IX. Reporting Requirements

- A. Grantee shall input data into systems required by HSH.
- B. On a quarterly basis, Grantee shall enter the required metrics, including any required templates to be uploaded, into the CARBON database by the 15th of the month following the end of each quarter:
 - 1. The total number of unduplicated households receiving a subsidy or case management services during that quarter; and
 - 2. The total number of new placements during the quarter not including relocations; and
 - 3. The total number of program exits and destinations.
- C. For any quarter that maintains less than 90 percent of the total agreed upon units of service for any mode of service hereunder, Grantee shall immediately notify the HSH Program Manager in writing, specify the number of underutilized units of service and provide a plan of action to resolve the underutilization.
- D. For any quarter that underspends based on the estimated quarterly amount (25 percent each quarter), Grantee shall notify the HSH Program Manager and Contract Analyst in writing and provide a plan of action to resolve the underspending.
- E. On an annual basis, Grantee shall enter the required metrics, including any required templates to be uploaded, into the CARBON database by the 15th of the month following the end of each fiscal year: [based on services provided]
 - 1. Housing Coordination and Housing Location Services The number and percentage of participants that maintained their housing for 12 months or exited to a permanent housing destination and households that maintained their housing for 24 months or exit to a permanent housing destination; and
 - 2. Housing Coordination and Housing Location Services The average length of time participants spent homeless. This should be calculated from program enrollment to move-in date;
 - 3. Housing-Focused Case Management and Housing Coordination Services and Landlord Liaison Services The number and percentage of participants engaging in Housing-Focused Case Management and Grantee-created housing stability plans; and
 - 4. Housing-Focused Case Management and Housing Coordination Services and Landlord Liaison Services The number and percentage of households referred to community resources.

- F. Grantee shall participate in annual Eviction Survey reporting, per the 2015 City and County of San Francisco Participant Eviction Annual Reports Ordinance (https://sfbos.org/ftp/uploadedfiles/bdsupvrs/ordinances15/o0011-15.pdf). Grantee shall provide the number of evicted households and eviction notices issued to households residing in City-funded housing through the annual HSH administered Eviction Survey. Grantee shall adhere to all deadlines for submission as required by HSH.
- G. Grantee shall participate, as required by HSH, with City, State and/or Federal government evaluative studies designed to show the effectiveness of Grantee's services. Grantee agrees to meet the requirements of and participate in the evaluation program and management information systems of the City. The City agrees that any final reports generated through the evaluation program shall be made available to Grantee within thirty working days of receipt of any evaluation report and such response will become part of the official report.
- H. Grantee shall provide Ad Hoc reports as required by HSH and respond to requests by HSH in a timely manner.
- I. Grantee shall submit Project Descriptor data elements as described in the U.S. Department of Housing and Urban Development (HUD)'s latest HMIS Data Standards Manual (https://files.hudexchange.info/resources/documents/HMIS-Data-Standards-Manual.pdf) to HSH at the following intervals: 1) at the point of project setup; 2) when project information changes; 3) at least annually or as requested by HSH. Data is used for reporting mandated by HUD and California's Interagency Council on Homelessness, and to ensure HSH's ongoing accurate representation of program and inventory information for various reporting needs, including monitoring of occupancy and vacancy rates.

For assistance with reporting requirements or submission of reports, contact the assigned Contract and Program Managers.

1. Grantee shall submit invoices, and all required supporting documentation demonstrating evidence of the expenditure through the Department of Homelessness and Supportive Housing (HSH)'s web-based Contracts Administration, Reporting, and Billing Online (CARBON) System at: https://contracts.sfhsa.org.

- 2. Grantee's Executive Director or Chief Financial Officer shall submit a letter of authorization designating specific users, including their names, emails and phone numbers, who will have access to CARBON to electronically submit and sign for invoices, submit program reports, and view other information that is in CARBON.
- 3. Grantee acknowledges that submittal of the invoice by Grantee's designated authorized personnel with proper login credentials constitutes Grantee's electronic signature and certification of the invoice.
- 4. Grantee's authorized personnel with CARBON login credentials shall not share or internally reassign logins.
- 5. Grantee's Executive Director or Chief Financial Officer shall immediately notify the assigned HSH Contract Manager, as listed in CARBON, via email or letter regarding any need for the restriction or termination of previously authorized CARBON users and include the name(s), email(s) and phone number(s) of those previously authorized CARBON users.
- 6. Grantee may invoice and submit related documentation in the format specified by HSH via paper or email only upon special, written approval from the HSH Contracts Manager.
- F. <u>Line Item Variance</u>: There shall be no variance from the line item budget submitted, which adversely affects Grantee's ability to provide services specified in the Appendix A(s), Services to be Provided of the Agreement; however, Grantee may invoice more than 100 percent of an ongoing General Fund or Prop C line item, provided that total expenditures do not exceed the budget category amount (i.e., Salary, Operating, and/or Capital), per the HSH Budget Revision Policy and Procedure: http://hsh.sfgov.org/overview/provider-updates/.

G. Spend Down

- 1. Grantee shall direct questions regarding spend down and funding source prioritization to the assigned HSH Contract and Program Managers, as listed in CARBON.

Grantee shall report unexpected delays and challenges to spending funds, as well as any lower than expected spending to the assigned Contract and Program Managers, as listed in CARBON prior to, or in conjunction with the invoicing period.
- 3. Failure to spend Grant funding monthly and annually may result in reductions to future allocations and may impact future advance. HSH may set specific spend down targets and communicate those to Grantees.

In accordance with Article 5 Use and Disbursement of Grant Funds; Article 6 Reporting Requirements; Audits; Penalties for False Claims; and the Appendix A(s), Services to be Provided of the Agreement, Grantee shall keep electronic or hard copy records and documentation of all HSH invoiced costs, including, but not limited to, payroll records; paid invoices; receipts; and payments made for a period not fewer than five years after final payment under this Agreement, and shall provide to the City upon request.

 - b. In addition to the instructions below, HSH will request and review supporting documentation on the following occasions without modification to this Appendix:
 - 1) Program Monitoring;
 - 2) Fiscal and Compliance Monitoring;

HSH will conduct regular monitoring of provider operating expenses under \$10,000 including, but not limited to requesting supporting documentation showing invoices were paid. Grantees shall provide requested information within specified timelines.

HSH reserves the right to require full documentation of invoice submission regardless of amount to ensure the Grantee's compliance with HSH's invoicing requirements.

III. <u>Advances or Prepayments</u>: Advances or prepayments are allowable on certified annual ongoing General Fund or Prop C amounts (i.e., authorized by executed Agreements) in order to meet non-profit Grantee cash flow needs in certain circumstances. Requests for advance payment will be granted by HSH on a case-by-case basis. Advances are not intended to be a regular automatic procedure.

A. Advance Requirements:

Once the Agreement is certified, Grantee, prior to distribution of any advanced payment, must fulfill the following conditions:

- 1. All Agreement compliance requirements must be currently met (e.g., reports submitted and approved; corrective actions resolved; business tax and insurance certificates in place; prompt and properly documented invoicing; appropriate spend down);
- 2. The final invoice from the preceding fiscal year must be received prior to advance distribution; and
- 3. Advances from the preceding fiscal year must be repaid, in full, prior to any additional advance distribution.

B. Advance Request Process:

- 1. Grantee shall submit a written request to the assigned HSH Contract Manager, as listed in CARBON, on an agency letterhead with a narrative justification that fully describes the unique circumstances, for review and approval. Advance requests must be submitted by the Grantee's authorized staff only.
- 2. HSH, at its sole discretion, may make available to Grantee up to one month of the total ongoing annualized General Fund or Prop C budget amount, per the Appendix B, Budget(s) of this Agreement. Requests for greater than one month of the ongoing annualized budget amount may be considered on a case-by-case basis only.
- 3. Grantee is expected to maintain adequate cash reserves for multi-year Grant agreements and not rely on cash advances to cover expenses necessary to operate Grantee's core operations.

C. Advance Repayment Process:

1. If approved by HSH, the advanced sum will be deducted from the Grantee's monthly invoices at an equal rate each month that will enable repayment before the close of the fiscal year. For example, for a twelve-month grant the rate of repayment of the

- advance will be $1/10^{th}$ per month from July to April. An alternative period of repayment may be calculated to ensure cash flow and repayment.
- 2. All advance repayments must be recovered within the fiscal year for which it was made.
- 3. In the case where advance repayments cannot be fully recovered by deducting from the Grantee's monthly invoices, Grantee shall repay the outstanding balance via check in the amount verified by the assigned HSH Contract Manager, as listed in CARBON. Grantee shall make the repayment after the final invoice of the fiscal year has been approved to the address provided by the assigned HSH Contract Manager, as listed in CARBON.
- IV. <u>Timely Submission of Reports and Compliance</u>: If a Grantee has outstanding items due to the City (e.g., Corrective Action Plans/report/document/data input), as specified in any written form from HSH (e.g., Letter of Correction, Corrective Action Plan, and/or Appendix A(s), Services to be Provided of the Agreement), Grantee shall submit and comply with such requirements prior to or in conjunction with monthly invoicing. Failure to submit required information or comply by specified deadlines may result in HSH withholding payments.
