(Lease No. 13, two coffee quick serves); and, SSP America, Inc. (Lease No. 14, quick serve).

Background

By Resolution No. 15-0114 adopted on May 26, 2015, the Airport Commission ("Commission") authorized staff to commence the competitive selection process and a Request for Proposals ("RFP") for the Leases.

Staff conducted an informational meeting wherein each of the Leases were presented to the interested parties. Staff gathered feedback from potential proposers and clarified or changed business terms where appropriate. Lease No. 6 was deleted as the leased premises were leased to an airline subsequent to the start of food and beverage leasing. Additionally, a new lease, Lease No. 14, was created by unbundling the premises from Lease No. 2.

By Resolution No. 15-0199 adopted October 13, 2015, the Commission approved the minimum requirements and lease specifications, approved of the creation of Lease No. 14, and authorized staff to accept proposals.

In response to the RFP, the Airport received 94 proposals by the November 18, 2015 Submittal Deadline. The following proposers were deemed nonresponsive:

1. MRMG, LLC – submittal was rejected because it was received after the Submittal Deadline.
2. Amami San – did not meet the minimum qualification requirements and tendered an incomplete submittal.
3. Gate 74, Inc. – two proposals out of four were disqualified because Gate 74, Inc. had submitted two proposals each for Leases 4 and 5. The RFP stipulated that proposers could only submit one proposal per Lease.

Staff determined that the remaining proposals met the RFP’s minimum qualifications. A five-member blue ribbon evaluation panel was convened to review and score the qualifying proposals. The evaluation panel’s selections for highest ranking, responsive, and responsible proposers are identified below, along with all other proposers for each lease. One exception to the evaluation panel’s work was Lease No. 12. Award is sought for the sole proposer for this lease despite the panel’s recommendation to reject the proposal. The Minimum Annual Guarantee (“MAG”) for the first lease year was calculated by the projected sales revenue of each lease premises. Base rent is the greater of the MAG or percentage rent (listed below).

Lease No. 1 – Casual Sit-down Restaurant and Quick Serve Restaurant

MAG - \$560,000.00. Percentage Rent – 8% of Gross Revenues achieved up to and including \$3,000,000.00, plus 10% of Gross Revenues achieved up to and including \$3,000,000.01 to \$3,500,000.00, plus 12% of Gross Revenues achieved over \$3,500,000.00.

Lease No. 2 – Casual Sit-down Restaurant

Please note that Attachment 2 of the staff memo on file with the Airport Commission Secretary from the October 13, 2015 Commission Meeting, wherein the Commission authorized staff to accept proposals (Resolution No. 15-0199), inadvertently references the higher percentage rent structure applicable to Lease Nos. 1 and 3 for Lease No. 2. Staff intended that Lease No. 2 include the 6%, 8%, 10% percentage rent structure referenced above, issued RFP documents reflecting this percentage rent structure, and seeks authorization to award Lease No. 2 with this percentage rent structure.

Among the 13 leases recommended for award are seven proposers from the Greater Bay Area. SSP America, Inc. is the only proposer being recommended for two leases. Although based in Virginia, SSP America, Inc. has created a joint venture, which includes 40% ownership by local partners. While the Airport already does business with seven of the proposers recommended for award, they are bringing to SFO 11 new concepts. The remaining concepts, which already exist at the Airport, represent passenger favorites such as Napa Farms Market, Tomokazu, and Starbucks. Although small business certification was not required, it appears that eight of the 13 leases will be with small

businesses or joint ventures with a small business. Additionally, four of the leases will be with entities that have likely graduated from small business status as a result of operating in the airport environment.

Upon request, debriefings will be held with proposers to assist them in understanding how the proposals were viewed by the evaluation panel. These efforts will be encouraged as Requests for Proposals for Terminal 3 food and beverage locations will be issued in 2016. Additionally, Requests for Proposals for the new Terminal 1 will be issued in 2017 or 2018.

Recommendation

I recommend that the Commission (1) award to the recommended operators the aforementioned 13 International Terminal Food & Beverage Concession Leases; and (2) direct the Commission Secretary to request approval of the leases from the Board of Supervisors.
