[Planning Code - Landmark Designation - Full Moon Coffeehouse]

Ordinance amending the Planning Code to designate the Full Moon Coffeehouse, located at 4416-18th Street, Assessor's Parcel Block No. 2650, Lot No. 017, on the north side of 18th Street between Eureka and Douglass Streets, as a landmark consistent with the standards set forth in Article 10 of the Planning Code; affirming the Planning Department's determination under the California Environmental Quality Act; and making public necessity, convenience, and welfare findings under Planning Code, Section 302, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

Under Article 10, Section 1004 of the Planning Code, the Board of Supervisors may, by ordinance, designate an individual structure that has special character or special historical, architectural or aesthetic interest or value as a City landmark. Unless prohibited by state law, once a structure has been named a landmark, any construction, alteration, removal or demolition for which a City permit is required necessitates a Certificate of Appropriateness from the Historic Preservation Commission. (Planning Code § 1006; Charter of the City and County of San Francisco, § 4.135.) Thus, landmark designation generally affords a high degree of protection to historic and architectural structures of merit in the City. There are currently more than 300 individual landmarks in the City under Article 10, in addition to structures and districts in the downtown area that are protected under Article 11. (See App. A to Article 10.)

Amendments to Current Law

This ordinance amends the Planning Code to add a new historic landmark to the list of individual landmarks under Article 10: the Full Moon Coffeehouse, located at 4416 18th Street, Assessor's Parcel Block No. 2650, Lot No. 017. The ordinance finds that the Full Moon Coffeehouse is eligible for local designation for its early association with the Castro as an LGBTQ enclave. The property was the location of the Full Moon Coffeehouse in the 1970s, a pivotal time in the Castro's history as it established itself as gay San Francisco's cultural, economic, and political hub. The Full Moon Coffeehouse opened in 1974 and was unique as an early lesbian establishment, during a time when the Castro was largely dominated by gay men. As required by Section 1004, the ordinance lists the particular features that shall be preserved, or replaced in-kind, as determined necessary.
