5 **Cooperatives to convert existing residential buildings to limited-equity housing**  
6 **cooperatives, and making findings including findings under the California**  
7 **Environmental Quality Act.**

10 Board amendment additions are double underlined.  
11 Board amendment deletions are ~~strikethrough normal~~.

12 Be it ordained by the People of the City and County of San Francisco:

13 Section 1. Findings. The Planning Department has completed environmental  
14 review of this ordinance pursuant to the California Environmental Quality Act ("CEQA"),  
15 the CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code.

16 Documentation of that review is on file with the Clerk of the Board of Supervisors in File  
17 No. 080513.

18 Section 2. The San Francisco Subdivision Code is hereby amended by adding  
19 Article 11, consisting of Sections 1399.1 through 1399.23, to read as follows:

20 **Sec. 1399.1. PURPOSE.**

21 This Article 11 is enacted to establish a method for converting parcels containing 2 or  
22 more existing residential units into limited equity housing cooperatives. The conversions  
23 allowable under this Article 11 are intended to:

24 (a) promote the expansion of residential ownership opportunities for existing tenants  
25 by making conversions into limited equity housing cooperatives possible at a level they can  
afford because limited equity housing cooperatives are widely recognized as vehicles to:

1           (1) provide affordable home ownership opportunities for very low and low-income  
2 individuals and families.

3           (2) allow low-income individuals and families the ability to acquire a limited  
4 ownership interest in a building.

5           (3) participate, through the voting rights granted to each share owner, in the  
6 management of the limited equity cooperative, and

7           (4) restrict the annual appreciation of membership shares to increases not to exceed  
8 10% of the original consideration paid for the share in order to provide appreciation for the  
9 share owner and continued affordability for other low-income households at resale;

10           (b) balance the interests of home ownership with the need to protect existing tenants  
11 from displacement;

12           (c) increase the availability of affordable home ownership opportunities citywide;

13           (d) target affordability levels that reflect the needs and income distribution of the  
14 City's residents; and

15           (e) improve the physical condition of the converted housing stock without fueling  
16 neighborhood gentrification.

17           **Sec. 1399.2. MODIFICATION TO EXISTING CODE.**

18           This Article modifies applicable provisions of the San Francisco Subdivision Code  
19 ("Code") for all conversion applications submitted under Section 1399.17. Article 9 of the Code  
20 does not apply to conversions to stock cooperatives under this Article except as expressly noted  
21 herein, but would apply in the event that a stock cooperative formed under this Article seeks to  
22 convert to a condominium. The provisions of Sections 1332(a), 1341 and 1385 of the Code do  
23 not apply to conversions under this Article. Subdivisions permitted by this Article shall not  
24 constitute an increase in the limits of Section 1396 for purposes of Sections 1341A(2) or  
25 1385A(2).

1           Sec. 1399.3. DEFINITIONS.

2           In addition to the definitions in Section 1308, the definitions below shall govern this  
3 Article. To the extent that there is a conflict between the definitions below and those in Section  
4 1308, the definitions in this Section control.

17 conversions permitted per year, beginning on June 1st of each year, and shall equal 200 units  
18 per year plus any unused allocation from the previous year. Notwithstanding the foregoing,  
19 the number of unit conversions under this Article shall not exceed 400 in any year.  
20 Units or member shares located in City-owned buildings shall not be counted as part of  
21 the Maximum Allowable Allocation.

22           (f) "Maximum Annual Rent" shall mean the maximum rent that a Limited Equity  
23 Housing Cooperative may charge any Resident Tenant who is also a Qualifying Household as

25 calendar year as published by the Mayor's Office of Housing. The maximum annual rent for a

1 unit of the size indicated below shall be no more than 30 percent of the annual gross income for

10 Office of Housing in the application for a Certificate of Clearance.

11           **Sec. 1399.4. APPLICATION.**

12           This Article shall apply to all applications for initial conversion of residential buildings  
13 with 2 units or more into a Limited Equity Housing Cooperative, filed on or after the effective  
14 date of this ordinance. The Subdivider for an application for initial conversion under this Article  
15 must be a non-profit public benefit corporation formed under California Corporation Code  
16 Section 5110. Applications for initial conversion shall be filed with the Department of Public  
17 Works in accordance with the provisions of Section 1399.17 of this Article.

18           **Sec. 1399.5. LIMITATION ON NUMBER OF CONVERSIONS.**

19           (a) The Department shall not, under this Article, approve applications for  
20 conversions of more than the Maximum Allowable Allocation each year, beginning on June 1.  
21 The Department shall carry over any unused allocation from year to year. Units or member  
22 shares located in City-owned buildings shall not be counted as part of the Maximum  
23 Allowable Allocation and may convert under this Article 11 regardless of the number of  
24 units.

1           **(b) The Department shall keep a list of complete applications in the order that the**  
2 **Department deems the application complete until the cumulative number of units reaches or**  
3 **would exceed the Maximum Allowable Allocation. If a project is within the Maximum Allowable**  
4 **Allocation then the Department shall accept the application for processing. In the event that the**  
5 **number of units represented by completed applications exceeds the Maximum Allowable**  
6 **Allocation, those buildings not accepted for processing by the Department shall be placed on a**  
7 **waiting list and, unless otherwise withdrawn by the Subdivider, shall be given priority in the**  
8 **order that the applications were deemed complete for the following year's Maximum Allowable**  
9 **Allocation.**

10           **Sec. 1399.6. MAYOR'S OFFICE OF HOUSING: CERTIFICATE OF**  
11 **CLEARANCE; CONVERSION OVERSIGHT AND MONITORING.**

12           **The Mayor's Office of Housing shall have the following responsibilities under this**  
13 **ordinance:**

14           **(a) Certificate of Clearance: The Department of Public Works shall not deem an**  
15 **application for conversion under this ordinance complete unless the applicant includes a**  
16 **"Certificate of Clearance" issued by the Mayor's Office of Housing for the application. MOH**  
17 **must issue a Certificate of Clearance to the Subdivider within (i) 7 days of receiving an**  
18 **application if the Subdivider or Limited Equity Housing Cooperative is a recipient of funding**  
19 **under the Real Ownership Opportunities for Tenants program or (ii) 30 days of receiving an**  
20 **application from any other Subdivider or Limited Equity Housing Cooperative if all of the**  
21 **following criteria have been met:**

22           **(1) The Subdivider has submitted income verification information for all households**  
23 **in the building pursuant to Section 1399.16 and the Mayor's Office of Housing determines that**  
24 **at least 50% of the existing households at the time of submission are Qualifying Households;**  
25

1           (2) Two-thirds of the Qualifying Households have submitted an executed Intention to  
2 Purchase form;

3           (3) At least a majority of all households in the building at the time of application  
4 submission have submitted an executed Intention to Purchase form;

5           (4) The following offer has been made to any tenant who, in the two years prior to the  
6 Subdivider's application for a Certificate of Clearance, surrendered their tenancy or were  
7 evicted due to a notice to quit under San Francisco Rent Ordinance Sections 37.9(a)(8) – (15)  
8 and who has resided in the building for at least one year prior to their surrender of tenancy or  
9 eviction: The former tenant shall receive the option to purchase a member share and occupy a  
10 unit appropriate to the size of the household at the time the household surrendered their tenancy  
11 under the same terms as a tenant in the building at the time of application. If the Subdivider,  
12 after making a reasonably diligent search, cannot locate a tenant, the Subdivider shall document  
13 its efforts to reach the tenant and shall request a waiver from this subsection. MOH shall  
14 evaluate whether all reasonable measures have been taken to locate the tenant and, if it finds  
15 that they have, shall grant such a waiver.

16           (5) The Subdivider and the Mayor's Office of Housing have entered into a binding  
17 agreement to record a notice of special restrictions against the property as a condition of  
18 subdivision that imposes: (A) all requirements of California Business and Professions Code  
19 Section 11003.4(b)(3), (B) the resale restrictions set forth in Section 1399.21, (C) Carrying  
20 Charge restrictions set forth in Section 1399.9, (D) subleasing restrictions set forth in Section  
21 1399.6(b)(3), and (E) rent restrictions for Resident Tenants set forth in Section 1399.8A. The  
22 notice of special restrictions shall run with the land and be binding on the Subdivider, any future  
23 Limited Equity Housing Cooperative, or any other successor in interest.

24           (6) A Limited Equity Housing Cooperative has been formed and the Limited Equity  
25 Housing Cooperative holds a fee simple interest in the parcel to be converted or entered into a

1 lease of no less than 99 years, or the Subdivider covenants under the agreement above to  
2 transfer a fee simple interest to or enter into a lease of no less than 99 years with a duly formed  
3 Limited Equity Housing Cooperative.

4 (7) A rental history detailing for each unit the size in square feet, the number of  
5 bedrooms, the current or last rental rate, and the names of the current tenant or tenants for each  
6 unit, including the names of all occupants 18 years of age or older, to the extent that such  
7 information is known or can be made known to the Subdivider.

8 (8) A budget detailing the Total Development Cost.

9 (b) Ongoing Monitoring: On an ongoing basis, the Mayor's Office of Housing shall  
10 perform the following monitoring activities:

11 (1) Verify that vacated units purchased by households that are Qualifying  
12 Households at the time of the application for a Certificate of Clearance are re-sold to  
13 Qualifying Households;

14 (2) Before a proposed resale of a member share, verify that the resale price of the  
15 Member Share complies with the requirements of this ordinance;

16 (3) Ensure that each Limited Equity Housing Cooperative converting under this  
17 section submit an annual report certifying the following:

18 (A) For Resident Members who purchased their shares as a Qualified Household, (i)  
19 the cooperative is their only residence and (ii) they have not subleased their unit for more than  
20 12 months in the previous 3 year period;

21 (B) For Resident Tenants, (i) the cooperative is their only residence; and (ii) they  
22 have not subleased their unit unless approved in writing by the Limited Equity Housing  
23 Cooperative.

24 (4) Prepare an annual monitoring report to the Board of Supervisors that analyzes:  
25 (A) the number of conversions per year; (B) the type, location, quantity, affordability, and

1 number of resales of units in each project converted; (C) a list of projects converted under the  
2 ordinance including address and contact information; (D) known barriers and issues related to  
3 conversion under the ordinance; (E) effectiveness of the ordinance in serving low-income  
4 households; and (F) recommendations to the Board for improvements or legislative amendments.

5 (c) Income Verification: The Mayor's Office of Housing shall perform income  
6 verification as detailed in Section 1399.16.

7 (d) The Director of the Mayor's Office of Housing may issue administrative citations  
8 for violations of this ordinance. San Francisco Administrative Code Chapter 100, "Procedures  
9 Governing the Imposition of Administrative Fines," is hereby incorporated in its entirety and  
10 shall govern the procedure for imposition, enforcement, collection, and administrative review of  
11 administrative citations issued to enforce the Sections set forth in this Subsection 1344 and  
12 related provisions of the Subdivision Code. Nothing in this Section shall prevent the City from  
13 pursuing other remedies provided by law in addition to or instead of the fines provided for here.

14 **Sec. 1399.7. ADMINISTRATIVE FEES**

15 (a) The Department of Public Works, on behalf of itself and the Mayor's Office of  
16 Housing, is authorized to collect fees under Section 1315 of this Code which shall be applicable  
17 to all applications for initial conversion filed under this Article 11.

18 (b) The Department of Public Works shall be additionally authorized to collect fees  
19 on behalf of the Mayor's Office of Housing in the amount of \$50 per unit for reviewing the  
20 tenants' income documentation and issuing an Income Certificate as provided in Section  
21 1399.16 of the Code.

22 (c) Within one year after the date this Article becomes effective, and every three  
23 years thereafter, the Director shall review the proceeds of the administrative fee, and the costs of  
24 administering and monitoring Article 11 and shall prepare a report to the Board of Supervisors.  
25 Based upon the result of the review, the Director shall recommend to the Board of Supervisors

1 any necessary adjustment to the fee structure and any necessary legislation to make the  
2 processing of such applications more efficient. In the event that the fee proceeds have exceeded,  
3 or are anticipated to exceed, the costs of administering and monitoring Article 11, the Director  
4 shall recommend legislation to the Board of Supervisors that modifies the applicable fee to  
5 ensure that fee proceeds do not exceed the costs of administration. In the event that fee proceeds  
6 have under-collected, or are anticipated to under-collect, the Director may recommend  
7 legislation to the Board of Supervisors that modifies the applicable fee to more accurately  
8 recover the costs for administration and monitoring.

9 **Sec. 1399.8. TENANT PURCHASE RIGHTS.**

10 (a) Each tenant in a building that is converted subject to this Article has the right to  
11 purchase a Member Share at a price not to exceed an amount determined by the prescribed  
12 purchase price formula, as further defined in Section 1399.9, provided that:

13 (1) The purchasing tenant continues to reside in the unit from the date the application  
14 packet as provided in Section 1399.17 is filed up to and including the date of close of escrow on  
15 the purchase.

16 (2) Prior to the execution of a purchase and sale agreement, the purchasing tenant  
17 obtains income certification as provided in Section 1399.16.

18 (3) If another tenant residing in the same unit with a purchasing tenant does not  
19 jointly purchase a Member Share, the purchasing tenant may take possession of his or her unit  
20 subject to the lifetime lease rights of the non-purchasing tenant, as provided in Section 1399.8A.

21 (4) For any tenant to accrue a right to purchase, that tenant must have lived in the  
22 building for at least 1 year prior to the filing of the Certificate of Clearance with the Mayor's  
23 Office of Housing.

1           (b) A tenant may not assign his or her right to purchase a Member Share except that  
2 a tenant may jointly purchase a Member Share with another person or persons who reside in the  
3 unit with that tenant.

4           (c) A purchasing tenant shall not be made to execute a purchase and sale agreement  
5 or to make a non-refundable deposit toward the purchase of a Member Share prior to (i) the  
6 issuance of a conditional or final subdivision public report for the property by the California  
7 Department of Real Estate or (ii) the filing of a subdivision public reporting exemption with the  
8 Department of Real Estate under California Business and Professions Code Section 11003.4 and  
9 the recording of a Final Map under this Article.

10           (d) Within 30 calendar days following the issuance of the final subdivision public report  
11 by the State Department of Real Estate, the Subdivider shall notify each tenant in writing of the  
12 right to purchase a Member Share. The written notice shall be served in person or by certified  
13 or registered mail, and shall include the price at which the Member Share may be purchased and  
14 the date on which the offering period expires.

15           (e) To effectuate a purchase, a purchasing tenant must:

16           (1) execute a binding purchase and sale agreement that includes all material terms  
17 negotiated between the Subdivider and the tenant, and such other usual and customary terms  
18 found in an agreement for the purchase and sale of residential property in the City and County  
19 of San Francisco, in accordance with the requirements of the California Department of Real  
20 Estate and the final subdivision public report authorizing the sale of units in the property,  
21 restrictions on resale price consistent with the provisions of Section 1399.22 of this Article 11,  
22 and first right-of-refusal for the Limited Equity Housing Cooperative to repurchase the Member  
23 Share.

24           (2) execute an occupancy agreement with the Limited Equity Housing Cooperative  
25 that includes (i) a description of that portion of the Limited Equity Housing Cooperative to

1 which the Resident Member has an exclusive right of occupancy, provided, however, (ii) a right  
2 by the Limited Equity Housing Cooperative to transfer the Resident Member to another unit in  
3 the Limited Equity Housing Cooperative for the purpose of alleviating overcrowding or  
4 underutilization of the Resident Member's existing unit, (iii) a monthly Carrying Charge for that  
5 portion as restricted by Section 1399.9, (iv) the subleasing restrictions set forth in Section  
6 1399.6(b)(3), and (v) such other covenants and conditions conducive to maintaining the  
7 property in good, clean and habitable condition.

8 (f) Notwithstanding the foregoing, the Subdivider or Limited Equity Housing  
9 Cooperative may execute a conditional agreement to sell or finance Member Shares (including  
10 an agreement requiring a non-refundable deposit) as provided in California Government Code  
11 section 66499.30(e) so long as the following are completed: (i) filing of a subdivision public  
12 reporting exemption with the Department of Real Estate as set forth in Section 1399.8(a) above,  
13 (ii) issuance of a Certificate of Clearance by the Mayor's Office of Housing, and (iii) inclusion  
14 within the agreement to sell or finance Member Shares the restrictions set forth in subsection (e)  
15 above.

16 **Sec. 1399.8A TENANT LIFETIME LEASE RIGHTS**

17 (a) A lifetime lease arises as to each tenant who is qualified to purchase under  
18 Section 1399.8 but who has not exercised his or her right to do so on the date that the  
19 subdivision map for the property is recorded, provided, however, that the Limited Equity  
20 Housing Cooperative may from time to time transfer the Resident Tenant to another unit  
21 in the property converted under this Article to alleviate overcrowding or underutilization  
22 of the Resident Tenant's existing unit. In consideration of the benefit of this Article 11 to the  
23 Subdivider and any successors in interest from permitting the conversion of buildings of 2 units  
24 or more, the Subdivider and all successors in interest agree to waive any right to any rent  
25 increase other than as provided in this subsection that may be permitted under the Costa

1 Hawkins Rental Housing Act, Civil Code Sections 1954.50 et seq. or by any other  
2 provision of law, and to waive any claim against the City of a physical taking under the  
3 California or United States Constitution based on the lifetime lease provision. These waivers will  
4 be binding on any heirs, successors in interest, or assigns.

5 (b) The initial rent payable under the lifetime lease shall not exceed the rent charged  
6 on the date the application for the Certificate of Clearance is submitted, plus ten (10) percent.  
7 Subsequent annual rent increases may not exceed the average annual percentage increase in  
8 Carrying Charges paid by all Resident Members. At no time may rent for a unit occupied by a  
9 Qualifying Household exceed the Maximum Annual Rent as defined herein. A tenant receiving a  
10 lifetime lease under this Section 1399.8A may exempt himself or herself from the restrictions on  
11 rent imposed by this limitation at any time if the tenant enters into an express agreement waiving  
12 the requirements of this subsection. A Subdivider or Limited Equity Housing Cooperative that is  
13 applying to or has converted under this ordinance may not evict a Resident Tenant based on his  
14 or her refusal to enter into such a waiver agreement. Any written waiver under this  
15 subsection 1399.8A(b) shall be invalid and unenforceable unless the following  
16 statement is printed in bold and all capital letters on the first line of the written waiver  
17 agreement:

18 **REFUSAL TO ENTER INTO THIS WAIVER AGREEMENT WILL NOT**  
19 **TERMINATE YOUR RIGHT TO CONTINUE TO OCCUPY YOUR UNIT UNDER**  
20 **A LIFETIME LEASE WITH THE LIMITED EQUITY HOUSING COOPERATIVE.**  
21 **REFUSAL TO ENTER INTO THIS WAIVER AGREEMENT CANNOT BE USED**  
22 **AS A BASIS FOR EVICTING YOU.**

23 (c) The lifetime lease shall contain a provision allowing the Resident Tenant to  
24 terminate the lease and vacate the unit upon thirty days written notice to the landlord.  
25

1           (d) The lifetime lease shall terminate on the death of the Resident Tenant or the date  
2 on which the tenant ceases to actually and continuously reside in the unit as his or her sole  
3 residence, whichever occurs first. The landlord may terminate the lease during its term only for  
4 a Permitted Eviction.

5           (e) There shall be no decrease in maintenance of the unit occupied by a Resident  
6 Tenant under a lifetime lease.

7           (f) If, on the date the application packet as provided in Section 1399.17 is submitted,  
8 the tenant jointly occupies the unit with a person who is not a tenant or a Resident Member but  
9 who is a related party, then, at the request of the tenant, the related party shall become a tenant  
10 under the lifetime lease. A "related party" is an adult who is a grandparent, grandchild, parent,  
11 child, brother, sister, or spouse of the tenant, or person registered as a domestic partner of the  
12 tenant pursuant to San Francisco Administrative Code 62.1-62.8, and who, for purposes of this  
13 ordinance, has occupied the unit for at least one year prior to the date of submission of the  
14 application for a Certificate of Clearance.

15           (g) A tenant's rights under a lifetime lease are not transferable, and any attempted  
16 transfer shall be of no force or effect. The foregoing does not prevent a Resident Tenant with a  
17 lifetime lease from allowing other persons to occupy the unit with him or her to the same extent  
18 as allowed Resident Members, provided that (i) the Resident Tenant continues to actually reside  
19 in the unit as his or her principal residence, and (ii) no other person residing in the unit who is  
20 not a party to the lifetime lease shall have the rights of a Resident Tenant. A Resident Tenant  
21 must provide the landlord with the name of each person who occupies the unit with the tenant as  
22 well as emergency contact information for that person in writing. The Resident Tenant must also  
23 give any other occupant of the unit a written notice that the occupant is not a tenant and has no  
24 rights under the lifetime lease.

1 annual rent increases may not exceed the average annual percentage increase in Carrying  
2 Charges paid by all Resident Members. At no time may rent for a unit occupied by a Qualifying  
3 Household exceed the Maximum Annual Rent as provided in the San Francisco Subdivision  
4 Code Section 1399.3.

5 2. You have a right to terminate your lifetime lease at any time on thirty days prior written  
6 notice to your landlord.

7 3. The lifetime lease automatically terminates only on the death of the last person named as a  
8 tenant in the lease or when you no longer actually and continuously reside in the unit as your  
9 sole place of residence.

10 4. Your landlord may terminate the lifetime lease during its term only if:

11 a. you fail to pay the rent to which the landlord is lawfully entitled under the oral or written  
12 agreement between you and the landlord or you habitually pay the rent late or give checks which  
13 are frequently returned because there are insufficient funds in the checking account;

14 b. you have violated a lawful obligation or covenant of tenancy other than the obligation to  
15 surrender possession upon proper notice and you have failed to cure the violation after having  
16 received written notice of it from the landlord; provided that notwithstanding any lease provision  
17 to the contrary, your landlord shall not endeavor to recover possession of your unit as a result of  
18 your subletting the unit if your landlord has unreasonably withheld the right to sublet following  
19 a written request from you, so long as you continue to reside in the rental unit and the sublet  
20 constitutes a one-for-one replacement of the departing tenant(s) as set forth in Rent Board  
21 Regulations 6.15A(d) and 6.15B(b).

22 c. you are committing or permitting to exist a nuisance in or are causing substantial damage to  
23 the rental unit, or you are creating a substantial interference with the comfort, safety or  
24 enjoyment of the landlord or tenants in the building;

25 d. you are using or permitting the unit to be used for any illegal purpose;

e. you have, after written notice to cease, refused the landlord access to the unit as required by  
state or local law; or

f. you are a subtenant holding at the end of the term of an oral or written lease not approved by  
the landlord.

5. If, on the date the application for conversion is submitted to the San Francisco Department of  
Public Works, one of the following persons lives with you at the unit and is an adult and who, for  
purposes of this ordinance, has occupied the unit for at least one year prior to the date of  
submission of the application for a Certificate of Clearance, at your request the landlord must  
name that person as a tenant on the lifetime lease, even if the landlord has not previously  
accepted that person as a tenant: your grandparent, grandchild, parent, child, brother, sister,  
spouse, or domestic partner.

6. You may not assign or transfer the lifetime lease. However, you may allow other persons to  
occupy the unit with you to the same extent as allowed under the existing agreement between you

1 and your landlord so long as you actually and continually reside in the unit as your sole place of  
2 residence and you give the landlord the name of each person who resides in the unit with you  
3 and emergency contact information for that person. You must give any person who resides in the  
4 unit with you notice that he or she is not a tenant and has no rights under the lifetime lease.

5 7. At your landlord's request, you must enter into a written lease with your landlord that  
6 includes those terms of your existing rental agreement that do not conflict with your rights under  
7 the lifetime lease. If you do not have a written rental agreement, the written lifetime lease will  
8 contain provisions usually and customarily found in a residential rental agreement in San  
9 Francisco that do not conflict with your rights under the lifetime lease.
