

1 [Motion requesting the Controller to provide bi-monthly updates on progress implementing the
2 City's ordinance requiring bar-coding or other means to track the permit approval process with
3 the Department of Building Inspection.]

4 **Motion requesting the Controller to provide bi-monthly updates on progress**
5 **implementing the City's ordinance requiring bar-coding or other means to track the**
6 **permit approval process with the Department of Building Inspection.**

7
8 WHEREAS, The Board of Supervisors passed an ordinance on July 1, 2004, directing
9 the Department of Building Inspection to improve its permit tracking system to allow for open
10 and public review of the status, routing and location of pending permits; and,

11 WHEREAS, The ordinance directed DBI to consider implementing a system with as
12 little manual intervention as possible, such as bar coding permit applications that would track
13 when any City employee worked on a permit and the amount of time that employee spent
14 working on that permit;

15 WHEREAS, Said ordinance is on file with the Clerk of the Board of Supervisors in File
16 No. 040539, which is hereby declared to be a part of this motion as if set forth fully herein;
17 and

18 WHEREAS, The Board of Supervisors has to date received no word about the
19 progress of the permit tracking system; now, therefore, be it

20 MOVED, That the Board of Supervisors hereby requests the Controller to provide bi-
21 monthly updates on progress implementing the City's ordinance requiring bar-coding or other
22 means to track the permit approval process with the Department of Building Inspection.
