Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am female, Korean-Caucasian, a new mother, and a resident of Outer Sunset who does not own a car and bike commutes (with my infant), walks, or takes public transit to get around the city. I am heavily invested in ensuring bike infrastructure is safe enough in the city for everyone who wants to, including children, to bike safely to and from home to work or school.

**Business and/or Professional Experience:**

I am an in-house attorney who advises on legal and business risk, collaborates with business partners to develop strategies and policies for streamlining legal processes and addressing product-related issues, creates and negotiates agreements, and helps map out legal/contractual strategies for bringing new services to market. My experience involves a lot of listening, problem solving, communicating, advising stakeholders clearly and devising solutions that work for a diverse set of interests.

**Civic Activities:**

I recently joined the board of WalkSF, and I am an active volunteer for KidSafe SF and Great Highway Park, all to assist in my desire to help create safe community and commuting spaces for residents of SF. I have also volunteered at a number of non-profits, including SF-Marin Food Bank, Glide Memorial Church, La Casa de Madres, Habitat for Humanity, park clean up via Parks and Rec, Street Store (a pop-up to provide un-housed San Franciscans with an opportunity to select their donated clothing), and weeding invasive plants at Twin Peaks. I have also provided legal assistance pro bono through a variety of programs, including assisting eligible Dreamers to apply for DACA and assisting individuals with convictions to apply to expunge their eligible criminal records.

I am highly interested in investing in my community to help ensure that it is a good place for everyone to live.
