Date that contract was approved: March 31, 2015	Amount of contract: Not-to-Exceed \$29,000,000
Describe the nature of the contract that was approved: The contractor will provide project management support services to assist the Airport for the Airport's Terminal 1, Boarding Area B Reconstruction Project ("Project") in a coordinated and methodical manner. Specific areas of expertise required include: Airport boarding area design management and construction phasing, project-level cost/schedule controls, solicitations and contract preparation, alternative project delivery processes, project management/construction management coordination, cost estimating, industry outreach/workshops, document control, program management systems, and other administrative support functions and operations. The Project will include: demolition of the 40 year old, 18-gate Boarding Area B facility and the construction of a new Boarding Area B facility of approximately 560,000 square feet with 24-gates to include a concessions and amenity program consistent with Terminal 2 and Boarding Area E, and to meet the increasing passenger forecast envisioned.	
Comments: Requesting Board of Supervisors to approve the Professional Services Agreement for Airport Contract 10010.41 – Project Management Support Services for New Boarding Area B Project between T1 Cubed - a Joint Venture and the City and County of San Francisco for six years of services with an anticipated final contract value not-to-exceed \$29,000,000.
