The Graffiti Advisory Board Seat #16 was designed specifically to have a representative from a private art school operating in San Francisco. The Academy of Art University was founded in 1929 in San Francisco; its representative, Rebecca Delgado Rottman is a vice president of community & government relations. The Academy student population is diverse; over 18,000 international, national and multi-cultural students.

**Business and/or professional experience:**

As a vice president of community and government relations, Rebecca Delgado Rottman reaches out to various communities in San Francisco, assesses their needs as well as develop partnership opportunities that result in win-win outcome for all parties. Non-Profit organizations and City Agencies who have limited finances benefit from partnering with private organizations like the Academy of Art University. Students from the University also benefit by having the opportunity to work in real-world projects and are able to give-back to their community.

In spring of 2013, the students from the School of Fine Art at the Academy of Art painted a 30 x 13-ft. mural on the wall of the old historic building, Bristol Hotel in the Tenderloin to revive and beautify the neighborhood. In fall of 2013, the students completed the largest public art mural, 116 ft. wide and 50 ft. high on the wall of 150 Hayes which was dedicated to the fallen America's Cup Sailor, Andrew 'Bart' Simpson. The Academy students from the School of Advertising and Graphic Design collaborated with the City's SFMTA and SFPD to design a 'Crime Prevention' campaign. In spring of 2012, the students from the School of Landscape Architecture collaborated with Aquatic Park Neighbors, North Beach Neighbors, Russian Hill Improvements Association and Russian Hill Neighbors to design programs and uses for the public open space at Francisco Reservoir which was presented to the neighborhood community meetings. And last but not least, in spring 2012, the students from the School of Landscape Architecture partnered with Fisherman's Wharf CBD to re-design Joseph Conrad Park on Beach at Columbus to beautify the park.

Rebecca Delgado Rottman developed the education scholarship initiative and partnered with the SFUSD wherein 100 Scholarships to the Pre-College Summer Art Program were provided by the Academy of Art University to low-income families, At-Risk Youth, Youth In-Judicial Court Transition, inner-city youth as well as youths being served by non-profit organizations. The youth are exposed in a college environment and taught professional skills in art and design. The ultimate goal is to provide the youth opportunities, Inspiration and motivation to succeed in their academic and personal endeavors.

**Civic Activities:**

Under the tutelage of Rebecca Delgado Rottman, in 2004, the Academy of Art University established two program partnerships with SF DPW, specifically the Graffiti Watch Program and Community Clean Team. The Academy of Art adopted 16-city blocks: Post, Sutter, Bush & Pine Streets from Mason to Leavenworth. Through Ms. Delgado Rottman's guidance, the University's Kappa Sigma Fraternity abate graffiti on public properties and pick-up street litter every other weekend or seventeen times (17 x) a year when school is in session. Meanwhile, the Academy students residing in Academy's student housing volunteer consistently ten times (10 x) a year to DPW's Community Clean Team. The students paint over graffiti, plant trees, work in community gardens, as well as sweep and clean streets in different supervisorial districts. The Academy housing students volunteer consistently with DPW's Community Clean Team for about ten years now. In summer 2013, the University's Kappa Sigma Fraternity picked-up over 6,000 cigarette butts off several streets downtown.

For over seven years, Rebecca Delgado Rottman has been participating in the Graffiti Advisory Board, attending its monthly meetings and contributing to the board since 2007. She has served in the capacity of "Chair" to the Education Sub-Committee in 2008. In this capacity, she was involved in the research and development of the 'best practices' of different anti-graffiti programs in partnership with SFUSD and SF Arts Commission. The Education Committee recommended Graffiti Hurts' curriculum for 5th grade teachers as a best practice, and reviewed the Arts Commission's 'Where Art Lives' Curriculum. Ms. Delgado Rottman also served in the "Steering Committee" for the second anti-graffiti Super Huddle in 2009. She project managed and co-produced the video, "Zero Graffiti for a Beautiful City", see youtube link here <https://www.youtube.com/watch?v=hVVn6FZO5U0> or <https://www.youtube.com/watch?v=1Jz31dA5Q6U>. The estimated volunteer value provided by individual students who dedicate their time, talents, and energy to making a difference, as organized by Rebecca Delgado Rottman at the Academy of Art University in year 2013 was approximately \$500,000.00.

Working with The Garden Project as their Director of Education I have a direct connection with at at risk populations within the communities that the committee is concerned with. My primary occupation is geared towards mentoring and teaching youth how to productively use and continue to grow their education which I believe is directly applicable. Furthermore, living in the heart of the Mission and working with a local middle school as a teacher gives me the ability to work with younger San Francisco students before they pick up bad habits. Finally, being ethnically mixed (Black and Puerto Rican) and having come from a particularly difficult situation growing up I can relate with various at risk students and as well as diverse populations. I've worked with students within the Bronx for the past 4 years which I've found very rewarding, and an expertise that I can offer to your program.

*h*

Dear Board of Supervisors,

My name is John Austin and I am very interested in applying for Seat # 12 on the Graffiti Advisory Board. I was encouraged to apply for the position by Jimmer Cassiol, Community Liaison for the DPW. I work with Cathrine Sneed at the Garden Project as the Director of Education and think I'd be a good fit for the committee.

Throughout the year I work with at risk San Francisco youth, particularly from Bayview, Hunters Point, and the Mission. Additional, I work with schools in the Mission as a substitute teacher such as Synergy School. With this experience I've had the time to get to know the students and would like to use those connections as a way to help contribute to the your board. I hope that you'll consider me for the vacancy and look forward to hearing from you. Please let me know if you need any additional information or recommendations.

Sincerely,

John Austin
