Re: Mission Bay Park P3 Acceptance

Dear Mr. Hennessy:

The Planning Department has received your request regarding the Park P3 public infrastructure improvements and their consistency with the General Plan. Planning staff has reviewed the documents and related materials concerning the acceptance of the Park P3 public infrastructure improvements and finds these consistent with the General Plan and recommends that the Board of Supervisors accept the facilities on behalf of the City. This determination is made pursuant to Board Motion No. M15-094, File No. 150513, and General Plan Referral 2013.1304R.

The Mission Bay South Redevelopment Plan was approved as part of Planning Case 1996.771 EMTZR and amended under case 2013.0625R. The Planning Commission found the Mission Bay South Redevelopment Plan amendments, on balance, in conformity with the General Plan by Motion No. 18905 on June 13, 2013.

The project was covered in the Mission Bay Subsequent EIR, certified by the San Francisco Planning Commission and the San Francisco Redevelopment Agency on 9/17/98, San Francisco Planning Department File No. 96.771E.

Sincerely,
