrower will comply with all provisions of the City Documents relating to the use of the Site and the Project as set forth in the Declaration of Restrictions to be recorded in the Official Records, for the period commencing on the date the Deed of Trust is recorded in the Official Records and continuing for the Life of the Project (the "Compliance Term"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed before the end of the Compliance Term.

- 3.3 <u>Interest</u>. The outstanding principal balance of the Loan will bear simple interest at a rate of three percent (3%) per annum, as provided in the Note; provided, however, that prior to the date Borrower acquires Control of the Site, the Director of MOHCD will have the right, in his or her reasonable discretion, to reduce the interest rate to as low as zero percent (0%) upon receipt of adequate documentation supporting the need for such reduction in order to make the Project financially feasible.
- 3.4 <u>Default Interest Rate</u>. Upon the occurrence of an Event of Default under any City Document, the principal balance of the Loan will bear interest at the default interest rate set forth in the Note, with such default interest rate commencing as of the date an Event of Default occurs and continuing until such Event of Default is fully cured. Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement will be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property will require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San

Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the "No Project" alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.

- (c) A title company will have committed to issue the Title Policy to City, and Borrower will have delivered all documents reasonably required by such title company to issue the Title Policy. Borrower will pay all amounts charged by the title company for the issuance of the Title Policy; provided that such amounts may be included in a subsequent Expenditure Request.

ARTICLE 4 CLOSING; DISBURSEMENTS.

4.1 <u>Generally</u>. Subject to the terms of this Agreement, the City will make Disbursements in an aggregate sum not to exceed the Funding Amount to or for the account of Borrower in accordance with this Agreement and the approved line item budget contained in the Table of Sources and Uses.

- 4.2 <u>Closing</u>. Unless otherwise agreed by the City and Borrower in writing, Borrower will establish an escrow account with the title company issuing the Title Policy, or any other escrow agent Borrower chooses, subject to the City's approval (the "Escrow Agent"). The parties will execute and deliver to the Escrow Agent written instructions consistent with the terms of this Agreement. In the event the escrow does not close on or before the expiration date of escrow instructions signed by the City, or any other mutually agreed date, the City may declare this Agreement to be null and void.

- (b) Borrower will have delivered to the City Borrower's Charter Documents. The Charter Documents will be delivered to the City in their original form and as amended from time to time and be accompanied by a certificate of good standing for Borrower issued by the California Secretary of State and, if Borrower is organized under the laws of a state other than California, a certificate of good standing issued by the Secretary of State of the state of organization, issued no more than ninety (90) days before the Agreement Date.
- (c) Borrower will have delivered to the City evidence of all insurance policies and endorsements required under **Exhibit L** of this Agreement and, if requested by the City, copies of such policies.
- (d) HAF will have delivered to the Escrow Agent and duly executed reconveyance of HAF's deed of trust recorded against the Property.
- 4.4 <u>Disbursement of Funds</u>. Following satisfaction of the conditions in **Section 4.3**, the City will authorize the Escrow Agent to disburse Funds as provided in the City's escrow instructions.
- 4.5 <u>Disbursements</u>. The City's obligation to approve any expenditure of Funds after Loan closing is subject to Borrower's satisfaction of the conditions precedent under this Section as follows:
- (a) Borrower will have delivered to the City an Expenditure Request in form and substance satisfactory to the City, together with: (i) copies of invoices, contracts or other documents covering all amounts requested; (ii) a line item breakdown of costs to be covered by the Expenditure Request; and (iii) copies of checks issued to pay expenses covered in the previous Expenditure Request. The City may grant or withhold its approval of any line item contained in the Expenditure Request that, if funded, would cause it to exceed the budgeted line item as previously approved by the City. Additionally, Borrower will obtain the City's prior

written approval for all requested reallocations of Funds for line items previously approved by the City.

- (b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.
- (c) With respect to any Expenditure Request that covers rehabilitation or construction costs, Borrower will have certified to the City that the Project complies with the labor standards set forth in **Section 5.1**, if applicable.
- (d) With respect to any Expenditure Request that covers travel expenses, Borrower's travel expenses will be reasonable and will comply with the following:
- (i) Lodging, meals and incidental expenses will not exceed the thencurrent per diem rates set forth by the United States General Services Administration for the County of San Francisco found at: https://www.gsa.gov/portal/category/104711.
- (ii) Air transportation expenses will use fares for coach-class accommodations, provided that purchases for air travel will occur no less than one week before the travel day.
- (iii) If ground transportation is required, the City urges the use of public transit or courtesy shuttles if provided by a lodging. If courtesy transportation is not provided by a lodging, ground transportation expenses for travel to or from regional airports will not exceed Fifty Dollars (\$50.00) each way. Other ground transportation expenses will not exceed then-current San Francisco taxi rates found at: https://www.sfmta.com/getting-around/taxi/taxi-rates. Ground transportation will not include any expenses for luxury transportation services, such as a limousine, or any expenses related to travel to or from Project site meetings by Borrower's employees.
- (iv) Miscellaneous travel expenses will not exceed Fifty Dollars (\$50.00) without prior written approval of the City.
- (v) Any Expenditure Request for travel expenses will include supporting documentation, including, without limitation, original itemized receipts showing rates and cost, air travel itinerary, proof of payment, and any written justification requested by the City.

For the purpose of this Section, the terms "lodging," "meals" and "incidental expenses" will have the same meanings defined in 41 CFR Part 300-3; the term "coach-class" will have the same meaning defined in 41 CFR Part 301-10.121(a); and the term "miscellaneous" means copying services, printing services, communication services, or other services reasonably related to travel for the Project and approved by the City.

- 4.6 <u>Loan In Balance</u>. From and after the closing date of Borrower's financing for construction or rehabilitation of the Project, the City may require Borrower to pay certain costs incurred in connection with the Project from sources of funds other than the Loan at any time the City determines that the Loan is Out of Balance. When the City is satisfied that the Loan is again In Balance, the City will recommence making Disbursements for Expenditure Requests meeting the conditions set forth above.
- 4.7 <u>Retention</u>. In addition to the other conditions to Disbursements, Borrower acknowledges that the amount of hard costs or tenant improvements costs included in any Expenditure Request associated with rehabilitation or construction, when added to previously approved costs, may not exceed ninety percent (90%) of the approved budgeted costs on a line item basis. The remaining ten percent (10%) of approved budgeted hard costs or tenant improvement costs associated with rehabilitation or construction will be held by the City and/or other Project lenders (the "**Retention**") and may be released only upon satisfaction of all requirements listed in the Construction Manager's Checklist for Release of Retention as follows:
- (a) <u>Early Retention Release</u>. After fifty percent (50%) of the rehabilitation or construction of the Project is complete as determined by the City, Borrower may submit a written request to the City to release up to fifty percent (50%) of the Retention, provided that the following prerequisites have been met: (i) all work required to be performed by all parties for whom the City agrees to release the Retention (the "**Early Retention Release Contractors**") has been completed in conformance with the terms of the applicable contract documents, the plans and specifications approved by the City and all applicable Laws; (ii) the applicable Early Retention Release Contractors have filed unconditional lien waivers satisfactory to the City; (iii) no liens or stop notices have been filed against the Project and no claims are pending; (iv) the City determines that the contingency is in balance and adequate to complete the Project; (v) the Project is on schedule, and (vi) Expenditure Requests will not exceed 95% of the approved budgeted costs on a line item basis.
- (b) Retention Release After Project Completion. Borrower may request disbursement of the remaining percentage amount of the Retention only upon the satisfaction of each of the following conditions, unless otherwise approved in writing by the City: (i) completion of rehabilitation or construction of the Project in accordance with the plans and specifications approved by the City, as evidenced by a certificate of occupancy or equivalent certification provided by the City's Department of Building Inspection, and an architect's or engineer's certificate of completion; (ii) timely recordation of a notice of completion; and (iii) either expiration of the lien period and the absence of any unreleased mechanics' liens or stop notices or recordation of the lien releases of all contractors, subcontractors and suppliers who provided labor or materials for the Project.

The City is not obligated to approve expenditure of the full Funding Amount unless approved Expenditure Requests support disbursement of the full Funding Amount, and in no

event may the aggregate amount of all Funds disbursed to Borrower under this Agreement exceed the Funding Amount.

ARTICLE 5 DEMOLITION, REHABILITATION OR CONSTRUCTION.

This Article will apply if the Borrower or its affiliate acquires Control of the Site.

- 5.1 <u>Labor Requirements</u>. Borrower's procurement procedures, contracts, and subcontracts will comply, and where applicable, require its contractors and subcontractors to comply, with the applicable labor requirements under **Exhibit E** of this Agreement, including, but not limited to, the selection of all contractors and professional consultants for the Project and payment of prevailing wage.

The plans approved by the City will also be approved by the City and County of San Francisco's Department of Building Inspection (the "Department of Building Inspection") (collectively, the "Approved Plans") prior to the start of any demolition, rehabilitation or construction on the Site. The Approved Plans will be explicitly identified in the Construction Contract. The specifications approved by the City, including the funder requirements and the technical specifications (the "Approved Specifications") will also be explicitly identified in the Construction Contract. The Construction Contract may include funder requirements not otherwise addressed in the Approved Specifications. After completion of the Project, Borrower will retain the Approved Plans as well as "as-built" plans for the Project, the Approved Specifications and the Construction Contract, all of which Borrower will make available to the City upon request.

The City will provide any questions, comments or requests for additional information to Borrower within five (5) business days of receipt of a change order request. City will review and approve or disapprove of a change order request within ten (10) business days of a complete submission by Borrower. In the event the City fails to approve or disapprove the change order request within such ten (10) business day period, the change order will be deemed approved. Borrower acknowledges that the City's approval of any change order will not constitute an agreement to amend the Table of Sources and Uses or to provide additional Funds for the Project, unless the City agrees in its sole discretion to amend the Table of Sources and Uses or provide additional Funds for that purpose.
- 5.4 <u>Insurance, Bonds and Security</u>. Before starting any demolition, rehabilitation or construction on the Site, Borrower will deliver to the City insurance endorsements and bonds as

- 5.7 <u>Rehabilitation/Construction Standards</u>. All rehabilitation or construction will be performed in a first class manner, substantially in accordance with final plans and specifications approved by the City and in accordance with all applicable codes.

Borrower will obtain the City's approval of reasonable alterations to the Marketing and Tenant Selection Plan. Borrower will market and rent the Units in the manner set forth in the Marketing and Tenant Selection Plan, as approved by the City.
- 6.2 <u>Affirmative Marketing and Tenant Selection Plan Requirements</u>. Borrower's Marketing and Tenant Selection Plan will address how Borrower intends to market vacant Units and any opportunity for placement on the Waiting List, as defined in 6.5. The Marketing and Tenant Selection Plan will include as many of the following elements as are appropriate to the Project, as determined by the City, including 50% of units being targeted to families who have experienced homelessness.

Borrower's Marketing and Tenant Selection Plan will contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but will limit the number of refusals without cause as approved by the City. Borrower will at all times maintain the Waiting List. Upon the vacancy of any Unit, Borrower will first attempt to select the new Tenant for such Unit from the Waiting

List, and will only market the Unit to the general public after determining that no applicants from the Waiting List qualify for such Unit. The Waiting List will be kept on file at the Project at all times.

ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 Term of Leasing Restrictions. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect if Borrower acquires Control of the Site: (a) for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the Deed of Trust; (b) for any Unit that has been subject to a regulatory agreement with TCAC, for a period ending three (3) years after the date of any transfer of the Project by foreclosure or deed-in-lieu of foreclosure; and (c) with respect to any Unit occupied by a Qualified Tenant at expiration of either the Compliance Term or the 3-year period referred to in **Subsection (b)** above, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause. - (a) Rent charged to each Qualified Tenant may not exceed the amounts set forth in **Exhibit A**, *provided that* Rents may be adjusted annually, subject to the limitations below.
- (b) Subject to the Hold Harmless Policy, rents for all Units may be increased once annually up to the maximum monthly rent by unit type as published by MOHCD.
- (c) With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under **Section 7.3(b)** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-

approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the maximum Rent permitted under **Section 7.3(a)**. City approval for such Rent increases that are necessary to meet all approved Project Expenses will not be unreasonably withheld.

- (d) For any Qualified Tenant participating in a Rent or operating subsidy program where the Rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program. There is no limit on the increase/decrease in Rent charged under this provision, as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**. There is no limit on the number of Rent adjustments that can be made in a year under this provision.
- (e) For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**.
- (f) Unless prohibited under any applicable Laws, including without limitation Section 42 of the Internal Revenue Code of 1986, as amended, if the household income of a Qualified Tenant exceeds the maximum permissible income during occupancy of a Unit, then, upon no less than thirty (30) days' prior written notice to the Tenant or as otherwise required under the Tenant's lease or occupancy agreement, Borrower may adjust the charges for Rent for the previously Qualified Tenant to be equal to thirty percent (30%) of the Tenant's adjusted household income. Rents charged under this provision may exceed the Maximum Rent permitted under **Section 7.3(a)**.

7.4 <u>Certification</u>.

- (a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project will be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person will be required to provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.
- (b) Borrower will require each Qualified Tenant in the Project to recertify to Borrower on an annual basis the Qualified Tenant's household income and in accordance with applicable tax credit requirements.
- (c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year will be maintained on file at Borrower's principal office, and Borrower will file or cause to be filed copies thereof with the City promptly upon request by the City.
- 7.5 <u>Form of Lease</u>. The form of lease for Tenants will provide for termination of the lease and consent to immediate eviction for failure to: (i) qualify as a Qualified Tenant if the

Tenant has made any material misrepresentation in the initial income certification, or (ii) submit to Borrower an annual recertification of income. The initial term of the lease will be for a period of not less than one (1) year. Borrower will not terminate the tenancy or refuse to renew any lease of a Unit except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Laws or other good cause. Any termination or refusal to renew the lease for a Unit will be preceded by not less than thirty (30) days' written notice to the Tenant specifying the grounds for the action.

- 7.6 Nondiscrimination. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.
- 7.7 <u>Security Deposits</u>. Security deposits may be required of Tenants only in accordance with applicable state law and this Agreement. Borrower will segregate any security deposits collected from all other funds of the Project in an Account held in trust for the benefit of the Tenants and disbursed in accordance with California law. The balance in the trust Account will at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to Tenants.

ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

This Article will apply if the Borrower or its affiliate acquires Control of the Site.

8.1 <u>Borrower's Responsibilities.</u>

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower will maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920.10 and the applicable provisions of 24 CFR Part 35.

8.2 <u>Contracting With Management Agent.</u>

- (a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided*, *however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract will contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved Mercy Housing Management Group as Borrower's management agent, subject to approval of the management contract.
- (b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower will exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.
- 8.3 <u>Borrower Management</u>. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

ARTICLE 9 GOVERNMENTAL APPROVALS AND REQUIREMENTS.

- 9.1 <u>Approvals</u>. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.
- 9.2 <u>Borrower Compliance</u>. Borrower will comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E** and **Exhibit L**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings. Construction-related requirements will not apply until Borrower has acquired Control of the Site; *provided that*, construction-related requirements will apply to the Project whether or not the City approves and provides additional financing for the Project.

ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

10.1 Generally.

- (a) Borrower understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Borrower acknowledges that, if and after Borrower acquires Control of the Site, the City may also conduct periodic on-site inspections of the Project. Borrower will cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.
- (b) Borrower will keep and maintain books, records and other documents relating to the receipt and use of all Funds, including all documents evidencing any Project Income and Project Expenses. The MOHCD Monthly Project Update will be submitted by email in substantially the form requested by MOHCD until such time as the Project Completion Report is submitted to the City pursuant to **Section 10.5** below.
- Annual Reporting. From and after the Completion Date, Borrower will file with the City annual report forms (the "Annual Monitoring Report") that include audited financial statements with an income and expense statement for the Project covering the applicable reporting period, a statement of balances, deposits and withdrawals from all Accounts, line item statements of Project Expenses, Project Income, Partnership Fees (if any), Residual Receipts and any Distributions made, evidence of required insurance, a description of marketing activities and a rent roll, no later than one hundred fifty (150) days after the end of Borrower's fiscal year. The Annual Monitoring Report will be in substantially the form attached as **Exhibit G** or as later modified during the Compliance Term.
- 10.4 <u>Capital Needs Assessment</u>. In accordance with the CNA Policy, Borrower will deliver to MOHCD an updated CNA every five (5) years after the Completion Date for approval.
- 10.5 <u>Project Completion Report</u>. Within the specific time periods set forth below after the completion of rehabilitation or construction, the lease-up and/or permanent financing of the Project, as applicable, Borrower will provide to the City the reports listed below certified by

Borrower to be complete and accurate. Subsequent to the required submission of the reports listed below, Borrower will provide to the City information or documents reasonably requested by the City to assist in the City's review and analysis of the submitted reports:

- (a) within <u>ninety</u> (90) days after the Completion Date, a draft cost certification (or other similar project audit performed by an independent certified public accountant) identifying the sources and uses of all Project funds including the Funds;
- (b) within one hundred-eighty (180) days after the Completion Date, a report on compliance with the applicable requirements under **Section 5.1** of this Agreement, including the type of work and the dollar value of such work; and
- (c) within <u>ninety</u> (90) days after the Completion Date, a report demonstrating compliance with all requirements regarding relocation, including the names of all individuals or businesses occupying the Site on the date of the submission of the application for Funds, those moving in after that date, and those occupying the Site upon completion of the Project.
- 10.6 <u>Response to Inquiries</u>. At the request of the City, its agents, employees or attorneys, Borrower will respond promptly and specifically to questions relating to the income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the status of any mortgage encumbering the Project and any other requested information with respect to Borrower or the Project.
- 10.7 <u>Delivery of Records</u>. At the request of the City, made through its agents, employees, officers or attorneys, Borrower will provide the City with copies of each of the following documents, certified in writing by Borrower to be complete and accurate:
- (a) all tax returns filed with the United States Internal Revenue Service, the California Franchise Tax Board and/or the California State Board of Equalization on behalf of Borrower and any general partner or manager of Borrower;
- (b) all certified financial statements of Borrower and, if applicable, its general partner or manager, the accuracy of which will be certified by an auditor satisfactory to the City; and
- (c) any other records related to Borrower's ownership structure and the use and occupancy of the Site.
- 10.8 Access to the Project and Other Project Books and Records. In addition to Borrower's obligations under Sections 2.4, 10.1, 10.2, 10.3, 10.4, 10.5, 10.6 and 10.7 and any other obligations to provide reports or maintain records in any City Document, Borrower agrees that duly authorized representatives of the City will have: (a) access to the Project throughout the Compliance Term to monitor the progress of work on the Project and compliance by Borrower with the terms of this Agreement; and (b) access to and the right to inspect, copy, audit and examine all books, records and other documents Borrower is required to keep at all

reasonable times, following reasonable notice, for the retention period required under **Section 10.9.**

10.9 <u>Records Retention</u>. Borrower will retain all records required for the periods required under applicable Laws.

ARTICLE 11 USE OF INCOME FROM OPERATIONS.

11.1 Project Operating Account.

- (a) Borrower will deposit all Project Income promptly after receipt into a segregated depository account (the "Project Operating Account") established exclusively for the Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account solely for the payment of Project Expenses and Partnership Fees. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.
- (b) Borrower will keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower will provide copies of the records to the City upon request.

ARTICLE 12 REQUIRED RESERVES.

12.1 Replacement Reserve Account.

- (a) Commencing no later than sixty (60) days after the Completion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interest-bearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15th day of each month following establishment of the Replacement Reserve Account, Borrower will make monthly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary.
- (b) Monthly deposits will equal the lesser of: (i) $1/12^{th}$ of 0.6% of Replacement Cost; or (ii) $1/12^{th}$ of the following amount: \$37,000.

After the Project's first five (5) years of operation, Borrower may request adjustments every five (5) years based on its most recently approved CNA.

(c) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve

the Project. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval.

12.2 Operating Reserve Account.

- (a) Commencing no later than sixty (60) days after the Completion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interest-bearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to twenty-five percent (25%) of the approved budget for Project Expenses for the first full year of operation of the Project. The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary.
- (b) No less than annually after establishing the Operating Reserve Account and continuing until the Compliance Term has expired, Borrower will make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses.
- (c) Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.

ARTICLE 13 DISTRIBUTIONS.

- 13.1 <u>Definition</u>. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management and approved deferred Developer Fees or other services performed in connection with the Project.
- 13.2 <u>Conditions to Distributions</u>. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

- 13.3 <u>Prohibited Distributions</u>. No Distribution may be made in the following circumstances:
- (a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or
- (b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or
- (c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or
- (d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or
- (e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or
- (f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time from and after the closing date of Borrower's financing for construction or rehabilitation of the Project that the City determines the Loan is out of balance) under any City Document.
- 13.4 <u>Borrower's Use of Residual Receipts for Development</u>. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval Borrower may retain a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as **Exhibit P**. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Note.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 <u>Distribution and Use</u>. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower will allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower will notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

ARTICLE 15 DEVELOPER FEES.

15.1 <u>Amount</u>. The City has approved the payment of development fees from the Loan in an amount not to exceed Five Hundred Forty Nine Thousand Five Hundred Ninety Two and No/100 Dollars (\$549,592.00) for predevelopment of the Project prior to the closing date of

Borrower's financing for construction or rehabilitation of the Project and may be entitled to receive additional fees for developing the Project (collectively, "Developer Fees"), subject to the Developer Fee Policy. A portion, \$55,592, of this amount, has already been paid. Borrower agrees to limit the Developer's use of Developer Fee to pay only for eligible activities including, but not limited to, the following:

- (a) Developer's organizational capacity building and maintenance programs; working capital; housing development production and related programs; physical improvements to existing housing owned or sponsored by Developer; increasing housing operations and asset management activities; improving tenant improvements or commercial space in existing housing owned or sponsored by Developer; funding community facilities associated with existing housing owned or sponsored by Developer providing supplemental tenant rental assistance for existing housing owned or sponsored by Developer; or programs supporting the welfare of residents residing in existing housing owned or sponsored by Developer; and
- (b) Predevelopment, preconstruction and construction costs, including reasonable administrative expenses, of future affordable housing development sponsored by Developer in San Francisco.
- 15.2 <u>Fee Payment Schedule</u>. Developer will receive payment of the Developer Fees as follows:

TOTAL Predev Period Project Management Fee:	\$549,592	100%
Submission of HCD funding application (HAF funded)	\$55,592 (paid)	10%
Predevelopment loan closing MOHCD Funds	\$220,000	40%
Submission of CDLAC / TCAC application	\$220,000	40%
CDLAC / TCAC Award	\$54,000	10%

	\$55,592	10%

ARTICLE 16 TRANSFERS.

16.1 <u>Permitted Transfers/Consent</u>. Borrower will not cause or permit any voluntary transfer, assignment or encumbrance of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than:

(a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as

approved by the City on terms and in amounts as approved by City in its reasonable discretion; (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity or is the manager of a limited liability company that is the sole general partner or manager of that entity; (d) transfers of the general partnership or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Borrower to an investor pursuant to the tax credit syndication of the Project; (f) the grant or exercise of an option agreement between Borrower and Borrower's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project where such agreement has been previously approved in writing by the City; or (g) to remove or replace the General Partner in accordance with the terms of the Partnership Agreement, a transfer of any general partnership interest to a new general partner approved in advance by the City. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

ARTICLE 17 INSURANCE AND BONDS; INDEMNITY.

- 17.1 <u>Borrower's Insurance</u>. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower will procure and keep in effect, and cause its contractors and subcontractors to obtain and maintain at all times during any work or construction activities on the Property, the insurance and bonds as set forth in **Exhibit L** from the Agreement Date until the expiration of the Compliance Term at no expense to the City.
- Borrower's Indemnity Obligations. Borrower will indemnify, protect, defend and 17.2 hold harmless each of the Indemnitees from and against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in Article 18 below); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) from and after the date Borrower acquires Control of the Site, injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) from and after the date Borrower acquires Control of the Site, any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site (from and after the date Borrower acquires Control of the Site), or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, from and after the date Borrower acquires Control of the Site, until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable

Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring from and after the date Borrower acquires Control of the Site and before the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under **Sections 9.1, 9.2** and **18.2**; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct.

- Duty to Defend. Borrower acknowledges and agrees that its obligation to defend the Indemnitees under Section 17.2: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of **Section 17.2**, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Borrower by the Indemnitee and continues at all times thereafter. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower will answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The Indemnitee will give Borrower prompt notice of any Loss and Borrower has the right to defend, settle and compromise any such Loss; provided, however, that the Indemnitee has the right to retain its own counsel at the expense of Borrower if representation of such Indemnitee by the counsel retained by Borrower would be inappropriate due to conflicts of interest between such Indemnitee and Borrower. An Indemnitee's failure to notify Borrower promptly of any Loss does not relieve Borrower of any liability to such Indemnity under Section 17.2, unless such failure materially impairs Borrower's ability to defend such Loss. Borrower will seek the Indemnified Party's prior written consent to settle or compromise any Loss if Borrower contends that such Indemnitee shares in liability with respect thereto.
- 17.4 <u>No Limitation</u>. Borrower's obligations under **Section 17.2** are not limited by the insurance requirements under this Agreement.
- 17.5 <u>Survival</u>. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

ARTICLE 18 HAZARDOUS SUBSTANCES.

18.1 <u>Borrower's Representations</u>. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the Phase I

Environmental Site Assessment Report dated June 30, 2023 by AES Engineering, Inc. or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

18.2 <u>Covenant</u>. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower will: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; *provided further* that prior to the date Borrower acquires Control of the Site, compliance under 18.2(a) will apply to activities of Borrower or Borrower's agents, employees, contractors and invitees in connection with the Site and the Project, including any activities conducted under the License Agreement, and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

ARTICLE 19 DEFAULT.

- 19.1 <u>Event of Default</u>. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:
- (a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or
- [(b) Prior to the date on which Borrower acquires Control of the Site, any lien resulting from any act or omission of the Borrower or Borrower's agents, employees, contractors or invitees is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty

- (60) days to cure the default, or any longer period of time deemed necessary by the City, provided that Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or
- (c) After Borrower acquires Control of the Site, any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, provided that Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or]

- 19.2 <u>Remedies</u>. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:
- (a) The City at its option may declare the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.
- (b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the Deed of Trust or Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the Deed of Trust or Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.
- (c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.

- (g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Note, even if it causes the principal balance to exceed the face amount of the Note, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.
- 19.3 <u>Force Majeure</u>. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials

ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

- 20.1 <u>Borrower Representations and Warranties</u>. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

- (b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.
- (c) No action, suit or proceeding is pending or threatened that might affect Borrower or the Project adversely in any material respect.
- (d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

Further, Borrower certifies that neither it nor any of its principals is listed by the General Services Administration as debarred, suspended, ineligible or voluntarily excluded from receiving the Funds on the Agreement Date. In addition, Borrower will review the list to ensure that any contractor or subcontractor who bids for a contract in excess of \$100,000 is not debarred, suspended, ineligible or voluntarily excluded from participating in federal programs and activities in addition to obtaining the certification of each contractor or subcontractor whose bid is accepted.
- (f) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

(g) The Borrower is duly organized and in good standing under applicable laws of the State of California and is qualified to do business in the City and County of San Francisco.

ARTICLE 22 GENERAL PROVISIONS.

- 22.1 <u>Subordination</u>. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "**Senior Lien**"), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval. The Declaration of Restrictions will not be subordinated to any financing secured by and used for the Project.
- 22.2 <u>No Third Party Beneficiaries</u>. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.
- 22.3 <u>No Claims by Third Parties</u>. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower will include this requirement as a provision in any contracts for the development of the Project.
- 22.4 <u>Entire Agreement</u>. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.
- 22.5 <u>City Obligations</u>. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.
- 22.6 <u>Borrower Solely Responsible</u>. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's

performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

- 22.7 <u>No Inconsistent Agreements</u>. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.
- 22.8 <u>Inconsistencies in City Documents</u>. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided*, *however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.
- 22.9 Governing Law; Venue. This Agreement is governed by California law and the City's Charter and Municipal Code without regard to its choice of law rules. Any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Agreement has been brought in an inconvenient forum. The Parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to Federal Court.
- 22.10 <u>Joint and Several Liability</u>. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.
- 22.11 <u>Successors</u>. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

22.12 Reserved.

- 22.13 <u>Severability</u>. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.
- 22.14 <u>Time</u>. Time is of the essence in this Agreement. Whenever the date on which an action will be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

- 22.15 <u>Further Assurances</u>. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.
- 22.16 <u>Binding Covenants</u>. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests (other than Tenants and approved commercial tenants), in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.
- 22.17 <u>Consent</u>. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.
- 22.18 <u>Counterparts</u>. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.
- 22.19 <u>Borrower's Personnel</u>. The Project will be implemented only by competent personnel under the direction and supervision of Borrower.
- 22.20 <u>Borrower's Board of Directors</u>. Borrower, or Borrower's manager or general partner, as applicable, will at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors will meet regularly and maintain appropriate membership, as established in the bylaws and other governing documents of Borrower, Borrower's manager or Borrower's general partner, as applicable, and will adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such board of directors will exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.
- 22.21 Ownership of Results. Any interest of Borrower or any sub-borrower, in drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, or other documents or Publications prepared by or on behalf of Borrower or any sub-borrower in connection with this Agreement, the implementation of the Project, the services to be performed under this Agreement, or acquired through the use of any Loan proceeds ("Work Product"), is hereby pledged to City as security for Borrower's obligations under this Agreement and the Note, and upon an Event of Default, will become the property of and be promptly transmitted by Borrower to the City. Notwithstanding the foregoing, Borrower may retain and use copies for reference and as documentation of its experience and capabilities.

This Agreement constitutes a security agreement under the California Uniform Commercial Code, as it may be amended from time to time, and Borrower authorizes City to file any financing statements City elects and deems necessary to perfect its security interest in the Work Product.

22.22 Works for Hire. If, in connection with this Agreement or the implementation of the Project, Borrower or any sub-borrower creates artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship or Publications, such creations will be works for hire as defined under Title 17 of the United States Code, and all copyrights in such creations will be the property of the City. If it is ever determined that any such creations are not works for hire under applicable law, Borrower hereby assigns all copyrights thereto to the City, and agrees to provide any material, execute such documents and take such other actions as may be necessary or desirable to effect such assignment. With the prior written approval of the City, Borrower may retain and use copies of such creations for reference and as documentation of its experience and capabilities. Borrower will obtain all releases, assignments or other agreements from sub-borrowers or other persons or entities implementing the Project to ensure that the City obtains the rights set forth in this Section.

EXHIBIT D

First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83). Borrower will, or will require its general contractor to, separately execute a First Source Hiring Agreement with the City as set forth below, although the lack of such a separate execution will not affect the requirements of Chapter 83 as incorporated herein.

- A. <u>Incorporation of Administrative Code Provisions by Reference</u>. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor will comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement have the meanings assigned to such terms in Chapter 83.
- B. <u>First Source Hiring Agreement</u>. On or before the effective date of the Ground Lease, Borrower will, or will require its general contractor to, enter into a first source hiring agreement ("FSH Agreement") with the City, that will include the terms as set forth in Section 83.9(b). Borrower also enter into a FSH Agreement with the City for any other work that it performs in the City.
- C. <u>Hiring Decisions</u>. Borrower or its general contractor will make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- D. <u>Exceptions</u>. Upon application by Contractor, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.
- E. <u>Liquidated Damages</u>. Borrower agrees:
 - 1. To be liable to the City for liquidated damages as provided in this Section;
 - 2. To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this Section;
 - 3. That the Borrower's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result

of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

- 4. That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
- 5. That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this Section is based on the following data:
 - a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
 - b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to a contractor and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.
- 6. That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and
- 7. That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City's costs and reasonable attorney's fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors will be made by the FSHA.

F. <u>Subcontracts</u>. Any subcontract entered into by Borrower or its general contractor will require the subcontractor to comply with the requirements of Chapter 83 and will contain contractual obligations substantially the same as those set forth in this Section.

EXHIBIT E

Governmental Requirements

- Prevailing Wages and Working Conditions. Any undefined, initiallycapitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 6.1. Every contract for the rehabilitation or construction of housing assisted with Funds must comply with Chapter I (commencing with Section 1720) of Part 7 of the California Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) and contain a provision requiring: (1) the payment of not less than the Prevailing Rate of Wage to all laborers and mechanics employed in the development of any part of the housing, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with state law and San Francisco Administrative Code Section 6.22(n), (collectively, "Prevailing Wage Requirements"). The Prevailing Wage Requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units. Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. If applicable, Borrower must include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Chapter 6.
- 2. <u>Environmental Review</u>. The Project will meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

- Except for approved eligible administrative or personnel costs, no (a) employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower will incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower will take prompt and diligent action to cause the breach to be remedied and compliance to be restored.
- (b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.
- (c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.
- 4. <u>Disability Access</u>. Borrower will comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower will provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.
- 5. <u>Lead-Based Paint</u>. Borrower will satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower will also comply with the

provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

- 6. <u>Relocation</u>. Borrower will comply with any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws.
- 7. <u>Low-Income Hiring Requirements</u>. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83). To ensure compliance with those requirements, Borrower must include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

8. Non-Discrimination in City Contracts and Benefits Ordinance.

- (a) <u>Borrower Will Not Discriminate</u>. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) <u>Subcontracts</u>. Borrower will incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.
- (c) <u>Non-Discrimination in Benefits</u>. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

- (d) <u>Condition to Contract</u>. As a condition to this Agreement, Borrower will execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.
- (e) <u>Incorporation of Administrative Code Provisions by Reference.</u>
 The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower will comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.
- 9. <u>MacBride Principles</u>. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.
- 10. <u>Tropical Hardwood & Virgin Redwood Ban.</u> Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" will mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" will mean a pressure-treated wood that is

used for construction purposes or facilities that are partially or totally immersed in saltwater.

- 12. <u>Submitting False Claims; Monetary Penalties</u>. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim will be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:
- (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;
- (b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;
- (c) conspires to defraud the City by getting a false claim allowed or paid by the City;
- (d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or
- (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

- (a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, will be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.
- (b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable. By executing this Agreement, Borrower agrees to open its meetings and

records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the San Francisco Administrative Code. Borrower further agrees to make good faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Borrower acknowledges that its material failure to comply with any of the provisions of this paragraph will constitute a material breach of this Agreement. Borrower further acknowledges that such material breach of the Agreement will be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

- (c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower will notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.
- 14. <u>Prohibition on Use of Public Funds for Political Activities.</u> Borrower will comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.
- 15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12.M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter will be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.
- 16. <u>Graffiti Removal</u>. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other

properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti will be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

- Borrower will remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" will not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).
- (b) Any failure of Borrower to comply with this section of this Agreement will constitute an Event of Default of this Agreement.
- 17. <u>Resource-Efficient Building Ordinance</u>. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it will comply with the applicable provisions of such code sections as such sections may apply to the Property.
 - 18. Consideration of Criminal History in Hiring and Employment Decisions.
- (a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower's obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement will have the meanings assigned to such terms in Chapter 12T.
- (b) The requirements of Chapter 12T will only apply to a Borrower's or Subcontractor's operations to the extent those operations are in furtherance of the

performance of this Agreement, will apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, will apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and will not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

- (c) Borrower will incorporate by reference in all subcontracts the provisions of Chapter 12T, and will require all subcontractors to comply with such provisions. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.
- (d) Borrower or Subcontractor will not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.
- (e) Borrower or Subcontractor will not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor will not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
- (f) Borrower or Subcontractor will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.
- (g) Borrower and Subcontractors will post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.
- (h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.
- 19. <u>Food Service Waste Reduction Requirements</u>. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction

Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount will not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

- 20. <u>Bottled Drinking Water</u>. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.
- 21. Public Power. From and after the effective date of the Ground Lease, Borrower will procure water and sewer service from the City and electricity, telephone, natural gas, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. From and after the effective date of the Ground Lease, as between the City and Borrower, Borrower will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. All electricity necessary for operations on the Site will be purchased from the San Francisco Public Utilities Commission ("PUC"), at PUC's standard rates charged to third parties, unless PUC determines, in its sole judgment, that it is not feasible to provide such service to the Premises. PUC is the provider of electric services to City property, and the Interconnection Services Department of SFPUC's Power Enterprise coordinates with Pacific Gas and Electric Company and others to implement this service. To arrange for electric service to the Site, Borrower will contact the Interconnection Services Department in the Power Enterprise of the SFPUC.
- 22. <u>Local Business Enterprise and Non-Discrimination in Contracting Ordinance</u>. Borrower will comply with the applicable requirements of the Local Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance under Administrative Code Chapter 14B ("LBE Ordinance") and will incorporate such requirements in contracts with any Contractors and Subcontractors.

Form of Annual Monitoring Report

Mayor's Office of Housing and Community Development

City and County of San Francisco

London N. BreedMayor

Eric D. Shaw Director

October 21, 2020

Notice of Availability of 2020 Annual Monitoring Report Form

(plus reminders of Marketing Procedure and Serious Incident Protocol)

The Mayor's Office of Housing and Community Development (MOHCD) is pleased to announce the availability of the Annual Monitoring Report (AMR) forms for Reporting Year 2020 (RY2020). The forms are now available to be downloaded from the <u>Asset Management page</u> of the MOHCD web site. In addition, training videos on how to complete the AMR are available. See below for more information.

IMPORTANT INFORMATION RELATED TO COVID-19

MOHCD recognizes the impact that the COVID-19 crisis is having on the organizations that we support, especially those providing essential services. It is vitally important to take measures to protect your staff, residents and clients from contracting and spreading COVID-19. We urge all affordable housing owners and managers to follow the guidelines, recommendations and orders from the U.S. Centers for Disease Control, the State of California and the San Francisco Department of Public Health. MOHCD is also taking action to address the needs of the projects under our purview:

- MOHCD <u>published a memo</u> clarifying MOHCD's current Operating Reserves requirements.
- MOHCD extended the 2020 AMR due date by one month (see below for detailed info) for projects whose business year ran from 7/1/2019 to 6/30/2020.

MOHCD is allowing project sponsors to retain a larger share of 2020 surplus cash/residual receipts than is allowed under their financing agreements with MOHCD. For more information, read the notice regarding the COVID-19 Allowance. This opportunity is limited to projects whose business year ran from 7/1/2019 to 6/30/2020. The COVID-19 Allowance may not be available to some projects that are subject to MOHCD financing, regulatory or ground lease agreements that include limits on distributions of surplus cash/residual receipts. To benefit from the Allowance, owners of such projects will have to request amendments to those agreements that would remove such limits. For more information, read the "Notice Regarding Option to Remove Caps on Distributions of Residual Receipts."

If this crisis is preventing you from responding thoroughly and quickly to any request from MOHCD, please do whatever you can to let us know of your limitations and to propose alternatives. Thank you for everything that you are doing on behalf of the people your organization serves and for all of the people of San Francisco.

Deadline: For projects whose business year ended June 30, 2020, the report will be due on January 8, 2021, for the period 7/1/2019-6/30/2020, unless noted otherwise in a project-specific notice sent by MOHCD. For any projects whose 2020 business year ended or will end on different dates than those above, the report will be due 5 months from the last date of that business year.

Completion and Submission Instructions

The Annual Monitoring Report consists of the following four parts:

I. AMR_RY2020 – project name.xlsx – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

Instructions

1A. Property & Residents

1B. Transitional Programs

1C. Eviction Data

2. Fiscal Activity

3A. Occupancy & Rent Info

3B. Demographic Information

3C. Demographic Summary

4. Narrative

5. Project Financing

6. Services Funding

7. Supplementary Audit Information

Required by MOHCD

Completeness Tracker

Provide all applicable information that is requested in worksheets 1-7. Use the Instructions to help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. Failure to supply the required explanation will render your submission incomplete.

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR_RY2020.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

II. Owner Compliance Certification Form and Documentation of Insurance

The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance and property insurance that are current as of the date of submittal of the AMR.

III. Audited Financial Statements

Provide financial statements for the project for Reporting Year 2020. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "Audit Requirements for MOHCD-Funded Projects" a copy of which is posted on MOHCD's Asset Management web page. If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.

MOHCD's audit requirements call for the preparation of a supplemental section to the financial statements that includes the following:

- schedule of operating revenues
- schedule of operating expenses
- computation of cash flow/surplus cash
- summary of project reserve activity

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

IMPORTANT: Audited financial statements are a required submittal of the Annual Monitoring Report. Do not submit the AMR until the audit has been finalized. AMRs that are submitted without an audit or with a draft audit will not be accepted.

IV. Waiting List

Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit:

- name of head-of-household
- contact information
- date of application
- number of people in the household

- stated household income
- desired unit size

This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via one email message per project to moh.amr@sfgov.org. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

AMR Training - On-Demand Videos

To facilitate completion of the AMR by project sponsors, MOHCD has created training videos that provide step-by-step instructions on how to complete the Excel reporting form and how to submit the report overall. There are ten video modules that vary in length from two to 30 minutes and may be viewed on-demand from the <u>Asset Management page</u> of the MOHCD web site. We strongly encourage all persons who are involved in preparing the AMR to watch the videos. If you experience any technical difficulties with accessing and viewing the videos, please contact Ricky Lam at <u>ricky.lam@sfqov.org</u> or 415-701-5542.

Marketing Procedure for Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers *must* notify MOHCD of this action by completing a Marketing Plan Template and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the Asset Management page of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the waiting list on DAHLIA – the City's internet portal where members of the public may get information and apply for affordable housing. General information for people seeking affordable housing in San Francisco can also be found on our web site at this location.

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

MOHCD requests that owners of projects financed by this office notify us in writing if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- **Application Materials**. MOHCD will provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable,
- **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants will be offered the opportunity for an interview in lottery rank order.
- **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information will be retained for 12 months after the final applicant interview.
- **Delays in the Process**. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider will immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

¹See for e.g., Title VIII of the Civil Rights Act of 1968 (Fair Housing Act), 42 U.S.C. §§ 3601, et seq.; 24 C.F.R. Part 100; Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d-2000d-7; Executive Order 13,166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000); Department of Housing and Urban Development Limited English Proficiency Guidance, 72 Fed. Reg. 2732 (Jan. 22, 2007); Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; 24 C.F.R. Parts 8 and 9; Title II of the Americans with Disabilities Act of 1990, as amended; California Fair Employment and Housing Act, Gov't Code §§ 12,955-12,956.2; Unruh Civil Rights Act, Civil Code § 51; California Disabled Persons Act, Civil Code § 51.4; Dymally-Alatorre Bilingual Services Act, Gov't Code §7290-7299.8; San Francisco Language Access Ordinance, No. 202-09 (April 14, 2009)

- **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider will immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- <u>Limited English Proficiency Policy</u>. Throughout the application process, the housing provider will comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider will respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider will grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection will explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider will:
 - o Hold a comparable unit for the household during the entire appeal process.
 - o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - o give applicants denied admission a date within which to file the appeal, which will be at least ten (10) business days from the date of the notice;
 - o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - o confine the subject of the appeal to the reason for denial listed in the notice;
 - o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - o within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision will be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers will not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers will not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - o juvenile adjudications.
- Housing providers will consider:
 - o the individual circumstances of each applicant; and
 - o the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which will be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - o mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;

Developer Fee Policy

Mayor's Office of Housing and Community Development Policy on Development Fees For Tax Credit Projects Effective October 16, 2020

This MOHCD Policy on Development Fees for Tax Credit Projects applies to all developments seeking City funding in conjunction with new Tax Credit financing for the current project, including recapitalization projects with existing MOHCD loans. This does not apply to non-Tax Credit projects such as Small Sites Program (SSP) projects, which are subject to the SSP Program Guidelines. It also does not apply to HOPE SF or RAD projects, which are subject to separate developer fee policies.

Developers may include fees in their project budgets according to the terms below.

- **I. MINIMUM FEES:** 5% of total development costs.
- **II. MAXIMUM FEES:** Notwithstanding any other section of this Policy, the maximum Total Fee that may be included in basis is the Tax Credit limit (currently 15% of Eligible Basis) subject to the additional limitations identified below.

A. <u>Total Development Fee</u>

("Total Fee") for different project types are further detailed below, and reflect the sum of the Cash-Out Fee (Base, Additional, and Deferred) and Non Cash-Out Fee (Deferred and General Partner Equity Contribution).

B. Fee Components

1. Cash-Out Fee (Base and Additional)

	9% Project -		
	Maximum	4% Project - Maximum	
Project Type	Cash-Out Fee	Cash-Out Fee	Notes
New Construction	TCAC Maximum	The lesser of TCAC Maximum or \$2,200,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	
Newly Acquired and Substantially Rehabilitated (Per unit Hard Cost >= \$75,000)	TCAC Maximum	Same as new construction fee.	-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.
Substantial Rehabilitation (Per unit Hard Cost >=\$75,000) by Existing or Affiliate GP Includes New City Funds or Re-structured City Debt	50% TCAC Maximum	The lesser of TCAC maximum or \$1,100,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	-Sponsor may take the allowable fee for Newly Acquired and Rehabilitated projects described above if 1) in the project's original syndication, sponsor did not take the maximum allowable developer fee; or 2) sponsor adds new affordable units to the project.

			-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U. -Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.
Recapitalization, acquisition, or transfer with less than \$75,000 Per unit hard cost capital improvements	No Fee	No Fee	-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U. -Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.

- a. A note about Cash-Out Additional Fee: If Eligible Basis is less than Threshold Basis, projects over 100 units may take up to \$10,000 per unit over 100 as cash-out fee, but only if such cash payment does not require additional gap funding from MOHCD (see MOHCD Application, Tab 8-DevFeeCalc, for calculation).
- 2. <u>Cash-Out Fee (Deferred)</u>: If Eligible Basis is less than Threshold Basis, Developers may include a Cash-Out Deferred Fee component in the Total Fee up to the aggregate of 50% of surplus cash flow taken over the project's first 15 years of operation (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable). Cash-Out Deferred Fee is shown as both a source and a use of funds in the capital budget. Developers may use industry standard inflators of income and expenses to calculate Cash-Out Deferred Fee.
 - a. Distributions of surplus cash as Deferred Fee are in lieu of (not in addition to) the typical 33.3% distribution of surplus cash to the Sponsor. At Year 15 of operations, or earlier if the Deferred Fee is fully repaid before then, a surplus cash distribution shall commence at 33.3% of surplus cash (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable).
 - b. For projects supported by the Local Operating Subsidy Program, Cash-Out Deferred Fee must be taken over a minimum time period of 5 years.
- 3. Non-Cash Out Fee (Deferred and General Partner Equity Contribution): Where Eligible Basis is less than Threshold Basis, Developers should include in Total Fee the maximum amount available for re-contribution as General Partner Equity or as Non-Cash Out Deferred Fee. It is

MOHCD's intent to use Deferred Fee and General Partner Equity Contribution up to 15% of Eligible Basis to reduce MOHCD's overall contribution to projects, so that MOHCD may invest its funds in the most projects possible. MOHCD will work with developers, lenders, and investors to ensure that the developer fee structure meets MOHCD financing goals and feasibility considerations.

4. Commercial Developer Fee is not addressed in this Policy. Please see MOHCD's Commercial Underwriting Guidelines for information regarding development fees associated with Commercial, Community Serving Commercial, and Public Benefit Use spaces.

III. FEE DISTRIBUTION: The Cash-Out Base Fee shall be divided equally between "Project Management Fee" and "At-Risk Fee" (subject to the "At-Risk Fee Adjustment" described below). Any Cash-Out Additional Fee will be distributed as At-Risk Fee. Cash-Out Fees (Base and Additional) shall be distributed according to achievement of certain development milestones, as follows:

Example below assumes Base Fee is \$2.2 M and Additional Fee is \$300,000.

A. At-Risk Fee Adjustment

When outside funding sources limit the Cash Out Fee to a value less than allowed under this Policy (e.g., California's Department of Housing and Community Development), the Developer may still be paid a maximum of \$1.1M as a Project Management Fee and the At-Risk Fee shall be reduced to bring the total Cash-Out Fee (Base and Additional) in line with the outside funding source cap.

IV. WAIVERS OF THE DEVELOPER FEE POLICY

The Citywide Affordable Housing Loan Committee may approve a waiver or modification of any portion of this Policy for the purpose of assuring project feasibility. All recommendations related to this Policy are subject to the Mayor's approval in his or her sole discretion.

V. CDBG or HOME REQUIREMENTS

If MOHCD uses CDBG or HOME funds to pay the development fee, it is considered "program income", and, should MOHCD request it, the Sponsor must provide a report to MOHCD on its use of developer fees.

Recipients of CDBG administrative funding may not also receive a Project Management Fee for the same project covering the same time period.

VI. POLICY IMPLEMENTATION

This Policy applies to any development that has not received its gap financing commitment or debt restructuring approval from MOHCD by the effective date of the Policy.

Hold Harmless Policy for MOHCD's Income Limits & Maximum Rents Effective: 5/3/2019 (update to the initial policy that was effective 2/19/2016)

Background

Every year, the United States Department of Housing and Urban Development ("HUD") publishes area median income ("AMI") data for jurisdictions across the United States. The City and County of San Francisco, acting through its Mayor's Office of Housing and Community Development ("MOHCD"), is a part of the San Francisco HUD Metropolitan Fair Market Rent Area ("SF HMFA"), which contains San Francisco, San Mateo and Marin County. MOHCD uses HUD's unadjusted AMI for SF HMFA as opposed to adjusted AMI, which is inflated to reflect high cost factors, to establish the income limits, maximum rents and sales prices that apply to affordable housing projects and programs regulated by MOHCD.

In 2016, MOHCD established a Hold Harmless Policy which stated that in any year when AMI decreased, MOHCD would maintain the income limits, maximum rents and sales prices at the previous year's levels in order to protect the operational integrity of affordable and inclusionary housing developments.

Purpose

This update to the Hold Harmless Policy (this "Policy") adds a limit to annual increases to income limits, maximum rents and sales prices published by MOHCD in order to mitigate the significant financial burden on low- and moderate-income tenants and homebuyers during periods of high escalation of AMI in San Francisco.

This Policy establishes the following:

- Limit annual increases to income limits, maximum rents, and sale prices to a maximum of 4%i
- Uphold the current policy of maintaining income limits, maximum rents and sales prices at the previous year's levels in years when AMI, as published by HUD, has decreased.

This Policy is intended to limit harm by:

- 1. Protecting tenants from displacement due to annual rent increases that would cause a significant financial burden; and
- 2. Protecting the operational integrity of housing developments so that owners are able to cover operating costs that typically increase annually, even when AMI decreases; and

3. Ensuring that San Francisco's low-, moderate- and middle-income workforce retain access to homeownership opportunities.

Hold Harmless Limits

For the purpose of this Policy:

"HUD SF AMI" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD, derived from the median income determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as "Unadjusted Median Income".

"MOHCD AMI" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD under this Policy.

"Housing Provider" means any person or entity that owns a multi-family property that is restricted for the purpose of affordable housing and/or subject to MOHCD administration, regulations, or policies.

<u>Limited Increases</u>: Annual increases to MOHCD AMI shall be limited to the <u>lesser of</u>: (1) the percentage amount necessary to adjust MOHCD AMI to match the then-current year's HUD SF AMI, or (2) four percent (4%)ⁱ. This Policy limits year-over-year increases to MOHCD AMI to 4% in periods of high HUD SF AMI escalation, while allowing MOHCD AMI to "catch up" to HUD SF AMI during periods when HUD SF AMI grows slowly, is static, or decreases.

<u>Limited Decreases</u>: This update to the Policy does not eliminate the Hold Harmless Policy adopted in 2016. In years when the MOHCD AMI matches the HUD SF AMI, and the subsequent year's HUD SF AMI decreases, MOHCD will maintain the MOHCD AMI from the previous year. If, in subsequent years, HUD SF AMI decreases again, stays flat, or increases to a level that is still lower than before the initial decrease, MOHCD will maintain its published AMI until such time as the HUD SF AMI increases to a level that is greater than the MOHCD AMI.

The application of this Policy may result in the creation of a calculation of MOHCD AMI that is different than the HUD SF AMI. The below chart demonstrates how this Policy would be applied over a hypothetical 6-year period:

	Base Year	Ye	ar 2	Ye	ear 3	Ye	ar 4	Ye	ar 5	Ye	ar 6
	AMI	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change
HUD SF AMI	100.0	108.0	8.0%	107	-0.9%	111	3.9%	109.0	-2.0%	112.5	3.2%
MOHCD AMI	100.0	104.0	4.0%	107	2.9%	111	3.9%	111	0.0%	112.5	1.2%

Utility Allowances

Notwithstanding anything to the contrary in this Policy, it is important to note that a Housing Provider will be required to lower net rents (i.e. tenant-paid rent) as the result of increases in utility allowances in years when the MOHCD AMI matches the HUD SF AMI, and HUD SF AMI has decreased or remained flat. MOHCD AMI establishes the limits for maximum gross rent (aka "Tier 2 rent" under the City's Inclusionary Housing Manual)," which consists of tenant rent plus utility allowance. If HUD SF AMI decreases or remains flat, and therefore MOHCD AMI remain the same as the previous year, an increase in the utility allowance means that the tenant rent would have to be lowered.

MOHCD Hold Harmless Policy – Update Effective 5/3/2019 Page 3 of 3

Limited Hardship Waiver

MOHCD will consider, in its sole discretion, a waiver of this Policy from a Housing Provider with rental units restricted under contracts (i.e., loan agreement, grant agreement, or other agreement for funding from the City) with MOHCD upon demonstration that: (1) the MOHCD AMI imposes a financial hardship that puts at risk the Housing Provider's ability to cover reasonable operating costs and debt service, (2) existing tenants will not be unreasonably financially burdened by the Housing Provider's proposed rent increases, and (3) the Housing Provider is not in default under any contract with MOHCD. Any waiver from this Policy approved by MOHCD, in its sole discretion, shall apply for only one year. Housing Providers are solely responsible for providing MOHCD with any documentation requested by MOHCD to support a hardship waiver of this Policy.

¹ The application of the 4% increase is made on the amount for the 100% AMI level for a 4-person family. MOHCD continues to using rounding to the nearest \$50 on the calculations for all of the other income levels and household sizes. The use of rounding may create nominal differences in the percentage increases for all of the other max income levels and household sizes, as well as for all of the maximum rents.

- (ii) for all other insurance under this Exhibit L, continuously through the Compliance Term and, without lapse, for a period of no less than three (3) years beyond the expiration of the Compliance Term, to the effect that, if any occurrences during the Compliance Term give rise to claims made after expiration of the Agreement, then those claims will be covered by the claims-made policies.

(e) <u>Additional Requirements</u>.

- (i) If any of the required insurance is provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit will be double the occurrence or claims limits specified above.
- (ii) Any and all insurance policies required under this Exhibit L will contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.
- (iii) On City's request, Borrower and City will periodically review the limits and types of insurance carried under this Exhibit L. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Borrower for risks comparable to those associated with the Permit Area, then City in its sole discretion may require Permittee to increase the amounts or coverage carried by Borrower to conform to the general commercial practice, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.
- (iv) Borrower's compliance with the insurance requirements under this Exhibit L will in no way relieve or decrease Borrower's indemnification obligations under this Agreement or any of Borrower's other obligations under this Agreement.

- (a) performance of all present and future obligations of Trustor set forth in the Agreement, specifically compliance with certain restrictions on the use of the Property recited in that certain Declaration of Restrictions executed by Trustor, dated as of the date of and being recorded concurrently with this Deed of Trust, as it may be amended from time to time, and the promissory note dated the date of this Deed of Trust, made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "Note") and performance of each agreement incorporated by reference, contained therein, or entered into in connection with the Agreement;
- (b) payment of the indebtedness evidenced by the Agreement and the Note in the original principal amount of Four Million Nine Hundred Forty Six Thousand Nine Hundred and No/100 Dollars (\$4,946,900.00) with interest, according to the terms of the Agreement and the Note; and
- (c) payment of any additional sums Trustor may borrow or receive from Beneficiary, when evidenced by another note (or any other instrument) reciting that payment is secured by this Deed of Trust.

3. Assignment of Rents.

- (a) <u>Assignment as Additional Security</u>. Trustor hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to the Rents as additional security for the Secured Obligations. Subject to the provisions of subsection 3(d) below, Beneficiary hereby confers upon Trustor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default exists and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.
- (b) <u>Collection and Application of Rents</u>. Subject to the License granted to Trustor under subsection 3(a) above, Beneficiary has the right, power, and authority to collect any and all Rents. Subject to the License granted to Trustor under subsection 3(a) above, Trustor hereby appoints Beneficiary its attorney-in-fact to perform any and all of the following acts, if and at the times when Beneficiary in its sole discretion may so choose:
 - 1. Demand, receive, and enforce payment of any and all Rents; or
 - 2. Give receipts, releases, and satisfactions for any and all Rents; or
 - 3. Sue either in the name of Trustor or in the name of Beneficiary for any and all Rents.

Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary's sole discretion, it may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents collected by it in the manner provided under this Deed of Trust. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder.

- (c) <u>Beneficiary Not Responsible</u>. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Real Property and Improvements, Beneficiary is not and shall not be deemed to be:
 - 1. A "mortgagee in possession" for any purpose; or
 - 2. Responsible for performing any of the obligations of the lessor under any lease; or
 - 3. Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or
 - 4. Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it.

- (d) <u>Election by Beneficiary</u>. Upon the occurrence and during the continuance of an Event of Default, Beneficiary, at its option, may exercise its s rights under this Section or otherwise provided under applicable law (including, but not limited to, under Section 2938 of the California Civil Code).
- 4. <u>Trustor's Covenants</u>. To protect the security of this Deed of Trust, Trustor agrees as follows:
- (a) to perform the Secured Obligations in accordance with their respective terms;
- (b) to keep the Land and the Improvements in good condition and repair, normal wear and tear and acts of God excepted; not to remove or demolish any Improvements without Beneficiary's prior written consent; to complete or restore promptly and in good and workmanlike manner any Improvement constructed, damaged or destroyed on the Land; to pay when due all claims for labor performed and materials furnished therefor, subject to Trustor's right to contest any claim in good faith; to comply with all laws affecting the Project, subject to Trustor's right to contest any claim in good faith; not to commit or permit waste with respect to the Land or the Improvements; not to commit, suffer or permit any act upon the Land or the Improvements in violation of law, including Environmental Laws; and to do all other acts made reasonably necessary by the character or use of the Land and the Improvements;
- (c) to provide, maintain and deliver to Beneficiary property and liability insurance as required under the Agreement and apply any insurance proceeds as provided below;
- (d) to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees and costs incurred in any such action or proceeding in which Beneficiary or Trustee may appear and in any suit brought by Beneficiary to foreclose this Deed of Trust following an Event of Default;
- (e) to pay in accordance with the Agreement, but in each case prior to delinquency: (i) all taxes and assessments affecting the Property, including assessments on appurtenant water stock; and (ii) all encumbrances, charges and liens, with interest, on the Property or any part thereof that appear to be prior or superior hereto;
- (f) should Trustor fail to make any payment or to do any act as herein provided, then, without: (i) obligation to do so; (ii) notice to or demand upon Trustor; or (iii) releasing Trustor from any obligation hereof, Beneficiary or Trustee may: (A) make or do the same in any manner and to the extent as it deems necessary to protect the security hereof; (B) appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; (C) pay, purchase, contest or compromise any encumbrance, charge or lien that in its judgment appears to be prior or superior hereto; and

- (D) in exercising these powers, pay necessary expenses, employ counsel and pay reasonable attorneys' fees and costs, and Trustor consents to Beneficiary's and/or Trustee's entry upon the Land and Improvements for any purpose set forth in this Subsection, including Beneficiary's exercise of its rights under California Code of Civil Procedure Section 564(c); and
- (g) to reimburse within five (5) days of demand all sums expended by Beneficiary or Trustee pursuant to this Deed of Trust, with interest at an annual rate of interest equal to the lesser of: (i) ten percent (10%); or (ii) the maximum lawful rate from date of expenditure to the date of payment.

5. Security Agreement and Fixture Filing.

(a) <u>Grant of Security Interest</u>. Without limiting any of the other provisions of this Deed of Trust, to secure the payment, performance and observance of the Secured Obligations, Trustor, as debtor (referred to in this Section 5 as "Debtor"), expressly grants to Beneficiary, as secured party (referred to in this Section 5 as "Secured Party"), a continuing security interest in all the Property (including now and hereafter existing) to the full extent that any portion of the Property may be subject to the Uniform Commercial Code. For purposes of this Section 5, "Collateral" means the personal property (tangible or intangible) and fixtures included in the Property.

(b) <u>Debtor's Covenants, Representations, and Warranties.</u>

- (i) Debtor covenants and agrees with Secured Party that:
- (1) In addition to any other remedies granted in this Deed of Trust to Secured Party or Trustee (including specifically, but not limited to, the right to proceed against the Property in accordance with the rights and remedies in respect of the Property that is real property under the Uniform Commercial Code), Secured Party may, if an Event of Defaults occurs and is continuing, proceed under the Uniform Commercial Code as to all or any part of the Collateral, and shall have and may exercise with respect to the Collateral all the rights, remedies, and powers of a secured party under the Uniform Commercial Code.
- (2) Without limiting the foregoing, Secured Party shall have the right upon any public sale or sales, and, to the extent permitted by law, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Debtor. Debtor further agrees to allow Secured Party to use or occupy the Property, without charge, for the purpose of effecting any of Secured Party's remedies in respect of the Collateral.
- (3) To the extent permitted by applicable law, Debtor waives all claims, damages, and demands against Secured Party arising out of the repossession, retention, or sale of the Collateral, except for claims, damages, and demands due to the active gross negligence or willful misconduct of Secured Party in dealing with such Collateral. Trustor agrees that Secured Party need not give more than five (5) days' notice of the time and place of any public sale or of the time at which a private sale will take place and that such notice is reasonable notification of such matters. Secured Party may disclaim any warranties that might arise in connection with the sale, lease, license, or other disposition of

the Collateral and have no obligation to provide any warranties at such time. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

- (4) To the extent permitted by law, Debtor hereby specifically waives all rights of redemption, stay, or appraisal which it has or may have under any law now existing or hereafter enacted.
- (ii) Debtor hereby authorizes Secured Party to file financing and continuation statements with respect to the Collateral as Secured Party may reasonably require.
- (iii) Debtor hereby represents and warrants that no financing statement is on file in any public office except as authorized by Secured Party. Debtor will at its own cost and expense, upon demand, furnish to Secured Party such further information and will execute and deliver to Secured Party financing statements and other documents in form reasonably satisfactory to Secured Party and will do all such acts that Secured Party may at any time or from time to time reasonably require to establish and maintain a perfected security interest in the Collateral as security for the Secured Obligations, subject only to liens or encumbrances approved by or benefiting Secured Party. Debtor will pay the actual expense of filing or recording such financing statements or other documents, and this instrument, as and where reasonably required by Secured Party.
- (iv) To the extent permitted by applicable law, the security interest created hereby is specifically intended to cover all rents, royalties, issues and profits, and all inventory accounts, accounts receivable and other revenues of the Property.
- (c) <u>Fixture Filing</u>. Certain of the Collateral is or will become "fixtures" (as that term is defined in the Uniform Commercial Code). This Deed of Trust, upon being filed for record in the real estate records of San Francisco County, shall operate also as a financing statement and fixture filing upon such of the Collateral that is or may become fixtures under the Uniform Commercial Code. Debtor's name and type and jurisdiction of entity are set forth in the introductory paragraph hereof. Debtor's address is set forth above. Debtor's EIN Number is 87-1537765. Secured Party's name and mailing address are set above.

6. <u>Insurance and Condemnation Proceeds</u>.

- (a) Trustor hereby assigns to Beneficiary any award of damages arising from the condemnation of all or any part of the Property for public use and any insurance proceeds arising from injury to all or any part of the Property or the Project.
- (b) Any condemnation award or insurance proceeds must be paid to Beneficiary or, if Beneficiary has consented to subordinate the lien of this Deed of Trust to

the lien of another lender for the Project, according to the provisions in the senior lender's loan documents.

- (c) If a condemnation award or insurance proceeds are paid to Beneficiary, Beneficiary will release or authorize the release of funds to Trustor, provided that the funds will be used for the reconstruction of the Project in accordance with: (i) projections demonstrating that reconstruction is economically feasible; and (ii) Trustor's construction budget, each of which must be satisfactory to Beneficiary in its reasonable discretion. In all other cases, Beneficiary may choose in its discretion to apply funds to Trustor's obligations under the Note and the Agreement or to any senior obligations, in accordance with the respective priorities of the approved lienholders as their interests may appear of record, with the remaining funds, if any, released to Trustor.
- (d) Trustor agrees that Beneficiary's application or release of funds pursuant to this Section will not cure or waive any default or Notice of Default (as defined below) or invalidate any act by Beneficiary performed following a default pursuant to any City Document unless the default has been cured by the application or release of funds.
 - 7. Further Agreements. Trustor further acknowledges and agrees as follows:
- (a) Beneficiary does not waive its right either to require prompt payment when due of all other sums secured by this Deed of Trust or to declare Trustor in default for failure to pay timely by accepting payment of any sum secured hereby after its due date.
- (b) Trustee may reconvey any part of the Property at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Note for endorsement without affecting the liability of any entity or person for payment of the indebtedness secured hereby.
- (c) Upon: (i) written request of Beneficiary stating that all obligations secured hereby have been paid or performed; (ii) Beneficiary's surrender of this Deed of Trust and the Note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose; and (iii) payment of its fees, if any, Trustee shall reconvey the Property then held hereunder without covenant or warranty.
- (d) Any voluntary or involuntary conveyance, sale, encumbrance, pledge or other transfer of all or any interest in the Property or in Trustor, including a security interest, in violation of the Agreement will constitute an Event of Default (as defined below) giving Beneficiary the right to exercise its remedies at law or in equity.
- (e) For the purposes of this Deed of Trust, Beneficiary from time to time may substitute a successor or successors to Trustee named herein or acting hereunder by instrument in writing executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of San Francisco County, which instrument shall be conclusive proof of

proper substitution of a successor trustee or trustees. Without conveyance from Trustee, any successor or substitute trustee will succeed to all title, estate, rights, powers, and duties of Trustee. The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the recording information for this Deed of Trust and the name and address of the new Trustee.

- (f) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns, provided that this subsection does not constitute Beneficiary's consent to any transfer in violation of this Deed of Trust. The term Beneficiary shall mean the holder of the Note, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.
- (g) Trustee accepts this Trust when this duly executed and acknowledged Deed of Trust is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.
- 8. <u>Beneficiary's Rights Following Default</u>. Upon any default by Trustor in performance of the Secured Obligations following expiration of any applicable notice and cure periods ("Event of Default"):
- (a) Trustor's license to collect and retain Rents will terminate automatically.
- (b) Trustor consents to Beneficiary's entry upon and taking possession of the Property or any part thereof, at any time after the occurrence of an Event of Default without notice, either in person, by agent or by a receiver to be appointed by a court without regard to the adequacy of any security for the indebtedness hereby secured to sue for or otherwise collect and apply Rents, less costs and expenses of operation and collection, including those of the Property, in its own name or in the name of Trustor. Beneficiary's collection and application of Rents shall not cure or waive any Event of Default or Notice of Default or invalidate any act done pursuant to any notice.
- (c) Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold the Property ("Notice of Default"), and:
- i. Trustee shall cause the Notice of Default to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the Note and all documents evidencing expenditures secured hereby.

- ii. After the lapse of time then required by law following the recordation of a Notice of Default, and notice of sale ("Notice of Sale") having been given as then required by law, Trustee without demand on Trustor may sell the Property at the time and place fixed in the Notice of Sale either as a whole or in separate parcels in any order at public auction to the highest bidder for cash in lawful money of the United States payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to any purchaser a trustee's deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the trustee's deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale.
- iii. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: (A) all sums expended under the terms of this Deed of Trust not then repaid, with accrued interest at the highest rate allowed by law in effect at the date hereof; (B) all other sums then secured hereby; and (C) the remainder, if any, to the person or persons legally entitled thereto.
- 9. <u>Notice of Default to Trustor</u>. The undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to it at its address set forth above or any succeeding address given by notice in accordance with the Agreement.

Residual Receipts Policy

Mayor's Office of Housing and Community Development Residual Receipts Policy Effective April 1, 2016

INTRODUCTION

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under the Ground Leases and Loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment.

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met.

SUMMARY (see below for detailed requirements)

Waiver Option	

I. Definition of Residual Receipts

- A. Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments from surplus.
- B. The project-specific Funding Agreements and/or Ground Leases define what Project Income entails and which Project Expenses are allowable. In general, the definition of allowable Project Expenses will include mandatory or "hard" debt service payments, minimum or Base Rent owed under a Ground or Land lease, and required annual payments into Reserve accounts. Each MOHCD contract will include a copy of the approved Operating Budget Proforma.
- C. When MOHCD requires repayments from Residual Receipts, the formula usually requires payment of a portion of the available Residual Receipts. The use of a proportional formula makes it is essential to clearly define which uses of surplus cash have been approved for payment prior to the calculation of the amount owed to MOHCD.
- D. The approved uses of any available surplus may also be referred to as the cash flow waterfall. The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:
 - 1. Fees payable to the project, the GP, the LP or the parent entity
 - 2. Fees payable to project funders
 - 3. "Soft" debt repayments to lenders / lessors

Please see the City's Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

E. Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

II. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be $2/3^{rds}$ of Residual Receipts. Larger Tax Credit projects may be eligible to use an alternative $\frac{1}{2}$ - $\frac{1}{2}$ split for up the first 10 years of a new tax credit period and the borrower's portion of Residual Receipts shall be considered payment of Deferred Developer Fee. See the Developer Fee Policy for more details.

Any residual receipts payments shall be applied toward the unpaid balance of MOHCD loan/s according to the terms in the Promissory Note and/or Funding Agreement, and toward the payments required under the MOHCD Ground Lease.

III. When more than one MOHCD contract requires residual payments:

Some projects supported by MOHCD may be governed by more than one MOHCD contract. The MOHCD Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. Projects governed by more than one MOHCD contract that extend or initiate a MOHCD contract after the effective date of this policy will be required to get approval of a new MOHCD Operating Budget Proforma.

IV. When a project has other Lenders in addition to MOHCD that require residual payments

- A. If any other project lenders besides MOHCD require repayment from residual receipts, the portion to be repaid to each Lender will typically be determined by the proportional amount of capital supplied under each loan. For example, if a project received a \$2 million loan from MOHCD and a \$3 million loan from another lender, MOHCD would receive 2/5^{ths} of the amount available to be repaid, and the other lender would receive 3/5^{ths} of the amount available to be repaid. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a project makes an agreement with any other lender/s after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, prior to making any payments to such other lender/s, the project must request and be approved in writing to amend the MOHCD-approved Operating Budget Proforma to include the new lender/s.
- **B.** During operations, MOHCD will require Residual Receipts payments using MOHCD's method of calculating surplus and any amounts owed to the MOHCD. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

V. Conditions to Distribution of Residual Receipts to Borrower

- A. Distribution of Residual Receipts to the borrower of a MOHCD loan, or lessee of a MOHCD ground lease, may be made only upon:
 - 1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
 - 2. Determination by MOHCD that the borrower is not in default under terms of the Loan; and

- 3. Approval by MOHCD of the amount to be distributed.
- B. No distribution of Residual Receipts shall be made under any of the following circumstances:
 - 1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
 - 2. When the City determines that the borrower or the borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
 - 3. If any operating expense, including debt service on non-City loans remains unpaid; or
 - 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract/s; or
 - 5. In the event of any other material failure to comply with the provisions of the MOHCD contract/s.

VI. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages borrowers to use the portion of Residual Receipts that is not applied toward repayment of MOHCD's loan or payment of residual rent under a MOHCD ground lease for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project

- A. With the exception of Residual Receipts retained by a borrower pursuant to this policy, any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
- B. The Loan Committee may approve variations of this policy on a project-specific basis, including the payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents either as a project expense or out of that portion of Residual Receipts that would otherwise be repaid to the City.
