<p style="text-align: center;">Recommendation</p>	
<ul style="list-style-type: none"> Approve the proposed resolution. 	

MANDATE STATEMENT

Administrative Code Section 23.3 states that the Board of Supervisors must approve acquisitions and conveyances of real property by resolution. An appraisal of the property is required if the Real Estate Division determines that the fair market value is greater than \$10,000 and an appraisal review if the fair market value is greater than \$200,000.

BACKGROUND

Less intensive than skilled nursing facilities, assisted living facilities are non-medical facilities licensed by the California Department of Social Services that provide personal care and safe housing for those who may need help with medication and assistance with activities of daily living. The Department of Public Health (DPH) is seeking to expand assisted living facilities serving low-income seniors and adults with disabilities in San Francisco. This expansion of 400 new beds is a component of DPH’s Mental Health SF strategy for improving the behavioral health system for vulnerable residents. According to the February 12, 2024 DPH Behavioral Health Residential Treatment Expansion dashboard, 394 beds have been opened since 2020, of which 99 are out-of-county residential care facilities. DPH is seeking to fund sites in San Francisco to relocate out-of-county beds. DPH’s behavioral health system of care includes 2,550 beds, including 600 residential care beds.

DPH and the Real Estate Division (RED) searched assisted living facilities in San Francisco and determined that the building at 624 Laguna Street, operating as The Village at Hayes Valley, would be a suitable location because of the building conditions and ability to meet DPH’s needs.¹ The 17,700 square foot building has 28 dormitory-style units and is licensed for up to 56 beds.² The building has shared bathrooms and kitchenettes on every level, as well as indoor and outdoor communal spaces. RED has negotiated a purchase and sale agreement with the property owner.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would take the following actions:

1. Approve and authorize the Director of Property to acquire property at 624 Laguna Street;
2. Approve and authorize a Purchase and Sale Agreement for the property, for a purchase price of \$13,780,000, plus approximately \$20,000 for closing costs, for a total amount of approximately \$13,800,000;

¹ According to Transaction Team Manager Suess, RED evaluates opportunities for assisted living facilities on an ongoing basis, although the marketplace for these facilities is fairly small. DPH evaluates each site for its potential specific use.

² The Purchase and Sale Agreement states that the building size is 9,849 square feet, which comes from the San Francisco Property Information Map (SFPIM) that is used by the Office of the Assessor-Recorder. However, DPW inspected the building and determined that this was inaccurate and that the correct size is approximately 17,700 square feet. The Colliers appraisal stated that the building size is 11,133 square feet and RED cannot determine how the source of that estimate.

3. Authorize the Director of Property to execute the agreement and make immaterial modifications to the agreement;
4. Affirm the Planning Department's determination under the California Environmental Quality Act (CEQA); and
5. Adopt the Planning Department's findings that the agreement is consistent with the General Plan and Planning Code.

Building Condition and Appraisal

In 2023, Department of Public Works (DPW) staff completed a general condition assessment based on a visual inspection of the building, a review of Department of Building Inspection records, and interviews with individuals about the facility. Based on the assessment, DPW determined that the building was generally in good condition. DPW's site assessment did not identify any required improvements to the building needed to address life-safety concerns or failed systems or equipment. DPW made several recommendations, such as to legalize an unpermitted penthouse structure, replace elements of the mechanical cooling systems, redesign the security system, and plan for the maintenance and eventual replacement of the roofing. According to Jeff Suess, RED Transaction Team Manager, a third-party engineer subsequently evaluated the property and determined that the penthouse structure was code compliant, and DPW staff changed the assessment. In addition, because the building will be publicly owned, it will be subject to higher accessibility building code standards, which may require capital work.

An appraisal conducted by Colliers International in December 2023 affirmed that the proposed purchase price of \$13,780,000 was fair market value. An appraisal review conducted by R. Blum and Associates in March 2024 found that the appraisal was credible.

Plans for Current Residents and Future DPH Operations

According to Transaction Team Manager Suess, the seller would provide the property to the City vacant. There are approximately 10 residents remaining at the site, and the seller would offer them the ability to transfer to other assisted living facilities. RED anticipates that existing residents would be relocated within 30 days after the purchase is approved by the Board of Supervisors and Mayor. The sale would close escrow 10 days after the site is vacant.

According to Kelly Kirkpatrick, Director of Administration and Operations for Mental Health SF, DPH would likely issue a solicitation to select a provider to operate the site. However, DPH may utilize Administrative Code Chapter 21A.4, which authorizes DPH to procure behavioral health and public health residential care and treatment services without competitive solicitations through March 2029 (File 24-0015). DPH anticipates that services at the site will begin approximately 14 to 17 months after closing. This timeline includes contracting for services, provider licensing, hiring, and community outreach. The site would serve low-income clients who are experiencing or at risk of homelessness and have a behavioral health diagnosis and need assistance with daily living tasks.

FISCAL IMPACT

The proposed Purchase and Sale Agreement would have a purchase price of \$13,780,000 for the property. The City would also pay closing costs, estimated at \$20,000, for a total cost of approximately \$13,800,000. The purchase would be funded by Proposition C funds (Homelessness Gross Receipts Tax).

Assuming no rehabilitation work, the proposed acquisition is \$246,429 per licensed bed and \$780 per square foot. This is \$532 less per square foot than the City's recent acquisition and estimated rehabilitation of 333 7th Street from Baker Places (File 24-0192) and \$1,434 per square foot less than the 2021 acquisition and rehabilitation of 822 Geary (File 21-1204). On a per bed basis, the proposed purchase is less than the 333 7th Street site (\$623,125) and the 822 Geary site (\$886,345), both of which required extensive rehabilitation work.

Operations Costs

According to Director Kirkpatrick, DPH estimates that initial annual operating costs for the site would be approximately \$3.9 million, or \$69,643 per bed. At this time, DPH estimates that operating costs would be funded approximately 25 percent by Proposition C Homelessness Gross Receipts revenue and 75 percent by the City's General Fund. According to Director Kirkpatrick, residential care facilities are typically not eligible for Medicare or Medi-Cal reimbursement. Clients would contribute a portion of their governmental assistance to fund operations as well, in addition to the City funding.

Operating costs at 624 Laguna will eventually be offset as DPH spends less on contracted residential beds outside of San Francisco.

POLICY CONSIDERATION

According to the Budget and Legislative Analyst's Office July 2022 policy analysis report *Options for Housing for Seniors and People with Disabilities*, there were 3,548 assisted living beds in San Francisco in 2022. To maintain the current ratio of 216 beds for every 10,000 seniors, an additional 1,718 beds will be needed by 2042. When assisted living services are available and affordable, they can negate, delay, or decrease the duration of skilled nursing facility stays in a less costly and restrictive setting.

RECOMMENDATION

Approve the proposed resolution.

2.2 Payment

On the Closing Date (as defined in Section 6.2 [Closing Date]), City shall pay Purchase Price, adjusted pursuant to the provisions of Article 7 [Expenses and Taxes], and reduced by any credits due City hereunder.

3. TITLE TO THE PROPERTY

3.1 Conveyance of Title to the Property

City has been given or will be given before the end of the Due Diligence Period (as defined below), a full opportunity to investigate the Property, either independently or through agents of City's own choosing, including, without limitation, the opportunity to conduct such appraisals, inspections, tests, audits, verifications, inventories, investigations and other due diligence regarding the economic, physical, environmental, title and legal conditions of the Property as City deems fit, as well as the suitability of the Property for City's intended uses. City and its Agents may commence due diligence investigations on the Property on or after the date this Agreement is executed by both parties hereto. The period for completion of all such investigations shall expire five (5) days after approval by the San Francisco Board of Supervisors and the Mayor (the "**Due Diligence Period**"), subject to the terms and conditions provided hereinbelow. In accordance with that certain letter of intent by and between City and Seller, dated December 5, 2022 (the "**LOI**"), Seller agrees to deliver to City all of the plans, reports and documents material to Property described under the terms of the LOI and, to the extent not provided as of the date hereof, Seller agrees to deliver to City all of the Documents and other items described in Section 5.1(d) below, within three (3) days after the date hereof, provided that if Seller fails to do so, then the expiration of the Due Diligence Period shall be extended by the number of days after the end of such 3-day delivery period that Seller delivers all such items to City.

Notwithstanding anything in this Agreement to the contrary, City shall have the right to terminate this Agreement at any time during the Due Diligence Period upon written notice to Seller. Upon such termination, neither City nor Seller shall have any further rights or obligations hereunder, except as otherwise expressly provided herein and further except that City shall assign to Seller all inspection reports the fees for which covered under this Section to the extent they are assignable and to the extent Seller has reimbursed City for all of the foregoing fees and expenses. This Section is subject to, and shall not serve to modify or limit, any right or remedy of City arising under Section 5.1 [City's Conditions to Closing], of this Agreement.

5. ENTRY

During the Due Diligence Period and at all times prior to the Closing Date Seller shall afford City and its Agents reasonable access to the Property for the purposes of satisfying City with respect to the representations, warranties and covenants of Seller contained herein and the satisfaction of the Conditions Precedent (as defined below); provided, however, City shall not

perform any destructive testing, including, without limitation, the drilling of test wells and the taking of soil borings without the express written consent of Seller, which shall not be unreasonably withheld, delayed or conditioned. City hereby agrees to indemnify and hold Seller harmless from any damage or injury to persons or property caused by the negligence or misconduct of City or its Agents during any such entries onto the Property prior to the Closing, except to the extent such damage or injury is caused by the acts or omissions of Seller or any of its Agents. The foregoing Indemnity shall not include any claims resulting from the discovery or disclosure of pre-existing environmental conditions or the non-negligent aggravation of pre-existing environmental conditions on, in, under or about the Property, including the Improvements. In the event this Agreement is terminated for any reason other than Seller's default hereunder, City shall restore the Property to substantially the condition it was found subject to applicable laws. This indemnity shall survive the termination of this Agreement or the Closing, as applicable, provided that Seller must give notice of any claim it may have against City under such indemnity (i) within six (6) months of such termination if the claim is brought by a third party against Seller or (ii) within three (3) months of such termination or the Closing Date, as applicable, if the claim involves damage to the Property or any other claim not brought by a third party against the Seller.

5.1 City's Conditions to Closing

The following are conditions precedent to City's obligation to purchase the Property (collectively, "**Conditions Precedent**"):

(a) City shall have reviewed and approved title to the Property, in accordance with the following procedures:

(i) Not later than three (3) days after the date City and Seller execute this Agreement, Title Company shall deliver to City and Seller a current extended coverage preliminary report on the Property, issued by Title Company, accompanied by copies of all documents referred to in the report (collectively, the "**Preliminary Report**");

(ii) If Seller is aware of any existing or proposed easements, covenants, restrictions, agreements or other documents that affect the Property, that are not disclosed by the Preliminary Report, Seller shall deliver the same to City within 3-days after receipt of the Preliminary Report; and

(iii) City may at its option arrange for an "as-built" survey of the Real Property and Improvements prepared by a licensed surveyor (the "**Survey**"). Such survey shall be acceptable to, and certified to, City and Title Company and in sufficient detail to provide the basis for and the Title Policy without boundary, encroachment or survey exceptions.

City shall advise Seller, prior to the end of the Due Diligence Period, what exceptions to title, if any, City is willing to accept (the "**Accepted Conditions of Title**"). City's failure to so advise Seller within such period shall be deemed disapproval of title. Seller shall have ten (10) days after receipt of City's notice of any objections to title to give City: (A) evidence satisfactory to City of the removal of all objectionable exceptions from title or that such exceptions will be removed or cured on or before the Closing; or (B) notice that Seller elects not to cause such exceptions to be removed. Failure of Seller to provide such notice shall be deemed Seller's election under subsection (B), above. If Seller gives or is deemed to have given notice under clause (B), City shall have ten (10) business days to elect to proceed with the purchase or terminate this Agreement. If City shall fail to give Seller notice of its election within such ten (10) days, City shall be deemed to have elected to terminate this Agreement. If Seller gives notice pursuant to clause (A) and fails to remove any such objectionable exceptions from title prior to the Closing Date, and City is unwilling to take title subject thereto, Seller's title

condition under this Section 5.1 (a) shall be deemed to have failed and City shall have the rights and remedies provided for herein.

(b) City's review and approval, within the Due Diligence Period, of the physical and environmental conditions of the Property, including, without limitation, structural, mechanical, electrical and other physical conditions of the Property. Such review may include an examination for the presence or absence of any Hazardous Material (as defined in Section 8.1(j)). City shall be responsible for performing or arranging any such reviews at City's expense, provided that if City's consultants reasonably determine that, based upon their Phase I examination, a Phase II examination is necessary with respect to all or a part of the Property, City may elect to perform a Phase II examination at City's expense subject to Seller's prior written consent which shall not be unreasonably withheld, delayed or conditioned.

If any of City's investigations reveal any contamination of the Property with any Hazardous Material, then City may terminate this Agreement.

(c) City's review and approval, within the Due Diligence Period, of the compliance of the Property with all applicable laws, regulations, permits and approvals.

(d) City's review and approval, within the Due Diligence Period, of (i) the following documents, all to the extent such documents exist and are either in the possession or control of Seller or may be obtained by Seller through the exercise of commercially reasonable efforts: structural calculations for the Improvements; site plans; certified copies of the as-built plans and specifications for the Improvements; recent inspection reports by Seller's engineers; service contracts; utility contracts; maintenance contracts; employment contracts, management contracts; brokerage and leasing commission agreements which may continue after Closing; certificates of occupancy; presently effective warranties or guaranties received by Seller from any contractors, subcontractors, suppliers or materialmen in connection with any construction, repair or alteration of the Improvements or any tenant improvements; insurance policies, insurance certificates of tenants, and reports of insurance carriers insuring the Property and each portion thereof respecting the claims history of the Property; environmental reports, studies, surveys, tests and assessments; soils and geotechnical reports; and any other contracts or documents of significance to the Property (collectively, the "**Documents**"); and (ii) such other information relating to the Property that is specifically requested by City of Seller in writing during the Due Diligence Period (collectively, the "**Other Information**").

(e) Seller shall not be in default in the performance of any covenant or agreement to be performed by Seller under this Agreement, and all of Seller's representations and warranties contained in or made pursuant to this Agreement shall have been true and correct when made and shall be true and correct as of the Closing Date. At the Closing Seller shall deliver to City a certificate certifying that each of Seller's representations and warranties contained in Section 8.1 [Representations and Warranties of Seller] below are true and correct as of the Closing Date.

(f) The physical condition of the Property shall be substantially the same on the Closing Date as on the date of City's execution of this Agreement, reasonable wear and tear and loss by casualty excepted (subject to the provisions of Section 9.1 [Risk of Loss]), and, as of the Closing Date, there shall be no litigation or administrative agency or other governmental proceeding, pending or threatened, which after the Closing would materially adversely affect the value of the Property or the ability of City to operate the Property for its intended use, and no proceedings shall be pending or threatened which could or would cause the change, re-designation or other modification of the zoning classification of, or of any building or environmental code requirements applicable to, any of the Property.

(g) Title Company shall be committed at the Closing to issue to City (i) the Title Policy as provided in Section 3.2 [Title Insurance].

(h) The transactions contemplated herein shall have been approved by all applicable City departments and agencies, including, without limitation, The Department of Public Health, in their respective sole discretion.

(i) The City's Mayor and the Board of Supervisors, in the respective sole discretion of each, shall have enacted a resolution approving, adopting and authorizing this Agreement and the transactions.

(j) Seller shall have delivered the items described in Section 6.3 below [Seller's Delivery of Documents] on or before the Closing.

(k) Title Company shall have agreed to be the real estate reporting person for the Closing in compliance with the Reporting Requirements (as defined in Section 6.6 below).

The Conditions Precedent contained in the foregoing Subsections (a) through (k) are solely for the benefit of City. If any Condition Precedent is not satisfied, City shall have the right in its sole discretion either to waive in writing the Condition Precedent in question and proceed with the purchase or, in the alternative, terminate this Agreement, provided that the Conditions Precedent described in items (h) and (i) above may not be waived. The waiver of any Condition Precedent shall not relieve Seller of any liability or obligation with respect to any representation, warranty, covenant or agreement of Seller. If City shall not have approved or waived in writing all of the Conditions Precedent in items (a) through (d) by the end of the Due Diligence Period, then this Agreement shall automatically terminate. In addition, the Closing Date may be extended, at City's option, for a reasonable period of time specified by City, to allow such Conditions Precedent to be satisfied, subject to City's further right to terminate this Agreement upon the expiration of the period of any such extension if all such Conditions Precedent have not been satisfied.

In the event the sale of the Property is not consummated because of a default under this Agreement on the part of Seller or if a Condition Precedent cannot be fulfilled because Seller frustrated such fulfillment by some affirmative act or negligent omission, City may, at its sole election, either (1) terminate this Agreement by delivery of notice of termination to Seller, whereupon Seller shall pay to City any title, escrow, legal and inspection fees incurred by City and any other expenses incurred by City in connection with the performance of its due diligence review of the Property up to a cap of \$100,000, and neither party shall have any further rights or obligations hereunder, or (2) bring an action for specific performance to compel Seller to perform under this Agreement, and / or damages hereunder, including, without limitation, City's costs and expenses incurred hereunder, provided that such action shall be brought no later than sixty (60) days following the Closing Date.

5.2 Seller's Conditions to Closing.

Without limiting any of the rights of Seller elsewhere provided for in this Agreement, Seller's obligation to close the transaction described herein shall be subject to and conditioned upon the fulfillment of each and all of the following conditions precedent:

(a) Representations and Warranties. City's representations and warranties set forth in this Agreement shall have been true and correct in all material respects when made, and

shall be true and correct in all material respects on the Closing Date and as of the Effective Date as though such representations and warranties were made at and as of such date and time.

(b) Covenants. City shall have fully performed and complied with all covenants, conditions, and other obligations in this Agreement to be performed or complied with by it at or prior to Closing, including, without limitation, payment in full of the Purchase Price.

(c) Litigation. There shall not be pending or, to the knowledge of either City or Seller, any litigation or threatened litigation or administration action which, if determined adversely, would restrain the consummation of the transactions contemplated by this Agreement or declare illegal, invalid or non-binding any of the covenants or obligations of the City.

5.3 Mutual Cooperation of the Parties.

(a) Seller shall cooperate with City and do all acts as may be reasonably requested by City with regard to the fulfillment of any Conditions Precedent, including, without limitation, execution of any documents, applications or permits, but Seller's representations and warranties to City shall not be affected or released by City's waiver or fulfillment of any Condition Precedent. Seller hereby irrevocably authorizes City and its Agents to make all inquiries with and applications to any person or entity, including, without limitation, any regulatory authority with jurisdiction as City may reasonably require to complete its due diligence investigations.

(b) City shall cooperate with Seller and do all acts as may be reasonably requested by Seller with regard to the fulfillment of any Conditions Precedent, including, without limitation, execution of any documents, applications or permits, but City's representations and warranties to Seller shall not be affected or released by Seller's waiver or fulfillment of any Condition Precedent.

6. ESCROW AND CLOSING

6.1 Opening of Escrow

On or before the Effective Date (as defined in Article 11 [General Provisions]), the parties shall open escrow by depositing an executed counterpart of this Agreement with Title Company, and this Agreement shall serve as instructions to Title Company as the escrow holder for consummation of the purchase and sale contemplated hereby. Seller and City agree to execute such additional or supplementary instructions as may be appropriate to enable the escrow holder to comply with the terms of this Agreement and close the transaction; provided, however, that in the event of any conflict between the provisions of this Agreement and any additional supplementary instructions, the terms of this Agreement shall control.

6.2 Closing Date

The consummation of the purchase and sale contemplated hereby (the "**Closing**") shall be held and delivery of all items to be made at the Closing under the terms of this Agreement shall be made at the offices of Title Company located at 100 Pine St Suite 450, San Francisco, California 94111, on March 31, 2024, or on such earlier date as City and Seller may mutually agree (the "**Closing Date**"), subject to the provisions of Section 5.1 [City's Conditions to Closing]. The Closing Date may not be extended without the prior written approval of both

Seller and City, except as otherwise expressly provided in this Agreement. In the event the Closing does not occur on or before the Closing Date, Title Company shall, unless it is notified by both parties to the contrary within five (5) days after the Closing Date, return to the depositor thereof items which may have been deposited hereunder. Any such return shall not, however, limit the provisions hereof or otherwise relieve either party hereto of any liability it may have for its wrongful failure to close.

6.3 Seller's Delivery of Documents

At or before the Closing, Seller shall deliver to City [, or the Nominee,] through escrow, the following:

- (a) a duly executed and acknowledged Deed;
- (b) duly executed Bill of Sale originals of the Documents and any other items relating to the ownership or operation of the Property not previously delivered to City;
- (c) a properly executed affidavit pursuant to Section 1445(b)(2) of the Federal Tax Code in the form attached hereto as **Exhibit H**, and on which City is entitled to rely, that Seller is not a "foreign person" within the meaning of Section 1445(f)(3) of the Federal Tax Code;
- (d) a properly executed California Franchise Tax Board Form 593 certifying that Seller is a California resident if Seller is an individual or Seller has a permanent place of business in California or is qualified to do business in California if Seller is a corporation or other evidence satisfactory to City that Seller is exempt from the withholding requirements of Section 18662 of the State Tax Code;
- (e) such resolutions, authorizations, or other partnership documents or agreements relating to Seller and its partners as City or the Title Company may reasonably require to demonstrate the authority of Seller to enter into this Agreement and consummate the transactions contemplated hereby, and such proof of the power and authority of the individuals executing any documents or other instruments on behalf of Seller to act for and bind Seller;
- (f) closing statement in form and content satisfactory to City and Seller; and
- (g) the duly executed certificate regarding the continued accuracy of Seller's representations and warranties as required by Section 5.1(e) hereof.

6.4 City's Delivery of Documents and Funds

At or before the Closing, City shall deliver to Seller through escrow the following:

- (a) an acceptance of the Deed executed by City's Director of Property;
 - (b) a closing statement in form and content satisfactory to City and Seller;
- and
- (c) the Purchase Price, as provided in Article 2 hereof.

6.5 Other Documents

Seller and City shall each deposit such other instruments as are reasonably required by Title Company as escrow holder or otherwise required to close the escrow and consummate the

purchase of the Property in accordance with the terms hereof. On or before the Closing Date, City shall deliver to the Title Company a statement for delivery to the County Tax Assessor in the form attached as **Exhibit J** (the “**Apportionment Notice**”). Upon Closing, the Title Company will insert the Closing Date in the Apportionment Notice and send the Apportionment Notice to the County Tax Assessor in the jurisdiction in which the Property is located.

6.6 Title Company as Real Estate Reporting Person

Section 6045(e) of the United States Internal Revenue Code of 1986 and the regulations promulgated thereunder (collectively, the “**Reporting Requirements**”) require that certain information be made to the United States Internal Revenue Service, and a statement to be furnished to Seller, in connection with the Closing. Seller and City agree that if the Closing occurs, Title Company will be the party responsible for closing the transaction contemplated in this Agreement and is hereby designated as the real estate reporting person (as defined in the Reporting Requirements) for such transaction. Title Company shall perform all duties required of the real estate reporting person for the Closing under the Reporting Requirements, and Seller and City shall each timely furnish Title Company with any information reasonably requested by Title Company and necessary for the performance of its duties under the Reporting Requirements with respect to the Closing.

7. EXPENSES AND TAXES

7.1 Apportionments

The following are to be apportioned through escrow as of the Closing Date:

(a) Utility Charges

Seller shall cause all the utility meters to be read on the Closing Date, and will be responsible for the cost of all utilities used prior to the Closing Date. All utility deposits paid by Seller shall remain the property of Seller and City shall reasonably cooperate to cause such deposits to be returned to Seller to the extent Seller is entitled thereto.

(b) Other Apportionments

Amounts payable under any contracts assumed pursuant hereto, annual or periodic permit or inspection fees (calculated on the basis of the period covered), and liability for other normal Property operation and maintenance expenses and other recurring costs shall be apportioned as of the Closing Date.

7.2 Closing Costs

City shall pay the cost of the Survey, the premium for the Title Policy and the cost of the endorsements thereto, and escrow and recording fees. Seller shall pay the cost of transfer taxes, if any, applicable to the sale and the sales tax on any Personal Property. Seller shall be responsible for all costs incurred in connection with the prepayment or satisfaction of any loan, bond or other indebtedness secured by the Property including, without limitation, any prepayment fees, penalties or charges. Any other costs and charges of the escrow for the sale not otherwise provided for in this Section or elsewhere in this Agreement shall be allocated in accordance with the closing customs for San Francisco County, as determined by Title Company.

7.3 Real Estate Taxes and Special Assessments

At or before the Closing, Seller will pay all general real estate taxes payable for the tax year in which the Closing occurs and all prior years. Seller may file claim with the City and County of San Francisco for a property tax refund for any taxes paid for the period from and after the Closing Date. At or before the Closing, Seller will pay the full amount of any special assessments against the Property, including, without limitation, interest payable thereon, applicable to the period prior the Closing Date. Seller will pay all hotel or other taxes applicable to the period prior the Closing Date. General real estate taxes payable for the tax year prior to year of Closing and all prior years shall be paid by Seller at or before the Closing. General real estate taxes payable for the tax year of the Closing shall be prorated through escrow by Seller and City as of the Closing Date. At or before the Closing, Seller shall pay the full amount of any special assessments against the Property, including, without limitation, interest payable thereon, applicable to the period prior the Closing Date.

7.4 Sales and Use Taxes for Transferred Taxable Personal Property

Notwithstanding anything to contrary in this Agreement, Seller will accept a Use Tax Direct Payment Exemption Certificate in lieu of any use tax payment if the City, in its sole discretion, elects to provide such Certificate to Seller. If the City pays use tax to Seller, Seller will remit the entire amount of the use tax payment to the state and provide the City with a receipt in accordance with the California Sales and Use Tax Law. Seller will be liable to the City for all amounts of use tax paid to Seller that Seller fails to remit to the State.

7.5 Post-Closing Reconciliation

If any of the foregoing prorations cannot be calculated accurately on the Closing Date, then they shall be calculated as soon after the Closing Date as feasible. Either party owing the other party a sum of money based on such subsequent prorations shall promptly pay such sum to the other party.

7.6 Survival

The provisions of this Section 7 shall survive the Closing.

8. REPRESENTATIONS AND WARRANTIES

8.1 Representations and Warranties of Seller

Seller represents and warrants to and covenants with City as follows:

(a) To the best of Seller's knowledge, there are now, and at the time of the Closing will be, no material physical or mechanical defects of the Property, and no violations of any laws, rules or regulations applicable to the Property, including, without limitation, any earthquake, life safety and handicap laws (including, but not limited to, the Americans with Disabilities Act).

(b) To the best of Seller's knowledge, the Documents and Other Information furnished to City are all of the relevant documents and information pertaining to the condition and operation of the Property to the extent available to Seller, and are and at the time of Closing will be true, correct and complete copies of such documents.

(c) To the best of Seller's knowledge, no document or instrument furnished or to be furnished by the Seller to the City in connection with this Agreement contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

(d) Seller does not have knowledge of any condemnation, either instituted or planned to be instituted by any governmental or quasi-governmental agency other than City, which could detrimentally affect the use, operation or value of the Property.

(e) To Seller's knowledge, all water, sewer, gas, electric, telephone, and drainage facilities and all other utilities required by law or by the normal use and operation of the Property are and at the time of Closing will be installed to the property lines of the Property and are and at the time of Closing will be adequate to service the Property.

As used herein, the term "**Designated Representatives**" shall refer to Deepak Israni and Adam Vandel, the principals of Seller.

8.3 Indemnity

(a) Seller, on behalf of itself and its successors and assigns, hereby agrees to indemnify, defend and hold harmless City, its Agents and their respective successors and assigns, from and against any and all liabilities, claims, demands, damages, liens, costs, penalties, losses and expenses, including, without limitation, reasonable attorneys' and consultants' fees, resulting from any misrepresentation or breach of warranty or breach of covenant made by Seller in this Agreement or in any document, certificate, or exhibit given or delivered to City pursuant to or in connection with this Agreement. The foregoing indemnity includes, without limitation, costs or damages incurred in connection with the relocation of any tenants or businesses from the Property, the investigation of site conditions and all activities required to locate, assess, evaluate, remediate, cleanup, remove, contain, treat, stabilize, monitor or otherwise control any Hazardous Material. (b) City, on behalf of itself and its successors and assigns, hereby agrees to indemnify, defend and hold harmless Seller, its Agents and their respective successors and assigns, from and against any and all liabilities, claims, demands, damages, liens, costs, penalties, losses and expenses, including, without limitation, reasonable attorneys' and consultants' fees, to the extent resulting from any misrepresentation or breach of warranty or breach of covenant made by City in this Agreement or in any document, certificate, or exhibit given or delivered to Seller pursuant to or in connection with this Agreement. 9. RISK OF LOSS AND POSSESSION

9.1 Risk of Loss

If any of the Property is damaged or destroyed prior to the Closing Date, or if condemnation proceedings are commenced against any of the Property, then the rights and obligations of Seller and City hereunder shall be as follows:

(a) If such damage or destruction is fully covered by Seller's insurance except for the deductible amount thereunder, and the insurer agrees to timely pay for the entire cost of such repair, and such damage or destruction would cost less than One Million Dollars (\$1,000,000) (the "**Threshold Damage Amount**") to repair or restore, then this Agreement shall remain in full force and effect and City shall acquire the Property upon the terms and conditions set forth herein. In such event, City shall receive a credit against the Purchase Price equal to such deductible amount, and Seller shall assign to City at Closing all of Seller's right, title and interest in and to all proceeds of insurance on account of such damage or destruction pursuant to an instrument satisfactory to City.

(b) If such damage or destruction is not fully covered by Seller's insurance, other than the deductible amount, and would cost less than the Threshold Damage Amount to repair or restore, then the transaction contemplated by this Agreement shall be consummated with City receiving a credit against the Purchase Price at the Closing in an amount reasonably determined by Seller and City (after consultation with unaffiliated experts) to be the cost of repairing such damage or destruction.

(c) If the cost of such damage or destruction would equal or exceed the Threshold Damage Amount, or if condemnation proceedings are commenced against any of the Property, then, City shall have the right, at its election, either to terminate this Agreement in its entirety, or only as to that portion of the Property damaged or destroyed or subject to condemnation proceedings (in which case there shall be an equitable adjustment to the Purchase Price), or to not terminate this Agreement and purchase the Property (or the portion not damaged or affected by condemnation, as the case may be). City shall have thirty (30) days after Seller notifies City that an event described in this Subsection (c) has occurred to make such election by delivery to Seller of an election notice. City's failure to deliver such notice within such thirty (30)-day period shall be deemed City's election to terminate this Agreement in its entirety. If this Agreement is terminated in its entirety or in part pursuant to this Subsection (c) by City's delivery of notice of termination to Seller, then City and Seller shall each be released from all obligations hereunder pertaining to that portion of the Property affected by such termination. If City elects not to terminate this Agreement, Seller shall notify City of Seller's intention to repair such damage or destruction, in which case this Agreement shall remain in full force and effect, or notify City of Seller's intention to give City a credit against the Purchase Price at the Closing in the amount reasonably determined by City and Seller (after consultation with unaffiliated experts) to be the cost of repairing such damage or destruction and, in the event of a result of such condemnation proceeding, the value of any Property taken as a result of such proceeding, in which case this Agreement shall otherwise remain in full force and effect, and Seller shall be entitled to any proceeds of insurance or condemnation awards. Any repairs elected to be made by Seller pursuant to this Subsection shall be made within one hundred eighty (180) days following such damage or destruction and the Closing shall be extended until the repairs are substantially completed. As used in this Section, the cost to repair or restore shall include the cost of lost rental revenue, including additional rent and base rent.

9.2 Insurance

Through the Closing Date, Seller shall maintain or cause to be maintained, at Seller's sole cost and expense, a policy or policies of property insurance in amounts equal to the full replacement value of the Improvements and the Personal Property, insuring against all insurable risks, including, without limitation, fire, vandalism, malicious mischief, lightning, windstorm, water, and other perils customarily covered by casualty insurance and the costs of demolition and debris removal. Seller shall furnish City with evidence of such insurance upon request by City.

9.3 Possession

Possession of the Property shall be delivered to City on the Closing Date.

10. MAINTENANCE; CONSENT TO NEW CONTRACTS

10.1 Maintenance of the Property by Seller

Between the date of Seller's execution of this Agreement and the Closing, Seller shall maintain the Property in good order, condition and repair, reasonable wear and tear excepted and shall make all repairs, maintenance and replacements of the Improvements **and any Personal Property** and otherwise operate the Property in the same manner as before the making of this Agreement, as if Seller were retaining the Property.

10.2 City's Consent to New Contracts Affecting the Property; Termination of Existing Contracts

After the date the Director of Property submits legislation for approval by City's Board of Supervisors of this Agreement, Seller shall not enter into any Lease or contract, or any amendment thereof, or permit any tenant of the Property to enter into any sublease, assignment or agreement pertaining to the Property, without in each instance obtaining City's prior written consent thereto. City agrees that it shall not unreasonably withhold or delay any such consent. Seller shall terminate prior to the Closing, at no cost or expense to City, any and all management agreements affecting the Property that City does not agree in writing prior to the Closing to assume.

In the event that any other broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes his or her claim shall be responsible for such commission or fee and shall indemnify and hold harmless the other party from all claims, costs, and expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by the indemnified party in defending against the same. The provisions of this Section shall survive the Closing.

11.3 Successors and Assigns

This Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors, heirs, administrators and assigns.

11.4 Amendments

Except as otherwise provided herein, this Agreement may be amended or modified only by a written instrument executed by City and Seller.

11.5 Continuation and Survival of Representations and Warranties

All representations and warranties by the respective parties contained herein or made in writing pursuant to this Agreement are intended to be, and shall remain, true and correct as of the Closing, shall be deemed to be material, and, together with all conditions, covenants and indemnities made by the respective parties contained herein or made in writing pursuant to this Agreement (except as otherwise expressly limited or expanded by the terms of this Agreement), shall survive the execution and delivery of this Agreement and the Closing, or, to the extent the context requires, beyond any termination of this Agreement. All statements contained in any certificate or other instrument delivered at any time by or on behalf of Seller in conjunction with the transaction contemplated hereby shall constitute representations and warranties hereunder.

11.6 Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

Any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Agreement has been brought in an inconvenient forum. The Parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to Federal Court.

11.7 Merger of Prior Agreements

The parties intend that this Agreement (including all of the attached exhibits and schedules, which are incorporated into this Agreement by reference) shall be the final expression of their agreement with respect to the subject matter hereof and may not be contradicted by evidence of any prior or contemporaneous oral or written agreements or understandings. The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including, without limitation, prior drafts or changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Agreement.

11.8 Parties and Their Agents; Approvals

The term "Seller" as used herein shall include the plural as well as the singular. If there is more than one (1) Seller, then the obligations under this Agreement imposed on Seller shall be joint and several. As used herein, the term "Agents" when used with respect to either party shall include the agents, employees, officers, contractors and representatives of such party. All approvals, consents or other determinations permitted or required by City hereunder shall be made by or through City's Director of Property unless otherwise provided herein, subject to applicable law.

11.9 Interpretation of Agreement

Whenever the context so requires, the use of the singular shall be deemed to include the plural and vice versa, and each gender reference shall be deemed to include the other and the neuter. This Agreement has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each party has been represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purposes of the parties and this Agreement.

11.10 Seller Tax Obligations

Seller acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code (“**Delinquent Payment**”). If, under that authority, any payment City is required to make to Seller under this Agreement is withheld because Seller owes the City a Delinquent Payment, then City will not be in breach or default under this Agreement, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Seller, without interest, late fees, penalties, or other charges, upon Seller coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

11.11 Sunshine Ordinance

Seller understands and agrees that under the City’s Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Gov. Code Section 6250 et seq.), this Agreement and any and all records, information, and materials submitted to the City hereunder public records subject to public disclosure. 11.13 Notification of Prohibition on Contributions

Through its execution of this Agreement, Seller acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from any department of the City whenever such transaction would require the approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (1) the City

11.14 Non-Liability of City Officials, Employees and Agents

Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee or agent of City shall be personally liable to Seller, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Seller, its successors and assigns, or for any obligation of City under this Agreement.

11.15 Counterparts

This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

11.16 Effective Date

As used herein, the term "**Effective Date**" means the date on which City, and Seller have executed this Agreement, as authorized by a resolution or ordinance, as applicable, enacted by the City's Board of Supervisors and Mayor approving and authorizing this Agreement and the transaction contemplated hereunder Severability.

This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

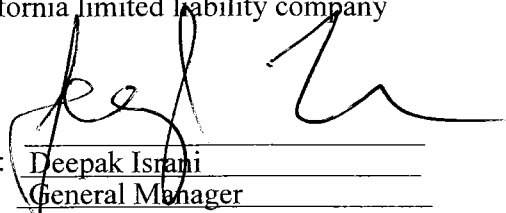

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, SELLER ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS AGREEMENT UNLESS AND UNTIL APPROPRIATE LEGISLATION OF CITY'S BOARD OF SUPERVISORS SHALL HAVE BEEN DULY ENACTED APPROVING THIS AGREEMENT AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED HEREBY. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON THE DUE ENACTMENT OF SUCH LEGISLATION, AND THIS AGREEMENT SHALL BE NULL AND VOID IF CITY'S BOARD OF SUPERVISORS AND MAYOR DO NOT APPROVE THIS AGREEMENT, IN THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH LEGISLATION WILL BE ENACTED NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

Recommendation: Finding the project, on balance, is **in conformity** with the General Plan

Project Description

This Project is the acquisition of 601-617 and 624 Laguna Street by the City on behalf of the San Francisco Department of Public Health. The properties are currently operating as a senior care facility known as The Village at Hayes Valley owned by Pacific SFO LLC. Following the acquisition, the existing senior care facility would be consolidated at 624 Laguna Street while 601-617 Laguna Street would house a Dual Diagnosis care facility and transitional housing for at risk youths.

Section 2A.53 of the San Francisco Administrative Code requires a written report from the Planning Department to the Board of Supervisors on the consistency of the proposed Project with the General Plan.

Environmental Review

The Project was determined to be categorically exempt under CEQA Guidelines Section 15301 on 8/10/2023 (Planning Case No. 2023-006991PRJ).

General Plan Compliance and Basis for Recommendation

As described below, the proposed Project is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the Objectives and Policies of the General Plan.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

HOUSING ELEMENT

OBJECTIVE 4.C

DIVERSIFY HOUSING TYPES FOR ALL CULTURES, FAMILY STRUCTURES, AND ABILITIES.

Policy 32

Promote and facilitate aging in place for seniors and multi-generational living that supports extended families and communal households.

The Project would facilitate the continued operation of an existing senior care facility, allowing current residents of the facility to age in place and providing neighborhood residents who may need such care in the future to age in their neighborhood. The Project would also establish a new Dual Diagnosis care facility and new transitional housing for at risk youths. While the existing and proposed uses are classified as institutional, they provide housing for people with specific needs and abilities who may not have the option of remaining in the neighborhood if these facilities did not exist.

Planning Code Section 101 Findings

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

601-617 Laguna Street includes a long-vacant ground-floor commercial space, which would be repurposed to provide services associated with the proposed transitional housing. Employees, residents and visitors of the proposed institutional uses would widen the customer base of nearby neighborhood-serving retail establishments. The Project would thus on balance not negatively impact existing and future neighborhood-serving retail uses.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

The Project would conserve the existing senior care facility which provides housing for people with greater care needs. It would protect neighborhood character by allowing residents who require institutional living

arrangements to continue living in the neighborhood, thus preserving the neighborhood's diversity.

3. That the City's supply of affordable housing be preserved and enhanced;

The Project is the acquisition of existing buildings which do not include affordable housing units. It would have no impact on the City's supply of affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The Project is the acquisition of existing buildings. It would have no impact on commuter traffic.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

The Project is the acquisition of existing buildings which do not include office uses. It would not cause displacement of businesses in the industrial or service sectors and will have no impact on future opportunities for resident employment or ownership in these sectors.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

The Project is the acquisition of existing buildings that are subject to applicable safety standards. It would not have an adverse effect on City's preparedness against injury and loss of life in an earthquake.

7. That the landmarks and historic buildings be preserved;

The Project is the acquisition of existing buildings in the Hayes Valley Residential Historic District. The Project would not alter the buildings' exterior, thus it would have no impact on the City's Landmarks and historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The Project is the acquisition of existing buildings. It would have no impact on the City's parks and open space and their access to sunlight and vistas.

Recommendation: Finding the project, on balance, is in conformity with the General Plan

RE: Acquisition – 624 Laguna Street

Dear Board Members:

Attached for consideration is a Resolution authorizing the acquisition of 624 Laguna Street, a 17,770 square foot assisted living facility that is licensed for 56 beds. The Department of Public Health (DPH) is seeking to acquire this facility to preserve these services in the community and expand the number of assisted living beds in San Francisco that are accessible to clients of the City's public health system. The facility will serve low-income senior and adult residents who require support with daily tasks.

DPH and the Real Estate Division (RED) conducted a search of assisted living facilities in San Francisco and determined that this facility is well-suited to DPH's goal of expanding and preserving its portfolio of residential care and treatment beds. This expansion is a major element of Mental Health SF, the City's strategic framework for improving the behavioral health system for San Francisco's most vulnerable residents.

The building at 624 Laguna Street was constructed in 2006 as a purpose-built assisted living facility. It includes private bedrooms for residents and both indoor and outdoor communal spaces where active programming will be provided to engage residents.

The Department of Public Works has completed an assessment of the condition of the building and an environmental review of the site and determined the building is suitable for City use without further renovation.

RED negotiated a price of \$13,780,000.00 for the acquisition of 624 Laguna Street. Upon review, I accepted a third-party appraisal (by a certified Member of the Appraisal Institute), and confirmed that the acquisition price is at or below air Market Value.. The appraisal was reviewed and affirmed by a second MAI appraiser.

The Planning Department found that the acquisition of the facility is not considered a project under the California Environmental Quality Act (CEQA) and that it is consistent with the eight priority policies of the General Plan.

The Real Estate Division recommends approval of this acquisition. If you have any questions regarding this matter, please contact Jeff Sues at the Real Estate Division office at 415-554-9860.
