11 Be it ordained by the People of the City and County of San Francisco:

12 Section 1. FINDINGS. The Board of Supervisors of the City and County of San  
13 Francisco hereby finds, determines, and declares:

14 (a) The City and County of San Francisco ("City") created the Treasure Island  
15 Development Authority ("Authority") in 1997 to serve as the entity responsible for the reuse  
16 and development of Naval Station Treasure Island, which encompasses Treasure Island (also  
17 referred to as "TI") and portions of Yerba Buena Island (also referred to as "YBI").

18 (b) In 2003, the Authority Board of Directors selected Treasure Island Community  
19 Development, LLC ("TICD" or "Developer") as the master developer for portions of Treasure  
20 Island and Yerba Buena Island.

21 (c) The Board of Supervisors approved the DDA (as defined below) pursuant to  
22 Resolution No. 241-11 on June 7, 2011, which the Mayor signed on June 13, 2011. On June  
23 28, 2011, the Authority and the Developer entered the Disposition and Development  
24 Agreement ("DDA").

25 (d) The Board of Supervisors approved the DA (as defined below) on June 14,  
2011, pursuant to Ordinance No. 95-11, which the Mayor signed on June 15, 2011. On  
June 28, 2011, the City and the Developer entered the Development Agreement ("DA").

1 (e) The DA, DDA, and the Special Use District in Planning Code Section 249.52  
2 contemplate a project ("Treasure Island Project") on Treasure Island and Yerba Buena Island  
3 that includes up to 8,000 units of housing, 140,000 square feet of commercial and retail  
4 space, 100,000 square feet of office space, and up to approximately 300 acres of parks and  
5 open space, a ferry terminal, new and upgraded streets, and extensive bicycle, pedestrian,  
6 and transit facilities.

7 (f) On April 23, 2024, pursuant to Resolution No. 196-24, which the Mayor signed  
8 on May 3, 2024, the Board of Supervisors approved an amendment and restatement of the  
9 DDA, including an amendment and restatement of the Financing Plan, and encouraged City  
10 staff to (i) finalize the terms of a General Fund-backed public financing that will generate a  
11 maximum of \$115,000,000 of net proceeds ("Stage 2 Alternative Financing") for the Qualified  
12 Project Costs (as defined in the DDA) related to development within the boundaries of Stage  
13 2 of the Treasure Island Project, or as required to serve development within the boundaries of  
14 Stage 2, that are eligible to be financed by CFD Bonds and IFD Debt (as defined in the DDA)  
15 the interest on which is excluded from gross income for federal income tax purposes ("Stage  
16 2 Qualified Project Costs") and (ii) bring the final terms to the Board of Supervisors for  
17 authorization within the time frame City staff reasonably believe is beneficial for the Treasure  
18 Island Project.

19 (g) In Resolution No. 196-24, the Board of Supervisors recited the following:

20 (i) Transforming Treasure Island and Yerba Buena Island into a new San  
21 Francisco neighborhood has required a staggering amount of upfront engineering work  
22 to geotechnically transform the land and install new infrastructure and utilities.

23 (ii) Since 2011, the Developer has invested over \$800 Million into the  
24 Treasure Island Project which has resulted in significant progress towards completion  
25

1 of the first stage of construction with nearly 1,000 new homes along with completed  
2 public parks and utilities, public art, new streets, and regular ferry service.

3 (iii) Over 100 units of new affordable housing attributable to the Treasure  
4 Island Project are open and occupied on Treasure Island, with another approximately  
5 200 units currently under construction.

6 (iv) The progress on Treasure Island and Yerba Buena Island is a reflection  
7 of a public-private partnership spanning more than twenty years committed to the  
8 vision for a new Treasure Island.

9 (v) Continuing the Treasure Island Project is more important now than ever,  
10 as Treasure Island's 8,000 planned housing units represent one-tenth of the City's  
11 housing production goals established under its Housing Element 2022 Update of the  
12 General Plan and the Mayor's Housing for All implementation strategy, and the  
13 Treasure Island Project is the City's largest project underway in a moment when there  
14 is a tremendous push to build new housing in San Francisco.

15 (vi) Various factors such as increases in construction and labor costs, a  
16 worldwide pandemic, rising interest rates, and a slowing of the real estate market have  
17 put unanticipated pressures on the Treasure Island Project that could delay  
18 construction of the next phase without near-term accelerated public financing.

19 (vii) The Developer has shared economic projections demonstrating the  
20 financial constraints facing the Treasure Island Project, including the inability to secure  
21 traditional financing for the construction of Stage 2 infrastructure.

22 (viii) The Authority, the City, and the Developer are committed to ensuring that  
23 Treasure Island Project does not lose momentum, particularly as the island and its  
24 services become more integrated into the City fabric as a result of the new housing  
25

1 units, parks, utilities, public art, ferry terminal, and streets that have been completed to  
2 date.

3 (ix) Stage 2 includes two planned affordable housing buildings with  
4 approximately 250 units total and a 240-bed behavioral health building project to be  
5 delivered by the Department of Public Health.

6 (x) The amended and restated Financing Plan describes the Stage 2  
7 Alternative Financing, expected to be structured as one or more lease certificates of  
8 participation, with the City reserving the discretion to structure the Stage 2 Alternative  
9 Financing through other public financing vehicles that are not secured by a pledge of  
10 Project special taxes or net available increment, to support continued construction of  
11 Stage 2 infrastructure necessary to allow for the development of new parks and  
12 shoreline improvements, and market rate and affordable housing parcels for  
13 approximately 1,300 units of new housing anticipated to occur within the next 3-5  
14 years, by reimbursing the Developer for eligible Stage 2 qualified project costs sooner  
15 than they otherwise would be reimbursed through the existing public financing  
16 structure.

17 (xi) The amended and restated Financing Plan provides that: the Treasure  
18 Island Stage 2 Alternative Financing will be issued as certificates of participation that  
19 will be structured in no less than three separate tranches, with no more than one  
20 tranche issued per fiscal year; the City will issue the first tranche of certificates of  
21 participation, and subsequent tranches, only after the ten-year City Capital Plan that is  
22 updated after the A&R Reference Date (as defined in the DDA) demonstrates sufficient  
23 capacity for, and incorporates, the Stage 2 Alternative Financing in the COP program.  
24 Each legislative package submitted to, and subject to the approval of, the Board of  
25 Supervisors for a tranche of certificates of participation will demonstrate compliance

1 with Section 10.62 of the City's Administrative Code; and the City will structure the  
2 certificates of participation so that lease payments will not be appropriated from the  
3 City's General Fund in Fiscal Year 2024-25 or Fiscal Year 2025-26.

4 (xii) The Stage 2 Alternative Financing is anticipated to be structured over the  
5 next 3-5 years, tied to the expected capital expenditures for the Stage 2 infrastructure,  
6 and the Developer would be reimbursed after the Developer has satisfied various  
7 conditions for issuance of such public financing and reimbursement from such  
8 proceeds.

9 (h) On April 30, 2024, pursuant to Ordinance No. 93-24, which the Mayor signed on  
10 May 10, 2024, the Board of Supervisors approved an amendment to the Development  
11 Agreement, to amend and restate the Financing Plan in a manner consistent with the  
12 amendment and restatement of the Financing Plan as attached to the DDA.

13 (i) City staff (i.e. the Office of Public Finance) is recommending approval of the first  
14 tranche of the Stage 2 Alternative Financing, and the conditions therefor set forth in the  
15 Financing Plan have been met:

16 (i) On \_\_\_\_, 2024, pursuant to Resolution No. \_\_\_\_-24, which the Mayor  
17 signed on \_\_\_\_, 2024, the Board of Supervisors approved an updated ten-year City  
18 Capital Plan; the updated Plan demonstrates capacity for, and incorporates, the  
19 Stage 2 Alternative Financing in the certificates of participation program.

20 (ii) The proposed Certificates (as defined below) will generate approximately  
21 \$50,000,000 of net proceeds to reimburse the Developer for Stage 2 Qualified Project  
22 Costs.

23 (iii) The Developer has informed City staff that it will use the net proceeds of  
24 the first tranche of the Stage 2 Alternative Financing to finance Stage 2 Qualified  
25 Project Costs as defined in the amended and restated Financing Plan, including but not

1 limited to Stage 2 Qualified Project Costs related to demolition required for public  
2 improvements, geotechnical work required for public improvements, and street  
3 improvements, and that it expects to complete that work at a cost of approximately  
4 \$50,000,000 by December 31, 2026.

5 (iv) The proposed first tranche of the Stage 2 Alternative Financing will  
6 comply with Section 10.62 of the City's Administrative Code because the proposed  
7 lease payments and the lease payments payable with respect to outstanding general  
8 fund certificates of participation will not exceed 3.25% of General Fund discretionary  
9 revenue, as determined by the Controller and the Director of Public Finance.

10 (v) In its memorandum to the Board of Supervisors for this Ordinance, City  
11 Staff has identified and summarized the performance milestones to be met by the  
12 Developer before approval by the Board of Supervisors of a subsequent Stage 2  
13 Alternative Financing.

14 (vi) No Base Rental payments will be appropriated from the City's General  
15 Fund in Fiscal Year 2024-25 or Fiscal Year 2025-26.

16 (j) The Board of Supervisors desires to cause the execution and delivery of one or  
17 more series of certificates of participation (as further defined herein, the "Certificates") in an  
18 aggregate principal amount not to exceed \$65,000,000. The Certificates represent the first  
19 tranche of the Stage 2 Alternative Financing; the Board of Supervisors expects the Stage 2  
20 Alternative Financing to ultimately consist of multiple series of certificates of participation in a  
21 principal amount that will generate a maximum of \$115,000,000 of net proceeds to reimburse  
22 the Developer for Stage 2 Qualified Project Costs.

23 (k) The Certificates will be executed and delivered in one or more series, on a tax-  
24 exempt and/or taxable basis, pursuant to a Trust Agreement ("Trust Agreement"), by and  
25 between the City and U.S. Bank Trust Company, National Association, as trustee ("Trustee").

1 Subsequent tranches of the Stage 2 Alternative Financing will be executed and delivered in  
2 the form of certificates of participation pursuant to one or more supplements to the Trust  
3 Agreement (each, a "Supplement to Trust Agreement"), in the form attached to the Trust  
4 Agreement.

5 (l) In connection with the execution and delivery of the Certificates to finance the  
6 Stage 2 Qualified Project Costs, the Board of Supervisors desires to cause the execution of (i)  
7 a Property Lease ("Property Lease"), pursuant to which the City intends to lease to the  
8 Trustee certain real property and improvements located in the City, initially expected to be the  
9 real property and improvements at 1995 Evans Avenue that are used by the San Francisco  
10 Police Department for its Traffic Company and Forensic Services Division ("Leased  
11 Property"), and (ii) a Lease Agreement ("Lease Agreement"), pursuant to which the Trustee  
12 will lease the Leased Property back to the City and the City will pay Base Rental payments. In  
13 connection with subsequent tranches of the Stage 2 Alternative Financing, the Board of  
14 Supervisors will execute and deliver (a) one or more supplements to the Property Lease  
15 (each, a "Supplement to Property Lease") (b) and one or more supplements to the Lease  
16 Agreement (each, a "Supplement to Lease Agreement").

17 (m) The Certificates, when executed and delivered, will evidence direct undivided  
18 interests in the Base Rental payments made by the City under the Lease Agreement, on a  
19 parity basis with any other certificates of participation of the City authorized and delivered  
20 pursuant to supplements to the Trust Agreement.

21 (n) The Board of Supervisors has been presented with the forms of certain  
22 documents and agreements referred to herein relating to the Certificates, and the Board  
23 wishes to approve each such document and agreement and to authorize the execution and  
24 delivery of such documents and agreements.

1 (o) The City has paid and expects to pay certain Stage 2 Qualified Project Costs to  
2 be financed by the Stage 2 Alternative Financing prior to the execution and delivery of the  
3 Certificates (as the first tranche of the Stage 2 Alternative Financing), and the City intends to  
4 reimburse itself and to pay third parties for such prior expenditures from the proceeds of the  
5 Stage 2 Alternative Financing.

6 (p) United States Income Tax Regulations section 1.150-2 provides generally that  
7 proceeds of tax-exempt obligations are not deemed to be expended when such proceeds are  
8 used for reimbursement of expenditures made prior to the date of issuance of such obligation  
9 unless certain procedures are followed, one of which is a requirement that (with certain  
10 exceptions), prior to the payment of any such expenditure, the issuer declares an intention to  
11 reimburse such expenditure. The Board of Supervisors has determined that it is in the public  
12 interest and for the public benefit that the City declares its official intent to reimburse the  
13 expenditures referenced herein.

14 (q) In accordance with California Government Code Section 5852.1, the Board of  
15 Supervisors has obtained and disclosed good faith estimates prepared by the City's municipal  
16 advisor of (i) the true interest cost of the Certificates, (ii) the finance charge of the Certificates,  
17 (iii) the amount of proceeds received by the City for sale of the Certificates less the finance  
18 charge and any reserves or capitalized interest paid or funded with proceeds of the  
19 Certificates, and (iv) the sum total of all payments the City will make with respect to the  
20 Certificates plus the finance charge of the Certificates not paid with proceeds of the  
21 Certificates.

22 (r) The City, for itself and for and on behalf of the City and County of San Francisco  
23 Community Facilities District No. 2016-1 (Treasure Island), the Authority, the City and County  
24 of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island),  
25 and Zions Bancorporation, National Association have entered into a Special Fund

1 Administration Agreement, dated as of September 1, 2022 (“Special Fund Administration  
2 Agreement”), and the Board of Supervisors wishes to approve an amendment to the Special  
3 Fund Administration Agreement to the extent necessary to provide for the Stage 2 Alternative  
4 Financing.

5 (s) Upon the effective date of this Ordinance, all conditions, things, and acts  
6 required by law to exist, to happen, and to be performed precedent to and as a condition of  
7 the execution and delivery of the Property Lease, the Lease Agreement, the Trust Agreement,  
8 the Continuing Disclosure Certificate (as defined herein), the Official Statement (as defined  
9 herein) and the Certificates will exist, have happened, and have been performed in due time,  
10 form, and manner in accordance with applicable law, and the City shall be authorized  
11 pursuant to its Charter and other applicable law to execute and deliver the Property Lease,  
12 the Lease Agreement, the Continuing Disclosure Certificate, the Trust Agreement, and the  
13 Official Statement and to cause the execution and delivery of the Certificates in the manner  
14 and form provided in this Ordinance.

15 (t) The Board of Supervisors’ approval of the amended and restated DDA, the  
16 amended and restated Financing Plan, the amended and restated Development Agreement  
17 and the Stage 2 Alternative Financing substantially complies, to the extent applicable, with  
18 California Government Code Section 53083, subdivisions (a) and (b), and the Board of  
19 Supervisors directs the Director of the Office of Public Finance to comply with California  
20 Government Code Section 53083, subdivisions (c)-(e) to the extent applicable to the Stage 2  
21 Alternative Financing.

22 (u) The adoption of this Ordinance constitutes authorization of the Certificates  
23 within the meaning of Section 864 of the California Code of Civil Procedure and any  
24 Validation Act that is effective after this Ordinance takes effect.

25

1           Section 2. Conditions Precedent. All conditions, things, and acts required by law to  
2 exist, to happen, and to be performed precedent to the execution and delivery of the  
3 Certificates exist, have happened, and have been performed in due time, form, and manner in  
4 accordance with applicable law, and the City is now authorized pursuant to its Charter and  
5 applicable law to incur the obligations in the manner and form provided in this Ordinance.

10 authorizes and approves the execution and delivery of the Certificates in one or more series  
11 on a tax-exempt and/or taxable basis in accordance with the Trust Agreement and the terms  
12 of Section 5 below. The proceeds of the Certificates will be used to (i) finance or refinance the  
13 Stage 2 Qualified Project Costs, including through the retirement of certain commercial paper  
14 notes of the City issued therefor; (ii) capitalize a portion of the interest with respect to the  
15 Certificates for Fiscal Year 2024-25 and Fiscal Year 2025-26 (with the remainder of such  
16 interest to be funded from the Stage 2 Contribution, which is defined in the Financing Plan as  
17 an annual amount equal to \$550,000 that is payable from a combination of Remainder Taxes  
18 and Net Available Increment, as those terms are defined in the Financing Plan); (iii) fund a  
19 debt service or other similar reserve, as appropriate; and (iv) pay costs of execution and

23 determined by the Controller’s Director of Public Finance (“Director of Public Finance”) or the  
24 designee of the Director of Public Finance.

1           Section 5. Certain Terms of the Certificates. The Certificates shall evidence an  
2 aggregate principal amount not to exceed \$65,000,000, and shall evidence interest at a true  
3 interest cost up to but not to exceed 12% per annum. The Certificates shall be subject to  
4 prepayment as set forth in the Lease Agreement and the Trust Agreement. The Director of

7 defined herein).

7 Certificates in accordance with City policies and procedures, including but not limited to the  
8 City's policy to provide locally disadvantaged business enterprises an equal opportunity to  
9 participate in the performance of all City contracts.

11 the City.

12 Section 19. Authorization to Appoint Placement Agents. To accomplish the sale of the

22 Alternative Financing) and (ii) to use a portion of the proceeds of the Stage 2 Alternative  
23 Financing for reimbursement of expenditures for Stage 2 Qualified Project Costs that are paid

2 Controller, the City Administrator, the Director of Public Finance, the Clerk of the Board of  
3 Supervisors, and other officers of the City and their duly authorized deputies, designees, and  
4 agents are hereby authorized and directed, jointly and severally, to take such actions and to

6 deem necessary or desirable to accomplish the purposes of this Ordinance, including but not  
7 limited to the execution and delivery of the Property Lease, the Lease Agreement, the Trust

21 hereby authorized to make such modifications, changes, and additions to the documents and  
22 agreements approved hereby, upon consultation with the City Attorney, as may be necessary  
23 or desirable and in the interests of the City, and which changes do not materially increase the  
24 City's obligations or reduce its rights thereunder or hereunder. The respective official's  
25 approval of such modifications, changes, and additions shall be conclusively evidenced by the

1 execution and delivery by such official and the Clerk of the Property Lease, the Lease
