3 **Resolution calling a special election in the City and County of San Francisco Special**
4 **Tax District No. 2020-1 (Mission Rock Facilities and Services); and determining other**
5 **matters in connection therewith, as defined herein.**

6
7 WHEREAS, California Statutes of 1968, Chapter 1333 (“Burton Act”) and San
8 Francisco Charter, Section 4.114 and Appendix B, beginning at Section B3.581, empower the
9 City and County of San Francisco (“City”), acting through the San Francisco Port Commission
10 (“Port” or “Port Commission”), with the power and duty to use, conduct, operate, maintain,
11 manage, regulate, and control the lands within Port jurisdiction; and

12 WHEREAS, Seawall Lot 337 Associates, LLC, a Delaware limited liability company
13 (“Master Developer”) and the City, acting by and through the Port, are parties to a Disposition
14 and Development Agreement (as amended from time to time, “DDA”), including a Financing
15 Plan (as amended from time to time, “Financing Plan”), that governs the disposition and
16 development of certain parcels in the jurisdiction of the Port, including Seawall Lot 337, 3.53
17 acres located at Terry A. Francois Boulevard from Third Street to Mission Rock Street, China
18 Basin Park and 1/2 acre to the east of Terry A. Francois Boulevard between Pier 48 and Pier
19 50 (“Project Site”), and also provides for development of Pier 48, which DDA was approved by
20 the Board of Supervisors of the City (“Board of Supervisors” or “Board”) by Resolution No. 42-
21 18, adopted on February 13, 2018, signed by the Mayor on February 23, 2018, and a copy of
22 which is in Board File No. 180092 (“Mission Rock Project Resolution”); and

23 WHEREAS, The Port collaborated with the State Lands Commission and the
24 Legislature, resulting in an amendment of the Burton Act to lift or suspend its statutory trust
25 use restrictions that impede the Port’s ability to realize the development potential of Port

1 lands; under Senate Bill 815 (Stats. 2007, ch. 660, as amended by Stats. 2016, ch. 529) (“SB
2 815”), the Port is authorized to lease certain seawall lots south of Market Street, including the
3 Project Site, for nontrust purposes, providing revenues for rehabilitation of historic wharves
4 and piers and other trust uses; SB 815 allows long-term nontrust uses that are otherwise not
5 permissible under the Burton Act as a primary mechanism to generate Port revenues for trust
6 purposes, including the construction of infrastructure needed for development; and

7 WHEREAS, On November 3, 2015, San Francisco voters approved the Mission Rock
8 Affordable Housing, Parks, Jobs and Historic Preservation Initiative (“Proposition D”), which
9 authorized increased height limits on the Project Site, subject to environmental review, and
10 established a City policy to encourage development of the Project Site; Proposition D
11 specifically provides that it is intended to encourage and implement the lease and
12 development of the Project Site as described in SB 815 to support the purposes of the Burton
13 Act, especially the preservation of historic piers and historic structures and construction of
14 waterfront plazas and open space; and

15 WHEREAS, The proposed development of the Project Site, which is commonly
16 referred to as the Mission Rock project (“Project”), will be a new mixed-use neighborhood that
17 is proposed to include a mix of commercial/office, retail, parking, and market rate and
18 affordable residential uses and approximately eight acres of new and expanded parks and
19 shoreline access; and

20 WHEREAS, Under the DDA, (i) the Master Developer is responsible for master
21 development of the Project Site, including construction of public infrastructure, (ii) the Port and
22 Master Developer will enter into a master lease for all of the Project Site, (iii) the Port will
23 convey development parcels to vertical developers and those parcels will be released from
24 the master lease, and (iv) the Port may enter into a separate lease with the Master Developer
25 (or an affiliate of Master Developer) for development of Pier 48; and

1 WHEREAS, The City anticipates that, in addition to the infrastructure and private
2 development described above, future improvements will be necessary to ensure that the
3 shoreline, public facilities, and public access improvements will be protected should sea level
4 rise in the vicinity of the Project Site, and the Board of Supervisors desires to provide a
5 mechanism to pay for the costs of such improvements; and

6 WHEREAS, At its hearing on October 5, 2017, and prior to recommending proposed
7 Planning Code amendments for approval, by Motion No. M-20017, the Planning Commission
8 certified a Final Environmental Impact Report (“FEIR”) for the Project pursuant to the
9 California Environmental Quality Act (“CEQA”) (California Public Resources Code, Section
10 21000 et seq.), the CEQA Guidelines (14 Cal. Code Reg., Section 15000 et seq.), and
11 Administrative Code, Chapter 31; a copy of said Motion is on file with the Clerk of the Board in
12 File No. 171117, and is incorporated herein by reference; and

13 WHEREAS, In recommending proposed Planning Code Amendments for approval by
14 the Board at its hearing on October 5, 2017, by Motion No. M-20018, the Planning
15 Commission also adopted findings under CEQA, including a statement of overriding
16 consideration, and a Mitigation Monitoring and Reporting Program (“MMRP”), and copies of
17 said Motion and MMRP are on file with the Clerk of the Board in File No. 171117, and are
18 incorporated herein by reference; and

19 WHEREAS, Under Chapter 43, Article X of the San Francisco Administrative Code (as
20 it may be amended from time to time, “Code”), which Code incorporates by reference the
21 Mello-Roos Community Facilities Act of 1982, as amended (“Mello-Roos Act”), the Board is
22 authorized to establish a special tax district and to act as the legislative body for a special tax
23 district; and

24 WHEREAS, On April 7, 2020, the Board adopted a resolution (which resolution was
25 signed by the Mayor on _____, 2020) entitled “Resolution of formation of the City

1 and County of San Francisco Special Tax District No. 2020-1 (Mission Rock Facilities and
2 Services) and a future annexation area; determining other matters in connection therewith, as
3 defined herein; and making findings under the California Environmental Quality Act”
4 (“Resolution of Formation”), ordering the formation of the “City and County of San Francisco
5 Special Tax District No. 2020-1 (Mission Rock Facilities and Services)” (“Special Tax District”)
6 and a future annexation area, authorizing the levy of special taxes on property within the
7 Special Tax District and preliminarily establishing an appropriations limit for the Special Tax
8 District, all pursuant to the Code; and

9 WHEREAS, In the Resolution of Formation, the Board made certain findings under
10 CEQA about the FEIR for the disposition and development of the Project Site, and those
11 findings are incorporated in this Resolution as if set forth in their entirety herein; and

12 WHEREAS, On April 7, 2020, the Board also adopted a resolution (which resolution
13 was signed by the Mayor on _____, 2020) entitled “Resolution determining
14 necessity to incur bonded indebtedness and other debt in an aggregate principal amount not
15 to exceed \$3,700,000,000 for the City and County of San Francisco Special Tax District No.
16 2020-1 (Mission Rock Facilities and Services); and determining other matters in connection
17 therewith, as defined herein” (“Resolution Determining Necessity”), determining the necessity
18 to incur bonded indebtedness and other debt (as defined in the Mello-Roos Act) in one or
19 more series in the maximum aggregate principal amount of \$3,700,000,000 (to be calculated
20 as set forth therein) upon the security of certain special taxes to be levied within the Special
21 Tax District pursuant to the Code; and

22 WHEREAS, Pursuant to the provisions of the Resolution of Formation and the
23 Resolution Determining Necessity, the propositions of the levy of the special taxes, the
24 establishment of the appropriations limit and the incurring of bonded indebtedness and other
25 debt shall be submitted to the qualified electors of the Special Tax District as required by the

1 provisions of the Code; now, therefore, be it

2 RESOLVED, That pursuant to Sections 53326, 53351 and 53325.7 of the Mello-Roos
3 Act, the issues of the levy of the special taxes, the incurring of bonded indebtedness and
4 other debt (as defined in the Mello-Roos Act) and the establishment of the appropriations limit
5 shall be submitted to the qualified electors (as defined below) of the Special Tax District at an
6 election called therefor as provided below; and, be it

7 FURTHER RESOLVED, That the Board hereby calls a special election in the Special
8 Tax District to consider the propositions of the levy of the special taxes, the establishment of
9 the appropriations limit and the incurring of the bonded indebtedness and other debt for the
10 Special Tax District, which election shall be held and canvassed on April 20, 2020, and the
11 results thereof declared at the meeting of the Board on April 21, 2020; and, be it

12 FURTHER RESOLVED, The Director, Department of Elections of the City and County
13 of San Francisco is hereby designated as the official to conduct the election and to receive all
14 ballots until 3:00 p.m. on the election date, and it is hereby acknowledged that the Clerk of the
15 Board and the Director, Department of Elections have on file the Resolution of Formation, a
16 certified map of the boundaries of the Special Tax District, and a sufficient description to allow
17 the Director, Department of Elections to determine the electors of the Special Tax District, and
18 pursuant to Mello-Roos Act, Section 53327, the election shall be conducted by messenger or
19 mail-delivered ballot pursuant to California Elections Code, Section 4000, except that Mello-
20 Roos Act, Sections 53326 and 53327 Act shall govern for purposes of determining the date of
21 election; and, be it

22 FURTHER RESOLVED, That the Director, Department of Elections has reported that
23 there were no registered voters in the boundaries of the proposed Special Tax District as of
24 February 3, 2020, and in reliance on such report, the Board hereby finds that fewer than 12
25 persons have been registered to vote within the territory of the Special Tax District for each of

1 the 90 days preceding the close of the public hearings heretofore conducted and concluded
2 by the Board for the purposes of these proceedings; and, be it

3 FURTHER RESOLVED, Accordingly, and pursuant to Section 53326 of the Mello-Roos
4 Act, the Board finds that, for these proceedings, the qualified electors are the landowners (as
5 defined in the Mello-Roos Act) within the Special Tax District and that the vote shall be by
6 such landowners as of the close of the public hearings or their authorized representatives,
7 each having one vote for each acre or portion thereof such landowner owns in the Special Tax
8 District not exempt from the special taxes; and, be it

9 FURTHER RESOLVED, That the Board has received and accepted a Public Agency
10 Statement and Consent executed by the Port Commission in which it declares that the City,
11 acting by and through the Port Commission, is a "landowner" in the Special Tax District (as
12 defined in the Mello-Roos Act) and qualified elector for the Special Tax District because the
13 property owned by the City, acting by and through the Port Commission, within the proposed
14 boundaries of the Special Tax District either will be (a) transferred by conveyance of the fee
15 interest to private ownership for the construction of improvements, in which case the City,
16 acting by and through the Port Commission, agrees that such property will be subject to the
17 special tax on the same basis as private property within the Special Tax District and
18 affirmatively waives any defense based on the fact of public ownership to any action to
19 foreclose on such property in the event of nonpayment of the special tax or (b) leased to a
20 nonexempt person or entity and, pursuant to Section 53340.1 of the Mello-Roos Act, the
21 special tax will be levied on the leasehold interest and payable by the owner of the leasehold
22 interest, a copy of which Public Agency Statement and Consent is on file with the Clerk of the
23 Board in File No. 200117 and is incorporated herein by reference; and, be it

24 FURTHER RESOLVED, That as authorized by Section 53353.5 of the Mello-Roos Act,
25 the three propositions described above shall be combined into a single ballot measure, the

1 form of which is attached hereto as Exhibit "A" and by this reference incorporated herein and
2 the form of ballot is hereby approved (subject to amendment by the Election Official in
3 accordance with applicable provisions of law); the Election Official is hereby authorized and
4 directed to cause a ballot, in substantially the form of Exhibit "A" (subject to amendment by the
5 Election Official in accordance with applicable provisions of law) to be delivered to each of the
6 qualified electors of the Special Tax District; each ballot shall indicate the number of votes to
7 be voted by the respective landowner to which the ballot pertains; each ballot shall be
8 accompanied by all supplies and written instructions necessary for the use and return of the
9 ballot; the envelope to be used to return the ballot shall be enclosed with the ballot, shall have
10 the return postage prepaid, and shall contain the following: (a) the name and address of the
11 landowner, (b) a declaration, under penalty of perjury, stating that the voter is the owner of
12 record or authorized representative of the landowner entitled to vote and is the person whose
13 name appears on the envelope, (c) the printed name, signature and address of the voter,
14 (d) the date of signing and place of execution of the declaration pursuant to clause (b) above,
15 and (e) a notice that the envelope contains an official ballot and is to be opened only by the
16 canvassing board of the election; and, be it

17 FURTHER RESOLVED, That the Board hereby further finds that the provisions of
18 Mello-Roos Act, Section 53326, requiring a minimum of 90 days following the adoption of the
19 Resolution of Formation to elapse before the special election are for the protection of the
20 qualified electors of the Special Tax District, and there is on file with the Clerk of the Board
21 and the Director, Department of Elections a written waiver executed by all of the qualified
22 electors of the Special Tax District allowing for a shortening of the time for the special election
23 to expedite the process of formation of Special Tax District and waiving any requirement for
24 notice, analysis and arguments in connection with the election, and accordingly, the Board
25 finds and determines that the qualified electors have been fully apprised of and have agreed

1 to the shortened time for the election and waiver of analysis and arguments, and have thereby
2 been fully protected in these proceedings, and the Board also finds and determines that the
3 Director, Department of Elections has concurred in the shortened time for the election; and,
4 be it

5 FURTHER RESOLVED, That analysis and arguments with respect to the ballot
6 measures are hereby waived, as provided in Mello-Roos Act, Section 53327; and, be it

7 FURTHER RESOLVED, That the Board hereby finds that the measure described
8 above as it relates to the issuance of bonds and other debt constitutes a "local bond measure"
9 within the meaning of Sections 53410, et seq. of the California Government Code; as a result,
10 the bond measure shall include the following: (a) the specific purpose of the bonds shall be as
11 set forth in the measures; (b) any proceeds received from the sale of any bonds or other debt
12 shall be applied only to the purposes set forth in the measures; (c) the proceeds of any bonds
13 or other debt shall be deposited into special accounts to be created therefor as part of the
14 issuance of the bonds or the incurrence of other debt; and (d) the City shall cause a report to
15 be prepared annually under Section 53411 of the Government Code; and, be it

16 FURTHER RESOLVED, That pursuant to Section 50075.1 of the Government Code,
17 the following accountability provisions shall apply to the special taxes: (a) the provision and/or
18 acquisition of the Facilities, the provision of the Services and the incidental costs thereof, all
19 as defined in the Resolution of Formation, shall constitute the specific single purpose; (b) the
20 proceeds shall be applied only to the specific purposes identified in the preceding clause (a);
21 (c) there shall be created special account(s) or funds(s) into which the proceeds shall be
22 deposited; and (d) there shall be caused to be prepared an annual audit and report of the
23 Special Tax District under Section 50075.3 of the Government Code; and, be it

24 FURTHER RESOLVED, That if any section, subsection, sentence, clause, phrase, or
25 word of this Resolution, or any application thereof to any person or circumstance, is held to be

1 invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision
2 shall not affect the validity of the remaining portions or applications of this Resolution, the
3 Board hereby declaring that it would have passed this Resolution and each and every section,
4 subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional
5 without regard to whether any other portion of this Resolution or application thereof would be
6 subsequently declared invalid or unconstitutional; and, be it

7 FURTHER RESOLVED, That the Mayor, the Controller, the Director, Department of
8 Elections, the Director of the Office of Public Finance, the Clerk of the Board and any and all
9 other officers of the City are hereby authorized, for and in the name of and on behalf of the
10 City, to do any and all things and take any and all actions, including execution and delivery of
11 any and all documents, assignments, certificates, requisitions, agreements, notices, consents,
12 instruments of conveyance, warrants and documents, which they, or any of them, may deem
13 necessary or advisable in order to effectuate the purposes of this Resolution; provided
14 however that any such actions be solely intended to further the purposes of this Resolution,
15 and are subject in all respects to the terms of the Resolution; and, be it

16 FURTHER RESOLVED, That all actions authorized and directed by this Resolution,
17 consistent with any documents presented herein, and heretofore taken are hereby ratified,
18 approved and confirmed by the Board; and, be it

19 FURTHER RESOLVED, That this Resolution shall take effect upon its adoption.
