LOAN AGREEMENT
(City and County of San Francisco
Certificates of Participation; HOME Program)
(Lot 446, Block 4624 and Lot 447, 4624, San Francisco, CA 94102)

THIS LOAN AGREEMENT (“Agreement”) is entered into as of _____, 2023 by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (the “**City**”), represented by the Mayor, acting by and through the Mayor’s Office of Housing and Community Development (“**MOHCD**”), and **HV PARTNERS 3, LP**, a California limited partnership (“**Borrower**”).

RECITALS

A. On December 20, 2019, through Ordinance 281-19, the San Francisco Board of Supervisors authorized the issuance of certificates of participation to finance and/or refinance the acquisition, improvement, rehabilitation, preservation, and repair of certain affordable housing developments, including but not limited to the HOPE SF housing developments generally known as Hunters View, Sunnydale, and Potrero Terrace and Annex. The City is authorized by Ordinance 281-19 to provide a portion of the funds under this Agreement (the “**COP Funds**”) to Borrower for the development of affordable housing.

B. The City is authorized under a HOME Investment Partnership Agreement with the United States Department of Housing and Urban Development (“**HUD**”), executed pursuant to Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990 (42 U.S.C. §§ 12701 *et seq.* and 24 CFR §§ 92) to distribute HOME Investment Partnership Program (“**HOME**”) funds under this Agreement (the “**HOME Funds**”) for the specific and special purpose of increasing the housing stock in the City for low- and very low-income persons.

C. The San Francisco Board of Supervisors designated the Mayor’s Office of Housing and Community Development the Successor Housing Agency of the San Francisco Redevelopment Agency, effective February 1, 2012, upon dissolution of state redevelopment agencies. Pursuant to California Assembly Bill 1484, the Successor Housing Agency was required to create a fund called the Low and Moderate Income Housing Asset Fund (“**LMIH Asset Fund**”) to collect proceeds from former redevelopment agency housing assets transferred to the City and County of San Francisco. Monies in the LMIH Fund are derived from loan repayments and other housing asset program income and must be used in accordance with California Redevelopment Law.

D. On November 5, 2019, the voters of the City and County of San Francisco approved Proposition A (Ordinance 168-19), which provided for the issuance of up to \$600 million in general obligation bonds to finance the construction, acquisition, improvement, rehabilitation, preservation and repair of certain affordable housing improvements (the “**2019 GO Bond**”). To the extent permitted by law, the City intends to reimburse with proceeds of the Bond amounts disbursed under this Agreement to Borrower for the development of affordable housing. The 2019 GO Bond, LMIH Asset Fund, HOME Funds, and the COP Funds provided under this Agreement are collectively referred to herein as the “**Funds**.”

E. Borrower has acquired a leasehold interest in the real property located at Lot 446, Block 4624 and Lot 447, 4624, San Francisco, California (the “**Land**”) under a Ground Lease Agreement (Phase IIIA(1) Hunters View Project--Rental Housing) dated as of January 25, 2021 and as may be amended on or about the date hereof (the “**Ground Lease**”) by and between Borrower and the Housing Authority of the City and County of San Francisco (“**SFHA**” or “**Ground Lessor**”).

F. Borrower desires to use the Funds to construct a 118-unit multifamily rental housing development on the Land (the “**Improvements**”), affordable to low-income households, of which 53 units will be public housing replacement units, 64 units will be additional affordable housing units, and one unit will be an unrestricted manager’s unit, and including property management and resident services offices, community rooms, and courtyards (the “**Project**”). In addition, on a portion of the Land (Lot 3, Block 14), Borrower intends to construct an approximately 2,302 square foot community-serving learning center (the “**Learning Center**”), and on another portion of the Land (Lot 4, Block 17), Borrower will construct an approximately 1,546 square foot community-serving commercial kitchen space (the “**Commercial Kitchen**”). The Learning Center and Commercial Kitchen are collectively referred to herein as the “**Commercial Space**.” If the context requires, the term “Project” will include the Commercial Space.

G. The City previously provided a predevelopment loan in the principal amount of Six Million One Hundred Ninety Two Thousand Five Hundred Ninety Five and No/100 Dollars (\$6,192,595.00) (the “**Original Loan Amount**”) to fund predevelopment activities associated with the Project. The Original Loan Amount was evidenced by a Loan Agreement dated June 16, 2017, as amended by that certain First Amendment to the Loan Agreement dated October 4, 2017, and as further amended by that certain Second Amendment to the Loan Agreement dated October 1, 2021 (collectively, the “**Original Loan Agreement**”). An Amended and Restated Secured Promissory Note dated October 1, 2021 in the Original Loan Amount was made by Borrower for the benefit of the City (the “**Original Note**”).

H. The City has reviewed Borrower's application for Funds for the construction and permanent financing of the Project and, in reliance on the accuracy of the statements in that application, has agreed to make a loan of Funds to Borrower (the “**Loan**”) in the total principal amount of [Fifty Million Four Hundred Ninety-Five Thousand] and No/100 Dollars (\$50,495,000.00) (the “**Funding Amount**”). No listing of specific instances, items or examples in any way limits the scope or generality of any language in this Agreement. References to days, months and years mean calendar days, months and years unless otherwise specified. References to a party mean the named party and its successors and assigns.

(b) Headings are for convenience only and do not define or limit any terms. References to a specific City Document or other document or exhibit mean the document, together with all exhibits and schedules, as supplemented, modified, amended or extended from time to time in accordance with this Agreement. References to Articles, Sections and Exhibits refer to this Agreement unless otherwise stated.

(c) Accounting terms and financial covenants will be determined, and financial information must be prepared, in compliance with GAAP as in effect on the date of performance. References to any Law, specifically or generally, will mean the Law as amended, supplemented or superseded from time to time.

(d) The terms and conditions of this Agreement and the other City Documents are the result of arms'-length negotiations between and among sophisticated parties who were represented by counsel, and the rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not apply to the construction and interpretation of the City Documents. The language of this Agreement must be construed as a whole according to its fair meaning.

1.3 Contracting Manual. Borrower shall use the Contracting Manual as a guide to Borrower’s responsibilities under Laws and regulations regarding soliciting, awarding and administering contracts associated with projects assisted by Federal Funds and some City funds. In the event of a conflict between the terms of the Contracting Manual and this Agreement, the terms of the Agreement shall prevail.

Notwithstanding anything to the contrary contained herein, City will not approve expenditure of Funds for expenses incurred by Borrower prior to the Agreement Date, except for \$4,321,365.32 that has been previously disbursed under the Original Loan Agreement and expended for predevelopment costs of the Project. Notwithstanding the foregoing, City will not approve any expenditure of Funds for expenses incurred by Borrower earlier than sixty (60) days prior to the City's declaration of its official intent to reimburse such expenses with proceeds of the 2019 GO Bond.

2.3 Accounts; Interest. Each Account to be maintained by Borrower under this Agreement must be held in a bank or savings and loan institution acceptable to the City as a segregated account that is insured by the Federal Deposit Insurance Corporation or other comparable federal insurance program. With the exception of tenant security deposit trust accounts, any interest earned on funds in any Account must be used for the benefit of the Project.

2.4 Records. Borrower must maintain and provide to the City upon request records that accurately and fully show the date, amount, purpose and payee of all expenditures from each Account authorized under this Agreement or by the City in writing and keep all estimates, invoices, receipts and other documents related to expenditures from each Account. Contingency Funds shall be due and payable on the Maturity Date according to the terms set forth in the Note.]

ARTICLE 3 TERMS. Borrower's repayment obligations with respect to the Funding Amount will be evidenced and governed by the Note, which will govern in the event of any conflicting provision in this Agreement.

Borrower must repay all amounts owing under the City Documents on the date that is the later of (a) the fifty-seventh (57th) anniversary of the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County or (b) the fifty-fifth (55th) anniversary of the Conversion Date (the "**Maturity Date**").

Borrower must comply with all provisions of the City Documents relating to the use of the Site and the Project as set forth in the Declaration of Restrictions to be recorded in the Official Records, for the period commencing on the date the Deed of Trust is recorded in the Official Records and continue for the Life of the Project (the "**Compliance Term**"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed before the end of the Compliance Term.

3.3 Interest. The outstanding principal balance of the Loan will bear simple interest at a rate of one-quarter of one percent (0.25%) per annum, as provided in the Note.

3.4 Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, the principal balance of the Loan will bear interest at the default interest rate set forth in the Note, with such default interest rate commencing as of the date an Event of Default occurs and continuing until such Event of Default is fully cured. In addition, the default interest rate will apply to any amounts to be reimbursed to the City under any City Document if not paid when due or as otherwise provided in any City Document.

3.5 Repayment of Principal and Interest.

(a) Except as set forth in Section 3.7 below, the outstanding principal balance of the Loan, together with all accrued and unpaid interest, if any, will be due and payable on the Maturity Date according to the terms set forth in full in the Note.

3.6 Changes In Funding Streams. The City's agreement to make the Loan on the terms set forth in this Agreement and the Note is based in part on Borrower's projected sources and uses of all funds for the Project, as set forth in the Table of Sources and Uses. Borrower covenants to give written notice to the City within thirty (30) days of any significant changes in budgeted funding or income set forth in documents previously provided to the City. Examples of significant changes include loss or adjustments (other than regular annual adjustments) in funding under Shelter + Care, Section 8 or similar programs.

8609 from the California Tax Credit Allocation Committee or the date on which Borrower receives Excess Proceeds from its limited partner or other financing sources. The City must use such Excess Proceeds to reduce the balance of the Loan.

3.8 Failure to Provide Budgeted Resident Services.

If Borrower fails to provide Resident Services in the amount shown in the approved 20-Year Cash Flow Proforma, Borrower shall provide notice to the City within 10 business days of the date the Resident Services were terminated, which notice shall include, at a minimum, a proposed plan to restore the Resident Services within a reasonable period of time. If at the time such notice is provided, Borrower is unable to propose a feasible plan for restoring the Resident Service, Borrower shall include in the notice a detailed explanation as to the cause of the termination of Resident Services and the reasons why it would not be feasible to restore the Resident Services within a reasonable period of time.

3.9 Additional City Approvals. Borrower understands and agrees that City is entering into this Agreement in its proprietary capacity and not as a regulatory agency with certain police powers. Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement shall be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property shall require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the “No Project” alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.

Unless otherwise agreed by the City and Borrower in writing, Borrower will establish an escrow account with the title company issuing the Title Policy, or any other escrow agent Borrower chooses, subject to the City's approval (the "**Escrow Agent**"). The parties will execute and deliver to the Escrow Agent written instructions consistent with the terms of this Agreement. In the event the escrow does not close on or before the expiration date of escrow instructions signed by the City, or any other mutually agreed date, the City may declare this Agreement to be null and void.

4.3 Conditions Precedent to Closing. The City will authorize the close of the Loan upon satisfaction of the conditions in this Section.

4.5 Disbursements. The City's obligation to approve any expenditure of Funds after Loan closing is subject to Borrower's satisfaction of the following conditions precedent.

(a) Borrower must have delivered to the City an Expenditure Request in form and substance satisfactory to the City, together with: (i) copies of invoices, contracts or other documents covering all amounts requested; (ii) a line item breakdown of costs to be covered by the Expenditure Request; and (iii) copies of checks issued to pay expenses covered in the previous Expenditure Request. The Marketing and Tenant Selection Plan must be kept on file at the Project at all times.

(b) Borrower's tenant screening criteria must comply with the Tenant Screening Criteria Policy set forth in the attached Exhibit I.

(c) Borrower's HOPE SF Marketing and Resident Selection Plan must comply with the HOPE SF Resident Selection Criteria set forth in the attached Exhibit M. In the event of a conflict between Exhibit M and Exhibits H and I, Exhibits H and I will control with respect to any HOPE SF Unit.

6.4 Marketing Records. Borrower must keep records of: (a) activities implementing the Marketing and Tenant Selection Plan; (b) advertisements; and (c) other community outreach efforts.

6.5 Waiting List.

(a) Borrower's Marketing and Tenant Selection Plan, related to the Units without project-based vouchers and/or not designated as public housing replacement units, must contain, at a minimum, policies and criteria that provide for the selection of tenants from a

written waiting list that complies with the Marketing and Tenant Selection Plan (the “Waiting List”). The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but shall limit the number of refusals without cause as approved by the City. Borrower shall at all times maintain the Waiting List. Upon the vacancy of any Unit, Borrower shall first attempt to select the new Tenant for such Unit from the Waiting List, and shall only market the Unit to the general public after determining that no applicants from the Waiting List qualify for such Unit. The Waiting List for the Units monitored by the City must be kept on file at the Project at all times. The Waiting List for the Units with project-based vouchers and monitored by SFHA are kept on file with SFHA.

(a) Borrower's Marketing and HOPE SF Resident Selection Plan related to the project-based vouchers and/or Units designated as public housing replacement units must contain, at minimum, policies and criteria that provide for the selection of tenants. The parties intend that SFHA or its designee or successor or assign will maintain the public housing replacement unit waitlist for the Project at all times.

6.6 HUD Requirements. Notwithstanding anything to the contrary contained in this Article 6, City acknowledges and agrees that for any Units receiving subsidy from HUD, the requirements set forth in this Section 6 shall be subject and subordinate to any HUD requirements, and in the event of any inconsistencies, the HUD requirements, as applicable shall control. The parties intend that SFHA (or its designee or successor or assignee) and project-based voucher units for which the Project expects to receive an Agreement to Enter into Housing Assistance Payment Contract (“AHAP”) (and/or Housing Assistance Payment Contract (“HAP”)) from which the management agent will receive referrals for lease-up. Notwithstanding the forgoing, Borrower will only be obligated to accept those tenants that meet the eligibility requirements of Borrower’s project funding sources, which will be outlined in the Marketing and Tenant Selection Plan (including the Marketing and HOPE SF Resident Selection Plan) approved by MOHCD pursuant to this Agreement.

ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 Term of Leasing Restrictions. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect (a) for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the Deed of Trust; (b) for any Unit that has been subject to a regulatory agreement with TCAC, for a period ending three (3) years after the date of any transfer of the Project by foreclosure or deed-in-lieu of foreclosure; and (c) with respect to any Unit occupied by a Qualified Tenant at expiration of either the Compliance Term or the 3-year period referred to in **Subsection (b)** above, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause. The requirements to comply with the provisions of Internal Revenue Code Section 42, including Section 42(h)(6)(E)(ii), are hereby acknowledged.

7.2 Borrower's Covenant.

(a) Borrower covenants to rent all Units (except one Unit reserved for the manager of the Project) at all times to households certified as Qualified Tenants at initial occupancy, as set forth in **Exhibit A**. Borrower further covenants that no HOME funds will be allocated to the construction or rehabilitation of the unrestricted manager's Unit. If the Project contains 5 or more units, at least 20% must be reserved for very low-income Tenants, as defined under the HOME program regulations. In addition, fifty-three (53) Units must be rented to holders of Section 8 certificates or vouchers or similar rental subsidy benefits, unless these rental subsidy programs are no longer in operation.

(b) A Tenant who is a Qualified Tenant at initial occupancy may not be required to vacate the Unit due to subsequent rises in household income, except as provided in **Section 7.3**. After the over-income Tenant vacates the Unit, the vacant Unit must be rented only to Qualified Tenants as provided in this **Article 7**.

7.3 Rent Restrictions.

(a) Rent charged to each Qualified Tenant may not exceed the amounts set forth in **Exhibit A**, *provided that* Rents may be adjusted annually, subject to the limitations below.

(b) Subject to the Hold Harmless Policy, rents for all Units may be increased once annually up to the maximum monthly rent by unit type as published by MOHCD.

(c) With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under **Section 7.3(b)** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the maximum Rent permitted under **Section 7.3(a)**. City approval for such Rent increases that are necessary to meet all approved Project Expenses shall not be unreasonably withheld.

(d) For any Qualified Tenant participating in a Rent or operating subsidy program where the Rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program. There is no limit on the increase/decrease in Rent charged under this provision, as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**. There is no limit on the number of Rent adjustments that can be made in a year under this provision.

(e) For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**.

(f) Unless prohibited under any applicable Laws, including without limitation Section 42 of the Internal Revenue Code of 1986, as amended, if the household income of a Qualified Tenant exceeds the maximum permissible income during occupancy of a Unit, then, upon no less than thirty (30) days' prior written notice to the Tenant or as otherwise required under the Tenant's lease or occupancy agreement, Borrower may adjust the charges for Rent for the previously Qualified Tenant to be equal to thirty percent (30%) of the Tenant's adjusted household income. Rents charged under this provision may exceed the Maximum Rent permitted under **Section 7.3(a)**.

7.4 Certification.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person must be required to provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.

(b) Each Qualified Tenant in the Project must recertify his/her household income to Borrower one time in the year after the first year of tenancy in accordance with tax credit requirements. Each Qualified Tenant in the Project must also recertify his/her household income to Borrower one time in every 6th year of the project's affordability period using the full recertification method required by the HOME program. Interim recertifications are also required annually but may be done using the abbreviated annual income recertification method which requires Tenants to submit income certification forms but does not require verification of income or assets.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file at Borrower's principal office, and Borrower must file or cause to be filed copies thereof with the City promptly upon request by the City.

7.5 Form of Lease. The form of lease for Tenants must provide for termination of the lease and consent to immediate eviction for failure to qualify as a Qualified Tenant if the Tenant has made any material misrepresentation in the initial income certification. The form of lease must also comply with 24 CFR § 92.253.

7.6 Nondiscrimination. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

7.7 Security Deposits. Security deposits may be required of Tenants only in accordance with applicable federal regulations, state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an Account held in trust for the benefit of the Tenants and disbursed in accordance with California law. The balance in the trust Account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to Tenants.

7.8 Commercial Space. At least sixty (60) days prior to the date that build-out of the Commercial Space begins, MOHCD must have reviewed and approved proposed leases and development plans for the Commercial Space. All leases of Commercial Space must be to bona fide third party tenants capable of performing their financial obligations under their leases, which must reflect arms'-length transactions at the then-current market rental rate for comparable space, *provided that*, leases for Public Benefit Purposes may be at below-market rates so long as the sum of Project Income and Commercial Income meets approved cash flow requirements for the Project. Allowed uses of Commercial Space must be consistent with all applicable redevelopment plans and local planning and building codes and be reasonably compatible with the design and purpose of the Project. Each lease of Commercial Space must restrict its use to Public Benefit Purposes or all Surplus Cash generated as a result of a market-rate lease of the Commercial Space must be directed toward repayment of the Loan used for a Public Benefit Purpose. All surplus cash shall be subject to the MOHCD Policy on the Use of Residual Receipts. Each lease of Commercial Space must comply with the MOHCD Commercial Underwriting Guidelines as set forth in **Exhibit O** herein.

7.9 Other Requirements.

(a) Twelve (12) months prior to anticipated temporary certificate of occupancy, Borrower must outline the affirmative steps to market the Project to the City's preference program participants, including certificate of preference holders, Displaced Tenants, and Neighborhood Residents, as well as how the marketing is consistent with the Mayor's Racial Equity statement and promotion of positive outcomes for African American San Franciscans. ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

8.1 Borrower's Responsibilities.

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower must maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920.10 and the applicable provisions of 24 CFR Part 35 and all applicable federal requirements.

(b) Borrower must take prudent measures to ensure the security of the Site. Measures may include erecting a fence; covering and securing all openings in any vacant building and hiring security guards, as appropriate for the circumstances.

8.2 Contracting With Management Agent.

(a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided, however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract must contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. [As of the Agreement Date, the City has approved John Stewart Company as Borrower's management agent, subject to approval of the management contract.]

(b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower must exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.

8.3 Borrower Management. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

ARTICLE 9 GOVERNMENTAL APPROVALS AND REQUIREMENTS.

9.1 Approvals. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

9.2 Borrower Compliance. Borrower must comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E** and **Exhibit L**. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

9.3 Additional Federal Requirements. The following provision shall apply as long as Federal Funds are used to finance the Project.

Borrower further acknowledges that the City may impose more stringent requirements with regard to affordability restrictions than those required by HUD and agrees to comply with the City's requirements as set forth in this Agreement.

Borrower must certify in form and content substantially the same as that attached hereto as **Exhibit F** that neither it nor any of its principals is listed by the General Services Administration as debarred, suspended, ineligible or voluntarily excluded from receiving the Funds on the Agreement Date. In addition, Borrower will review the list to ensure that any contractor or subcontractor who bids for a contract in excess of \$100,000 is not debarred, suspended, ineligible or voluntarily excluded from participating in federal programs and activities in addition to obtaining the certification of each contractor or subcontractor whose bid is accepted.

13.1 Definition. “**Distributions**” refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management or other services performed in connection with the Project.

13.2 Conditions to Distributions. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement, or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request

for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

13.3 Prohibited Distributions. No Distribution may be made in the following circumstances:

(a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or

(b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or

(c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or

(d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or

(e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or

(f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loan is out of balance) under any City Document.

13.4 Borrower's Use of Residual Receipts for Development. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval Borrower may retain and distribute a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as **Exhibit P**. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Note.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 Distribution and Use. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower must allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. ARTICLE 16 TRANSFERS.

16.1 Permitted Transfers/Consent. Borrower may not cause or permit any voluntary transfer, assignment or encumbrance of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity or is the manager of a limited liability company that is the sole general partner or manager of that entity; (d) transfers of the general partnership or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Borrower to an investor pursuant to the tax credit syndication of the Project; (f) the grant or exercise of an option agreement between Borrower and Borrower's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project where such agreement has been previously approved in writing by the City; or (g) to remove or replace the General Partner in accordance with the terms of the Partnership Agreement, a transfer of any general partnership interest to a new general partner approved in advance by the City. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

ARTICLE 17 INSURANCE AND BONDS; INDEMNITY.

17.1 Borrower's Insurance. Subject to approval by the City's Risk Manager of the insurers and policy forms Borrower must obtain and maintain, or cause to be obtained and maintained, insurance and bonds as set forth in **Exhibit L** from the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County until the expiration of the Compliance Term at no expense to the City.

17.2 Borrower's Indemnity Obligations. Borrower must indemnify, protect, defend and hold harmless each of the Indemnitees from and against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in **Article 18** below); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring before the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under **Sections 9.1, 9.2 and 18.2**; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct.

17.3 Duty to Defend. Borrower acknowledges and agrees that its obligation to defend the Indemnitees under **Section 17.2**: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of **Section 17.2**, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Borrower by the Indemnitee and continues at all times thereafter. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower must answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim,

obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The Indemnitee must give Borrower prompt notice of any Loss and Borrower has the right to defend, settle and compromise any such Loss; provided, however, that the Indemnitee has the right to retain its own counsel at the expense of Borrower if representation of such Indemnitee by the counsel retained by Borrower would be inappropriate due to conflicts of interest between such Indemnitee and Borrower. An Indemnitee's failure to notify Borrower promptly of any Loss does not relieve Borrower of any liability to such Indemnity under **Section 17.2**, unless such failure materially impairs Borrower's ability to defend such Loss. Borrower must seek the Indemnified Party's prior written consent to settle or compromise any Loss if Borrower contends that such Indemnitee shares in liability with respect thereto.

17.4 No Limitation. Borrower's obligations under **Section 17.2** are not limited by the insurance requirements under this Agreement.

17.5 Survival. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

ARTICLE 18 HAZARDOUS SUBSTANCES.

18.1 Borrower's Representations. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the Phase I Environmental Site Assessment by Intertek PSI dated February 13, 2022 and combined Phase I/Phase II by Engeo Incorporated dated November 20, 2009 or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

18.2 Covenant. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower must: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good

faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

18.3 Survival . Borrower and City agree that this Article 18 is intended as City's written request for information (and Borrower's response) concerning the environmental condition of the Site as security as required by California Code of Civil Procedure § 726.5; and each provision in this Article (together with any indemnity applicable to a breach of any such provision) with respect to the environmental condition of the Site as security is intended by City and Borrower to be an "environmental provision" for purposes of California Code of Civil Procedure § 736, and as such it is expressly understood that Borrower's duty to indemnify City hereunder shall survive: (a) any judicial or non-judicial foreclosure under the Deed of Trust, or transfer of the Property in lieu thereof, (b) the release and reconveyance or cancellation of the Deed of Trust; and (c) the satisfaction of all of Borrower's obligation under the City Documents.

ARTICLE 19 DEFAULT.

19.1 Event of Default. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:

(a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or

(b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or

(e) All or a substantial or material portion of the improvements on the Site is damaged or destroyed by fire or other casualty, and the City has determined upon restoration or repair that the security of the Deed of Trust has been impaired or that the repair, restoration or replacement of the improvements in accordance with the requirements of the Deed of Trust is not economically practicable or is not completed within two (2) years of the receipt of insurance proceeds; or all or a substantial or material portion of the improvements is condemned, seized or appropriated by any non-City Governmental Agency or subject to any action or other proceeding instituted by any non-City Governmental Agency for any purpose with the result that the improvements cannot be operated for their intended purpose; or

(f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or

(g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Section 16.1**; or

(h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or

(i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or

(j) Either the Deed of Trust or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or

(k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the

improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(l) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project; or

(m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

(n) Before a certificate of occupancy or equivalent certification is issued for the Project, Borrower ceases rehabilitation or construction of the Project for a period of twenty-five (25) consecutive calendar days, and the cessation is not excused under **Section 19.3**; or

(o) Borrower is in default of its obligations with respect to the Ground Lease any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or

(p) Borrower is in default of its obligations under any other agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

Notwithstanding the above, the City agrees that any notice of Event of Default also shall be provided to Borrower's Limited Partner, and the Limited Partner shall have the right to cure any such default during the applicable cure period. The City agrees that a cure of any default by the Limited Partner shall be deemed a cure by Borrower.

19.2 Remedies. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:

(a) The City at its option may declare the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.

(b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the Deed of Trust or Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the Deed of Trust or Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.

(c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.

(d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.

(e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.

(f) Upon the occurrence of an Event of Default described in **Section 19.1(k)**, the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, will become due and payable automatically.

(g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Note, even if it causes the principal balance to exceed the face amount of the Note, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.

19.3 Force Majeure. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. The occurrence of a force majeure event will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.

19.4 City's Recourse. The City's recourse against Borrower following an Event of Default is limited as set forth more specifically in the Note.

ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

20.1 Borrower Representations and Warranties. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

(a) The execution, delivery and performance of the City Documents will not contravene or constitute a default under or result in a lien upon assets of Borrower under any applicable Law, any Charter Document of Borrower or any instrument binding upon or affecting Borrower, or any contract, agreement, judgment, order, decree or other instrument binding upon or affecting Borrower.

(b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.

(c) No action, suit or proceeding is pending or threatened that might affect Borrower or the Project adversely in any material respect.

(d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

(e) None of Borrower, Borrower's principals or Borrower's general contractor has been suspended or debarred by the Department of Industrial Relations or any Governmental Agency, nor has Borrower, any of its principals or its general contractor been suspended, disciplined or prohibited from contracting with any Governmental Agency. Further, Borrower certifies that neither it nor any of its principals is listed by the General Services Administration as debarred, suspended, ineligible or voluntarily excluded from receiving the Funds on the Agreement Date. In addition, Borrower will review the list to ensure that any contractor or subcontractor who bids for a contract in excess of \$100,000 is not debarred, suspended, ineligible or voluntarily excluded from participating in federal programs and activities in addition to obtaining the certification of each contractor or subcontractor whose bid is accepted.

(f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.

(g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

(h) The Borrower is duly organized and in good standing under applicable laws of the State of California and is qualified to do business in the City and County of San Francisco.

ARTICLE 21 NOTICES.

All notices required by this Agreement must be made in writing and may be communicated by personal delivery, by a nationally recognized courier that obtains receipts, facsimile (if followed within one (1) business day by first class mail) or by United States certified mail, postage prepaid, return receipt requested. Delivery will be deemed complete as of the earlier of actual receipt (or refusal to accept proper delivery) or five (5) days after mailing, *provided that* any notice that is received after 5 p.m. on any day or on any weekend or holiday will be deemed to have been received on the next succeeding business day. 21.2 Required Notices. 21.3 Notice to Limited Partner. The City agrees to deliver a copy of any notice of default to Borrower's limited partner at the address set forth below at the same time and in the same manner as notice is delivered to Borrower. ARTICLE 22 GENERAL PROVISIONS.

22.1 Subordination. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a “Senior Lien”), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval.

22.2 No Third Party Beneficiaries. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

22.3 No Claims by Third Parties. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower must include this requirement as a provision in any contracts for the development of the Project.

22.4 Entire Agreement. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.

22.5 City Obligations. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.

22.6 Borrower Solely Responsible. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents,

information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

22.7 No Inconsistent Agreements. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.

22.8 Inconsistencies in City Documents. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.

22.9 Governing Law. This Agreement is governed by California law without regard to its choice of law rules.

22.10 Joint and Several Liability. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.

22.11 Successors. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

22.12 Attorneys' Fees. If any legal action is commenced to enforce any of the terms of this Agreement or rights arising from any party's actions in connection with this Agreement, the prevailing party will have the right to recover its reasonable attorneys' fees (including allocated fees of the City Attorney's Office) and costs of suit from the other party, whether incurred in a judicial, arbitration, mediation or bankruptcy proceeding or on appeal. For the purposes of this Agreement, reasonable fees of attorneys in the City Attorney's office will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter of law for which the City Attorney's services were rendered, who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office. An award of attorneys' fees and costs will bear interest at the default rate under the Note from the date of the award until paid.

22.13 Severability. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.

22.14 Time. Time is of the essence in this Agreement. Whenever the date on which an action must be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

22.15 Further Assurances. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.

22.16 Binding Covenants. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests (other than Tenants and approved commercial tenants), in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.

22.17 Consent. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

22.18 Counterparts. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.

22.19 Borrower's Personnel. The Project shall be implemented only by competent personnel under the direction and supervision of Borrower.

22.20 Borrower's Board of Directors. Borrower, or Borrower's manager or general partner, as applicable, shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in the bylaws and other governing documents of Borrower, Borrower's manager or Borrower's general partner, as applicable, and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

Total 4 BR	34

Total 5 BR	5		

Also, for HOME units the rent schedule is as follows:

Number of Units	HOME Rent Category	Maximum Rent
37	High HOME Rents	Maximum Rent is 30% of 65% applicable Median Income.
7	Low HOME Rents (must be at least 20% of all units on projects with 5 or more HOME assisted units)	Maximum Rent is 30% of 50% of applicable Median Income.

In addition, fifty-three (53) Units must be rented at all times to tenants holding Section 8 vouchers or certificates or an equivalent rental subsidy program as long as these subsidies are available.

If the HAP is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, then the rent restrictions above may be altered but only to the extent necessary for the Project to remain financially feasible, as determined in City's

reasonable discretion; provided that:

(a) Borrower diligently pursues an additional or alternative source of income or subsidy acceptable to the City to replace the rental subsidies.

(b) One hundred percent (100%) of the Units formerly under the HAP must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed sixty percent (60%) of Median Income and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty percent (60%) of Median Income, (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

(c) If the Project continues to demonstrate financial infeasibility after the rent alterations above, to the extent financially feasible as determined in City's reasonable discretion, the City will waive the average income restriction of sixty percent (60%) of Median Income for all Residential Units, and increase rents to the extent necessary for Project to remain financially feasible (not past TCAC maximums); provided that one hundred percent (100%) of the Units must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed eighty percent (80%) of area median income, as published by TCAC (the "TCAC Median Income"), and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of TCAC Median Income (b) less utility allowance. On an annual basis, Borrower will convert to the TCAC Median Income and maximum rent to the corresponding published MOHCD maximum income level and maximum rent level, respectively, and provide MOHCD with supporting documentation. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of TCAC Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance.

In such event, the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. The relief provided by the foregoing will not be construed as authorizing Borrower to exceed any income or rent restriction imposed on the Project by CDLAC, CTCAC, or under any other agreement. Borrower covenants and warrants that it will obtain all necessary approvals or relief from any other applicable income or rent limitations before implementing the relief provided in this paragraph.

2. Rent and Utilities. The total amount for rent and utilities (with the maximum allowance for utilities determined by the San Francisco Housing Authority) charged to a Qualified Tenant may not exceed the greater of:

(i) thirty percent (30%) of the applicable maximum income level, adjusted for household size; or

(ii) the tenant paid portion of the contract rent as determined by the San Francisco Housing Authority for Qualified Tenants holding Section 8 vouchers or certificates.

Rents may be increased as permitted pursuant to Section 7.3 of the Agreement.

EXHIBIT D

First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83) as incorporated into MOHCD's Section 3 Plan.

1. Section 3 Requirements.

(a) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (“Section 3”), based on Borrower's receipt of City funds under MOHCD's Section 3 Plan. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3 be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing, to the greatest extent feasible.

(b) The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

(c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and to post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference and set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions and the qualifications for each, the name and location of the person(s) taking applications for each of the positions and the anticipated date work will begin.

(d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135 and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

(e) The contractor will certify that any vacant employment positions, including training positions, that are filled: (i) after the contractor is selected but before the contract is executed; and (ii) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

(f) Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.

2. Recommended Minimum Numerical Goals. Contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the numerical goals set forth below for training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns, which represent minimum numerical goals.

(a) Training and Employment of Section 3 Residents (24 CFR § 135.30(b)). Contractors and subcontractors may demonstrate compliance by committing to employ Section 3 residents as thirty percent (30%) of the aggregate number of new hires (full-time employees for permanent, temporary or seasonal employment) and an overall goal of thirty percent (30%) of total work hours for the entire project.

(b) Contracts with Section 3 Business Concerns (24 CFR § 135.30). Contractors and subcontractors may demonstrate compliance with the requirements of this part by committing to award to Section 3 business concerns:

(i) At least ten percent (10%) of the total dollar amount of all Section 3 covered contracts for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(ii) At least three percent (3%) of the total dollar amount of all other Section 3 covered contracts.

EXHIBIT E
Governmental Requirements

1. Prevailing Wages and Working Conditions. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 6.1. Every contract for the rehabilitation or construction of housing assisted with Funds must contain a provision requiring: (1) the payment of not less than the Prevailing Rate of Wage in accordance with Administrative Code Section 6.22(e)(3) to all laborers and mechanics employed in the development of any part of the housing, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 6.22(n) (collectively, “Prevailing Wage Requirements”). The Prevailing Wage Requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units. Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. If applicable, Borrower must include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Chapter 6.

2. Environmental Review. The Project must meet the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. § 4321), related authorities listed at 24 CFR Section 51.100 and parts 50 and 58 and the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower must incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower must take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

(b) Borrower represents that it is familiar with the provisions of 24 CFR § 84.42, Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.

(c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.

4. Disability Access. Borrower must comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower must provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.

5. Lead-Based Paint. Borrower must satisfy the requirements of Chapter 36 of the San Francisco Building Code (“Work Practices for Exterior Lead-Based Paint”) and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower must also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

6. Relocation. Borrower must meet any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code in addition to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. §§ 4601 *et seq.*) and implementing regulations at 49 CFR part 24, the requirements of 24 CFR § 92.353 (Displacement, relocation, and acquisition) and similar Laws.

7. Low-Income Hiring Requirements. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83), as incorporated into MOHCD's Section 3 Plan. To ensure compliance with those requirements, Borrower must include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

8. Non-Discrimination in City Contracts and Benefits Ordinance.

(a) Borrower Shall Not Discriminate. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Subcontracts. Borrower shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) Non-Discrimination in Benefits. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Contract. As a condition to this Agreement, Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day

during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

9. MacBride Principles. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.

10. Tropical Hardwood & Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term “preservative-treated wood containing arsenic” shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term “saltwater immersion” shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

12. Submitting False Claims; Monetary Penalties. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:

(b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

(c) conspires to defraud the City by getting a false claim allowed or paid by the City;

(d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or

(e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

(a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.

(b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable.

(c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower must notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

14. Prohibition on Use of Public Funds for Political Activities. Borrower shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds

appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, “Nondisclosure of Private Information”, and 12M.3, “Enforcement” of Administrative Code Chapter 12M, “Protection of Private Information,” which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.

16. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(a) Borrower shall remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty-eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term “graffiti” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. “Graffiti” shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(b) Any failure of Borrower to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

17. Resource-Efficient Building Ordinance. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it shall comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

(a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower’s obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Borrower’s or Subcontractor’s operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

(c) Borrower shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Borrower’s failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(d) Borrower or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant’s or potential applicant for employment, or employee’s: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(e) Borrower or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor shall not require

such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(f) Borrower or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(g) Borrower and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

(h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

20. Bottled Drinking Water. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

21. Public Power. Pursuant to San Francisco Administrative Code Chapter 99, the San Francisco Public Utilities Commission ("PUC") must examine the feasibility of supplying electricity to all new City developments, particularly those that would

potentially yield the highest benefit to the City, including projects occupying any portion of public land and projects funded in whole or in part by local, State, or Federal funds. If, after considering the cost of providing service to the Project, the PUC deems the Project to be beneficial to the City, Borrower must work with the PUC to prepare an assessment of the feasibility of the City providing electric service to the Project. Such assessment must include, but not be limited to, the following: (1) electric load projection and schedule; (2) evaluation of existing electric infrastructure and new infrastructure that will be needed; (3) the potential for on-site generation and load reduction through energy efficiency and demand response; (4) business structure cost analysis; and (5) financial and cost recovery period analysis. The assessment must determine whether the addition of the Project will benefit the City and its existing customers, considering the additional costs to serve the Project. Subject to required approvals and the foregoing assessment, the PUC must supply electricity to Project, to the extent consistent with its responsibility for the exclusive management, jurisdiction, and control of energy supplies and utilities of the City as provided in Section 8B.121 of the San Francisco Charter.

Notice of Availability of 2020 Annual Monitoring Report Form
(plus reminders of Marketing Procedure and Serious Incident Protocol)

The Mayor's Office of Housing and Community Development (MOHCD) is pleased to announce the availability of the Annual Monitoring Report (AMR) forms for Reporting Year 2020 (RY2020). The forms are now available to be downloaded from the [Asset Management page](#) of the MOHCD web site. In addition, training videos on how to complete the AMR are available. See below for more information.

IMPORTANT INFORMATION RELATED TO COVID-19

MOHCD recognizes the impact that the COVID-19 crisis is having on the organizations that we support, especially those providing essential services. It is vitally important to take measures to protect your staff, residents and clients from contracting and spreading COVID-19. We urge all affordable housing owners and managers to follow the guidelines, recommendations and orders from the U.S. [Centers for Disease Control](#), the [State of California](#) and the San Francisco [Department of Public Health](#). MOHCD is also taking action to address the needs of the projects under our purview:

- MOHCD [published a memo](#) clarifying MOHCD's current Operating Reserves requirements.
- MOHCD extended the 2020 AMR due date by one month (see below for detailed info) for projects whose business year ran from 7/1/2019 to 6/30/2020.

MOHCD is allowing project sponsors to retain a larger share of 2020 surplus cash/residual receipts than is allowed under their financing agreements with MOHCD. For more information, read the notice regarding the [COVID-19 Allowance](#). This opportunity is limited to projects whose business year ran from 7/1/2019 to 6/30/2020. The COVID-19 Allowance may not be available to some projects that are subject to MOHCD financing, regulatory or ground lease agreements that include limits on distributions of surplus cash/residual receipts. To benefit from the Allowance, owners of such projects will have to request amendments to those agreements that would remove such limits. For more information, read the ["Notice Regarding Option to Remove Caps on Distributions of Residual Receipts."](#)

If this crisis is preventing you from responding thoroughly and quickly to any request from MOHCD, please do whatever you can to let us know of your limitations and to propose alternatives. Thank you for everything that you are doing on behalf of the people your organization serves and for all of the people of San Francisco.

Deadline: For projects whose business year ended June 30, 2020, the report will be due on January 8, 2021, for the period 7/1/2019-6/30/2020, unless noted otherwise in a project-specific notice sent by MOHCD. For any projects whose 2020 business year ended or will end on different dates than those above, the report will be due 5 months from the last date of that business year.

Completion and Submission Instructions

The Annual Monitoring Report consists of the following four parts:

I. AMR_RY2020 – project name.xlsx – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

Instructions	3C. Demographic Summary
1A. Property & Residents	4. Narrative
1B. Transitional Programs	5. Project Financing
1C. Eviction Data	6. Services Funding
2. Fiscal Activity	7. Supplementary Audit Information Required by MOHCD
3A. Occupancy & Rent Info	➤ Completeness Tracker
3B. Demographic Information	

Provide all applicable information that is requested in worksheets 1-7. Use the Instructions to help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. *Failure to supply the required explanation will render your submission incomplete.*

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR_RY2020.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

II. Owner Compliance Certification Form and Documentation of Insurance

The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance *and* property insurance that are *current as of the date of submittal of the AMR*.

III. Audited Financial Statements

Provide financial statements for the project for Reporting Year 2020. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "[Audit Requirements for MOHCD-Funded Projects](#)" a copy of which is posted on [MOHCD's Asset Management web page](#). If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.

MOHCD's audit requirements call for the preparation of a supplemental section to the financial statements that includes the following:

- schedule of operating revenues
- schedule of operating expenses
- computation of cash flow/surplus cash
- summary of project reserve activity

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

IMPORTANT: Audited financial statements are a required submittal of the Annual Monitoring Report. Do not submit the AMR until the audit has been finalized. AMRs that are submitted without an audit or with a draft audit will not be accepted.

IV. Waiting List

Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit:

- name of head-of-household
- contact information
- date of application
- number of people in the household

- stated household income
- desired unit size

This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via *one email message per project* to moh.amr@sfgov.org. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

AMR Training – On-Demand Videos

To facilitate completion of the AMR by project sponsors, MOHCD has created training videos that provide step-by-step instructions on how to complete the Excel reporting form and how to submit the report overall. There are ten video modules that vary in length from two to 30 minutes and may be viewed on-demand from the [Asset Management page](#) of the MOHCD web site. We strongly encourage all persons who are involved in preparing the AMR to watch the videos. If you experience any technical difficulties with accessing and viewing the videos, please contact Ricky Lam at ricky.lam@sfgov.org or 415-701-5542.

Marketing Procedure for Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers *must* notify MOHCD of this action by completing a [Marketing Plan Template](#) and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the [Asset Management page](#) of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the waiting list on [DAHLIA](#) – the City's internet portal where members of the public may get information and apply for affordable housing. General information for people seeking affordable housing in San Francisco can also be found on our web site at [this location](#).

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

MOHCD requests that owners of projects financed by this office notify us in writing if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ **and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.**

Application Process

- **Application Materials.** MOHCD shall provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - be written in language that is clear and readily understandable,
- **First Interview.** In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants shall be offered the opportunity for an interview in lottery rank order.
- **Second Interview.** Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- **Confidentiality.** All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- **Delays in the Process.** If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

¹See for e.g., Title VIII of the Civil Rights Act of 1968 (Fair Housing Act), 42 U.S.C. §§ 3601, et seq.; 24 C.F.R. Part 100; Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d-2000d-7; Executive Order 13,166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000); Department of Housing and Urban Development Limited English Proficiency Guidance, 72 Fed. Reg. 2732 (Jan. 22, 2007); Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; 24 C.F.R. Parts 8 and 9; Title II of the Americans with Disabilities Act of 1990, as amended; California Fair Employment and Housing Act, Gov't Code §§ **12,955-12,956.2**; **Unruh Civil Rights Act, Civil Code § 51**; **California Disabled Persons Act, Civil Code § 51.4**; Dymally-Alatorre Bilingual Services Act, Gov't Code §**7290-7299.8**; **San Francisco Language Access Ordinance, No. 202-09 (April 14, 2009)**

- **Problems with the Referring Agency.** If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- **Limited English Proficiency Policy.** Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider’s rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- the applicant has a disability;
- reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - Hold a comparable unit for the household during the entire appeal process.
 - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
 - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - confine the subject of the appeal to the reason for denial listed in the notice;
 - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.

- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to “screen in” rather than “screen out” applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - arrests that did not result in convictions, except for an open arrest warrant;
 - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - juvenile adjudications.
- Housing providers shall consider:
 - the individual circumstances of each applicant; and
 - the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release “from all penalties and disabilities resulting from the offense.”

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Mayor's Office of Housing and Community Development
Policy on Development Fees For Tax Credit Projects
Effective October 16, 2020

This MOHCD Policy on Development Fees for Tax Credit Projects applies to all developments seeking City funding in conjunction with new Tax Credit financing for the current project, including recapitalization projects with existing MOHCD loans. This does not apply to non-Tax Credit projects such as Small Sites Program (SSP) projects, which are subject to the SSP Program Guidelines. It also does not apply to HOPE SF or RAD projects, which are subject to separate developer fee policies.

Developers may include fees in their project budgets according to the terms below.

I. MINIMUM FEES: 5% of total development costs.

II. MAXIMUM FEES: Notwithstanding any other section of this Policy, the maximum Total Fee that may be included in basis is the Tax Credit limit (currently 15% of Eligible Basis) subject to the additional limitations identified below.

A. Total Development Fee

("Total Fee") for different project types are further detailed below, and reflect the sum of the Cash-Out Fee (Base, Additional, and Deferred) and Non Cash-Out Fee (Deferred and General Partner Equity Contribution).

B. Fee Components

1. Cash-Out Fee (Base and Additional)

Project Type	9% Project - Maximum Cash-Out Fee	4% Project - Maximum Cash-Out Fee	Notes
New Construction	TCAC Maximum	The lesser of TCAC Maximum or \$2,200,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	
Newly Acquired and Substantially Rehabilitated (Per unit Hard Cost >= \$75,000)	TCAC Maximum	Same as new construction fee.	-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-Perms&U.
Substantial Rehabilitation (Per unit Hard Cost >=\$75,000) by Existing or Affiliate GP -- Includes New City Funds or Re-structured City Debt	50% TCAC Maximum	The lesser of TCAC maximum or \$1,100,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	-Sponsor may take the allowable fee for Newly Acquired and Rehabilitated projects described above if 1) in the project's original syndication, sponsor did not take the maximum allowable developer fee; or 2) sponsor adds new affordable units to the project.

			<p>-Hard Cost is defined as “Total Construction Costs” summed in the MOHCD Application in cell K37, Tab 4b-Perms&U.</p> <p>-Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.</p>
<p>Recapitalization, acquisition, or transfer with less than \$75,000 Per unit hard cost capital improvements</p>	No Fee	No Fee	<p>-Hard Cost is defined as “Total Construction Costs” summed in the MOHCD Application in cell K37, Tab 4b-Perms&U.</p> <p>-Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.</p>

- a. A note about Cash-Out Additional Fee: If Eligible Basis is less than Threshold Basis, projects over 100 units may take up to \$10,000 per unit over 100 as cash-out fee, but only if such cash payment does not require additional gap funding from MOHCD (see MOHCD Application, Tab 8-DevFeeCalc, for calculation).
2. Cash-Out Fee (Deferred): If Eligible Basis is less than Threshold Basis, Developers may include a Cash-Out Deferred Fee component in the Total Fee up to the aggregate of 50% of surplus cash flow taken over the project’s first 15 years of operation (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable). Cash-Out Deferred Fee is shown as both a source and a use of funds in the capital budget. Developers may use industry standard inflators of income and expenses to calculate Cash-Out Deferred Fee.
 - a. Distributions of surplus cash as Deferred Fee are in lieu of (not in addition to) the typical 33.3% distribution of surplus cash to the Sponsor. At Year 15 of operations, or earlier if the Deferred Fee is fully repaid before then, a surplus cash distribution shall commence at 33.3% of surplus cash (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable).
 - b. For projects supported by the Local Operating Subsidy Program, Cash-Out Deferred Fee must be taken over a minimum time period of 5 years.
3. Non-Cash Out Fee (Deferred and General Partner Equity Contribution): Where Eligible Basis is less than Threshold Basis, Developers should include in Total Fee the maximum amount available for re-contribution as General Partner Equity or as Non-Cash Out Deferred Fee. It is

MOHCD’s intent to use Deferred Fee and General Partner Equity Contribution up to 15% of Eligible Basis to reduce MOHCD’s overall contribution to projects, so that MOHCD may invest its funds in the most projects possible. MOHCD will work with developers, lenders, and investors to ensure that the developer fee structure meets MOHCD financing goals and feasibility considerations.

4. Commercial Developer Fee is not addressed in this Policy. Please see MOHCD’s Commercial Underwriting Guidelines for information regarding development fees associated with Commercial, Community Serving Commercial, and Public Benefit Use spaces.

III. FEE DISTRIBUTION: The Cash-Out Base Fee shall be divided equally between “Project Management Fee” and “At-Risk Fee” (subject to the “At-Risk Fee Adjustment” described below). Any Cash-Out Additional Fee will be distributed as At-Risk Fee. Cash-Out Fees (Base and Additional) shall be distributed according to achievement of certain development milestones, as follows:

Example below assumes Base Fee is \$2.2 M and Additional Fee is \$300,000.

Project Management Milestone	% of Fee Distributed	Fee Amount
Acquisition, if applicable, or predevelopment loan closing (or another agreed-upon milestone if acquisition is not applicable, e.g. being awarded a City-owned site through a RFQ/RFP process)*	15%	\$165,000
During Predevelopment with no more than 50% of the total Project Management Fee to be disbursed prior to construction closing*	35%	\$385,000
At Construction Closing	20%	\$220,000
During Construction (disbursed upon request depending on % of construction completion) or at Completion of Construction	20%	\$220,000
Project Close-Out: Placed-In-Service application; 100% lease-up; City approval of sponsor’s project completion report and documents; and City acceptance of final cost certification.	10%	\$110,000
TOTAL PROJECT MANAGEMENT FEE	100%	\$1,100,000

***Joint Venture development team partners must split all Fee during the pre-development period 50%-50%. This helps ensure the new or emerging partner has access to Fee upfront to support their participation in the project and their capacity building.**

At-Risk Fee Milestone	% of Fee Distributed	Fee Amount
Qualified Occupancy (95% Leased up and Draft Cost Certification Audit)	20%	\$280,000
Permanent Loan Closing/Conversion (Final Cost Certification Audit)	50%	\$700,000
Project Close-Out: Placed-In-Service application; 100% lease-up; City approval of sponsor’s project completion report and documents; and City acceptance of final cost certification.	30%	\$420,000
TOTAL AT-RISK FEE	100%	\$1,400,000

A. At-Risk Fee Adjustment

When outside funding sources limit the Cash Out Fee to a value less than allowed under this Policy (e.g., California’s Department of Housing and Community Development), the Developer may still be paid a maximum of \$1.1M as a Project Management Fee and the At-Risk Fee shall be reduced to bring the total Cash-Out Fee (Base and Additional) in line with the outside funding source cap.

IV. WAIVERS OF THE DEVELOPER FEE POLICY

The Citywide Affordable Housing Loan Committee may approve a waiver or modification of any portion of this Policy for the purpose of assuring project feasibility. All recommendations related to this Policy are subject to the Mayor’s approval in his or her sole discretion.

V. CDBG or HOME REQUIREMENTS

If MOHCD uses CDBG or HOME funds to pay the development fee, it is considered “program income”, and, should MOHCD request it, the Sponsor must provide a report to MOHCD on its use of developer fees.

Recipients of CDBG administrative funding may not also receive a Project Management Fee for the same project covering the same time period.

VI. POLICY IMPLEMENTATION

This Policy applies to any development that has not received its gap financing commitment or debt restructuring approval from MOHCD by the effective date of the Policy.

Hold Harmless Policy for MOHCD's Income Limits & Maximum Rents
Effective: 5/3/2019 (update to the initial policy that was effective 2/19/2016)

Background

Every year, the United States Department of Housing and Urban Development ("HUD") publishes area median income ("AMI") data for jurisdictions across the United States. The City and County of San Francisco, acting through its Mayor's Office of Housing and Community Development ("MOHCD"), is a part of the San Francisco HUD Metropolitan Fair Market Rent Area ("SF HMFA"), which contains San Francisco, San Mateo and Marin County. MOHCD uses HUD's unadjusted AMI for SF HMFA as opposed to adjusted AMI, which is inflated to reflect high cost factors, to establish the income limits, maximum rents and sales prices that apply to affordable housing projects and programs regulated by MOHCD.

In 2016, MOHCD established a Hold Harmless Policy which stated that in any year when AMI decreased, MOHCD would maintain the income limits, maximum rents and sales prices at the previous year's levels in order to protect the operational integrity of affordable and inclusionary housing developments.

Purpose

This update to the Hold Harmless Policy (this "Policy") adds a limit to annual increases to income limits, maximum rents and sales prices published by MOHCD in order to mitigate the significant financial burden on low- and moderate-income tenants and homebuyers during periods of high escalation of AMI in San Francisco.

This Policy establishes the following:

- Limit annual increases to income limits, maximum rents, and sale prices to a maximum of 4%ⁱ
- Uphold the current policy of maintaining income limits, maximum rents and sales prices at the previous year's levels in years when AMI, as published by HUD, has decreased.

This Policy is intended to limit harm by:

1. Protecting tenants from displacement due to annual rent increases that would cause a significant financial burden; and
2. Protecting the operational integrity of housing developments so that owners are able to cover operating costs that typically increase annually, even when AMI decreases; and

- Ensuring that San Francisco’s low-, moderate- and middle-income workforce retain access to homeownership opportunities.

Hold Harmless Limits

For the purpose of this Policy:

“**HUD SF AMI**” means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD, derived from the median income determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as “Unadjusted Median Income”.

“**MOHCD AMI**” means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD under this Policy.

“**Housing Provider**” means any person or entity that owns a multi-family property that is restricted for the purpose of affordable housing and/or subject to MOHCD administration, regulations, or policies.

Limited Increases: Annual increases to MOHCD AMI shall be limited to the lesser of: (1) the percentage amount necessary to adjust MOHCD AMI to match the then-current year’s HUD SF AMI, or (2) four percent (4%)ⁱ. This Policy limits year-over-year increases to MOHCD AMI to 4% in periods of high HUD SF AMI escalation, while allowing MOHCD AMI to “catch up” to HUD SF AMI during periods when HUD SF AMI grows slowly, is static, or decreases.

Limited Decreases: This update to the Policy does not eliminate the Hold Harmless Policy adopted in 2016. In years when the MOHCD AMI matches the HUD SF AMI, and the subsequent year’s HUD SF AMI decreases, MOHCD will maintain the MOHCD AMI from the previous year. If, in subsequent years, HUD SF AMI decreases again, stays flat, or increases to a level that is still lower than before the initial decrease, MOHCD will maintain its published AMI until such time as the HUD SF AMI increases to a level that is greater than the MOHCD AMI.

The application of this Policy may result in the creation of a calculation of MOHCD AMI that is different than the HUD SF AMI. The below chart demonstrates how this Policy would be applied over a hypothetical 6-year period:

	Base Year	Year 2		Year 3		Year 4		Year 5		Year 6	
	AMI	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change
HUD SF AMI	100.0	108.0	8.0%	107	-0.9%	111	3.9%	109.0	-2.0%	112.5	3.2%
MOHCD AMI	100.0	104.0	4.0%	107	2.9%	111	3.9%	111	0.0%	112.5	1.2%

Utility Allowances

Notwithstanding anything to the contrary in this Policy, it is important to note that a Housing Provider will be required to lower net rents (i.e. tenant-paid rent) as the result of increases in utility allowances in years when the MOHCD AMI matches the HUD SF AMI, and HUD SF AMI has decreased or remained flat. MOHCD AMI establishes the limits for maximum gross rent (aka “Tier 2 rent” under the City’s Inclusionary Housing Manual),” which consists of tenant rent plus utility allowance. If HUD SF AMI decreases or remains flat, and therefore MOHCD AMI remain the same as the previous year, an increase in the utility allowance means that the tenant rent would have to be lowered.

Limited Hardship Waiver

MOHCD will consider, in its sole discretion, a waiver of this Policy from a Housing Provider with rental units restricted under contracts (i.e., loan agreement, grant agreement, or other agreement for funding from the City) with MOHCD upon demonstration that: (1) the MOHCD AMI imposes a financial hardship that puts at risk the Housing Provider's ability to cover reasonable operating costs and debt service, (2) existing tenants will not be unreasonably financially burdened by the Housing Provider's proposed rent increases, and (3) the Housing Provider is not in default under any contract with MOHCD. Any waiver from this Policy approved by MOHCD, in its sole discretion, shall apply for only one year. Housing Providers are solely responsible for providing MOHCD with any documentation requested by MOHCD to support a hardship waiver of this Policy.

ⁱ The application of the 4% increase is made on the amount for the 100% AMI level for a 4-person family. MOHCD continues to using rounding to the nearest \$50 on the calculations for all of the other income levels and household sizes. The use of rounding may create nominal differences in the percentage increases for all of the other max income levels and household sizes, as well as for all of the maximum rents.

EXHIBIT L

The following notice is provided in accordance with the provisions of California Civil Code Section 2955.5: Under California law, no lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.

3. Commercial Space. (b) All policies required by this Agreement must be endorsed to provide no less than thirty (30) days' written notice to the City before cancellation or intended non-renewal is effective. The endorsement must provide the City with the same rights as the named insured in the event of cancellation or intended non-renewal.

(c) With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any loss covered by Borrower's insurance, except to the extent subrogation would affect the scope or validity of insurance.

(d) Approval of Borrower's insurance by the City will not relieve or decrease the liability of Borrower under this Agreement.

(e) Any and all insurance policies called for herein must contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.

(f) The City reserves the right to require an increase in insurance coverage in the event the City determines that conditions show cause for an increase, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.

(g) All liability policies must provide that the insurance is primary to any other insurance available to the additional insureds with respect to claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought and that an act of omission of one of the named insureds that would void or otherwise reduce coverage will not void or reduce coverage as to any other insured, but the inclusion of more than one insured will not operate to increase the insurer's limit of liability.

(h) Any policy in a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in the general annual aggregate limit must be in amounts that are double the occurrence or claims limits specified above.

(i) All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made policy, coverage must be maintained continuously for a period ending no less than three (3) years after recordation of a notice of completion for builder's risk or the Compliance Term for general liability and property insurance.

(j) Borrower must provide the City with copies of endorsements for each required insurance policy and make each policy available for inspection and copying promptly upon request.

I. INTRODUCTION

This Resident Selection Plan (the “Plan”) outlines the procedures for selecting residents for the Tax Credit and Project Based Voucher units by **[NAME OF PROPERTY MANAGEMENT AGENT]** (“Management”) for **[NAME OF DEVELOPMENT]** located at **[ADDRESS OF PROPERTY]**, a development associated with HOPE SF. HOPE SF is a mayoral initiative that began in 2003 to transform four public housing developments: Hunters View, Alice Griffith, Potrero, Sunnydale Velasco (the “HOPE SF properties”). “HOPE SF property” refers to a specific HOPE SF development.

The procedures in this Plan are to be followed after (1) the lottery and lease-up process conducted by either the Office of Investment & Infrastructure (“OCII”) or Mayor’s Office of Housing and Community Development (“MOHCD”) for tax credit units, and (2) receipt of the San Francisco Housing Authority (“SFHA”) referral for initial or re-lease of public based voucher units.

II. GENERAL PRINCIPLES

[NAME OF PROPERTY MANAGEMENT AGENT]’s and **[NAME OF DEVELOPER]**’s agree that the goal of this Plan is to ensure that all applicants are screened using consistently applied, fair criteria, to provide a desirable, well-maintained and affordable place to live for an economically, racially, and ethnically integrated resident population, while complying with the provisions of any federal, state, or local law prohibiting discrimination in housing on the basis of race, religion, sex, color, family status, disability status, national origin, marital status, ancestry, gender identity or sexual orientation, source of income, or HIV/AIDS status.

We also agree that **[NAME OF PROPERTY MANAGEMENT AGENT]** and **[NAME OF DEVELOPER]** will “screen in” rather than “screen out” applicants who have a criminal record as per San Francisco Police Code Article 49, Sections 4901-4920, or the Fair Chance Ordinance.

Finally, we acknowledge that Management is subject to the Violence Against Women Reauthorization Act of 2013 (VAWA). Guidelines for the adherence to VAWA are attached hereto as Exhibit D.

III. LIMITED ENGLISH PROFICIENCY (LEP)

Reasonable steps will be taken to ensure that persons with Limited English Proficiency (LEP) have meaningful access and an equal opportunity to participate in Management’s services, activities, programs and other benefits. Interpreters, translators and other aids needed to comply with this policy shall be provided free of charge to the person being served, and residents and their families will be informed of the availability of such assistance. Language assistance will be provided through use of a contracted

telephonic interpretation service, competent bilingual staff, staff interpreters, or formal arrangements with local organizations providing interpretation or translation services or technology.

IV. DEFINITIONS

The following definitions apply to all properties related to HOPE SF:

A. An Entirely Full Time Student Household (“ESH”) is not eligible to receive housing assistance by the IRS Section 42 Tax Credit/Low Income Housing Tax Credit (“LIHTC”) program, as administered by the California Tax Credit Allocation Committee (“CTCAC”).

1. Further, IRS Section 42 Tax Credit/ LIHTC program defines a full-time student as:

- a. Anyone who has attended or plans to attend school full time for five (5) months of this calendar year. This does not have to be consecutive. Example 1: If an applicant attends school full time from January 20th through May 13th, this is considered five months. If they attend one day in any month, that counts as a full month. Example 2: If an applicant attended full time one day in January, one day in February, one day in April, one in June and one in July, you are considered a full-time student until January 1st of the following year.
- b. Full time enrollment status is determined by the enrollment definitions of the school being attended.

[NAME OF PROPERTY MANAGEMENT AGENT] agrees to comply with the most current ESH definition by IRS Section 42 Tax Credit/ LIHTC program, as administered by the CTCAC.

2. Management may accept an ESH household if one or more of the criteria below are met. If the criteria below change, the most current criteria as defined by IRS Section 42 Tax Credit/LIHTC program, as administered by the California Tax Credit Allocation Committee, will apply.

- a. At least one student receives assistance under Title IV of the Social Security Act (Temporary Assistance to Needy Families or TANF, formerly AFDC);
- b. At least one student is enrolled in a job training program receiving assistance under the Job Training Partnership Act or under other similar Federal, State or local laws, as defined by HUD 4350.3 REV-2;
- c. The household consists of a single parent with their minor children and such parent and the children are not dependents of another individual;
- d. At least one student is married and files a joint tax return or is eligible to file a joint tax return.
- e. At least one household member is between the ages of 18 to 24 and was previously (not currently) under the care and placement responsibility of the State Agency responsible for administering a plan under Part B or Part E of

Title IV of the Social Security Act (Foster Care).

- B. HOPE SF Developer** is the development entity of the specific HOPE SF Property. The HOPE SF Developers are the John Stewart Company for Hunters View, McCormick Barron Salazar for Alice Griffith, BRIDGE Housing Development for Potrero, and Mercy Housing California and Related California for Sunnydale Velasco.
- C. Project Based Voucher Units (“PBV”)** means all PBV housing units receiving rental assistance under Section(o)(13) of the U.S. Housing Act of 1937. Regulations are described in 24 CFR Part 983.
- D. Public Housing Replacement Units (“PHR”)** are units that: (1) have been newly constructed with LIHTC’s; (2) are subsidized with PBV’s, and; (3) are in like-new condition that is less than 5 years old from date of Temporary Certificate of Occupancy (“TCO”) and are intended to serve as replacement units for HOPE SF residents exercising their Right to Revitalized Unit. These units will be regulated per Tax Credit compliance regulations as well as HUD guidelines and the current SFHA Housing Choice Voucher Program Administrative Plan (“Admin Plan”). PHR units may be located at HOPE SF Properties or at a limited number of designated off-site locations.

After 5 years, a PHR unit *may* still be considered new if SFHA and OCII or MOHCD collectively approve an extension. *PBV units will be considered **Expired PHR** units for the purpose of re-leasing of units after 5 years of TCO date (or whenever SFHA and OCII or MOHCD deem the unit no longer new), or all HOPE SF residents at the HOPE SF property who are eligible to exercise their Right to Revitalized Unit have done so.*

HOPE SF residents have a preference to occupy PHR units at HOPE SF Properties or at a limited number of designated off-site locations and fall into one of the follow three PHR applicant categories:

1. **On-Site Applicants** are HOPE SF residents exercising their Right to Revitalized Unit at new affordable units located at same the HOPE SF property from which they acquired their Right to Return.
2. **Off-Site Applicants** are HOPE SF residents exercising their Right to Revitalized Unit at new affordable housing units located at a property other than the HOPE SF property, but operated by the same HOPE SF Developer, the same HOPE SF Developer’s general partner entity, or the same HOPE SF Developer in partnership with another developer as the HOPE SF property from which the HOPE SF residents acquired their Right to Return.
3. **Cross-Site Applicants** are HOPE SF residents exercising their Right to Revitalized Unit at new affordable housing units located at a property operated by a different developer than the developer operating the HOPE SF property from which the HOPE SF residents acquired their Right to Return.

On-Site Applicants whose income exceeds the LIHTC income limit will be designated **PHR No TC Unit**. **PHR No TC Unit** is an unrestricted public housing replacement unit.

E. Rental Assistance Demonstration (“RAD Units”) means housing units receiving rental assistance under HUD PIH -2012-32 Notice and all subsequent updates. RAD Units are a form of PBV units, but not all PBV units are RAD. [NAME OF DEVELOPMENT] is anticipated to receive [STATE NUMBER OF RAD UNITS] **RAD Units**. In this document, “**Non-RAD PBV Units**” refers to PBV that are not administered under HUD PIH-2012-32 Notice. [NAME OF DEVELOPMENT] is anticipated to receive [STATE NUMBER OF Non-RAD PBV UNITS] **Non-RAD PBV Units**. [NAME OF DEVELOPMENT] has a total of [STATE TOTAL OF RAD AND Non-RAD PBV UNITS] **PBV units** and this number equals the total of PHR units at [NAME OF DEVELOPMENT].

F. Right to Return means the right of: (1) public housing households to a Revitalized Unit referred to in this document as a PHR unit; (2) public housing households right to return to an On-site PHR unit after all on-site residents have exercised their Right to Revitalized Unit; (3) any member of a public housing households to receive a preference in a tax credit unit as long as the household provides proof of residents at existing or former HOPE SF property, pursuant to Chapter 39 of the San Francisco Administrative Code, as amended (Board of Supervisors’ File #120812). Relocation rights for families who are residents of the HOPE SF developments and relocating to PHR units are outlined in the relocation plan for their specific HOPE SF property. All HOPE SF residents must be in good standing in order to move into the Revitalized Units. To be in good standing, requires that the SFHA did not file a Summons and Complaint against any member of the household, and that no member of the household has been evicted (SFHA Board of Commissioners Resolution #5390). Notwithstanding the above, a household is still considered eligible to move if the family has an active Unlawful Detainer action against them, and they are in a repayment agreement and current on the repayment agreement.

G. Non-PBV Tax Credit (“Non-PBV TC”) Units are restricted by the IRS Section 42 Tax Credit/LIHTC program, but are not subsidized with a PBV. Non-PBV TC Units are available to qualified members of the general public. Non-PBV TC Units are also considered “lottery units.” [NAME OF PROPERTY MANAGEMENT AGENT] has submitted to MOHCD Below Market Rate staff and the MOHCD Project Manager and/or OCII Development Specialist a Marketing Plan and Tenant Selection Plan for [NAME OF DEVELOPMENT] that covers the “lottery units” and adheres to the current version of the MOHCD Housing Preference and Lottery Procedures Manual. (The current version of the MOHCD Housing Preference and Lottery Procedures Manual is on MOHCD’s website at <https://sfmochd.org>.)

A resident may have a “tenant based” and/or “portable” voucher in **Non-PBV TC Units**. [NAME OF DEVELOPMENT] has a total of [STATE TOTAL OF Non-PBV TC UNITS] **Non-PBV TC Units** without project based vouchers.

V. PREFERENCES

Preferences are not permitted if the preference in any way negates affirmative marketing efforts or fair housing obligations. The following preferences apply:

A. Regulatory Preferences for Project Based Voucher Units – The preferences listed below will be given to eligible applicants on the SFHA specific HOPE SF [NAME OF HOPE SF

DEVELOPMENT] Waitlist: [The following should include all preferences stated in the loan evaluation first and loan agreement. The following should also be consistent with all of the site-based preferences for this development that are listed in the current version of the SFHA Housing Choice Voucher (HCV) Administrative Plan, typically found in Chapter 4.]

- 1.
- 2.

Note for HOPE SF properties: In SFHA’s HCV Administrative Plan, “Families with a Right-to-Return” are On-Site Applicants in this documents. “HOPE SF Construction” are Cross-Site Applicants from other HOPE SF properties in this document. When a HOPE SF property nears its final development phases, it is possible that there will be no more On- or Cross- Site Applicants for the PHR units. When and if this happens, SFHA will begin to refer applicants from the HCV Administrative Plan preferences listed after “Families with a Right-to-Return” and “HOPE SF Construction.” When SFHA sends referrals for Non-HOPE SF properties, the referrals will be marked “Waitlist”, and these households are to be processed following the Cross-Site processing described in this document.

Note for properties accepting Off- and Cross- Site Applicants: In SFHA’s HCV Administrative Plan, “Families with a Right-to-Return of [Name of HOPE SF property]” are On-Site and Off-Site Applicants in this documents. However, at new affordable housing units located at a property other than the HOPE SF property, but operated by the same HOPE SF Developer “Families with a Right-to-Return of [Name of HOPE SF property]” are *only* considered Off-Site Applicants. “HOPE SF Construction” are Cross-Site Applicants for [NAME OF DEVELOPMENT]. When [NAME OF DEVELOPMENT] has processed all of the Off- and Cross- Site referrals and the designated PHR units at [NAME OF DEVELOPMENT] cannot or will not be filled by Off- and/or Cross- Site Applicants, SFHA will begin to refer applicants from the HCV Administrative Plan preferences listed after “Families with a Right-to-Return of [Name of HOPE SF property]” and “HOPE SF Construction,” if applicable. When SFHA sends referrals from Non-HOPE SF properties, the referrals will be marked “Waitlist”, and these households are to be processed following the Cross-Site processing described in this document.

B. OCII/MOHCD Preferences for Tax Credit Units – Please see [NAME OF DEVELOPMENT]’s Marketing Plan pages [List Appropriate Pages] for the preferences applied to the Non-PBV TC Units.

Please see [NAME OF DEVELOPMENT]’s Marketing Plan pages [List Appropriate Pages] for Management’s process of *when household wanting to occupy a Non-PBV TC Unit is denied*.

VI. ONSITE TRANSFERS

The following actions are always given priority for current households, if applicable.

1. A unit transfer based on the need for an accessible unit.
2. A unit transfer because of household size.
3. A unit transfer of a non-disabled individual living in a wheelchair accessible unit to accommodate an applicant on the Non-PBV TC Unit waiting list in need of a wheelchair accessible unit. (A lease addendum will be entered into with non-disabled resident living in a wheelchair accessible unit.)
4. A unit transfer based on the need of an emergency temporary relocation. (If a unit becomes uninhabitable due to a catastrophe, the resident family will be given any open unit for temporary living quarters until their own unit is repaired.)

Onsite transfers in PHR units have the same standards as above and must comply with the guidelines in the Admin Plan. Refer to the Admin Plan for additional referral information for off-site PBV units.

VII. APPLICATION PROCESS

Applicants for PHR units for [NAME OF DEVELOPMENT]’s initial lease up will be considered “[DEVELOPER/MANAGEMENT STATE WHETHER THIS DEVELOPMENT WILL FOLLOW On-site, Off-site, or Cross-Site Applicant]”.

If at initial lease up, [DEVELOPER/MANAGEMENT, IN THE FOLLOWING SENTENCE DELETE THE APPLICANT TYPE THAT DOES NOT APPLY TO THIS CURRENT PROPERTY LEASE UP] On-, Off-, and Cross- Site applicants residents will not fill all PHR units, SFHA will refer households from the [NAME OF HOPE SF PROPERTY OR OFF-SITE DEVELOPMENT WAITLIST IN THE SFHA ADMIN PLAN] Waitlist in accordance to the preference chart in the SFHA’s current Administrative Plan. Referrals sent from the SFHA waitlist that are also HOPE SF Construction, which by definition in this document means Cross-Site, will be identified on the SFHA referral letter by the HOPE SF property at their current location. Referrals sent from the waitlist that are not applicants from HOPE SF properties will be identified on the SFHA referral letter as “Waitlist” and will be considered “Waitlist Applicants” in this document. All Waitlist Applicants will follow the applicant screening process for PHR Units as outlined below. [NAME OF PROPERTY MANAGEMENT AGENT] has assumed that [STATE ASSUMED NUMBER OF PHR UNITS THAT MAY BE FILLED BY SFHA WAITLIST APPLICANTS THAT WILL NOT BE ON-, OFF-, OR CROSS- SITE APPLICANTS] units may be filled by Waitlist Applicants.

A. PRIORITY PROCESSING ORDER.

1. **PHR** [DEVELOPER/MANAGEMENT CHOSE THE PROCESS THAT APPLIES TO YOUR DEVELOPMENT & DELETE THE ONE THAT DOES NOT APPLY]
 - a. *On-Site Applicants*, SFHA has held a processing lottery at each of the HOPE SF properties to establish the processing order of the residents for on-site relocation to PHR units. This will determine the processing order for referrals to Management and unit selection at Revitalized Unit.

- b. **Off-Site and/or Cross-Site Applicants**, SFHA will conduct a survey to determine who is interested in an off-site and/or cross-site move. Households who have expressed an interest will be contacted (up to two times/household) by SFHA to determine interest in moving to off- or cross- site location. If the household is interested the household will be referred to the off-site or cross-site Developer after SFHA’s initial intake processing has occurred. As these households are exercising their Right to Revitalized Unit, the households maintains their priority on the HOPE SF [NAME OF HOPE SF DEVELOPMENT] Waitlist. These households may submit documents to SFHA at the household’s earliest convenience. However, SFHA will continue to process and refer potential applicants to the Developer on a first-completed basis. Units may be offered in the processing order that the SFHA referral is sent to the Developer. Please note for Revitalized Units at HOPE SF sites, On-Site Applicants will have priority over the Cross-Site Applicants.

[DEVELOPER/MANAGEMENT, IN THE FOLLOWING SENTENCE DELETE THE PROCESS THAT DOES NOT APPLY TO THIS CURRENT PROPERTY LEASE UP] On-, Off-, and Cross- Site applicant households will be referred by the SFHA Waitlist Management Department. Management will contact the applicants a minimum of two times and will use all modes of communication available (phone, email, regular mail, etc.) by [DEVELOPER/MANAGEMENT STATE THE FORM OF CONTACT YOU WILL MAKE TO APPLICANTS] in processing order. If the first applicants in processing order referred by SFHA do not respond and submit Management’s required tax credit documentation within 5 business days, Management will contact the next set of applicants in processing order referred by SFHA.

2. **PHR No TC Units and Expired PHR**, after the initial lease-up, units will be offered according to the ascending order of priorities as defined in SFHA’s current Administrative Plan and above as described in V.A - Preferences above.
3. **Non-PBV TC Units** -- Please see [NAME OF DEVELOPMENT]’s San Francisco Housing Portal – DAHLIA project posting and the MOHCD Housing Preference and Lottery Procedures Manual for information on where applications will be provided, website address, and discussion about number of times Developer/Management will contact initial lease-up application and the number of days an initial lease-up applicant has to respond to Management’s request.

B. PROGRAM INCOME AND ELIGIBILITY REQUIREMENTS –

Applicants who apply to any unit at [NAME OF DEVELOPMENT] must meet income and eligibility tests for the unit type first, before any further screening steps are taken regarding selection criteria. The program income and eligibility tests include:

Applicants for **Non-PBV TC Units and PHR** units must meet the income requirements of Section 42 of the Internal Revenue Code outlined in the Restrictive covenants and MOHCD area median income (“MOHCD AMI”). 3. On-site Applicants may be over income and exceed the 24 C.F.R Part 5 and/or MOHCD AMI. However, when the On-Site Applicant moves out, the next household to occupy the unit will meet the most restrictive of the 24 C.F.R. Part 5 or MOHCD AMI, and the PBV associated with that unit will be available.
4. All definitions relating to income are based on 24 C.F.R. Part 5 and MOHCD AMI, as published annually by MOHCD, except otherwise noted.
5. All applicants for the **PHR or Expired PHR** units must meet the eligibility requirements outlined in the SFHA’s current Administrative Plan.
6. The Tax Credit student rule applies to the **Non-PBV TC Units**, and the HUD and LIHTC full-time student rules apply to the **PHR** units.
7. For **PHR** units, a previous eviction could preclude a household from consideration if the loss of rental subsidy is due to Housing Authority rule violations.

E. WAITING LISTS

Two waiting lists will be maintained.

1. Non-PBV TC Units

Please see [NAME OF DEVELOPMENT]'s Housing Preferences and Lottery Procedures Manual for a description of the **Non-PBV TC Units** waiting list process that includes a discussion about maintaining the lottery waitlist, filling vacancies in a Non-PBV TC Units, creating a waitlist for residents who need to transfer to a different Non-PBV TC Units and process for filling vacancies in accessible Non-PBV TC Units. The Marketing Plan for this development includes the Marketing and Tenant Selection Plan for Initial Rental Units that covers the Non-PBV TC Units, the current version of the MOHCD Housing Preference and Lottery Procedures Manual, and this HOPE SF Resident Selection Criteria. The MOHCD Housing Preference and Lottery Procedures Manual is available on the MOHCD website at <https://sfmochd.org>.

2. PHR

Waiting List B will be maintained for the PHR units by SFHA. Waiting List B will be maintained according to family size, type of unit for applicant households, total household income, and status in relation to preferences. Waiting List B will be used for units which have been set aside for persons on the HOPE SF [NAME OF HOPE SF DEVELOPMENT] Waitlist. After on-site residents have exercised their Right to Revitalized Units, households will be selected from site-based waiting list(s) based on waitlist position as shown in the preference list in the current SFHA Admin Plan.

a. Vacancy in a PHR Units after Initial Lease Up

VIII. APPLICANT SCREENING

For a quick reference of all the information in Section VIII – Applicant Screening, please see Exhibit A.

A. Processing Priority (applies to all Non-PBV TC Units and PHR units)

1. Units designed specifically for individuals with a physical impairment:

- a. For this development, "physical impairment" is defined as mobility impairment which necessitates the features in a mobility unit. Features in a mobility unit include, but are not limited to, required wheel-chair turning space in unit, arm reach requirements to appliances, lowered cabinets, roll-in showers. For all units designed specifically with mobility features, priority will be given to those applicants needing such modifications. .

[NAME OF PROPERTY MANAGEMENT AGENT] will follow the process for mobility impairment units that is written in the current version of the MOHCD Housing Preferred and Lottery Procedures Manual.

2. Units designed for individuals with a hearing or vision impairment:
 - a. For all units designed specifically with hearing and/or vision features, priority will be given to those applicants and households where a member is in need of such modifications.

B. Initial Interview – All household members must be present at the initial interview (applies to all Non-PBV TC Units and PHR units).

At the scheduled interview, all eligibility factors will be explained to the applicants, with particular emphasis on the Applicant Screening Requirements. During the interview, the staff person will do the following:

1. Clarify any information provided by the applicant;
2. Income qualification verification, including self-employment: soliciting third-party verification from all sources in order to determine annual household income (the maximum income levels apply to the LIHTC and PBV programs), and all assets, including bank accounts;
3. Make copies of photo identification, i.e. Driver’s License or state I.D. card, passport, travel visa, I-94s or employment cards for adults 18 years of age and older, and birth certificates for children under the age of 18 years of age;

6. Provide Fair Chance Ordinance (“FCO”) language.

C. Income Qualification/Gross Rent as Percentage of Gross Income

1. Non-PBV TC Units

- a. To protect [NAME OF DEVELOPMENT] from rent loss and rent delinquency, residents are eligible for the “lottery units” if their income is two times the net rent.
- b. All income must be verified by Management.

- c. For determining gross rent as percentage of gross income, gross rent shall be calculated using tenant rent plus utility allowance. If there is no utility allowance, tenant rent shall be considered gross rent.
- d. Income qualification adheres to the the current version of the MOHCD Housing Preference and Lottery Procedures Manual and is consistent with the Marketing Plan and Tenant Selection Plan for [NAME OF DEVELOPMENT] that covers the “lottery units.” Please see section [LIST SECTION IN THE THE MARKETING & TENANT SELECTION PLAN COVERING INCOME QUALIFICATION] of the Marketing Plan and Tenant Selection Plan for [NAME OF DEVELOPMENT].

2. PHR

a. *On-Site Applicants:*

- i. SFHA staff will calculate the tenant paid portion for the priority household. The tenant paid portion will be listed on the SFHA referral and the amount shown on the referral will be the Total Tenant Payment (TTP). Given the requirements of certain funding sources, PHR units may have differing underlying rent restrictions based on AMI. In such cases, Management will match applicant income to the AMI level appropriate for each unit

Management will calculate area median income (AMI) for purposes of HOPE SF income reporting that is submitted to the MOHCD Project Manager/OCII Community Development Specialist for [NAME OF DEVELOPMENT] during initial lease-up. On the reporting form, Management must indicate if AMI’s are based on MOHCD or CTCAC AMI’s.

- ii. If an On-site Applicant is over income, the new affordable development must accept the On-site Applicant. The over-income unit will remain a PHR unit, but it will no longer be classified a tax credit unit if the income of the resident exceeds the current maximum of California Tax Credit Allocation Committees maximum income for tax credit eligible unit. Such instances will be reviewed on a phase-by-phase basis.
- iii. If an On-site Applicant household is also an ESH, the new affordable development must accept the On-site Applicant. The ESH will remain in a PHR unit, but it will no longer be classified a tax credit unit as it is out of compliance with the IRS Section 42 Tax Credit/ LIHTC program. Such instances will be reviewed on a phase-by-phase basis.

b. *Off-site/Cross-Site Applicants*

- i. SFHA staff will calculate the tenant paid portion for the priority household. The tenant paid portion will be listed on the SFHA referral and the amount shown on the referral will be the Total Tenant Payment (TTP). Management will calculate area median income (AMI) for

purposes of HOPE SF income reporting that is submitted weekly to the MOHCD Project Manager/OCII Community Development Specialist for [NAME OF DEVELOPMENT] during lease-up. Also, if [NAME OF DEVELOPMENT] has multiple AMI levels, including those for PHR units, Management will do its best to categorize the current AMI level per the affordable financing program for the unit.

- ii. As the owner of Right to Revitalized Units accepting Off-Site and/or Cross-Site Applicants did not anticipate, during its financial feasibility analysis, accepting any over-income Off-Site or Cross-Site Applicants, over-income Off-Site and/or Cross-Site Applicants will not be accepted or referred to [NAME OF DEVELOPMENT].
- iii. As the owner of Right to Revitalized Units accepting Off-Site and/or Cross-Site Applicants did not anticipate, during its financial feasibility analysis, accepting any ESHs, ESHs will not be accepted or referred to [NAME OF DEVELOPMENT].

3. Expired PHR

Expired PHR units will follow the same process identified above for Cross-Site Applicants. As the PHR units are expired, the owner of [NAME OF DEVELOPMENT] will not be required to accept any over-income SFHA referred residents. Over-income SFHA referred households may have a negative long term financial impact to [NAME OF DEVELOPMENT].

3. Expired PHR: [MANAGEMENT STATE WHICH CREDIT AND UD CHECK PROCESS IT WILL FOLLOW FOR EXPIRED PHR UNITS.]

Please note: At Sunnydale and Potrero and due to the size of the relocation efforts and timing of new construction, it is possible that On-Site Applicants may move into Expired PHR units. Under the Fair Chance Ordinance, the applicant has the right to the following:

1. All other qualifications for affordable housing will be decided BEFORE Management knows anything about prior arrest or conviction records. Management may run a criminal history report at the same time as a rental or credit history but will not look at it prior to determining the applicant is qualified.

XI. OCCUPANCY PROTECTION FOR HUD-ASSISTED HOUSEHOLDS IN NON-PBV TC UNITS, PHR, AND EXPIRED PHR

A. Management must complete the current version of the *Tenancy Addendum Section 8 Project-based Voucher Program (form HUD 52530.c)* for any and all residents at [NAME OF DEVELOPMENT] with a Housing Choice Voucher (HCV). HCV units include RAD Units, Non-RAD PBV Units, and “tenant based” and/or “portable” HCV for residents residing in Non-PBV TC Units. Management sends the fully completed and executed HUD 52530.c to the SFHA RAD Program Manager, Leased Housing Department.

1. Non-PBV TC Units: *HUD-Assisted households in Non-PBV TC Units applies to households with a HCV that are commonly called “tenant based” and/or “portable.”* In this case, [NAME OF MANAGEMENT COMPANY] has no authority to terminate the “tenant based” and/or “portable” HCV of tenants. Owners may only terminate tenancy in limited circumstances as prescribed in the *Housing Assistance Payment Contract (HAP Contract) Section 8 Tenant-Based Assistance Housing Choice Voucher Program (form HUD-52641)* and by the terms of the lease and must follow HUD and state/local procedures. Terminations for reasons other than those permitted by HUD are prohibited. The lease agreement details the grounds for termination of tenancy, which does include failure to meet LIHTC requirements, including LIHTC-specific income and student eligibility rules.
 - a. SFHA requires that a household pay 30% of their adjusted household income. If at the annual or interim recertification SFHA determines that 30% of the household’s adjusted gross income is equal to or higher than the contract rent, SFHA will give household 180 days before removing the household from the HCV program. If during the 180 day period there have been no changes to the household’s income, SFHA will send the household a letter indicating that the household will be removed from the HCV program. *There is nothing in SFHA’s letter that states the households must vacant or leave the unit.*
2. PHR & Expired PHR [NAME OF MANAGEMENT COMPANY] has no authority to terminate the RAD and/or Non-RAD PBV rental subsidy of the residents. Owners may only terminate tenancy in limited circumstances as prescribed in the *Tenancy Addendum Section 8 Project-based Voucher Program (form HUD 52530.c)* and by the terms of the lease and must follow HUD and state/local procedures. Terminations for reasons other than those permitted by HUD are prohibited. The lease agreement details the grounds for termination of tenancy which does include failure to meet LIHTC requirements, including LIHTC-specific income and student eligibility rules.
 - a. RAD Units: SFHA requires that households pay 30% of their adjusted household income even if it exceeds the contract rent. If at the annual or interim recertification

SFHA determines that 30% of the households' adjusted gross income is equal to or above the contract rent, the households in the PHR RAD Unit is allowed to remain in the unit, as referenced in SFHA's current Housing Choice Voucher Program Administrative Plan and as regulated in the HUD PIH -2012-32 Notice and all subsequent updates. SFHA will not pay subsidy on the unit when the households are able to pay the full contract rent. Households retain all other rights under the lease, including the right to occupy the unit. This provision is only utilized for residents living in the HOPE SF property prior to conversion, and those who will return to the HOPE SF property after conversion. All other residents fall under XI.A.1.a.

- b. Non- RAD PBV Units: Please see XI.A.1.a above, as these units process will be similar to households with a "tenant based" and/or "portable" in Non-PBV TC Units.

EXHIBIT D
Violence Against Women Reauthorization Act of 2013 (VAWA)

- A. **Protections.** VAWA protections apply to individuals and families applying for or residing in housing governed by the project-based Section 8 program, various HUD programs, and other affordable housing programs. The law protects victims or survivors of domestic violence, dating violence, sexual assault, or stalking, as well as their immediate family members generally, from being evicted or being denied housing assistance on the basis that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault or stalking if the applicant or tenant otherwise qualifies for admission, assistance, participation or occupancy. VAWA also provides that an incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking, does not qualify as a serious or repeated violation of the lease nor does it constitute good cause for terminating the assistance, tenancy, or occupancy rights of the victim or survivor. Furthermore, criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking is not grounds for terminating the victim’s or survivor’s tenancy. If permitted by applicable law, including, but not limited to Article 49 of the San Francisco Police Code “Procedures for Considering Arrests or Convictions and Related Information in Employment and Housing Decisions” commonly referred to as the Fair Chance Ordinance (“FCO”), [NAME OF PROPERTY MANAGEMENT AGENT] (“Management”) may bifurcate (divide a lease as a matter of law) in order to evict, remove, or terminate the assistance of the offender while allowing the victim or survivor, who is a tenant or lawful occupant, to remain in the unit, with [Property Management Agent to state the position of the staff that will grant approval] approval.

VAWA ensures that victims are not denied housing and housing assistance solely because the person is a victim of a VAWA crime or incident; however, being a victim of a VAWA crime or incident is not reason to change the eligibility or applicant screening requirements set forth in the Resident Selection Criteria, unless such requirements interfere with protections provided under VAWA.

For example: Management may waive the requirement to review landlord history if the victim has provided necessary documentation to certify their status as a victim and if contacting a previous landlord would put the applicant’s location at risk of exposure to the accused perpetrator.

- B. **Definitions.** The following definitions are provided as assistance in understanding and implementing VAWA protections. The definitions for domestic violence, dating violence, sexual assault, or stalking and affiliated individual have been incorporated into the United States Housing Act.

- **Domestic Violence** includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with

or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

- **Dating Violence** means violence committed by a person: (A) who is or has been in a social relationship of a romantic or intimate nature with the victim, and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship; (ii) the type of relationship; and (iii) the frequency of interaction between the persons involved in the relationship.
- **Sexual Assault** means any nonconsensual sexual act proscribed by Federal, tribal or State law, including when the victim lacks capacity to consent.
- **Stalking** means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person's individual safety or the safety of others, or (2) suffer substantial emotional distress.
- **Affiliated Individual** means, with respect to a person: (a) a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in the place of a parent to a child (for example, the affiliated person is a child in the care, custody, or control of that individual); or (b) any individual, tenant, or lawful occupant living in the household of that person.
- **Bifurcate** means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable program and State or local law, such that certain tenants or lawful occupants can be evicted or removed while the remaining household members can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

C. **Protections for Victims or Survivors of Domestic Violence, Dating Violence, Sexual Assault, or Stalking.** The law offers the following protections against eviction or denial of housing based on domestic violence, dating violence, sexual assault, or stalking:

1. An applicant's or program participant's status as a victim or survivor of domestic violence, dating violence, sexual assault, or stalking is not a basis for denial of rental assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission.
2. An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking will not be construed as serious or repeated violations of the lease or other "good cause" for terminating the assistance, tenancy, or occupancy rights of a victim or survivor of abuse.

3. Criminal activity directly related to domestic violence, dating violence, sexual assault, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights of the victim or survivor of the criminal acts.
4. Assistance may be terminated or a lease "bifurcated" in order to remove an offending household member from the home. Whether or not the individual is a signatory to the lease and lawful tenant, if he/she engages in physical violence against family members or others, he/she stands to be evicted, removed, or have his/her occupancy rights terminated. This action is taken while allowing the victim or survivor, who is a tenant or a lawful occupant, to remain. Decisions to bifurcate a lease or evict a tenant under VAWA will be made consistent with the requirements of the FCO, including, but not limited to, Sections 4907(f) and (g).
5. The provisions protecting victims or survivors of domestic violence, dating violence, sexual assault, or stalking engaged in by a member of the household, may not be construed to limit Management, when notified, from honoring various court orders issued to either protect the victim or survivor or address the distribution of property in case a family breaks up.
6. The authority to evict or terminate assistance is not limited with respect to a victim or survivor that commits unrelated criminal activity. Furthermore, if Management can show an actual and imminent threat to other tenants or those employed at or providing service to the property if an unlawful tenant's residency is not terminated, then evicting a victim or survivor is an option, VAWA notwithstanding. Ultimately, Management may not subject victims or survivors to more demanding standards than other tenants.
7. VAWA protections shall not supersede any provision of any federal, state, or local law that provides greater protection for victims or survivors of domestic violence, dating violence, sexual assault, or stalking. The laws offering greater protection are applied in instances of domestic violence, dating violence, sexual assault, or stalking.

D. **Confidentiality**. The Notice of Occupancy Rights under VAWA provides notice to the resident/applicant of the confidentiality of information about a person seeking to exercise VAWA protections and the limits thereof. The identity of the victim and all information provided to Management relating to the incident(s) of abuse covered under VAWA will be retained in confidence. Information will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is:

1. Requested or consented to by the victim in writing; or
2. Required for use in an eviction proceeding or termination of assistance; or
3. Otherwise required by applicable law.

Management will retain all documentation relating to an individual's domestic violence,

dating violence, sexual assault and/or stalking in a separate file that is kept in a separate secure location from other applicant or resident files.

- E. **Certification.** Management response to an incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking that could potentially have an impact on a tenant's participation in the housing program may request in writing that an individual complete, sign, and submit within 14 business days of the request, the HUD-approved VAWA certification form.

Alternatively, in lieu of the certification form or in addition to it, Management may accept a) a federal, state, tribal, territorial, or local police record or court record or b) documentation signed and attested to by a professional (employee, agent or volunteer of a victim service provider, an attorney, medical personnel, etc.) from whom the victim or survivor has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking or the effects of the abuse. The signatory attests under penalty of perjury (28 U.S.C. § 1746) to his/her belief that the incident in question represents bona fide abuse, and the victim or survivor of domestic violence, dating violence, sexual assault, or stalking has signed or attested to the documentation. Such information may not be sufficient to bifurcate a lease or evict a household member under the FCO and Management will comply with all applicable laws when making decisions to terminate a tenancy or take other action against a household member under VAWA.

The victim is not required to name his/her accused perpetrator if doing so would result in imminent threat or if the victim does not know the name of his/her accused perpetrator.

- F. **Tenants' Rights and Responsibilities.** Tenants and family members of tenants who are victims or survivors of domestic violence, dating violence, sexual assault, or stalking are protected by VAWA from being evicted or from housing assistance being terminated because of the acts of violence against them.

If requested, tenants are required to submit to Management, a completed Certification of Domestic Violence, Dating Violence or Stalking, Form HUD-91066 (*currently, a new Certification form is in use until HUD notification*), or other supporting documentation as described in E., above, within 14 business days of Management's request, or any extension of that date provided by the Management. If the certification or other supporting documentation is not provided within the specified timeframe, the landlord may begin eviction proceedings.

If the tenant has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking from a federal, state, tribal, territorial jurisdiction, local police or court, the tenant may submit written proof of this outreach.

It is possible for someone lawfully occupying the unit, who is also a victim or survivor, to be evicted or removed from the home. If the victim or survivor commits separate criminal activity, a landlord may evict them for engaging in crime. Furthermore, if a victim or survivor poses "an actual and imminent threat to other tenants or those employed at or

providing service to the property,” they could be evicted, despite VAWA. Of paramount consideration within VAWA is that the landlord may not hold the victim or survivor to a more demanding standard than other tenants.

Victims are encouraged to seek police/legal protection from their accused perpetrator. In some cases, Management may file a restraining order against the accused perpetrator to prevent the accused perpetrator from entering the property.

Commercial Underwriting Guidelines

City and County of San Francisco
Mayor's Office of Housing and Community Development
Commercial Space Underwriting Guidelines
Effective March 3, 2023

The following Mayor’s Office of Housing and Community Development Commercial Space Underwriting Guidelines (these “Guidelines”) are intended to assist applicants (“Sponsors”) for capital financing to prepare financing requests to the City and County of San Francisco (the “City”), represented by the Mayor, acting by and through the Mayor’s Office of Housing and Community Development (“MOHCD”). These Guidelines, along with MOHCD’s Underwriting Guidelines, will also be used by MOHCD staff to evaluate funding requests and present them to the Citywide Affordable Housing Loan Committee (“Loan Committee”) for consideration. The intent of these Guidelines is to support consistency of final loan terms across projects, and to ensure long-term affordability and physical and financial sustainability throughout a project’s loan term.

MOHCD’s Commercial Loans are designed to be paired with residential/affordable housing new construction loans. The Loan Committee maintains the right to set final terms and conditions for a commitment of funds based on the actual circumstances of each project. MOHCD may review and approve any requests for a waiver to these Guidelines in its sole and absolute discretion. These Guidelines will be updated from time to time.

Note: the income and rent limits referenced in these Guidelines are determined and published annually by MOHCD for all multifamily rental housing developments under MOHCD’s purview, including Small Sites, PASS and other rehabilitation-funded projects. All income and rent limits are expressed in MOHCD Area Median Income (AMI).

To the extent that commercial space is required in an affordable housing project, the following guidance is applicable.

A. Intent

1. To support culturally vibrant and inclusive neighborhoods by prioritizing Public Benefit Uses, Community Serving Uses, and other benefits that support the affordable housing residents and surrounding community.
2. To maximize benefit to residents of the affordable housing, followed by creation of benefit for the surrounding community. For example, where the housing is designed for families, seek to provide childcare.
3. Provide City resources to support the following areas:
 - a. Economic Development

- b. Community and Social Development
 - c. Sustainable Job Creation and Retention and Wealth Creation
 - d. Investment Diversification and Partnerships Development
 - e. Environmentally Sustainable Outcomes.
4. To align with the City's Consolidated Plan and the policy priorities outlined in the applicable procurement (RFQ, RFP, NOFA) related to anti-displacement measures for residents and businesses. This may include facilitating community and/or nonprofit ownership.
 5. To leverage commercial funding sources from other City departments, foundations, and financial institutions to support Public Benefit Uses and Community Serving Uses in an effort to remove barriers to successful business development in MOHCD-supported residential buildings.
 6. To maintain the financial viability of the affordable housing and vitality of the surrounding neighborhood by avoiding vacancies.

B. Project Eligibility/Applicability

These Guidelines apply to new construction projects only. These Guidelines assume MOHCD owns the land on which the Project is located. In the rare scenario in which that is not the case, MOHCD and the Housing Owner will adjust these Guidelines accordingly to achieve the goals articulated in Section A and the same financing principles related to the use of MOHCD funds.

C. General Loan/Grant Terms

Please see the MOHCD Development Underwriting Guidelines for guidance on the interest rate, term, and other conditions generally associated with MOHCD financing for new construction. Section E provides further details according to the proposed use, funding type and deal structure.

D. Definitions

1. **Affiliated Entity:** An entity that is either controlled by the Housing Owner, controls the Housing Owner, or is under common control with Housing Owner. Control, as used in the previous sentence, means the ownership, directly or indirectly, of the right to vote in or direct the ordinary operations of the entity.
2. **Cold Shell:** Commercial Space improvements as defined in detail in Attachment A.
3. **Commercial Entity:** A legal entity, separate from the Housing Owner, that may either master lease the Commercial Space from the Housing Owner or ground lease the Commercial Space directly from the City, as provided in Permitted Legal Structures, defined below.
4. **Commercial Project Costs:** The total of all hard (construction) and soft costs associated with the development of the Commercial Space.

5. **Commercial Space:** An entire undifferentiated (ie. not divided into different spaces) commercial area for Public Benefit Use, Community Serving Commercial Use, or Commercial Use. If the Project is subdivided, then the Commercial Space would be a condominium or air rights parcel, separate from the Residential Space. It is possible to have more than one Commercial Space in a Project because the developer may intend different uses (for example, a space is finished to Warm Shell for Public Benefit Use, while another area is finished to Cold Shell and Commercial Use is intended). A Commercial Space may be demised (ie. physically divided into separately leased spaces) into more than one Individual Tenant Space as appropriate.
6. **Commercial Space Master Tenant:** A Commercial Entity that is an Affiliated Entity and that leases the Commercial Space from the Housing Owner and subleases Individual Tenant Space(s) to Individual Commercial Tenant(s).
7. **Commercial Use:** A land use, typically retail or other sales and services use, with the sole or chief emphasis on financial gain and that is not a Public Benefit Use or Community Serving Use as defined below. Commercial Uses shall not include uses that, in MOHCD's sole discretion, are inconsistent with fostering a stable environment for families and children, including, but not limited to, bars, liquor stores, tobacco product stores, recreational cannabis shops (medical cannabis dispensaries may be permitted in MOHCD's sole discretion, but only to the extent permitted by funding sources and applicable local, state, and federal law) or other uses that cater exclusively to adults.
8. **Community Serving Use:** A land use, typically retail or other sales and services use, that provides a direct benefit to the community, as determined by MOHCD in its sole discretion. Such use to be documented through a Community Commercial Services Agreement and reported on annually through the MOHCD Annual Monitoring Report. Dimensions of benefit to include:
 - a. Economic Development
 - b. Community and Social Development
 - c. Sustainable Job Creation and Retention and Wealth Creation
 - d. Investment Diversification and Partnerships Development
 - e. Environmentally Sustainable Outcomes

Examples include:

- i. Early childhood education center,
- ii. Nonprofit office/services provision,
- iii. Food market with affordable and healthy produce and other goods,
- iv. Community banking,
- v. Restaurant offers low-cost meals,
- vi. Business hires low-income workers,
- vii. Business owned by underrepresented community, or
- viii. Other neighborhood serving uses that have a demonstrated benefit to the residents of the Project.

- 9. Housing Owner:** The owner, often a Limited Partnership entity, of the residential improvements at the Project.
- 10. Individual Commercial Tenant:** An occupant of Commercial Space rented from the Housing Owner or Commercial Entity (depending on legal structure).
- 11. Individual Tenant Space:** Demised portion (ie. physical boundary of space being leased) of the Commercial Space for lease to an Individual Commercial Tenant.
- 12. Net Commercial Cash Flow:** Commercial Operating Income less the Commercial Operating Expenses for a Lease Year (or portion thereof). **Commercial Operating Expenses** means the reasonable and customary expenses of reasonable operating and routine maintenance and repair expenses incurred by the Housing Owner or Commercial Entity (depending on legal structure) in the operation of the Commercial Space, debt service, and MOHCD-approved reserves. These expenses may include utilities, insurance, equipment maintenance, security, fees (asset management, audit, taxes), debt service, and operating and replacement reserves, all subject to the approval of MOHCD.. **Commercial Operating Income** means all income and receipts in any form received by the Housing Owner or Commercial Entity (depending on legal structure) from the operation of the Commercial Space, including rents, fees, deposits, and reimbursements.
- 13. Project:** A mixed-use, multifamily residential and commercial project, which may include one or more subdivided residential condominium/air rights parcels and commercial condominium/air rights parcels.
- 14. Public Benefit Use:** A land use, typically programs or services, that primarily benefits low-income persons, is implemented by one or more 501(c)(3) public benefit corporations, and has been identified by the City or community as a priority use. Examples include, but are not limited to, childcare centers, adult day health centers, office space for non-profit organizations, supportive services for the residents of the affordable housing development, health clinics that serve the local community at no or low cost, arts-related spaces that provide programs, and classes and/or exhibition spaces available to community members at no or low cost.
- 15. Residential Space:** The entire undifferentiated (ie. not divided into different units/spaces) residential area for future demising (ie. physically dividing into separately leased spaces) and occupancy by residential tenants. If the Project is subdivided, then the Residential Space would be a condominium or air rights parcel, separate from the Commercial Space(s).
- 16. Tenant Improvements:** The Commercial Space improvements paid for by the Individual Commercial Tenant.
- 17. Warm Shell:** Commercial Space improvements as defined in detail in Attachment A.

E. Key Terms for Public Benefit and Community Serving Commercial Uses

In alignment with MOHCD's goals in Section A, MOHCD offers the following capital financing and below market terms for Commercial Space developed for Public Benefit or Community Serving Commercial Uses:

 - \$10,000 plus \$5/sf capitalized Commercial Reserve for lease up/operations period vacancy (eligible uses, for example, include utilities, real estate taxes, insurance), and/or replacement reserve needs (post-initial occupancy).
 - d. Commercial Tenant Planning Funds:
 - Up to \$50,000 (or 50% of Individual Commercial Tenant(s) annual operating revenue from the last completed fiscal year, whichever is less) per Commercial Tenant to Individual Commercial Tenant(s) to support their design and permitting process and fundraising strategy once MOHCD-approved Letter/s of Intent (LOI) has been executed. Professional fees are allowed and may include Construction Manager/Property Manager and Permit Coordinator.
 - e. Commercial Space Developer Fee:
 - Allowed in addition to Residential Developer Fee, so long as the sum of the Commercial Developer Fees and Residential Developer Fee do not exceed the developer fee limits allowed by TCAC or other funding agencies.

- \$75,000 per Project in additional fee will be allowed for completing the condominium or air rights subdivision, subject to MOHCD approval of the subdivision and legal structure

 - \$175,000 – At-Risk earned at milestones that may include signing of tenant leases (up to half) and completion of Tenant Improvements and Tenant Occupancy (split pro-rata)
- Commercial Developer’s Responsibilities: Please see Attachment B for description of responsibilities related to commercial space development.

2. Due diligence.

a. Commercial Space Plan, Commercial Proforma, Tenant Improvement Build-out Summary:

- i. Commercial Plan: Developer must prepare and submit to MOHCD for approval prior to receipt of first installment of Project Management developer fee.
- ii. Commercial Proforma: Developer must prepare both a capital Sources and Uses Budget as well as a commercial operating budget.
- iii. Tenant Improvement Buildout Summary: Developer must provide an Excel matrix that includes all data points that will inform the LOI.

b. Market Study: A market study must be provided by a third party (e.g. a broker, appraiser, or market analyst). This should inform the setting of these terms:

- i. Rent, Rent Growth, Annual Rent Adjustments
- ii. Rent Concessions and/or Tenant Improvement Allowances
- iii. Vacancy Rate
- iv. Expenses and Expense Growth Rate
- v. Commercial Property Management Fees, Leasing Agent Fees
- vi. Reserves.

The Marketing Study should include:

- i. Analysis of neighborhood commercial rents including at least three (3) comparable transactions
- ii. Summary of market tenant improvement allowances

- iii. Summary of immediate submarket/vacancy
 - iv. Summary of businesses in the particular neighborhood / voids and concentration
 - v. Opinion on whether a certain business (type or name to be provided by client) will succeed in a particular area
 - c. Commercial Costs in Basis: Evidence that Developer has analyzed whether commercial space is eligible to be included in eligible basis for use of LIHTC (e.g. whether located in a Qualified Census Tract and use is compliant)
3. Permitted legal structures.
 - a. Direct Lease: Housing Owner leases directly to Individual Commercial Tenant(s).
 - b. Commercial Master Lease: Housing Owner leases the Commercial Space to the Commercial Entity (which must be an Affiliated Entity) (the "Commercial Space Master Tenant"). The Commercial Space Master Tenant would then sublease the Individual Tenant Space(s) to Individual Commercial Tenant(s).
 - c. Subdivision: The City ground leases the Residential Space to the Housing Owner. The City separately ground leases the Commercial Space to the Commercial Entity. The Commercial Entity must be an Affiliated Entity or Individual Commercial Tenant (the latter per the terms below in Section D.7.). Subdivision is permissible only under certain circumstances – for example:
 - When there is more than 5,000 square feet of commercial space and multiple tenants
 - When doing so leverages additional/non-City sources to the project, to facilitate tenant ownership, or to increase competitiveness for non-City financing.
4. Use Restrictions. MOHCD will restrict the use, in the ground lease, of all Commercial Spaces for which the Borrower applies for financing under Section E. Any change in use requires MOHCD approval. MOHCD will also prohibit certain specific uses, such as bars and retail liquor sales, in the ground lease.
5. Letters of Intent (LOI) and Master Lease Terms. All LOIs and leases, including the Commercial Master Lease and Individual Commercial Tenant subleases and Direct Leases, are subject to review and approval by MOHCD, in accordance with these Guidelines.
 - a. LOIs: LOIs should conform to the requirements below in subsection c.
 - b. Commercial Master Lease: For projects constructed on a single parcel (see below for subdivided parcels), Commercial Master Lease rent will be structured so that 40% of Net Commercial Cash Flow, if any, will be paid by Commercial Entity to Housing Owner, and 60% of Net Commercial Cash Flow is paid to the Commercial Entity

(ie. the Commercial Space Master Tenant). The Commercial Entity/Commercial Space Tenant must be an Affiliated Entity. (If 40% of Net Commercial Cash Flow is significant, MOHCD may establish an additional rent, based on 40% of Net Commercial Cash Flow projections, in the MOHCD residential ground lease.)

c. Direct Leases and Individual Commercial Tenant Subleases: Commercial rents and/or Common Area Maintenance (CAM) charges should be sized so as to cover the direct, shared, and allocated costs attributable to commercial use, including utilities payable by the property for the Commercial Space, commercial management fees, commercial reserves, and property taxes and insurance attributable to the Commercial Space. Rent adjustments, beyond typical annual escalations to cover expenses, at renewal periods are prohibited. Lease deposits are prohibited (although tenants may be required to pay for damages), assuming Individual Commercial Tenant/s are responsible for funding Tenant Improvements. The term of the lease between an Individual Commercial Tenant(s) and the Housing Owner or Commercial Space Master Tenant cannot exceed the term of the MOHCD financing on the Project (ie. typically, 55 years).

6. MOHCD Commercial Ground Lease and Loan Terms. When the Commercial Space has been subdivided from the Residential Space, MOHCD will convert the Commercial Space development costs funded by MOHCD into a MOHCD Commercial Loan which is executed at permanent conversion. Additionally, MOHCD will enter into a MOHCD Commercial Ground Lease with the Commercial Entity.

a. Commercial Loan Terms: 55-year term. 0% interest rate. Repayment through residual receipts from commercial space only.

b. Commercial Ground Lease Terms: 75-99-year term. Base rent equal to \$1/year. Residual rent will be 40% of Net Commercial Cash Flow to the City. For other key terms, please see the Underwriting Guidelines applicable to residential use. See the Ground Lease Policy.

7. Transfer of Commercial Space Ownership. Any transfer or sale of the Housing Owner's or Commercial Owner's interest in the Commercial Space parcel is subject to MOHCD approval. Under Section E, the ownership of the Commercial Space parcel may only be transferred to an Individual Commercial Tenant if a) the MOHCD Commercial Loan balance has been fully paid, or b) the MOHCD Commercial Loan has been assigned to the Individual Commercial Tenant. If the MOHCD Commercial Loan is assigned to the Individual Commercial Tenant that is a nonprofit, 501(c)(3) exempt organization, MOHCD may forgive 10% of the Loan each year to such Individual Commercial Tenant that is actively in business and contributing to Intent 1 in Section A. As discussed in Section E.4., MOHCD will continue to restrict the use of the Commercial Space through its Commercial Ground Lease.

F. Terms for Commercial Uses

MOHCD offers the following capital financing terms for Commercial Space developed for Commercial Uses not included in Section E:

1. Eligible use of MOHCD funds. MOHCD funds may be used for the following Commercial Project Costs:
 - a. Hard Costs:

 - 5% hard cost contingency on cold shell costs
 - b. Soft Costs:
 - Construction management and consulting fees for coordination of Tenant Improvements with shell construction
 - Pro rata share of Project soft costs that should be split between residential and commercial, as calculated by Project financial consultant

4. Use Restrictions. Same as for Public Benefit.
5. Letters of Intent (LOI) and Lease Terms. All LOIs and leases, including the Commercial Master Lease and Individual Commercial Tenant subleases and Direct Leases, are subject to review and approval by MOHCD, in accordance with these Guidelines.
 - a. LOIs: LOIs should conform to the requirements below in subsection c.

b. Commercial Master Lease: Commercial Master Lease rent will be structured so that 40% of Net Commercial Cash Flow, will be paid by Commercial Entity to Housing Owner, and 60% of Net Commercial Cash Flow is payable to the Commercial Entity (ie. the Commercial Space Master Tenant). The Commercial Entity must be an Affiliated Entity. (If 40% of Net Commercial Cash Flow is significant, MOHCD may establish an additional rent, based on Net Commercial Cash Flow projections, in the MOHCD residential ground lease.)

Under Section E, the ownership of the Commercial Space parcel may only be transferred to an Individual Commercial Tenant if the MOHCD Commercial Loan balance has been fully paid. As discussed in Section E.3., MOHCD will continue to restrict the use of the Commercial Space through its Commercial Ground Lease.

G. Applicability of Accessibility, Procurement, Prevailing Wage, and Workforce Requirements

For the scope of the Commercial Space that is being funded by MOHCD and/or is being built out under the Project's construction contract, all City accessibility, procurement, prevailing wage, and workforce requirements related to the Project will apply.

Tenant Improvements that are being built out under a construction contract separate from the Project's and are not funded by MOHCD, and executed on City or other government land, regardless of the source of financing, are subject to all applicable City

accessibility, procurement, prevailing wage and workforce requirements to which the housing Project was subject (with limited exceptions associated with funding sources and thresholds pertaining to construction contract value).

The Mayor's Office on Disability and the Department of Building Inspections are responsible for accessibility requirements. The Contract Monitoring Division is responsible for procurement, the Office of Economic and Workforce Development is responsible for workforce requirements, and the Office of Labor Standards Enforcement oversees the provision of prevailing wages.

If the Individual Commercial Tenant's Tenant Improvements are funded with money from other City agencies (ie. Office of Economic and Workforce Development grants awarded through Community Vision), all requirements pertaining to that funding source will apply.

If the Individual Commercial Tenant's Tenant Improvements are not funded by any public dollars, and not executed on government-owned land or leased land, please consult with MOHCD on the applicability of City accessibility, workforce and prevailing wage requirements.

Residual Receipts Policy

Mayor's Office of Housing and Community Development

Residual Receipts Policy

Effective April 1, 2016

INTRODUCTION

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under the Ground Leases and Loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment.

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met.

SUMMARY (see below for detailed requirements)

I. Definition of Residual Receipts	As depicted in the approved MOHCD Operating Budget Proforma for each project, the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments of surplus. .
II. Annual Residual Receipts Payments Due to MOHCD	Generally, $\frac{2}{3}$ rd s of residual receipts is payable to the City. Larger Tax Credit projects may be eligible to use an alternative $\frac{1}{2}$ - $\frac{1}{2}$ split for up the first 10 years of a new tax credit period, see the Developer Fee Policy for more details.
III. When more than one MOHCD contract requires residual payments	The approved MOHCD Operating Budget Proforma is a required exhibit to the last-executed MOHCD contract and must reflect a comprehensive summary of approved cash flow waterfall, listing of all lenders, relative lien positions, underlying loan terms and amounts owed to MOHCD annually across all MOHCD contracts.
IV. When a project has other Lenders in addition to MOHCD that require residual payments	The portion to be repaid to each Lender is typically determined by the proportional amount of capital funded under each loan. The approved MOHCD Operating Budget Proforma must include a list of all loans and details about projected amounts owed annually, including how the portion of residual receipts to be paid to each lender will be calculated, if not based on a proportional amount.
V. Conditions to Distribution of Residual Receipts to Borrower	Distribution of Residual Receipts may be made only upon: (1) MOHCD approval of Annual Monitoring Report; (2) determination by MOHCD that borrower is not in default; and (3) approval by MOHCD of amount of

	Distribution.
VI. Use of Residual Receipts Distributed to the Borrower	MOHCD strongly encourages borrowers to use distributions for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).
VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project	Any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
MOHCD Repayment Waiver Option	The repayment waiver option has been terminated.

I. Definition of Residual Receipts

- A. Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments from surplus.
- B. The project-specific Funding Agreements and/or Ground Leases define what Project Income entails and which Project Expenses are allowable. In general, the definition of allowable Project Expenses will include mandatory or “hard” debt service payments, minimum or Base Rent owed under a Ground or Land lease, and required annual payments into Reserve accounts. Each MOHCD contract will include a copy of the approved Operating Budget Proforma.
- C. When MOHCD requires repayments from Residual Receipts, the formula usually requires payment of a portion of the available Residual Receipts. The use of a proportional formula makes it is essential to clearly define which uses of surplus cash have been approved for payment prior to the calculation of the amount owed to MOHCD.
- D. The approved uses of any available surplus may also be referred to as the cash flow waterfall. The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:
 - 1. Fees payable to the project, the GP, the LP or the parent entity
 - 2. Fees payable to project funders
 - 3. “Soft” debt repayments to lenders / lessors

Please see the City’s Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

- E. Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

II. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be $\frac{2}{3}$ rds of Residual Receipts. Larger Tax Credit projects may be eligible to use an alternative $\frac{1}{2}$ - $\frac{1}{2}$ split for up the first 10 years of a new tax credit period and the borrower's portion of Residual Receipts shall be considered payment of Deferred Developer Fee. See the Developer Fee Policy for more details.

Any residual receipts payments shall be applied toward the unpaid balance of MOHCD loan/s according to the terms in the Promissory Note and/or Funding Agreement, and toward the payments required under the MOHCD Ground Lease.

III. When more than one MOHCD contract requires residual payments:

Some projects supported by MOHCD may be governed by more than one MOHCD contract. The MOHCD Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. Projects governed by more than one MOHCD contract that extend or initiate a MOHCD contract after the effective date of this policy will be required to get approval of a new MOHCD Operating Budget Proforma.

IV. When a project has other Lenders in addition to MOHCD that require residual payments

A. If any other project lenders besides MOHCD require repayment from residual receipts, the portion to be repaid to each Lender will typically be determined by the proportional amount of capital supplied under each loan. For example, if a project received a \$2 million loan from MOHCD and a \$3 million loan from another lender, MOHCD would receive $\frac{2}{5}$ ths of the amount available to be repaid, and the other lender would receive $\frac{3}{5}$ ths of the amount available to be repaid. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a project makes an agreement with any other lender/s after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, prior to making any payments to such other lender/s, the project must request and be approved in writing to amend the MOHCD-approved Operating Budget Proforma to include the new lender/s.

B. During operations, MOHCD will require Residual Receipts payments using MOHCD's method of calculating surplus and any amounts owed to the MOHCD. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

V. Conditions to Distribution of Residual Receipts to Borrower

- A. Distribution of Residual Receipts to the borrower of a MOHCD loan, or lessee of a MOHCD ground lease, may be made only upon:
1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
 2. Determination by MOHCD that the borrower is not in default under terms of the Loan; and

3. Approval by MOHCD of the amount to be distributed.
- B. No distribution of Residual Receipts shall be made under any of the following circumstances:
1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
 2. When the City determines that the borrower or the borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
 3. If any operating expense, including debt service on non-City loans remains unpaid; or
 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract/s; or
 5. In the event of any other material failure to comply with the provisions of the MOHCD contract/s.

VI. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages borrowers to use the portion of Residual Receipts that is not applied toward repayment of MOHCD's loan or payment of residual rent under a MOHCD ground lease for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project

- A. With the exception of Residual Receipts retained by a borrower pursuant to this policy, any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
- B. The Loan Committee may approve variations of this policy on a project-specific basis, including the payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents either as a project expense or out of that portion of Residual Receipts that would otherwise be repaid to the City.

I. PURPOSE

A. Purpose

1. Pursuant to California Community Redevelopment Law (“**CRL**”) and consistent with long standing practice, the San Francisco Redevelopment Agency (“**Agency**”) hereby adopts this Employment and Contracting Policy to ensure training and employment opportunities for lower-income residents in the Bayview Hunters Point (“**BVHP**”) Redevelopment Project Area, including residents in the 94124 zip code, subject to the criteria set forth below.

2. In adopting the BVHP Redevelopment Plan, the Agency and the City and County of San Francisco (“**City**”) have made a commitment to vigorous equal opportunity and diversity in employment. Thus, the Agency has proposed programs to encourage local hiring and contracting by the private sector engaged in development in the Project Area.

3. This BVHP Employment and Contracting Policy is designed to ensure that Agency Action Projects and private Significant Projects (which do not receive Agency assistance), provide employment opportunities for lower-income BVHP Residents and San Francisco Residents in the areas of construction, professional services, and permanent jobs. This Policy will supplement and not supplant the existing Agency employment and contracting policies found in the Agency’s Equal Opportunity Program and the Agency Purchasing Policy, which are briefly summarized in Section X. The Employment and Contracting Policy seeks to provide economic benefits to existing BVHP Residents and San Francisco Residents from redevelopment activities within the Project Area. BVHP Residents have disproportionately lower income levels. As part of this policy, residents will be referred by the CBOs (defined below) that serve San Francisco lower-income residents. Therefore, the BVHP residential preference fulfills the purpose of providing economic opportunity to lower-income residents.

4. This Employment and Contracting Policy meets or exceeds the requirements of the City of San Francisco’s Administrative Code Chapter 83 (First Source policy) and CityBuild Program. Thus, entering into and complying with the terms of an Employment and Contracting Policy Agreement will satisfy the requirements of the City’s First Source Policy. It is also intended to satisfy the requirements of Health and Safety Code Section 33422.3 which states that for any contract over \$100,000, the Agency may set specific percentages by craft or trade for the employment of available project area residents.

5. The Agency is committed to facilitating Project Sponsor, Contractor and Employer access to and the hiring of qualified BVHP and San Francisco Residents. To further this goal, the Agency will continue to contract with CBOs to provide education and referral programs and services which will allow BVHP and San Francisco Residents to be considered for employment.

6. The Agency and the Planning Department of the City and County of San Francisco (“**Planning**”) entered into a delegation agreement as of September 19, 2006 (the “**Delegation Agreement**”). Per the Delegation Agreement, Planning shall not approve a Significant Project in the Project Area unless the Project Sponsor has entered into an Employment and Contracting Agreement(s) with the Agency. Ongoing compliance with such Agreements(s) shall become a condition of the permit.

7. This Employment and Contracting Policy shall be effective on or after December 4, 2007 (“**Effective Date**”).

8. The Agency and the PAC shall review the effectiveness of the new Employment and Contracting Policy after one (1) year of implementation.

II. HIRING GOALS

A. Construction Workforce Hiring Goal

1. The Employment and Contracting Policy has a goal that **fifty percent (50%)** of construction workforce hires for each trade be qualified BVHP Residents and then San Francisco Residents with First Consideration to BVHP Residents. This goal is expressed as a percentage of each Contractor’s total hours of employment and training by trade on the project. The procedure for meeting the construction workforce goal is set forth in Section VII.

B. Permanent / Temporary Workforce Goal

1. The Employment and Contracting Policy has a goal that **fifty percent (50%)** of permanent / temporary workforce hires be qualified BVHP Residents and then San Francisco Residents with First Consideration given to BVHP Residents. The procedure for meeting the permanent / temporary workforce goal is set forth in Section IX.

C. Trainee Goals

1. The Employment and Contracting Policy requires that all design professionals (architects, engineers, planners, and environmental consultants) on contracts over \$100,000, hire qualified BVHP Residents and then San Francisco Residents with First Consideration given to BVHP Residents as trainees. The trainee hiring goal for architects, engineers and other design professionals is based upon the total amount of the design professional’s contract as follows:

<u>Trainees</u>	<u>Design Professional Fees</u>
0	\$ 0 - \$ 99,000
1	\$100,000 - \$ 249,999
2	\$250,000 - \$ 499,999
3	\$500,000 - \$ 999,999
4	\$1,000,000 - \$1,499,999
5	\$1,500,000 - \$1,999,999
6	\$2,000,000 - \$4,999,999
7	\$5,000,000 - \$7,999,999

Agency Action Projects will require the Project Sponsor to execute an Employment and Contracting Agreement with the Agency as a condition of approval. The construction workforce goal, permanent / temporary workforce goal and the trainee hiring goal for professional services contracts all apply to this type of project.

¹ Page 24 contains a BVHP Employment and Contracting Policy Matrix which also gives an overview of the application of the policy by project type.

2. Additionally, the Agency's Small Business Enterprise ("**SBE**") Program, as amended from time to time, will apply when Project Sponsors on Agency Action Projects contracts for professional / personal services related to the project, such as planning studies, building and/or landscape design, economic or feasibility studies, community outreach services, printing or graphic production. The SBE participation goal is a good faith effort that 50% of the subcontracting opportunities go to Agency certified SBEs with First Consideration given to SBEs within the Project Area.

3. In addition to the local hiring and small business contracting programs listed above, Project Sponsors will be **required to comply** with the Agency's Equal Opportunity Program which include:

- o Nondiscrimination in Contracts and Equal Benefits Policy
- o Minimum Compensation Policy
- o Health Care Accountability Policy
- o Agency Prevailing Wage Policy (Labor Standards)

4. The Agency's Equal Opportunity Program is described briefly in Section X.

5. The requirements of the Employment and Contracting Policy and the Agency's Equal Opportunity Policies will be incorporated into an Agreement. The Agency's Executive Director will review and approve the Agreement on behalf of the Agency. Adherence to the Agreement shall be monitored by the Agency's Contract Compliance Division. Agency staff shall periodically report to the BVHP PAC and the Agency Commission on the compliance status of private Significant Projects.

While not part of the Employment and Contracting Policy, the CityBuild workforce initiative applies to all public infrastructure and other public improvements projects that the City funds in the Project Area. CityBuild is an initiative of the Mayor's Office of Economic and Workforce Development, in partnership with other City departments, that utilizes City-sponsored construction as a vehicle to deliver training and employment opportunities to San Francisco residents. When the Agency is providing additional funding for a City funded public project, Agency staff shall work with CityBuild and the lead City department to consider implementation of elements of the Agency Employment and Contracting Policy as well as the Equal Opportunity Program.

2. The purpose of CityBuild is to ensure equal employment opportunities for San Francisco residents of all backgrounds and genders in construction workforce activities provided under City-sponsored construction projects. CityBuild establishes a goal of 50% participation for San Francisco residents in each trade for total hours worked on a project. CityBuild creates a single, responsible and accountable entity, Mayor's Office of Economic and Workforce Development, to direct construction employment and training efforts across projects and departments and develops trained, committed men and women to become the construction workforce of the future.

3. The Agency's Equal Opportunity Program is described briefly in Section X.

D. Small Private Projects

For Permanent / Temporary Workforce – Up to ten (10) years from the date of the temporary certificate of occupancy per building , as determined through good faith negotiations between the Project Sponsor and the Agency based upon the anticipated number of permanent and/or temporary positions created by the Project.

VI. APPLICABLE COMMUNITY REDEVELOPMENT LAWS

1. The Employment and Contracting Policy is designed to further the objectives of the Community Redevelopment Law that redevelopment project areas support local businesses and lower-income BVHP Residents in the revitalization efforts of the Agency. Specifically, the Community Redevelopment law (which is codified in the California Health and Safety Code) states:

33422.1. Preference in Awarding Contracts to Local Businesses.

To the greatest extent feasible, contracts for work to be performed in connection with any redevelopment project shall be awarded to business concerns which are located in, or owned in the substantial part by persons residing in, the project area.

33422.3. Agency Specification of Workmen to be Lower-Income Project Area Residents for Certain Contracts.

To insure training and employment opportunities for lower-income project area residents, the agency may specify in the call for bids for any contract over one hundred thousand dollars (\$100,000) for work to be performed in connection with any redevelopment project that project area

residents, if available, shall be employed for a specified percentage of each craft or type of workmen needed to execute the contract or work.

33423. Prevailing Wage Rates Required.

Before awarding any contract for such work to be done in a project, the agency shall ascertain the general prevailing rate of per diem wages in the locality in which the work is to be performed, for each craft or type of workman needed to execute the contract or work, and shall specify in the call for bids for the contract and in the contract such rate and the general prevailing rate for regular holiday and overtime work in the locality, for each craft or type of workman needed to execute the contract.

33424. Payment of Prevailing Wages.

The contractor to whom the contract is awarded and any subcontractor under him shall pay not less than the specified prevailing rate of wages to all workmen employed in the execution of the contract.

33425. Penalty for Noncompliance with Prevailing Wages.

As a penalty to the agency which awarded the contract, the contractor shall forfeit ten dollars (\$10) for each calendar day or portion thereof for each workman paid less than the stipulated prevailing rates for any public work done under the contract by him or by any subcontractor under him. A stipulation to this effect shall be included in the contract.

33426. Record of Wages.

Each contractor and subcontractor shall keep an accurate record showing the name, occupation, and actual per diem wages paid to each workman employed by him in connection with the work. The record shall be kept open at all reasonable hours to the inspection of the agency.

VII. CONSTRUCTION WORKFORCE HIRES²

A. Procedures For Construction Workforce Hires

1. Compliance with the Policy

The Project Sponsor agrees and will require each Contractor and all subcontractors to use its good faith efforts to employ 50% of its construction workforce hires by trade and by hours from qualified BVHP Residents and then San Francisco Residents with First Consideration to BVHP Residents. Project Sponsors and Contractors will be deemed in compliance with this Employment and Contracting Policy by meeting or exceeding the goal or by taking the following steps in good faith towards compliance.

2. Execute Employment and Contracting Agreement

The Project Sponsor shall execute an Agreement which details the requirements of the Employment and Contracting Policy, as well as the Agency's Equal Opportunity Program, if

² The same procedure for construction workforce hires applies to all Project Sponsors regardless of whether the project is an Agency Action, private Significant Project, or small Private Project when the Project Sponsor has voluntarily subscribed to the Employment and Contracting Policy.

applicable. The Project Sponsor shall incorporate by reference or attach the Agreement to its contract with the general contractor. The general contractor shall do the same in its contracts with its subcontractors. Thus, each Contractor will be obligated to comply with the terms of the Agreement. The Project Sponsor and/or Contractors shall retain the executed Agreements and make them available to the Agency Compliance Officer upon request.

3. **Submission of Labor Force Projections and Other Data**

The general contractor shall submit, to the extent available, labor force projections to the Compliance Officer within two (2) weeks of award.

4. **Submit Subcontractor Information Form**

The general contractor shall submit to the Compliance Officer the Subcontractor Information Forms, twenty-four (24) hours prior to the preconstruction meeting. The Subcontractor Information Forms are available from the Compliance Officer upon request.

5. **Preconstruction Meeting**

The general contractor shall hold a preconstruction meeting which shall be attended by the Compliance Officer, the CBO assigned to the proposed project, all prime contractor(s) and all subcontractor(s). The preconstruction meeting shall be scheduled between two (2) days and thirty (30) days prior to the start of construction at a time and place convenient to all attendees. The purpose of the meeting is to discuss: the hiring goals, workforce composition, role of the CBOs, worker referral process, certified payroll reporting, procedure for termination and replacement of workers covered by this policy and to explore any anticipated problems in complying with the Employment and Contracting Policy. All questions regarding how this Employment and Contracting Policy applies to the Project Sponsor, general contractor, subcontractors and consultants should be answered at this meeting. Failure to hold or attend at least one (1) preconstruction meeting will be a breach of this Employment and Contracting Policy that may result in the Agency ordering a suspension of work until the breach has been cured. Suspension under this provision is not subject to arbitration.

6. **Submit Construction Worker Request Form**

For the Term of the Agreement, each time the Project Sponsor or Contractor seeks to hire workers for the construction or rehabilitation of improvements, they must first submit, by fax, email or hand delivery, an executed construction worker request form to the CBO. Preferably this request will be submitted at least two (2) business days before the workers are needed. However, requests with less than two (2) business days notice will be accepted. The construction worker request form will indicate generally: the number of workers needed, duration needed, required skills or trade and date/time to report. The construction worker request form is available from the CBO or Compliance Officer upon request.

7. **Response from CBO**

The CBO shall respond, in writing, via fax, email or hand delivery to each request for construction workers. The response shall state that the CBO was able to satisfy the request in full, in part or was unable to satisfy the request. The CBOs shall look to their own referral lists, as well as confer with other CBOs and CityBuild in an attempt to find qualified BVHP Residents and San

Francisco Residents. If the CBO is able to satisfy the request in full or in part, it shall direct the qualified BVHP Resident(s) or San Francisco Resident(s) to report to the Contractor on the date and time indicated in the request. If the CBO is unable to satisfy the request, then the CBO shall send a fax or email stating that no qualified BVHP Residents or San Francisco Residents are currently available.

8. **Action by Contractor When Referrals Available**

The Project Sponsor or Contractor whose request has been satisfied in full or in part shall make the final determination of whether the BVHP Residents or San Francisco Residents are qualified for the positions and the ultimate hiring decision. The Agency strongly encourages the Contractor to hire the qualified BVHP Residents or San Francisco Residents referred by the CBO. However, if the Contractor finds the BVHP Residents or San Francisco Residents are not qualified, then the Contractor shall send the BVHP Residents or San Francisco Residents back to the CBO. Before the close of business on the same day, the Contractor shall fax or email a statement addressed to the CBO stating in detail the reason(s) the BVHP Residents or San Francisco Residents were not qualified or the reason(s) for not hiring the BVHP Residents or San Francisco Residents. The CBO shall, within one (1) business day of receipt of the fax or email, send new qualified BVHP Residents or San Francisco Residents that meet the legitimate qualifications set by the Contractor or alternatively, send a fax or email stating that no qualified BVHP Residents or San Francisco Residents are currently available.

9. **Action by Contractor When Referrals Unavailable**

If a Contractor receives a response from the CBO stating that no qualified BVHP Residents or San Francisco Residents are currently available, then the Contractor may hire the number of construction workers requested from the CBO, using its own recruiting methods, giving first consideration to BVHP Residents and then San Francisco Residents. Any additional new construction workforce hires (including the replacement of any terminated workers) must comply with this Employment and Contracting Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from the CBO as proof of compliance and submit a copy of each response received to the Agency Compliance Officer upon request.

10. **Action by Contractor When No Response From CBO**

If a Contractor has not received a response to its construction worker request from the CBO within two (2) business days, then the Contractor should immediately advise the Agency Compliance Officer by phone, fax or email. The Agency Compliance Officer or his/her designee shall cause a response to be sent to the Contractor within two (2) business days of being notified. If the Contractor does not receive a response from the CBO within four (4) business days (the original two (2) business days plus the additional two (2) business days), then the Contractor may hire the number of construction workers requested from the CBO, using its own recruiting methods, giving first consideration to BVHP Residents and then San Francisco Residents. Any construction workforce hires (including the replacement of any terminated workers) must comply with this Employment and Contracting Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from the CBO as proof of compliance and submit a copy of each response received to the Agency Compliance Officer upon request. This Employment and Contracting Policy is intended to provide qualified BVHP and San Francisco

Residents with employment opportunities without causing undue delay in hiring needed construction workers.

11. **Action by Contractor When No Response From Union**

The Contractor should immediately advise the Agency Compliance Officer by phone, fax or email when the Contractor has sent a qualified BVHP Resident or San Francisco Resident to a union hall for referral in accordance with a collective bargaining agreement and the union did not refer the qualified BVHP or San Francisco Resident back for employment or when the union referral process impedes the Contractor's ability to meet its obligations under this policy. Conflicts between this Employment and Contracting Policy and any collective bargaining agreements will be resolved pursuant to Section XI (4).

12. **Hiring Apprentices**

A Contractor may meet part of the Construction Workforce Goal by hiring apprentices. However, hiring an apprentice does not satisfy or waive the trainee hiring obligation, if any, for design professionals. Unless otherwise permitted by law, apprentices must be trained pursuant to training programs approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training or the California Department of Industrial Relations, Division of Apprenticeship Standards. Credit towards compliance will only be given for paid apprentices actually working on the project. No credit is available for apprentices while receiving class room training. Under no circumstances shall the ratio of apprentices to journeymen in a particular trade or craft exceed 1:5.

13. **Termination and Replacement of Referrals**

If at any time it becomes necessary to terminate for cause a construction worker who was hired under this Employment and Contracting Policy, the Contractor shall notify the CBO in writing via fax or email and submit a report of termination pursuant to Section VII (B)(4). If the Contractor intends to fill the vacant position, then the Contractor shall follow the process set forth in this Employment and Contracting Policy beginning at Section VII (A)(6).

B. Reporting Requirements For Construction Workforce

1. **Submission of Certified Payroll Reports**

Each Contractor subject to this Employment and Contracting Policy shall submit to the Agency a certified payroll report for the preceding work week on each of its employees. The Project Sponsor is ultimately responsible for the submission of these reports by the Contractors. The certified payroll report is due to the Agency by noon each Wednesday. To facilitate compliance, the Agency uses the online LCP Tracker system (www.lcptracker.com) for submission of certified payroll reports. This system is available at no cost to the Contractor and LCP Tracker is compatible with all major computer payroll systems. Training and educational materials for LCP Tracker are available at no cost online and through the Compliance Officer. Contractors are required to report certified payroll using the LCP Tracker system at www.lcptracker.com. However, a waiver shall be granted pursuant to Section XI (10) to any Contractors who do not have a computer, online access or who use a computer payroll system that is incompatible with LCP Tracker.

2. **Contents of Certified Payroll Reports**

If certified payroll records are submitted via the LCP Tracker system, the required data points are already listed. If certified payroll records are submitted in paper form, the records shall be organized in an easily understandable format and contain **all** the following information: the name, address, telephone number, residency (Bayview Hunters Point, another redevelopment project area, San Francisco or other), last four (4) digits of the worker's Social Security number³, gender, ethnicity (see codes in Section VII (B)(8)), construction trade (see codes in Section VII (B)(8)), classification (e.g., mechanic, apprentice, trainee, helper or laborer), union affiliation (if any), dates of changes in status, daily and weekly number of hours worked, hourly wage rates (including rates of contributions for costs anticipated for fringe benefits or cash equivalents thereof), deductions made and actual wages paid. The foregoing notwithstanding, the reporting of hourly wage rates, deductions and actual wages paid are not required for Significant Projects unless the Project Sponsor has voluntarily subscribed to the Agency's Prevailing Wage Policy or the payment of prevailing wages is otherwise required by law. To the degree that existing certified payroll records satisfy these requirements, the Contractor shall not be required to maintain separate records.

3. **Additional Information**

In order to prevent unlawful discrimination in the selection, hiring and termination of employees on the basis of race, ethnicity, gender or any other basis prohibited by law and to identify and correct such unlawful practices, the Agency will monitor and collect information on the ethnicity and gender of each construction worker and apprentice. If an identifiable pattern of apparent discrimination is revealed by this additional information, it will be treated as a breach of this Employment and Contracting Policy and may be addressed as set forth in Section XII, Arbitration of Disputes.

4. **Report on Terminations**

In the event a BVHP Resident or San Francisco Resident hired pursuant to this Employment and Contracting Policy is terminated for cause, the responsible Contractor shall within two (2) days fax or email a termination report to the CBO with a copy to the Agency Compliance Officer stating in detail: (1) the name of the worker(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); (4) whether the Contractor replaced the construction worker(s); and (5) whether the replacement worker(s) were BVHP Resident(s) or San Francisco Resident(s).

6. **Failure to Submit Reports**

³ Note: The Project Sponsor is required to provide complete Social Security numbers upon the request of the Agency.

If a Contractor fails or refuses to provide the reports as required it will be treated as a breach of this Employment and Contracting Policy and may be addressed as set forth in Section XII, Arbitration of Disputes.

If the Project Sponsor’s or Contractor’s good faith efforts are at issue, the Contractor shall provide the Agency with the documentation of its efforts to comply with this Employment and Contracting Policy and the Agreement. However, design professionals are strongly encouraged to offer longer trainee employment periods to allow a more meaningful learning experience. (For example, a half-time or full-time assignment over the summer.) Although the initial contact shall be made by phone, the educational institution(s) may require the design professionals to send a confirming letter or fill out a form which the educational institution will provide. Each design professional is required to timely provide all of the information requested by the City or educational institution(s) in order to get the referrals.

The Agency strongly encourages the design professional to hire a qualified BVHP Resident or San Francisco Resident referred by the educational institution(s). The design professional shall notify each BVHP Resident and San Francisco Resident interviewed and the CBO in writing of the hiring decision.

6. **Action by Design Professionals When Referrals Unavailable**

If after contacting all of the educational institutions provided by the Agency Compliance Officer, the design professional is informed that no qualified BVHP residents or San Francisco Residents are currently available, then the design professional should wait thirty (30) days and contact the educational institutions a second time to inquire whether qualified San Francisco

If no qualified San Francisco Residents are currently available after the second request, then the design professional has fulfilled its obligation under this Section VIII, provided that the design professional has acted in good faith. The design professional must retain its file on all of the steps it took to comply with this policy and submit a copy of its file to the Agency Compliance Officer upon request.

7. **Action by Design Professional When No Response From Educational Institutions**

IX. PERMANENT / TEMPORARY WORKFORCE POLICY⁵

A. Permanent / Temporary Workforce Hires

1. Policy Statement

Due to the wide variety of development, both public and private, that occurs in the City and is anticipated to occur in the Project Area as redevelopment commences, it is difficult to develop a single hiring requirement or procedure that is appropriate in all situations. The Agency seeks to ensure that BVHP Residents have the opportunity to share in the permanent and temporary jobs that come from redevelopment in the Project Area. At the same time, the Agency seeks to assist Employers in meeting workforce demands for Significant Projects within the Project Area. The Agency has adopted a flexible approach to achieve these goals. The Employment and Contracting Policy sets an overall goal of 50% for permanent / temporary workforce hires but allows flexibility to tailor the remaining key terms of the Agreement to fit the specific project.

2. Compliance with the Policy

The Project Sponsor agrees and will require each Employer to use its good faith efforts to employ 50% of its permanent / temporary workforce from qualified BVHP Residents and then San Francisco Residents with First Consideration to BVHP Residents. Project Sponsors and Employers will be deemed in compliance with this Employment and Contracting Policy by meeting or exceeding the goal or by documenting the good faith efforts as set forth in the Agreement.

3. Negotiate and Execute Employment and Contracting Agreement

The Project Sponsor shall negotiate in good faith with the Agency's Contract Compliance staff to reach agreement on: (a) the Term of the Agreement; (b) the job titles or type of positions subject to this hiring obligation; (c) procedures for fulfilling the hiring obligation or meeting the good faith efforts; and (d) reporting requirements. These negotiations will be based upon the anticipated number of permanent and/or temporary positions created by the project. The executed Agreement will set forth the mutually agreed upon details, as well as the requirements of the Agency's Equal Opportunity Program, if applicable. The Project Sponsor shall incorporate by reference or attach the Agreement to its contract with the Employer. The Project Sponsor and/or Employer shall retain the executed Agreement and make it available to the Agency Compliance Officer upon request.

4. Review of Permanent / Temporary Workforce Policy

Working with the PAC, the CBOs and the City's workforce development systems, the Agency will review the Permanent / Temporary Workforce Policy and will revise the procedures

⁵ The same procedure for permanent / temporary workforce hires applies to all Project Sponsors regardless of whether the project is an Agency Action, private Significant Project, or small Private Project when the Project Sponsor has voluntarily subscribed to the Employment and Contracting Policy.

and goals as necessary to ensure that BVHP and San Francisco Residents are given First Consideration for these job opportunities.

X. AGENCY EQUAL OPPORTUNITY PROGRAM

A. Compliance with Agency's Equal Opportunity Program

Compliance with some or all of the Agency's Equal Opportunity Program may be mandatory or voluntary depending on whether the development is an Agency Action Project, private Significant Project, CityBuild / public improvement project or a small Private Project. The components of the Agency's Equal Opportunity Program are described briefly below for reference. The full policies and procedures associated with these programs are available from the Agency's Contract Compliance Division.

1. Small Business Enterprise Program

The Agency's Small Business Enterprise ("SBE") Program was adopted by Agency Resolution No. 133-2004 on November 16, 2004, as part of the Agency's Interim Purchasing Policy and Procedures, and may be amended from time to time. The SBE Program provides for first consideration in awarding subcontracts and sub-consulting opportunities to Agency certified local small business enterprises. The SBE Program is designed to help ensure that SBEs have a fair opportunity to compete for and participate in contracts related to Agency- Action Projects and other projects that are subject to the SBE Program. SBEs are divided into three groups: (1) Project Area SBEs, (2) Local SBEs (outside an Agency project or survey area, but within San Francisco), and (3) all other SBEs (outside of San Francisco). If subject to the SBE Program, the Project Sponsor and its Contractors and Employers must make good faith efforts to achieve the goal of 50% SBE participation for professional / personal services, and construction contracts. The SBE Program sets a contracting goal and thus is different from the Employment and Contracting Policy which sets hiring goals. The Project Sponsor's obligations under the SBE Program will be incorporated into a SBE Agreement ("**SBE Agreement**"). The Agency Executive Director will review and approve the SBE Agreement on behalf of the Agency. The Agency's Compliance Officer will ensure compliance with the requirements and will report periodically to the BVHP PAC and the Agency Commission on compliance matters.

2. Nondiscrimination in Contracts and Equal Benefits Policy

The Agency's Nondiscrimination in Contracts and Equal Benefits Policy was adopted by Agency Resolution No. 175-97 on September 9, 1997 and may be amended from time to time. The Nondiscrimination in Contracts and Equal Benefits Policy prohibits discrimination in contracting and which includes a prohibition on discrimination in providing benefits between employees with spouses and employees with domestic partners. This policy also requires that employee benefits be equally available to domestic partners as they are to spouses.

3. Minimum Compensation Policy and Health Care Accountability Policies

The Agency's Minimum Compensation Policy ("MCP") and Health Care Accountability Policy ("HCAP") were adopted by Agency Resolution 168-2001 on September 25, 2001 and may be amended from time to time. MCP requires that all "Covered Employees," as defined therein, receive a minimum level of compensation. HCAP requires offering health plan benefits to Covered Employees or to make payments to the City and County of San Francisco's Department of Public Health, or to participate in a health benefits program developed by the City and County of San Francisco's Director of Health.

4. Agency's Prevailing Wage Policy

The Agency's Prevailing Wage Policy (Labor Standards) was adopted by Agency Resolution No. 327-85 on November 12, 1985 and may be amended from time to time. The Agency's Prevailing Wage Policy applies to projects: (i) covered under Labor Code Section 1720 *et seq.*, (ii) that are Agency-Action Projects) or (iii) for which the Project Sponsor has voluntarily subscribed to this requirement. The Agency's Prevailing Wage Policy references the State's Labor Standards and the prevailing wage, benefits, eligibility, etc. are all calculated using the State's standards. In many instances, both the California Labor Code and the Agency's Prevailing Wage Policy will apply.

XI. EMPLOYMENT AND CONTRACTING POLICY - ADDITIONAL PROVISIONS

Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or

recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations.

4. **Collective Bargaining Exclusion**

Notwithstanding anything to the contrary in this Employment and Contracting Policy, if an Agreement conflicts with an existing labor agreement or collective bargaining agreement to which a Project Sponsor, Contractor or Employer is a party, the labor agreement or collective bargaining agreement shall prevail. Nothing in this Employment and Contracting Policy shall be interpreted to interfere with or prohibit existing labor agreements or collective bargaining agreements. However, the Project Sponsor, Contractor or Employer will still be obligated to provide workforce needs information to the CBO prior to hiring and the Employer will be obligated to make good faith efforts to comply with the requirements of its Employment and Contracting Policy Agreement that do not conflict with the collective bargaining agreement.

5. **No Conflict with State or Federal Law**

This Employment and Contracting Policy is to be implemented in a manner that does not conflict with applicable federal or state laws.

Whenever the Project Sponsor, Contractor or Employer subcontracts a portion of the work, it shall set forth verbatim and make binding on each subcontractor the provisions of this Employment and Contracting Policy. That subcontract shall then be deemed a Contractor or Employer for the purposes of this Employment and Contracting Policy and shall be subject to all of the requirements hereto.

9. **Severability**

If any part or provision of this Employment and Contracting Policy or the application thereof to any person or circumstance is held to be invalid, then the remainder of this Employment and Contracting Policy, including the application of such part or provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end, the provisions of this Employment and Contracting Policy are severable.

10. **Waiver**

Any of the Employment and Contracting Policy requirements may be waived by the Agency's Executive Director, if he/she determines for good cause shown that a specific requirement

is not relevant to the particular situation, would cause undue hardship, or that an alternative approach would better meet the goals of the Employment and Contracting Policy.

XII. ARBITRATION OF DISPUTES

1. Arbitration by AAA

The arbitration shall be submitted to the American Arbitration Association, San Francisco, California office (“AAA”) which will use the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. Such material shall be made part of the arbitration record.

5. Selection of Arbitrator

One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the Arbitration Parties in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) business days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be the arbitrator’s agreement to: (i) submit to all Arbitration Parties the disclosure statement required under California Code of Civil Procedure Section 1281.9; and (ii) render a decision within thirty (30) days from the date of the conclusion of the arbitration hearing.

e. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.

10. **Arbitrator's Decision**

The arbitrator will normally make his or her award within twenty (20) days after the date that the hearing is completed but in no event past thirty (30) days from the conclusion of the arbitration hearing; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

11. **Default Award; No Requirement to Seek an Order Compelling Arbitration**

The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) the person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.

12. **Arbitrator Lacks Power to Modify**

Except as expressly provided above in this Section XII, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of the Employment and Contracting Policy Agreement or to negotiate new agreements or provisions between the parties.

13. **Jurisdiction/Entry of Judgment**

The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The prevailing Arbitration Party (ies) shall be entitled to reimbursement for the arbitrator's fees and related costs of arbitration. Each Arbitration Party shall pay its own attorneys' fees, provided, however, that attorneys' fees may be awarded to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or defended in bad faith. Judgment upon the arbitrator's decision may be entered in any court of competent jurisdiction.

BVHP Employment and Contracting Policy	Mandatory ⁶	Mandatory	Voluntary but Encouraged	Voluntary but Encouraged
Small Business Enterprise Policy	Mandatory	Voluntary but Encouraged ⁷	Voluntary but Encouraged	Voluntary but Encouraged

Healthcare Accountability Policy	Mandatory	Voluntary but Encouraged	Voluntary but Encouraged	Voluntary but Encouraged
Agency’s Prevailing Wage Policy	Mandatory	Voluntary but Encouraged	Voluntary but Encouraged ⁸	Voluntary but Encouraged

⁶ Mandatory means that the Project Sponsor **is required** to comply with the Agency’s policy. However, each Agency policy has its own threshold and compliance requirements. For example, the Agency’s Minimum Compensation Policy (“MCP”) will apply to all Agency-Action projects but MCP has no compliance requirements for Project Sponsors with less than 25 employees.

⁷ Voluntary but Encouraged means that the Project Sponsor **is not required** to comply with the Agency’s policy as a condition to developing the project. However, the Agency’s Contract Compliance Department will encourage the Project Sponsor to subscribe voluntarily to these Agency policies. If the Project Sponsor voluntarily agrees to comply with one or more Agency’s policies, then those policies will be added as a condition to the building permit and at that point will become mandatory.

⁸ Public Improvements and public/private project receiving City funds are subject to the State of California’s prevailing wage requirements per California Labor Code Section 1720 *et seq.*

SECTION I. PURPOSE

This Inter-Agency Memorandum of Understanding (MOU) is between the San Francisco Redevelopment Agency (SFRA), San Francisco Housing Authority (SFHA), Mayor's Office of Housing (MOH), and Department of Economic and Workforce Development (DEWD), collectively referred to as the "MOU members."

The primary purpose of this MOU is to clarify and define the roles, responsibilities, goals and procedures of each of the aforementioned parties in relation to the City's "community benefit" program for the Hunters View Development Project. This "community benefit" program is designed to institute the mechanisms by which the Project's developer, Hunters View Associates L.P. (Developer), will demonstrate the requisite good faith efforts necessary to achieve the specified goals for the project. The specific programs to be enforced or executed are:

1. Small Business Enterprise Program
2. Bayview Hunters Point Employment & Contracting Policy*
3. Housing and Urban Development Act of 1968
4. San Francisco Housing Authority Resolutions No. 4967 and 3639

(*) These SFRA programs/goals are amended to incorporate SFHA goals and define how the developer and/or contractors/subcontractors can demonstrate their good faith efforts.

SECTION II. AGREEMENTS AMONG PARTICIPATING PARTIES

The San Francisco Redevelopment Agency (SFRA), San Francisco Housing Authority (SFHA), Mayor's Office of Housing (MOH), and Department of Economic and Workforce Development (DEWD) all agree as follows.

1. DEVELOPER COMPLIANCE

Compliance by the Developer with all the requirements contained in this MOU will relieve the Developer from all other workforce requirements, programs and policies of the MOU members.

2. CONSTRUCTION WORKFORCE

- a. The rules of the San Francisco Redevelopment Agency's Bayview Hunters Point Employment and Contracting Policy (BVHP ECP) governs construction workforce hiring and placement, with a residency modification to accommodate provisions in the Housing and Urban Development (HUD) Act of 1968, Section 3 and the San Francisco Housing Authority's Resolution Number 4967. These modifications are detailed in Section III of this MOU.
- b. SFRA will monitor and enforce the BVHP ECP.
- c. SFRA will provide access to all MOU members through an electronic certified payroll system (e.g., Elations).
- d. DEWD/CityBuild will serve as the lead and initial point of contact between the Bayview Hunters Point community and construction (sub)contractors for construction worker placement.
- e. Contractor and/or subcontractors will also submit to SFRA copies of all correspondences to/from CityBuild, SFHA, and/or trade unions requesting

resident workers and will attach these documents to their Certified Payroll Reports.

3. PROFESSIONAL SERVICES TRAINEE REQUIREMENTS

- a. The rules of the San Francisco Redevelopment Agency's Bayview Hunters Point Employment and Contracting Policy (BVHP ECP) governs trainee hiring and placement, with a residency modification to accommodate provisions in the Housing and Urban Development (HUD) Act of 1968, Section 3 and the San Francisco Housing Authority's Resolution Number 4967. These modifications are detailed in Section III of this MOU.
- b. SFRA will monitor and enforce the BVHP ECP.
- c. DEWD will serve as the lead and initial point of contact between the Bayview Hunters Point community and professional services (sub)consultants for trainee placement.

4. PERMANENT WORKFORCE

- a. The rules of the San Francisco Redevelopment Agency's Bayview Hunters Point Employment and Contracting Policy (BVHP ECP) governs permanent workforce hiring and placement, with a residency modification to accommodate provisions in the Housing and Urban Development (HUD) Act of 1968, Section 3 and the San Francisco Housing Authority's Resolution Number 4967. These modifications are detailed in Section III of this MOU.
- b. According to HUD, Section 3, at least 30 percent of the permanent, full-time employees hired should be Section 3 residents. After a Section 3 employee has been employed for 3 years, the employee may no longer be counted as a Section 3 employee to meet the 30 percent requirement. This requires recipients to continue hiring Section 3 residents when employment opportunities are available.
- c. SFRA will monitor and enforce the BVHP ECP.
- d. DEWD will serve as the lead and initial point of contact between the Bayview Hunters Point community and businesses for permanent workforce placement.
- e. For permanent workforce tracking, the developer and/or retail tenants will submit a permanent workforce report provided by SFRA. The developer and/or retail tenants will submit to SFRA copies of all correspondence to/from SFHA, or DEWD requesting assistance to ensure that permanent employment placement occurs according to the Section III priority.

SECTION III. SFHA REQUIREMENTS AND SFRA BVHP ECP MODIFICATIONS

1. Workforce Hiring Goals

San Francisco Housing Authority Goal: at least 25 percent of all workforce hours going toward Public Housing Residents as defined in San Francisco Housing Authority's Resolution number 4967 requirement. This goal is not additional; the hiring of Public Housing Residents counts toward the goal for participation of San Francisco residents.

San Francisco Redevelopment Agency Goal: The Goal for participation of San Francisco residents in each trade in the construction workforce: 50 percent of the total hours worked in each trade.

2. Permanent Workforce Hiring Goals

The Owner and the on-site retail tenants' permanent workforce requirements are outlined below.

- a. The rules of the San Francisco Redevelopment Agency's Bayview Hunters Point Employment and Contracting Policy (BVHP ECP) governs permanent workforce hiring and placement, with a residency modification to accommodate provisions in the Housing and Urban Development (HUD) Act of 1968, Section 3 and the San Francisco Housing Authority's Resolution Number 4967. These modifications are detailed in Section III of this MOU.
- b. According to HUD, Section 3, at least 30 percent of the permanent, full-time employees hired should be Section 3 residents. After a Section 3 employee has been employed for 3 years, the employee may no longer be counted as a Section 3 employee to meet the 30 percent requirement. This requires recipients to continue hiring Section 3 residents when employment opportunities are available.

3. Employment Placement Priority

Individuals will be placed in employment opportunities in the following order of preference, using good faith efforts:

1. Hunters View Public Housing residents (named on lease);
2. San Francisco Housing Authority residents within 94124;
3. San Francisco Housing Authority residents in 94134 and 94107;
4. San Francisco Housing Authority residents in other zip codes;
5. Hunters View Communities of Opportunities members;
6. Bayview Hunters Point Project Area residents; AND
7. San Francisco residents.

SECTION IV. ROLES AND RESPONSIBILITIES

A. San Francisco Redevelopment Agency: will serve as the primary agency to collect and share employment data with participating agencies. In addition, SFRA will be responsible for contract compliance. The SFRA is specifically responsible for workforce construction data collection and enforcement of the BVHP Employment and Contracting Policy.

B. San Francisco Housing Authority: will confirm residency in a public housing development and ensure qualified residents are referred to DEWD for employment opportunities. SFHA will also provide resident data to SFRA to track resident employment.

C. Mayor's Office of Housing: will not have any workforce related role.

D. Department Of Economic & Workforce Development: DEWD is the primary entity for developing and executing job-training program(s) specifically targeting residents to meet the goals and requirements outlined earlier. DEWD will also serve as the lead for referrals and placements.

To ensure an efficient work referral system, DEWD is the single point of contact and to work with the developer, its retail tenants and BVHP community for placement of San Francisco residents for permanent employment opportunities.

To ensure an efficient work referral system, the DEWD's CityBuild Program ("CityBuild") will be the lead and initial point of contact between the developer, its contractor/subcontractors and the BVHP community for placement of San Francisco residents for construction work.

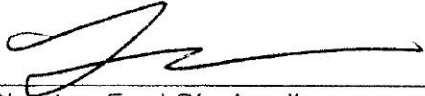

SECTION V. PREVAILING WAGE REQUIREMENTS

All contractors are required to pay not less than the prevailing wage rate as determined by the General Prevailing Wage Determination made by the Director of Industrial Relations.

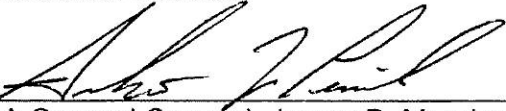

SECTION VI. COUNTERPARTS, FACSIMILE COPIES. This Agreement shall be executed simultaneously or in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement. This Agreement shall be effective upon transmission by any party to the other parties of a fully signed facsimile copy of the Agreement, so long as a copy of the Agreement signed by the transmitting party is delivered to the other parties within five (5) days thereafter.
