13 (e) Exceptions to Permit Requirement. The requirements of this Article 27 shall not apply to the
14 following:

21
22 **SEC. 2703. LOCATION APPROVAL.**

23 (a) Required Prior to Application. In order to ensure that Surface-Mounted Facilities are installed in
24 the most suitable locations, an Applicant must first obtain the Department’s approval of the proposed
25 location for the Surface-Mounted Facility.

1 (b) Exceptions. If an Applicant demonstrates to the Department that there is only one feasible location
2 for the proposed Surface-Mounted Facility the Department may by order waive the required Pre-
3 Application Approval Process and authorize the Applicant to submit an Application without a pre-
4 approved location, subject to any reasonable Conditions the Department may place on the proposed
5 Surface-Mounted Facility. By regulation or order, the Department shall establish standards for
6 determining when there is only one feasible location for a proposed Surface-Mounted Facility, but
7 such standards shall be based on technical or physical constraints only.

8
9 **SEC. 2704. PREFERRED LOCATIONS.**

10 (a) Identification of Preferred Locations. The Pre-Application Approval Process shall begin with an
11 Applicant's initial site selection. An Applicant shall conduct a thorough survey of the area where it
12 seeks to install a Surface-Mounted Facility to identify its Preferred Locations for the Surface-Mounted
13 Facility.

14 (b) Criteria for Preferred Locations. In selecting its Preferred Locations, the Applicant should seek to
15 minimize the effect the placement of the Surface-Mounted Facility will have on use of the Public
16 Rights-of-Way by, among other things:

17 (1) Placing the Surface-Mounted Facility in the Public Rights-of-Way so as to maintain an
18 appropriate path of travel along the sidewalk, paying particular attention to the needs of persons with
19 disabilities. To the extent feasible, an Applicant shall locate the Surface-Mounted Facilities on streets
20 where pedestrian travel is minimal.

21 (2) Placing the Surface-Mounted Facility in the Public Rights-of-Way so that the Aesthetic
22 Character of the streetscape will not be unreasonably affected by the installation of the Surface-
23 Mounted Facility. Unless no other location is feasible, the Applicant should avoid using sidewalks that
24 are narrower than the City's standard sidewalk and sidewalks with special paving or other special
25 design features.

1 (3) Ensuring that the Surface-Mounted Facility will not obstruct access to other facilities that
2 are installed or the Department knows are to be installed in the Public Rights-of-Way by other entities
3 including City departments and entities providing Utility services.

4 (4) Placing the Surface-Mounted Facility in a location that is consistent with the City's Better
5 Streets Plan.

6 (5) Placing the Surface-Mounted Facility in a location that is consistent with the Placement
7 Criteria.

8 (6) Placing the Surface-Mounted Facility in a location that will not unreasonably affect the
9 Aesthetic Character of a City park or open space.

10 (c) Disfavored Locations. The following locations are disfavored, and the Department shall not issue
11 a Surface-Mounted Facility Site Permit in these disfavored locations unless the Applicant can show
12 that no other option is available:

13 (1) On Public Rights-of-Way where all Utility facilities are undergrounded.

14 (2) On Public Rights-of-Way where the City has completed or has plans for major capital
15 improvements, including streetscape and pedestrian safety improvements.

16 (3) On Public Rights-of-Way that are known for having a high level of pedestrian traffic (e.g.
17 Neighborhood Commercial zoning districts).

18 (4) On Public Rights-of-Way that are adjacent to or that will affect the view of a Historic
19 Resource.

20 (5) On Public Rights-of-Way that the San Francisco General Plan has designated as being
21 most significant to City pattern, defining City form, having an important street view for orientation, or
22 as having views that are rated "excellent" or "good."

23 (6) On Public Rights-of-Way that are adjacent to a City park or open space, unless the
24 Department finds that such locations could be used to minimize the effect on the Aesthetic character of
25 the City park or open space.

1 (7) On Public Rights-of-Way that are adjacent to an elementary or middle school.

2
3 **SEC. 2705. COMMUNITY INPUT ON PREFERRED LOCATIONS.**

4 (a) Community Meeting Required. The Pre-Application Approval Process shall require participation
5 in a community meeting in which the Applicant shall discuss its Preferred Locations for a Surface-
6 Mounted Facility with local residents and business owners. At the community meeting, the Applicant
7 shall discuss at least two Preferred Locations for the proposed Surface-Mounted Facility and shall
8 notify the attendees of process for the public to object to such Preferred Locations.

9 (b) Notice of Meeting. The Applicant shall provide notice of time and place for the community
10 meeting as set forth in Section 2713. The time for the community meeting shall be after regular
11 business hours and the place for the meeting must be within the vicinity of the Applicant's Preferred
12 Locations.

13 (c) City Department Participation. The Applicant shall notify the Department and the Planning
14 Department of the time and place for the community meeting. If one of the Preferred Locations is in
15 front of a City park or open space, the Applicant shall also notify the Recreation and Park
16 Department. Where feasible, the Department, the Planning Department, and the Recreation and Park
17 Department shall attend the community meeting.

18 (d) Record of Meeting. The Applicant shall keep a record of all Persons that attended a community
19 meeting and shall prepare and distribute a summary of the meeting to the attendees and the
20 Department.

21 (e) Language Requirement. The Applicant shall ensure that on-call translation services are available
22 for such meeting.

23
24 **SEC. 2706. SUBMISSION OF PREFERRED LOCATION LIST.**

1 As part of the Pre-Application Approval Process, an Applicant may submit a Preferred Location List
2 to the Department within 10 days of the community meeting in which the Applicant shall identify at
3 least two Preferred Locations for the Surface-Mounted Facility and shall specify the Applicant's order
4 of preference for the proposed locations.

5
6 **SEC. 2707. DEPARTMENT ACTION ON PREFERRED LOCATION LIST.**

7 (a) Department Review. As part of the Pre-Application Approval Process, the Department shall
8 complete its review of the Preferred Location List within 14 days of receipt from the Applicant. With
9 the concurrence of the Applicant, the Department may extend this review period beyond 14 days.

10 (b) Notice to Applicant. After completion of its review, the Department shall notify the Applicant as
11 follows:

12 _____ (1) Whether the Applicant has satisfied the requirement to conduct a community meeting.

13 _____ (2) Whether one or more of the Applicant's Preferred Locations are acceptable locations for
14 Applicant's proposed Surface-Mounted Facility consistent with the Department's Placement Criteria.

15 _____ (3) Whether the Department agrees with the Applicant's order of preference for its Preferred
16 Locations.

17 _____ (4) Whether the Department's approval of one or more of the Applicant's Preferred Locations
18 shall include any Conditions.

19 _____ (5) Whether the Department will require the Applicant to notify the public of the proposed
20 installation of the Surface-Mounted Facility prior to submitting an Application for a Surface-Mounted
21 Facility Site Permit.

22 _____ (6) Whether the Department will propose any additional locations for the Applicant's Surface-
23 Mounted Facility.

24 (c) Referral to Other City Departments. As part of the Pre-Application Approval Process, the
25 Department shall refer every Preferred Location List to the Planning Department for its review. If a

1 Preferred Location List identifies any proposed location that is in front of any City park or open
2 space under the jurisdiction of the Recreation and Park Department, the Department shall refer the
3 Preferred Location List to the Recreation and Park Department.

4
5 **SEC. 2708. PLANNING DEPARTMENT ACTION ON PREFERRED LOCATION LIST.**

6 (a) Planning Department Review. The Planning Department shall review a Preferred Location List to
7 make the determination set forth in subsection (b) below. The Planning Department may also consult
8 with other City departments during its review.

9 (b) Planning Department Determination.

10 (1) The Planning Department shall determine whether the installation of a Surface-Mounted
11 Facility at any or all of the Preferred Locations in the Public Rights-of-Way will unreasonably affect
12 the Aesthetic Character of the streetscape in the immediate vicinity of each of the Preferred Locations
13 or if such installation will adversely affect pedestrian circulation or visibility, or, where applicable,
14 will adversely affect a Historic Resource.

15 (2) The Planning Department's determination that the installation of a Surface-Mounted
16 Facility at any or all of the Preferred Locations in the Public Rights-of-Way will not unreasonably
17 affect the Aesthetic Character of the streetscape, adversely affect pedestrian circulation or visibility,
18 or adversely affect a Historic Resource may include Conditions intended to minimize such effects
19 including, but not limited to, a color for the Surface-Mounted Facility and any aesthetic changes to the
20 Surface-Mounted Facility itself or to its installation.

21 (3) The Planning Department's determination may suggest changes to the Applicant's order of
22 preference for the Preferred Locations.

23 (4) The Planning Department's determination may include a recommendation that the
24 Applicant include additional locations for the proposed Surface-Mounted Facility in the Notice of
25 Intent.

1 (5) The Planning Department’s determination shall be in writing and shall set forth the
2 reasons therefore. The Planning Department shall transmit its determination to the Department and
3 the Applicant within 14 days of receipt of the Preferred Location List from the Department. With the
4 concurrence of the Applicant, the Planning Department may extend this review period beyond 14
5 days.

6
7 **SEC. 2709. RECREATION AND PARK ACTION ON PREFERRED LOCATION LIST.**

8 (a) Recreation and Park Department Review. The Recreation and Park Department shall review any
9 Preferred Location List that identifies a proposed location for a Surface-Mounted Facility that is in
10 the vicinity of a City park or open space under its jurisdiction to make the determination set forth in
11 subsection (b) below. The Recreation and Park Department may consult with other City departments
12 during its review.

13 (b) Recreation and Park Department Determination.

14 (1) The Recreation and Park Department shall determine whether the installation of a Surface-
15 Mounted Facility at a Preferred Location in the Public Rights-of-Way that is in the vicinity of a City
16 park or open space under its jurisdiction will unreasonably affect the Aesthetic Character of such City
17 park or open space.

18 (2) The Recreation and Park Department’s determination that the installation of a Surface-
19 Mounted Facility at a Preferred Location in the Public Rights-of-Way that is in the vicinity of a City
20 park or open space will not unreasonably affect the Aesthetic Character of such City park or open
21 space may include Conditions intended to minimize the effect of the Surface-Mounted Facility on the
22 Aesthetic Character of such City park or open space including, but not limited to, a color for the
23 Surface-Mounted Facility or any aesthetic changes to the Surface-Mounted Facility itself or to its
24 installation.

1 (3) The Recreation and Park Department's determination may suggest changes to the
2 Applicant's order of preference for the Preferred Locations.

3 (4) The Recreation and Park Department's determination may include a recommendation that
4 the Applicant include additional locations for the proposed Surface-Mounted Facility in the Notice of
5 Intent.

6 (5) The Recreation and Park Department's determination shall be in writing and shall set forth
7 the reasons therefore. The Recreation and Park Department shall transmit its determination to the
8 Department and the Applicant within 14 days of receipt of the Preferred Location List from the
9 Department. With the concurrence of the Applicant, the Recreation and Park Department may extend
10 this review period beyond 14 days.

11
12 **SEC. 2710. LANDSCAPING.**

13 **(a) Condition of Approval.**

14 (1) The Department shall require as a Condition of approval of a Surface-Mounted Facility
15 Site Permit that the Permittee install suitable landscaping and street trees, in order to minimize any
16 negative effects on the Aesthetic Character of the streetscape resulting from Permittee's construction,
17 installation, and maintenance of the permitted Surface Mounted Facility. The Department shall
18 determine the number of required street trees and the total area of the landscaped area. Generally,
19 the Department shall require the installation of at least one street tree and sidewalk landscaping of
20 approximately 100 square feet with each permitted Surface-Mounted Facility.

21 (2) In any instance in which the Department cannot require the Permittee to install
22 appropriate landscaping in the vicinity of the permitted Surface-Mounted Facility, including on the
23 basis of inadequate sidewalk width, interference with utilities, or other reasons regarding the public
24 health, safety, or welfare, the Department shall instead require the Permittee to make an "in-lieu"
25 payment into the Department's "Adopt-A-Tree" fund. This payment shall be in the amount specified

1 in Public Works Code §§ 802(h) and 807(f) for the installation of one street tree in addition to a
2 payment of \$7,500 for sidewalk landscaping, and shall be payable prior to the Department's issuance
3 of the Permit. These in-lieu fees may be adjusted to reflect changes in the relevant Consumer Price
4 Index, subject to the requirements of Section 2729(e).

5 (b) Care and Maintenance of Landscaping.

6 (1) The Permittee shall be responsible for the care and maintenance of any landscaping
7 required to be installed in the Public Rights-of-Way under this Section. In this regard, the Permittee
8 shall assume the duty of a "property owner" as set forth in Public Works Code § 805(a).

9 (2) The Permittee may enter into an agreement with the Department and delegate this
10 responsibility to the Department, provided the Permittee and the Department can agree to suitable
11 terms and conditions for the Department to assume this responsibility.

12
13 **SEC. 2711. MURALS.**

14 (a) Condition of Approval. The Department shall include as a Condition of approval of a Surface-
15 Mounted Facility Site Permit that any Person or group of Persons may propose to the Department and
16 the Permittee that the permitted Surface-Mounted Facility be used for a mural that is appropriate for
17 the location. The Permittee shall work with any Person or group of Persons selected to install the
18 mural to facilitate the installation and maintenance of the mural. No mural shall be allowed unless it
19 is approved by the San Francisco Art Commission. No mural may contain any product advertising of
20 any kind. The Department may establish by regulation or order the process for placing a mural on a
21 permitted Surface-Mounted Facility.

22 (b) "In-Lieu" Fee Required. Upon issuance of a Permit, the Department shall require a Permittee to
23 make an "in-lieu" payment into the Department's "StreetSmARTS" program in the amount specified
24 for the cost of one mural along with subsequent Graffiti protection and maintenance. Should a mural
25

1 be added to the permitted Surface-Mounted Facility, the Department shall return the “in-lieu” fee to
2 the Permittee.

3
4 **SEC. 2712. NOTICE OF INTENT TO SUBMIT APPLICATION.**

5 (a) Submission to the Department. As part of the Pre-Application Approval Process, within 1 day
6 after the Preferred Location List has been reviewed and approved by all applicable City departments,
7 the Applicant may submit a Notice of Intent to the Department for its review. An Applicant may
8 request additional time to submit a Notice of Intent.

9 (b) Form and Contents. The Notice of Intent shall be in the form approved by the Department by
10 regulation or order, but at a minimum shall contain the information required in Section 2713(c)(1)-(9).

11 (c) Department Approval. If the Department determines that a Notice of Intent is complete, the
12 Department will approve the Notice of Intent and authorize the Applicant to post and mail the Notice
13 of Intent as required in Section 2713.

14 (d) Completion Requirements. The Notice of Intent shall not be complete unless the Department
15 determines that the Applicant has complied with the following requirements:

16 (1) The Applicant has satisfactorily conducted the community meeting required in Section
17 2705.

18 (2) The Applicant has submitted to the Department plans showing all of the sizes and shapes of
19 the cabinets proposed to be used for its Surface-Mounted Facilities, including the dimensions of any
20 ancillary equipment. For Applicants that conduct business in jurisdictions other than San Francisco,
21 the Applicant shall certify that the cabinets proposed for San Francisco are no larger than the
22 smallest used in any other jurisdiction for similar services.

23 (3) If the Applicant is seeking approval of a larger cabinet on an existing Surface-Mounted
24 Facility site, the Applicant has sufficiently demonstrated to the Department the reasons the larger
25 cabinet is necessary.

1 (4) The Applicant has surveyed the vicinity of the Preferred Locations for its Surface-Mounted
2 Facility to identify locations outside of the Public Rights-of-Way (including City-owned property) that
3 may be appropriate for the installation of the Surface-Mounted Facility and the Applicant has made
4 reasonable efforts to determine whether the owners of any and all suitable properties would be willing
5 to allow the Applicant to use their property for Applicant's proposed Surface-Mounted Facility. For
6 purposes of this subsection, the term "reasonable efforts" includes offering the owners of any suitable
7 property reasonable compensation for the use of the property for the Applicant's Surface-Mounted
8 Facility. The Department shall by rule or regulation establish guidelines defining what consists of
9 "reasonable efforts."

10 (5) The Applicant attempted to place the Surface-Mounted Facility (or parts thereof)
11 underground where such underground placement is technologically or economically feasible. An
12 Applicant may satisfy the requirement contained in this subsection by demonstrating to the satisfaction
13 of the Director that it is not technologically or economically feasible for the Applicant to place the
14 Surface-Mounted Facility (or parts thereof) underground. At a minimum, the Applicant shall
15 demonstrate to the Director that it conducted a thorough search for adequate underground technology
16 and provide a report from a licensed engineer certifying the information.

17 (6) Where it is not technologically or economically feasible to underground the entire Surface-
18 Mounted Facility, the Applicant has: (A) agreed to underground part of the Surface-Mounted Facility;
19 (B) limited the height and footprint of the Surface-Mounted Facility to the maximum extent feasible;
20 (C) either used stainless steel or painted the Surface-Mounted Facility the color used for City
21 structures in the vicinity unless otherwise specified by the Department and added a Graffiti-proof
22 coating; (D) screened the Surface-Mounted Facility by landscaping the Public Rights-of-Way in the
23 area around the Surface-Mounted Facility or camouflaging the Surface-Mounted Facility where
24 requested by any City department; and (E) complied with any Conditions imposed by any City
25 department that reviewed the Applicant's Preferred Location List.

1 (7) The Applicant has explored reasonable opportunities to co-locate the Surface-Mounted
2 Facility with any other Surface-Mounted Facility installed or to be installed in the Public Rights-of-
3 Way by other entities including City departments.

4 (8) The Applicant has explored reasonable opportunities for its Surface-Mounted Facility to
5 serve a dual function such as a bench or other amenity. The Department shall have the authority to
6 require that a Surface-Mounted Facility serve a dual function, where the Department determines that
7 such dual function is technologically and economically feasible.

8 (9) The Applicant has notified the Department whether the Applicant could remove an existing
9 Surface-Mounted Facility from the Public Rights-of-Way because it would no longer be used or useful
10 to the Applicant once the proposed Surface-Mounted Facility has been installed.

11 (10) The Applicant has submitted a plan to the Department, in a format specified by the
12 Department, showing all of the Surface Mounted Facilities the Applicant expects to install in the
13 Public Rights-of-Way within five years of the Application date. Any Applicant that does not anticipate
14 installing any other Surface Mounted Facilities in the next five years may satisfy this requirement by
15 submitting a statement to that effect instead of a five-year plan.

16 (11) The Department has determined that at least two of the Applicant's Preferred Locations
17 for the Surface-Mounted Facility are acceptable or the Notice of Intent will include additional
18 proposed locations identified by the Department or another City department that reviewed the
19 Applicant's Preferred Location List, unless the Department has determined that there is only one
20 feasible location for the proposed Surface-Mounted Facility.

21
22 **SEC. 2713. PUBLIC NOTICE OF NOTICE OF INTENT TO SUBMIT APPLICATION.**

23 (a) Public Notice Required. As part of the Pre-Application Approval Process, the Department shall
24 require an Applicant to notify the public that the Applicant has submitted a Notice of Intent to the
25 Department.

1 (b) Notice Requirements.

2 (1) The Applicant shall send a copy of the Notice of Intent to all Persons owning or occupying
3 any property located within 300 feet along either side of the fronting streets of any of the Preferred
4 Locations for the Surface-Mounted Facility.

5 (2) The Applicant shall post a copy of the Notice of Intent in conspicuous places along the
6 Public Rights-of-Way within 300 feet of either side of the fronting streets of any of Applicant's
7 Preferred Locations for the Surface-Mounted Facility.

8 (3) The Applicant shall send a copy of the Notice of Intent to any neighborhood planning
9 association identified by the Planning Department for any neighborhood within 300 feet of any of the
10 Applicant's Preferred Locations for the Surface-Mounted Facilities.

11 (c) Form of Notice of Intent. The Notice of Intent shall be in a form to be approved by the Department
12 by regulation or order. At a minimum, the Notice of Intent shall contain the following information:

13 (1) The fronting address for each of the Preferred Locations and photo-simulations of the
14 Surface-Mounted Facility at each of the Preferred Locations.

15 (2) The Applicant's order of preference for the Preferred Locations.

22 Mounted Facility Site Permit issued under this Article 27 shall be installed in a manner that complies

2 the installation of a Surface-Mounted Facility.

3 (b) Inspection. The Department shall inspect a Surface-Mounted Facility installed in the Public
4 Rights-of-Way within a reasonable time after a Permittee provides the Department with a notice of
5 completion required under subsection (a) above. The Department shall determine during the
6 inspection whether the installation is in accordance with the requirements of the Surface-Mounted
7 Facility Site Permit.

8
9 **SEC 2721. ADDITIONAL PERMIT REQUIREMENTS.**

10 (a) Permittee's Use of the Public Rights-of-Way. A Permittee's use of the Public Rights-of-Way to
11 construct, install, and maintain a Surface-Mounted Facility shall be subordinate to any prior lawful
12 occupancy and the continuing right of the City to use and occupy the Public Rights-of-Way, or any
13 part thereof, exclusively or concurrently with any other Person or Persons, and further subject to the
14 public easement for streets and any and all other deeds, easements, dedications, conditions,
15 covenants, restrictions, encumbrances, franchises and claims of title which may affect the Public
16 Rights-of-Way.

17 (b) Removal or Relocation. When made necessary by any work to be performed under the
18 governmental authority of the City (including but not limited to any lawful change of grade, alignment
19 or width of any street, or construction of City facilities of any kind), or when necessary to protect the
20 public health, safety or welfare, a Permittee shall at its own cost and expense temporarily or
21 permanently remove, relocate, adjust, and/or support a Surface-Mounted Facility or any part thereof,
22 to such other locations in the Public Rights-of-Way, in such manner as appropriate and as may be
23 approved by the City in writing and in advance, or otherwise required by the City. The City may not
24 unreasonably withhold its approval of any plan for removal, relocation, adjustment, and/or support of
25 a Surface-Mounted Facility ordered pursuant to this Section. Such removal, relocation, adjustment,

1 and/or support shall be completed within the time and manner prescribed by the City; however, where
2 feasible the City may require the Permittee to follow the procedures set forth in this Article 27 to
3 obtain a new site for the Surface-Mounted Facility.

4 (c) Public Rights-of-Way Restoration. Whenever the Department requires a Permittee to remove,
5 relocate, adjust, and/or support a Surface-Mounted Facility to ensure the public health, safety or
6 welfare the Permittee shall, after such work is complete, at its own cost and expense, promptly restore
7 the Public Rights-of-Way in accordance with Applicable Law. If a Permittee fails to restore the Public
8 Rights-of-Way in accordance with Applicable Law, the Department shall have the option to perform or
9 cause to be performed such restoration in such manner as the Director deems expedient and
10 appropriate on behalf of the Permittee and charge the actual costs incurred including, but not limited
11 to administrative costs, to the Permittee.

12 (d) City Costs Reimbursement. If a Permittee does not remove, relocate, adjust, and/or support a
13 Surface-Mounted Facility in the manner and time prescribed by the Department, the Department shall
14 take all reasonable, necessary, and appropriate action, including removing the Surface-Mounted
15 Facility, and may charge the Permittee the reasonable costs actually incurred including, but not
16 limited to, administrative costs. Upon the receipt of a demand for payment by the Department, the
17 Permittee shall reimburse the City for any costs incurred by the Department to remove a Surface-
18 Mounted Facility or to restore the Public Rights-of-Way or the costs may be deducted from the
19 Permittee's deposit under Section 2725.

20
21 **SEC. 2722. POST-INSTALLATION OBLIGATIONS.**

22 (a) Required Signage. A Permittee shall place a sign on a permitted Surface-Mounted Facility that
23 shall contain the Permittee's name and provide a telephone number for people to call to notify the
24 Permittee that there is damage to or Graffiti on a Surface-Mounted Facility or associated landscaping
25 is in need of maintenance. A telephone call to that number will be considered notice to the Permittee.

1 (b) Surface-Mounted Facility Maintenance. A Permittee shall be solely responsible for maintaining a
2 Surface-Mounted Facility installed in the Public Rights-of-Way in a clean and safe condition. A
3 Permittee shall repair any damage to a Surface-Mounted Facility within a reasonable time after
4 discovering or being notified of such damage to a Surface-Mounted Facility.

5 (c) Landscaping Maintenance. A Permittee shall be solely responsible for the maintenance of any
6 installed landscaping or street tree installed by the Permittee as a Condition of the Department's
7 issuance of a Surface-Mounted Facility Site Permit for so long as the permitted Surface-Mounted
8 Facility remains at the location. Such landscaping shall be kept in a state of good visual quality, with
9 any dead or diseased material promptly removed and replaced. Any litter accumulating within the
10 landscaped area shall be removed within a reasonable time.

11 (d) Graffiti Removal. A Permittee shall be solely responsible for the removal of any Graffiti from
12 Surface-Mounted Facility installed in the Public Rights-of-Way. A Permittee shall remove all Graffiti
13 from a Surface-Mounted Facility within 72 hours after discovering such Graffiti during an inspection
14 or being notified that there is Graffiti on a Surface-Mounted Facility.

15 (e) Inspection Required. A Permittee shall regularly inspect each Surface-Mounted Facility installed
16 in the Public Rights-of-Way to determine whether any of its Surface-Mounted Facilities are damaged,
17 in need a landscaping maintenance, or have been tagged with Graffiti.

18 (f) Records. A Permittee shall maintain written records of all inspections, repairs to, and maintenance
19 of any permitted Surface-Mounted Facilities in the Public Rights-of-Way in such form as may be
20 required by the Department. The Department may require that a copy of these written records be sent
21 to the Department on a regular basis.

22
23 **SEC. 2723. VIOLATIONS.**

24 (a) Notice of Deficiency. If the Department determines, either after an inspection required under
25 Section 2720(b) or at any other time, that a Surface-Mounted Facility is not in compliance with the

1 Surface-Mounted Facility Site Permit, this Article 27, or other Applicable Law, the Department shall
2 issue a notice of deficiency and require the Permittee to take corrective action to bring the Surface-
3 Mounted Facility into compliance.

4 (b) Department Remedies.

5 (1) If a Permittee fails to take corrective action with respect to a Surface-Mounted Facility
6 within a reasonable time after receiving a notice of deficiency the Department shall:

7 (A) Take all reasonable, necessary, and appropriate action to remedy a Permittee's
8 non-compliance; or

9 (B) Charge to a Permittee the reasonable costs that the Department has actually
10 incurred including, but not limited to, administrative costs. Upon the receipt of a demand for payment
11 from the Department, the Permittee shall immediately reimburse the Department for any such costs
12 incurred by the Department or the costs may be deducted from the Permittee's deposit under Section
13 2725.

14 (C) Deny any pending Application submitted by the Permittee.

15 (2) In the event the required corrective action includes Graffiti removal, the Department may
16 all issue a fine of up \$1,000 per day. Upon the receipt of such a fine from the Department, the
17 Permittee shall pay the fine immediately or the fine may be deducted from the Permittee's deposit
18 under Section 2725.

19 (3) In addition to the foregoing, if the Department determines that a Permittee has repeatedly
20 failed to take corrective action with respect to a Surface-Mounted Facility after receiving a notice of
21 deficiency the Department may require the Permittee to remove the non-compliant Surface-Mounted
22 Facility from the Public Rights-of-Way.

23
24 **SEC. 2724. ABANDONMENT.**

1 (a) Notice of Abandonment. A Permittee shall notify the Department, or the Department may
2 determine and notify a Permittee, that a permitted Surface-Mounted Facility has been abandoned. In
3 such event, a Permittee shall promptly remove the abandoned Surface-Mounted Facility as required
4 by the Department and at Permittee's expense.

5 (b) Certification of Continued Use. Should the Department have reason to believe a permitted
6 Surface-Mounted Facility has been abandoned, the Department may request that a Permittee certify
7 that the permitted Surface-Mounted Facility is still in use. If the Permittee fails to timely respond to
8 the Department's request, the Department may determine that the permitted Surface-Mounted Facility
9 has been abandoned.

10 (c) Remedy for Non-Compliance. If a Permittee fails to remove an abandoned Surface-Mounted
11 Facility within a reasonable period of time after notifying the Department or receiving a notice of
12 abandonment, the Department shall take all reasonable, necessary, and appropriate action to remedy
13 the Permittee's failure to comply with the notice (including removing the Surface-Mounted Facility)
14 and may charge to the Permittee the reasonable costs the City has actually incurred including, but not
15 limited to, administrative costs.

16
17 **SEC. 2725. DEPOSIT.**

18 Each Permittee shall submit and maintain with the Department a bond, cash deposit, or other
19 security acceptable to the Department securing the faithful performance of the obligations of the
20 Permittee and its agents under any and all Surface-Mounted Facility Site Permits issued to the
21 Permittee under this Article 27. The deposit shall be in the sum of \$25,000 in favor of the
22 "Department of Public Works, City and County of San Francisco." If, in accordance with this Article
23 27, the Director deducts any amounts from such a deposit, the Permittee must restore the full amount
24 of the deposit prior to the Department's issuance of a subsequent Permit. The Department shall

1 return the deposit to the Permittee should Permittee cease to operate any Surface-Mounted Facilities
2 in the Public Rights-of-Way.

3
4 **SEC. 2726. LIABILITY.**

5 As a condition of a Surface-Mounted Facility Site Permit, each Permittee agrees on behalf of
6 itself and any agents, successors, or assigns to be wholly responsible for the construction, installation,
7 and maintenance of any permitted Surface-Mounted Facility. Each Permittee and its agents are
8 jointly and severally liable for all consequences of such construction, installation, and maintenance of
9 a Surface-Mounted Facility. The issuance of any Permit, inspection, repair suggestion, approval, or
10 acquiescence of any Person affiliated with the City shall not excuse any Permittee or its agents from
11 such responsibility or liability.

12
13 **SEC. 2727. INDEMNIFICATION AND DEFENSE OF CITY.**

14 (a) Indemnification of City. As a condition of a Surface-Mounted Facility Site Permit, each Permittee
15 agrees on behalf of itself and its agents, successors, or assigns, to indemnify, defend, protect, and hold
16 harmless the City from and against any and all claims of any kind allegedly arising directly or
17 indirectly from the following:

18 (1) Any act, omission, or negligence of a Permittee or its any agents, successors, or assigns
19 while engaged in the construction, installation, or maintenance of any Surface-Mounted Facility
20 authorized by a Permit, or while in or about the Public Rights-of-Way that are subject to the Permit,
21 for any reason connected in any way whatsoever with the performance of the work authorized by the
22 Permit, or allegedly resulting directly or indirectly from the construction, installation, or maintenance
23 of any Surface-Mounted Facility authorized under the Permit;

24 (2) Any accident, damage, death, or injury to any of a Permittee's contractors or
25 subcontractors, or any officers, agents, or employees of either of them, while engaged in the

1 performance of the construction, installation, or maintenance of any Surface-Mounted Facility
2 authorized by a Permit, or while in or about the Public Rights-of-Way that are subject to the Permit,
3 for any reason connected with the performance of the work authorized by the Permit, including from
4 exposure to radio frequency emissions;

5 (3) Any accident, damage, death, or injury to any Person or accident, damage, or injury to any
6 real or personal property in, upon, or in any way allegedly connected with the construction,
7 installation, or maintenance of any Surface-Mounted Facility authorized by a Permit, or while in or
8 about the Public Rights-of-Way that are subject to the Permit, from any causes or claims arising at
9 any time, including any causes or claims arising from exposure to radio frequency emissions; and

10 (4) Any release or discharge, or threatened release or discharge, of any hazardous material
11 caused or allowed by a Permittee or its agents about, in, on, or under the Public Rights-of-Way.

12 (b) Defense of City. Each Permittee agrees that, upon the request of the City, the Permittee, at no cost
13 or expense to the City, shall indemnify, defend, and hold harmless the City against any claims as set
14 forth in subsection (a) above, regardless of the alleged negligence of City or any other party, except
15 only for claims resulting directly from the sole negligence or willful misconduct of the City. Each
16 Permittee specifically acknowledges and agrees that it has an immediate and independent obligation
17 to defend the City from any claims that actually or potentially fall within the indemnity provision, even
18 if the allegations are or may be groundless, false, or fraudulent, which obligation arises at the time
19 such claim is tendered to the Permittee or its agent by the City and continues at all times thereafter.

20 Each Permittee further agrees that the City shall have a cause of action for indemnity against the
21 Permittee for any costs the City may be required to pay as a result of defending or satisfying any
22 claims that arise from or in connection with a Permit, except only for claims resulting directly from
23 the sole negligence or willful misconduct of the City. Each Permittee further agrees that the
24 indemnification obligations assumed under a Permit shall survive expiration of the Permit or
25 completion of installation of any Surface-Mounted Facility authorized by the Permit.

1 (c) Additional Requirements. The Department may specify in a Permit such additional
2 indemnification requirements as are necessary to protect the City from risks of liability associated
3 with the Permittee's construction, installation, and maintenance of a Surface-Mounted Facility.

4
5 **SEC. 2728. INSURANCE.**

6 (a) Minimum Insurance Coverages. The Department shall require that each Permittee maintain in full
7 force and effect, throughout the term of a Surface-Mounted Facility Site Permit, an insurance policy
8 or policies issued by an insurance company or companies satisfactory to the City's Risk Manager.
9 Such policy or policies shall, at a minimum, afford insurance covering all of the Permittee's
10 operations, vehicles, and employees, as follows:

11 (1) Workers' compensation, in statutory amounts, with employers' liability limits not less than
12 \$1,000,000 each accident, injury, or illness.

13 (2) Commercial general liability insurance with limits not less than \$1,000,000 each
14 occurrence combined single limit for bodily injury and property damage, including contractual
15 liability, personal injury, products and completed operations.

17 occurrence combined single limit for bodily injury and property damage, including owned, non-owned
18 and hired auto coverage, as applicable.

19 (4) Contractors' pollution liability insurance, on an occurrence form, with limits not less than
20 \$1,000,000 each occurrence combined single limit for bodily injury and property damage and any
21 deductible not to \$25,000 each occurrence.

22 (b) Other Insurance Requirements.

23 (1) Said policy or policies shall include the City and its officers and employees jointly and
24 severally as additional insureds, shall apply as primary insurance, shall stipulate that no other

1 insurance effected by the City will be called on to contribute to a loss covered thereunder, and shall
2 provide for severability of interests.

3 (2) Said policy or policies shall provide that an act or omission of one insured, which would
4 void or otherwise reduce coverage, shall not reduce or void the coverage as to any other insured.
5 Said policy or policies shall afford full coverage for any claims based on acts, omissions, injury, or
6 damage which occurred or arose, or the onset of which occurred or arose, in whole or in part, during
7 the policy period.

8 (3) Said policy or policies shall be endorsed to provide 30 days advance written notice of
9 cancellation or any material change to the Department.

10 (4) Should any of the required insurance be provided under a claims-made form, a Permittee
11 shall maintain such coverage continuously.

12 (5) Should any of the required insurance be provided under a form of coverage that includes a
13 general annual aggregate limit or provides that claims investigation or legal defense costs be included
14 in such general annual aggregate limit, such general aggregate limit shall be double the occurrence
15 or claims limits specified in subsection (a) above.

16 (c) Indemnity Obligation. Such insurance shall in no way relieve or decrease a Permittee's or its
17 agent's obligation to indemnify the City under Section 2727.

18 (d) Proof of Insurance. Before the Department will issue a Permit, a Permittee shall furnish to the
19 Department certificates of insurance and additional insured policy endorsements with insurers that
20 are authorized to do business in the State of California and that are satisfactory to the City evidencing
21 all coverages set forth in subsection (a) above.

22 (e) Self-Insurance. Where a Permittee is self-insured, and such insurance is no less broad and affords
23 no less protection to the City than the requirements specified in subsection (a) above, the Department,
24 in consultation with the City's Risk Manager, may accept such insurance as satisfying the
25

1 requirements of subsection (a) above. Evidence of such self-insurance shall be provided in the
2 manner required by the City's Risk Manager.

3
4 **SEC. 2729. CITY DEPARTMENT FEES AND COSTS.**

5 (a) In General. City departments shall impose fees for their review of an Application for a Surface-
6 Mounted Facility Site Permit, which for purposes of this Section includes their review of an
7 Applicant's Preferred Location List. The purpose of these fees is to enable City departments to
8 recover their costs related to reviewing an Application or Preferred Location List.

24 (e) Adjustment of Fees for CPI. Beginning with fiscal year 2015-2016, the fees established herein may
25 be adjusted each year, without further action by the Board of Supervisors, to reflect changes in the

1 relevant Consumer Price Index (“CPI”) (as determined by the Controller). No later than April 15th
2 of each year, the Director shall submit the current fee schedule to the Controller, who shall apply the
3 CPI adjustment to produce a new fee schedule for the following year. No later than May 15th of each
4 year, the Controller shall file a report with the Board of Supervisors reporting the new fee and
5 certifying that the fees produce sufficient revenue to support the costs of providing the services for
6 which the for a Surface-Mounted Facility Site Permit fee is charged, and that the fees do not produce
7 revenue that exceeds the costs of providing the services for which each Permit fee is charged.

9 or Application is or will be unusually costly to the Department or to other City departments, the
10 Director, in his or her discretion, may, after consulting with other applicable City departments,
11 agencies, boards, or commissions, require an Applicant to pay a sum in excess of the amounts charged
12 pursuant to this Section. This additional sum shall be sufficient to recover actual costs incurred by the
13 Department and/or other City departments, agencies, boards, or commissions, in connection with an
14 Application and shall be charged on a time and materials basis. Whenever additional fees are
15 charged, the Director, upon request, shall provide in writing the basis for the additional fees and an
16 estimate of the additional fees.

17 (g) Deposit of Fees. All fees paid to the Department for Surface-Mounted Facility Site Permits shall
18 be deposited in the Public Works Excavation Fund established by San Francisco Administrative Code
19 Section 10.100-230. All other fees shall go directly to the appropriate City department.

20 (h) Reimbursement of City Costs. A City department may determine that it requires the services of a
21 technical expert in order to evaluate an Application, which for purposes of this Section includes their
22 review of an Applicant’s Preferred Location List. In such case, the Department shall not approve the
23 Application unless the Applicant agrees to reimburse the applicable City department for the
24 reasonable costs incurred by that department for the services of a technical expert.
