Comments/Assumptions:

1. FY 1979 would be/was the first year these services are/were contracted out.
2. Salary levels reflect proposed salary rates effective July 1, 2017. Costs are represented as annual 12 month
3. Variable fringe benefits consist of Social Security, Medicare, employer retirement, employee retirement pick-up and long-term disability, where applicable.
4. Fixed fringe benefits consist of health and dental rates plus an estimate of dependent coverage.
5. Classifications based on current configuration of Budget and Legislative Analyst services.
6. Full time equivalent (FTE) positions include 11 managers and analyst staff and 1 administrative staff. The staff level of 11 managers and analysts is based on the number of staff required to provide 16,860 hours of productive service, as well as MOU-mandated leave and training hours and other nonproductive administrative hours (staff meetings, performance evaluations, and other administrative hours) consistent with ALGA (Association of Local Government Auditors) standards.
7. Calculations do not include liability for retiree health. Based on the CAFR for year ending June 30, 2016, the City's annual liability for post retirement employee health benefits is \$326.1 million. If the Budget and Legislative Analyst services were provided by City employees, the annual liability for retiree health benefits would be \$116,139 (equal to 0.04 percent of the City's total annual retiree health liability, based on FTE count.)
8. Estimated total contract cost includes the 2.25% COLA requested by the contractor. If this COLA is not approved by the Board of Supervisors, the total estimated contract cost would be \$2,174,806 in FY 2017-18.

RE: Contracting for Security Services–FY 2017-18

The cost information and supplemental data provided by your office on the proposed contract for convention facilities management have been reviewed by my staff.

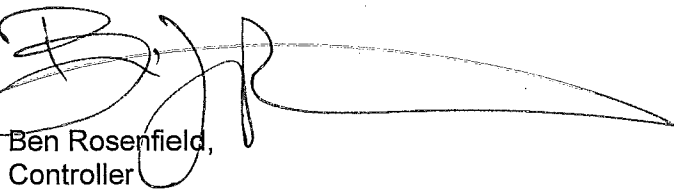

If these services are provided at the proposed contract price, it appears they can be performed at a lower cost than if the work were performed by City employees.

The requirements of Charter Section 10.104.15 relative to the Controller's findings that work or services can be practically performed under private contract at a lesser cost than similar work performed by employees of the City and County of San Francisco have been satisfied. Attached is a statement of projected cost and estimated savings for Fiscal Year 2017-18 and the informational items provided by the department pursuant to San Francisco Administrative Code Section 2.15.

Following the approval of the Board of Supervisors, we will notify your department and the Purchaser that this Charter requirement has been met.

Please contact Theresa Kao at 415-554-5253 if you have any questions regarding this determination.
