MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

In December 2024, the Human Services Agency (HSA) issued a competitive Request for Proposals (RFP) soliciting vendors to provide the Free Meals program, which provides three free meals a day, seven days a week. The program targets services to low-income individuals in the Tenderloin and South of Market neighborhoods; however, the meals are available to every resident of the City. This grant is a part of HSA's overall strategy to provide low-barrier food security interventions to low-income San Franciscans. HSA's portfolio of food access programs include home delivered groceries and meals, neighborhood-based pantries, and locally produced meals.¹ The proposed term in the RFP was four years from July 1, 2025, to June 30, 2029.

HSA received one response to their RFP from the Glide Foundation (Glide), which is the existing provider. Glide's proposal was evaluated by a panel of three readers and scored an average of 87.7 out of a total of 100 points.² Out of the 100 points, the proposal was evaluated based on organizational capacity (40 points), program approach (35 points), and fiscal capacity (25 points). Because Glide was the only and highest-ranking proposer and deemed to meet the minimum qualifications, HSA awarded an agreement to the vendor for a not to exceed amount of \$14,115,847 for a four-year term from July 1, 2025 through June 30, 2029, subject to Board of Supervisors' approval. In March 2025, the Human Services Commission approved the proposed agreement with Glide.

According to HSA staff, meals (to-go lunches) served to participants of the County Adult Assistance Program (CAAP) during their job training shift will be included under the proposed agreement. These services are currently provided under a separate agreement with Glide that is ending June 30, 2025³ and will be consolidated under the proposed agreement starting July 1, 2025.

¹ The Free Meals program was first funded by HSA in 2017.

² Panelists included a Director of Community Organizing of a nonprofit organization, HSA Program Director, and an Administrator from the Office of Civic Engagement and Immigrant Affairs

³ The current total grant amount is \$259,987 for the term of July 1, 2021 to June 30, 2025.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution approves a new agreement between HSA and the Glide Foundation for administration of the Free Meals program, for a total not to exceed amount of \$14,115,847 and four-year term from July 1, 2025 through June 30, 2029. The resolution also authorizes HSA to make further immaterial amendments to the agreement before its execution.

Services

The purpose of the Free Meals program is to provide three nutritious meals a day in a safe environment for individuals who do not have access to healthy food. Services are provided at 330 Ellis Street and target individuals who live in the Tenderloin and South of Market neighborhoods, though meals are available to any individual who lives in San Francisco.

Under the proposed agreement, Glide must provide at least 439,803 meals annually, which is approximately the same number of meals⁴ the vendor was contracted to provide in FY 2024-25 under the existing agreement. This translates into serving approximately 400 people per day (assuming each person consumes three meals). According to Appendix B, 435,241 free meals and 4,562 CAAP bags/meals (for a total of 439,803 meals) are proposed to be served annually. Services include the following:

- Preparing and serving breakfast, lunch, and dinner to individuals seven days a week at 330 Ellis Street, which is accessible to individuals living in the Tenderloin and South of Market neighborhoods. This includes to-go meal options as appropriate and requested by HSA.
- Ensuring that services are accessible to non-English speakers through written translated signs or providing staff or volunteers who speak at least Spanish and Chinese.
- Ensuring that the three meals provided meet 100 percent of the daily Dietary Reference Intake for key nutrients and comply with national Dietary Guidelines for Americans.
- Providing a security team to maintain safety for staff and program participants at the program site.
- Ensuring a registered dietician provides analysis of the nutrient components of the planned menus, quarterly trainings for nutrition program staff, and conducts and documents on-site kitchen safety and sanitation monitoring.

Performance and Fiscal MonitoringFY 2023-24 Performance

As reflected in Exhibit 1 below, the FY 2023-24 Annual Report showed that Glide met or exceeded all of their service and outcome objectives. HSA staff completed program monitoring on the existing Glide contract for FY 2023-24 in May 2024. Based on the monitoring, Glide was found in compliance with the terms of the contract. While HSA found no major findings, the following

⁴ Under the existing contract, Glide was contracted to provide 439,887 meals in FY 2024-25.

areas were noted for improvement: (1) Ensuring that all client-facing materials are available in English, Chinese and Spanish, (2) Monitoring food temperatures and logs, (3) Monitoring the need for Chinese-speaking staff or translation services during the weekends, and (4) Submitting the Annual Report and Sexual Orientation and Gender Identity (SOGI) report by the due date.

Proposed Service and Outcome Objectives

Under the proposed new agreement, Glide will be required to meet the service and outcome objectives described in Exhibit 2 below. To track the outcome objectives, program participants will be surveyed during one meal service, with a survey response rate requirement of at least 50 percent based on meal service attendance, which is greater than the survey response rate requirement of at least 25 percent under the existing agreement. Glide will also be required to survey participants once per fiscal year to collect aggregate demographic information (e.g., age, zip code).

⁵ According to HSA, the outcome objectives reflect survey responses from 140 unique meal recipients in FY 2023-24, which is an estimated 33 percent of meal recipients accessing the program at the time the survey was administered.

Fiscal and Compliance Monitoring

Department of Children, Youth & Their Families (DCYF) staff reviewed Glide's financial documents in May 2024 as part of the FY 2023-24 Citywide Fiscal and Compliance Monitoring program and identified no findings.

As of May 1, 2025, Glide Foundation is reported as "Current – Awaiting Reporting" in submitting their charity renewal form on the State Attorney General's Charity Registration Search tool. Their renewal expired November 15, 2024. According to HSA, Glide plans to submit their FY 2023-24 renewal form by the filing deadline of May 15, 2025. According to the California Attorney General's website, "Current – Awaiting Reporting" is assigned "to charity registrants that have not submitted their filing by the renewal due date, but are still within the IRS extension period."

FISCAL IMPACT

The proposed agreement has a not-to-exceed amount of \$14,115,847, including a ten percent contingency. The proposed annual budget of \$3,208,147 remains flat for the four-year grant period. Sources and uses of the proposed contract spending from FY 2025-26 through FY 2028-29 are summarized in Exhibit 2 below.

Source: Appendix B of Proposed Agreement

Salaries and fringe benefits funded by the HSA grant are for a total of 19.82 FTE program staff. Operating expenses for each year reflect approximately 37 percent of the total budget and include expenses such as free meals and CAAP to-go meal costs, utilities, janitorial services, registered dietitian/nutritionist services, and staff training.

Cost per Meal

The total cost per free meal is \$7.31 per free meal and \$5.48 per CAAP to-go meal. The city reimbursement rate per free meal is \$7.32 under the existing agreement.

Funding Sources

Expenditures over the four-year contract term would be fully funded by the City's General Fund. In addition to City funding, Glide anticipates that it will provide \$3,008,733 annually in program funding through in-kind donations (such as food and volunteers), and contributions through private fundraising efforts. This non-City funding helps Glide exceed its meals served under the contract (as noted above, in FY 2023-24 Glide served 587,478 meals, or more than the 439,887 required by the existing grant). If Glide does not meet its fundraising goals, it will not be able to serve more meals than those funded by the City. According to HSA, Glide has always adequately fundraised to support the non-City contribution to this program.

RECOMMENDATION

Approve the proposed resolution.

City shall have the sole and final discretion to determine whether Grantee has met this burden.
- (b) Without limiting the obligations of Grantee set forth in subsection (a) above, Grantee shall submit to City for City's prior written approval any Publication, and Grantee shall not disseminate any such Publication unless and until it receives City's consent. In addition, Grantee shall submit to City for approval, if City so requests, any other program material or form that Grantee uses or proposes to use in furtherance of the Grant Plan, and Grantee shall promptly provide to City one copy of all such materials or forms within two (2) days following City's request. The City's approval of any material hereunder shall not be deemed an endorsement of, or agreement with, the contents of such material, and the City shall have no liability or responsibility for any such contents. The City reserves the right to disapprove any material covered by this section at any time, notwithstanding a prior approval by the City of such material. Grantee shall not charge for the use or distribution of any Publication funded all or in part with the Grant Funds, without first obtaining City's written consent, which City may give or withhold in its sole discretion.
- (c) Grantee shall distribute any Publication solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion. In addition, Grantee shall furnish any services funded in whole or part with the Grant Funds under this Agreement solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion.
- (d) City may disapprove any element of work or property funded in whole or part by the Grant Funds that City determines, in its sole discretion, has any of the following characteristics: is divisive or discriminatory; undermines the purpose of the Grant Plan; discourages otherwise qualified potential employees or volunteers or any clients from participating in activities

covered under the Grant Plan; undermines the effective delivery of services to clients of Grantee; hinders the achievement of any other purpose of City in making the Grant under this Agreement; or violates any other provision of this Agreement or applicable law. If City disapproves any element of the Grant Plan as implemented, or requires any change to it, Grantee shall immediately eliminate the disapproved portions and make the required changes. If City disapproves any materials, activities or services provided by third parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.

- (e) City has the right to monitor from time to time the administration by Grantee or any of its subcontractors of any programs or other work, including, without limitation, educational programs or trainings, funded in whole or part by the Grant Funds, to ensure that Grantee is performing such element of the Grant Plan, or causing such element of the Grant Plan to be performed, consistent with the terms and conditions of this Agreement.
- (f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Department. Except as set forth in this subsection, Grantee shall not use the name of the Department or City (as a reference to the municipal corporation as opposed to location) in any Publication without prior written approval of City.

ARTICLE 5

The amount of the Grant Funds disbursed hereunder shall not exceed **Twelve Million, Eight Hundred Thirty-Two Thousand, Five Hundred Eighty-Eight Dollars (\$12,832,588)** for the period from **July 1, 2025 to June 30, 2029, plus any contingent amount authorized by City and certified as available by the Controller.**

Contingent amount: Up to **One Million, Two Hundred Eighty-Three Thousand, Two Hundred Fifty-Nine Dollars (\$1,283,259)** may be available, in the City's sole discretion as a contingency but only subject to written authorization by the City and if monies are certified as available by the Controller.

The maximum amount of Grant Funds disbursed hereunder shall not exceed **Fourteen Million, One Hundred Fifteen Thousand, Eight Hundred Forty-Seven Dollars (\$14,115,847)** for the period from **July 1, 2025 to June 30, 2029.**

Grantee understands that the maximum amount of Grant Funds disbursement identified above in Section 5.1 of this Agreement, includes the amount shown as the contingent amount and may not to be used in Program Budget(s) attached to this Agreement as Appendix B, and is not available to Grantee without a written revision to the Program Budgets of Appendix B approved by Agency. Grantee further understands that no payment of any portion of this contingency amount will be made unless and until such funds are certified as available by Controller. Grantee agrees to fully comply with these laws, regulations, and policies and procedures.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendix A and for no other purpose. Grantee shall expend the Grant Funds in accordance with

the Budget and shall obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

- (a) Grantee shall submit to the Department for approval, in the manner specified for notices pursuant to Article 15, a document (a "Funding Request") substantially in the form attached as Appendix C. Any unapproved Funding Requests shall be returned by the Department to Grantee with a brief explanation why the Funding Request was rejected. If any such rejection relates only to a portion of Eligible Expenses itemized in a Funding Request, the Department shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Department.
- (b) The Department shall make all disbursements of Grant Funds pursuant to this Section through electronic payment or by check payable to Grantee sent via U.S. mail in accordance with Article 15, unless the Department otherwise agrees in writing, in its sole discretion. For electronic payment, City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach. The Department shall make disbursements of Grant Funds no more than once during each **MONTH**.

5.4 Reserved.

5.5 Cost of Doing Business Adjustment. The City may, acting in its sole discretion, adjust the Grant amount in any year to reflect a Cost of Doing Business ("CODB") adjustment as authorized by the San Francisco Board of Supervisors. The Board of Supervisors and the Mayor will make the CODB determination annually through the budget process. Grantee understands and agrees that the CODB adjustment is wholly discretionary and not a Grantee entitlement.

**ARTICLE 6
REPORTING REQUIREMENTS; AUDITS;
PENALTIES FOR FALSE CLAIMS**

- 6.1 Regular Reports.** Grantee shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the Department, in form and substance satisfactory to the Department. Such reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages, to the maximum extent possible.
- 6.2 Organizational Documents.** If requested by City, Grantee shall provide to City the names of its current officers and directors and certified copies of its Articles of Incorporation and Bylaws as well as satisfactory evidence of the valid nonprofit status described in Section 8.1.
- 6.3 Notification of Defaults or Changes in Circumstances.** Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at any time during the term of this Agreement.

- 6.4 Financial Statements.** Pursuant to San Francisco Administrative Code Section 67.32 and Controller requirements, if requested, within sixty (60) days following the end of each Fiscal Year, Grantee shall deliver to City an unaudited balance sheet and the related statement of income and cash flows for such Fiscal Year, all in reasonable detail acceptable to City, certified by an appropriate financial officer of Grantee as accurately presenting the financial position of Grantee. If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee.
- 6.5 Books and Records.** Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.
- 6.6 Inspection and Audit.** Grantee shall make available to City, its employees and authorized representatives, during regular business hours all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit City, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of City pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.
- 6.7 Submitting False Claims** Grantee shall at all times deal in good faith with the City, shall only submit a Funding Request to the City upon a good faith and honest determination that the funds sought are for Eligible Expenses under the Grant, and shall only use Grant Funds for payment of Eligible Expenses as set forth in Appendix A. Any Grantee who commits any of the following false acts shall be liable to the City for three times the amount of damages the City sustains because of the Grantee's act. A Grantee will be deemed to have submitted a false claim to the City if the Grantee: (a) knowingly presents or causes to be presented to an officer or employee of the City a false Funding Request; (b) knowingly disburses Grants Funds for expenses that are not Eligible Expenses; (c) knowingly makes, uses, or causes to be made or used a false record or statement to get a false Funding Request paid or approved by the City; (d) conspires to defraud the City by getting a false Funding Request allowed or paid by the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.
- 6.8 Grantee's Board of Directors.** Grantee shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Grantee's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Grantee's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

ARTICLE 7 TAXES

- 7.1 Grantee to Pay All Taxes.** Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.
- 7.2 Use of City Real Property.** If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:
- (a)** Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.
 - (b)** Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.
 - (c)** Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.
- 7.3 Withholding.** Grantee agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Grantee further acknowledges and agrees that City may withhold any payments due to Grantee under this Agreement if Grantee is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Grantee, without interest, upon Grantee coming back into compliance with its obligations.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

- 8.1 Organization; Authorization.** Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Grantee has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated under such Section. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this

Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.

- 8.2 Location.** Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.
- 8.3 No Misstatements.** No document furnished or to be furnished by Grantee to City in connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.
- 8.4 Conflict of Interest.**
- (a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.
 - (b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For purposes of this subsection, "immediate family" shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and step-parents).
- 8.5 No Other Agreements with City.** Except as expressly itemized in Appendix D, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof.
- 8.6 Subcontracts.** Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.
- 8.7 Eligibility to Receive Federal Funds.** By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

- 9.1 Indemnification.** Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any

tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, consultants and experts and related costs and City's costs of investigating any claims against the City.

- 9.2 Duty to Defend; Notice of Loss.** Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.
- 9.3 Incidental and Consequential Damages.** Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.
- 9.4 LIMITATION ON LIABILITY OF CITY.** CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 INSURANCE

- 10.1 Types and Amounts of Coverage.** Without limiting Grantee's liability pursuant to Article 9, Grantee shall maintain in force, during the full term of this Agreement, insurance in the following amounts and coverages:

- (a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than one million dollars (\$1,000,000) each accident, injury, or illness.
- (b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence and \$2,000,000 general aggregate for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage.
- (c) Commercial Automobile Liability Insurance with limits not less than one million dollars (\$1,000,000) each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.
- (d) **Reserved.**
- (e) **Reserved.**
- (f) **Reserved.**
- (g) **Reserved.**

10.2 Additional Requirements for General and Automobile Coverage. Commercial General Liability and Commercial Automobile Liability insurance policies shall:

- (a) Name as additional insured City and its officers, agents and employees.
- (b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to limits of liability.

10.3 Additional Requirements for All Policies. All policies shall be endorsed to provide at least thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to Article 15.

10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.

10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

10.6 Evidence of Insurance. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance, and additional insured policy endorsements, in form and with insurers satisfactory to City, evidencing all coverages set forth above, and shall furnish complete copies of policies promptly upon City's request. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are

authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

- 10.7 Effect of Approval.** Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.
- 10.8 Insurance for Subcontractors and Evidence of this Insurance.** If a subcontractor will be used to complete any portion of this agreement, the grantee shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and the grantee listed as additional insureds.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

- 11.1 Events of Default.** The occurrence of any one or more of the following events shall constitute an “Event of Default” under this Agreement:
- (a) False Statement.** Any statement, representation or warranty contained in this Agreement, in the Application Documents, in any Funding Request or in any other document submitted to City under this Agreement is found by City to be false or misleading.
 - (b) Failure to Provide Insurance.** Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.
 - (c) Failure to Comply with Representations and Warranties or Applicable Laws.** Grantee fails to perform or breaches any of the terms or provisions of Article 8 or 16.
 - (d) Failure to Perform Other Covenants.** Grantee fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.
 - (e) Cross Default.** Grantee defaults under any other agreement between Grantee and City (after expiration of any grace period expressly stated in such agreement).
 - (f) Voluntary Insolvency.** Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.
 - (g) Involuntary Insolvency.** Without consent by Grantee, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or with respect to any substantial part of Grantee's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for

liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee.

11.2 Remedies upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

- (a) **Termination.** City may terminate this Agreement by giving a written termination notice to Grantee of the Event of Default and that, on the date specified in the notice, this Agreement shall terminate and all rights of Grantee hereunder shall be extinguished. In the sole discretion of the City, Grantee may be allowed ten (10) days to cure the default. In the event of termination for default, Grantee will be paid for Eligible Expenses in any Funding Request submitted and approved by City prior to the date of termination specified in such notice.
- (b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default, if granted by the City in its sole discretion, shall be disbursed without interest.
- (c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.
- (d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

11.3 Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Agreement at any time for convenience and without cause. City shall exercise this option by giving Grantee written notice that specifies the effective date of termination. Upon receipt of the notice of termination, Grantee shall undertake with diligence all necessary actions to effect the termination of this Agreement on the date specified by City and minimize the liability of Grantee and City to third parties. Such actions shall include, without limitation:

- (a) Halting the performance of all work under this Agreement on the date(s) and in the manner specified by City;
- (b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, services, equipment or other items; and
- (c) Completing performance of any work that City designates to be completed prior to the date of termination specified by City.

In no event shall City be liable for costs incurred by Grantee or any of its subcontractors after the termination date specified by City, except for those costs incurred at the request of City pursuant to this section.

11.4 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable

laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12

DISCLOSURE OF INFORMATION AND DOCUMENTS

- 12.1 Proprietary or Confidential Information of City.** Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance.** Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee covered by Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- 12.3 Financial Projections.** Pursuant to San Francisco Administrative Code Section 67.32, Grantee agrees upon request to provide City with financial projections (including profit and loss figures) for the activities and/or projects contemplated by this Grant ("Project") and annual audited financial statements thereafter. Grantee agrees that all such projections and financial statements shall be public records that must be disclosed.

ARTICLE 13

ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee.** Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.
- 13.2 Agreement Made in Violation of this Article.** Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- 13.3 Subcontracting.** If Appendix E lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall have the right to subcontract on the terms set forth in this Section. If Appendix E is blank or specifies that there are no permitted subgrantees, then Grantee shall have no rights under this Section.

(a) Limitations. In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix E without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantee or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subgrantee shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.

(b) Terms of Subcontract. Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee, the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

13.4 Grantee Retains Responsibility. Grantee shall remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from the Department or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

(a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.

(b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to

Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).

- (c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Step 1 The grantee will submit a written statement of the concern or dispute addressed to the Grant/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Grant/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with the grantee or provide a written response to the grantee within 10 working days.

Step 2 Should the dispute or concern remain unresolved after the completion of Step 1, the grantee may request review by the Division or Department Head who supervises the Grant/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is satisfactory to the grantee. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.

Step 3 Should Steps 1 and 2 above not result in a determination of mutual agreement, the grantee may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to the grantee. The Department will respond in writing within 10 working days.

This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. I. INTRODUCTION AND SOLICITATION SCHEDULE

A. Introduction

1. General

The San Francisco Human Services Agency (SFHSA) through the Citywide Food Access Team (CFAT) announces its intent to seek proposals from nonprofit organizations interested in providing free, high quality, and culturally tailored meals to low-income San Franciscans. The free meals program should aim to be as low barrier as possible to reach the most vulnerable San Franciscans who are experiencing food insecurity. The free meals program shall provide three nutritionally-balanced meals each day to food insecure individuals, with a focus on serving individuals in the Tenderloin and South of Market neighborhoods in San Francisco.

2. Background

The San Francisco Human Services Agency's (SFHSA) Citywide Food Access Team (CFAT) originated in the City's COVID-19 Command Center to support the food security of San Franciscans impacted by the COVID-19 outbreak. CFAT has since transformed into a critical ongoing resource to minimize food insecurity for all San Franciscans.

CFAT prioritizes community input to identify and respond to gaps left by state and federal food supports. The Team implements strategies and funds programs that are centered in dignity and fit the varying needs of different communities and backgrounds. With the understanding that many factors can affect a person's experience with food, CFAT cultivates programs that can address the food security needs of San Franciscans while honoring the cultural, personal, and nutritional preferences of different communities. CFAT supports partners that act as anchors in local communities. Funded programs integrate quality, choice and effectiveness as core principles throughout services where possible.

3. Diversity, Inclusion, and Racial Equity

The San Francisco Human Services Agency (SFHSA) is committed to a culture of inclusion in which our differences are celebrated. Everyone should have what they need to thrive no matter their race, age, ability, gender, sexual orientation, ethnicity, or country of origin. The Department believes that a diverse and inclusive workforce will produce more creative and innovative outcomes for the organization, and ultimately, its clients.

SFHSA is committed to combating systemic racism and disparate impact of governmental services by advancing racial equity in all aspects of our work, ensuring access to services and providing support to communities to ensure their ability to succeed and thrive.

SFHSA seeks to partner with community based organizations that share these values in their organizational culture and program services. The agency sees our contracted community based partners and their work as a means to enhance and further advance efforts to address racial equity and inclusion across San Francisco.

D. Proposal Addenda

The City may modify this Solicitation, prior to the Proposal Due Date, by issuing an Addendum to the Solicitation, which will be posted on the San Francisco Supplier Portal. Every Addendum will create a new version of the Sourcing Event and Proposers must monitor the event for new versions. **The Proposer shall be responsible for ensuring that its Proposal reflects any and all Addenda issued by the City prior to the Proposal Due Date regardless of when the Proposal is submitted.** Therefore, the City recommends that the Proposer consult the website frequently, including shortly before the Proposal Due Date, to determine if the Proposer has downloaded all Solicitation Addenda. It is the responsibility of the Proposer to check for any Addenda, Questions and Answers documents, and updates, which may be posted to the subject Solicitation.

THE SUBMITTAL OF A RESPONSE TO THIS SOLICITATION SHALL EXPLICITLY STIPULATE ACCEPTANCE BY PROPOSERS OF THE TERMS FOUND IN THIS SOLICITATION, ANY AND ALL ADDENDA ISSUED TO THIS SOLICITATION, AND THE PROPOSED GRANT TERMS.

E. Public Disclosure

All documents under this solicitation process are subject to public disclosure per the California Public Records Act (California Government Code Section §6250 et. Seq) and the San Francisco Sunshine Ordinance (San Francisco Administrative Code Chapter 67). Contracts, Proposals, responses, and all other records of communications between the City and Proposers shall be open to inspection immediately after a contract has been awarded. Nothing in this Administrative Code provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit.

If the City receives a Public Records Request ("Request") pertaining to this solicitation, City will use its best efforts to notify the affected Proposer(s) of the Request and to provide the Proposer with a description of the material that the City deems responsive and the due date for disclosure ("Response Date"). If the Proposer asserts that some or all of the material requested contains or reveals valuable trade secret or other information belonging to the Proposer that is exempt from disclosure and directs the City in writing to withhold such material from production ("Withholding Directive"), then the City will comply with the Withholding Directive on the condition that the Proposer seeks judicial relief on or before the Response Date. Should Proposer fail to seek judicial relief on or before the Response Date, the City shall proceed with the disclosure of responsive documents.

Any attempt to communicate with any party other than the Contract Administrator whose name appears in this Solicitation – including any City official, representative or employee – is strictly prohibited. Failure to comply with this communications protocol may, at the sole discretion of City, result in the disqualification of the Proposer or potential Proposer from the competitive process. This protocol does not apply to communications with the City regarding business not related to this Solicitation.

G. Proposal Selection Shall Not Imply Acceptance

The acceptance and/or selection of any Proposal(s) shall not imply acceptance by the City of all terms of the Proposal(s), which may be subject to further approvals before the City may be legally bound thereby.

H. Cybersecurity Risk Assessment

As part of City's evaluation process, City may engage in Cybersecurity Risk Assessment (CRA). CRA may be performed for each entity manufacturing the product, performing technical functions related to the product's performance, and/or accessing City's networks and systems. Where a prime grantee or reseller plays an active role in each of these activities, CRA may also be required for the prime grantee or reseller.

To conduct a CRA, City may collect as part of this Solicitation process one of the following two reports:

- **SOC-2 Type 2 Report:** Report on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy; or
- **City's Cyber Risk Assessment Questionnaire:** Proposer's responses to a City's Cyber Risk Assessment Questionnaire.

The above reports may be requested at such time City has selected or is considering a potential Proposer. The reports will be evaluated by the soliciting Department and the City's Department of Technology to identify existing or potential cyber risks to City. Should such risks be identified, City may shall afford a potential Proposer an opportunity to cure such risk within a period of time deemed reasonable to City. Such remediation and continuing compliance shall be subject to City's on-going review and audit through industry-standard methodologies, including but not limited to: on-site visits, review of the entities' cybersecurity program, penetration testing, and/or code reviews.

I. Solicitation Errors and Omissions

Proposers are responsible for reviewing all portions of this Solicitation. Proposers are to promptly notify the City, in writing and to the Solicitation contact person if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the Solicitation. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.

K. Notice of Intent to Award-Required Documentation

After the City issues a Notice of Intent to Award, and before award, if requested by the City, the successful Proposer must possess all qualifications required for the contract. Any failure to demonstrate satisfaction of one or more of following requirements, if requested by the City, will be considered sufficient for the disqualification of the Proposer as nonresponsive and will entitle the City to terminate negotiations and move to the next highest ranked Proposer for award.

If proposer will use any nonprofit subgrantees to perform the agreement, proposer will be responsible for ensuring they are also in compliance with all requirements of the Attorney General's Registry of Charitable Trusts at the time of grant execution and for the duration of the agreement.

Note: Proposer's failure to remain in good standing with the above after award will entitle the City to immediately terminate the contract for default with no opportunity for the Proposer to cure.

XI. BUDGET FORMS AND INSTRUCTIONS

Budgets should be submitted in the standard SFHSA format. Forms are available at:

<https://sfcitypartner.sfgov.org/pages/Events-BS3/event-search.aspx>

Click on “Human Services Agency” in the Department drop-down menu and then click the link for this RFP.

The attached spreadsheets are in Excel. There are four (6) tabs in the budget: Budget Summary, Salaries and Benefits, Operating-Direct, Subcontractors-Pass Thru, Capital Expenses, and Justification.

Please note these must all be clearly and easily attributable to the specific program being funded.

The Budget Justification should be a narrative, providing detailed information and calculations supporting the amount allocated for each budget line item. Please detail all mathematical computations for each line item. Show how the total dollar amount was derived, e.g., the number of square feet of office space to be utilized multiplied by the rate per square foot, the cost per month for insurance multiplied by the number of months in the grant term, etc. For the Salaries and Benefits section, list the position, a brief sentence of the position's responsibilities, the basis for the percentage of FTE allocated to the activity, and the mathematical computation used to arrive at the total dollar amount. Also list everything being included under Fringe Benefits.

The Cost Allocation Plan is required. Respondents must follow the City’s cost allocation guidelines for nonprofit grantees, which largely follow those described by Generally Accepted Accounting Principles (GAAP) and in Federal OMB Circular A-122. The plan should include how indirect costs were calculated.

For any proposed Subcontracts over \$25,000, attach a separate detailed Subcontracting budget using the standard SFHSA format. Provide a brief explanation of the subcontracting arrangement, as well as a budget breakdown. Please note, the total subcontractor budget amount should appear on the Subcontractors-Pass Thru sheet.

Indirect rates are not allowable on Subcontractor indirect expenditures, Subcontracts over \$25,000, Capital Expenses, or Direct Client Pass-Through payments: aid payments, direct voucher payments, or any stipend, subsidy or expense paid on behalf of a client (i.e., security deposit, rental payment assistance, transportation vouchers, etc.). These examples are not intended to be a comprehensive list.

These guidelines provide general information. If further clarification or technical assistance is required, consult the SFHSA Office of Contract Management Contract Manager listed.
