14 Section 37.2, to read as follows:

15 SEC. 37.2. DEFINITIONS.

16 (a) Base Rent.

17 (1) That rent which is charged a tenant upon initial occupancy plus any rent
18 increase allowable and imposed under this Chapter; provided, however, that base rent shall
19 not include increases imposed pursuant to Section 37.7 below or utility passthroughs or
20 general obligation passthroughs pursuant to Section 37.2(q) below. Base rent for tenants of
21 RAP rental units in areas designated on or after July 1, 1977, shall be that rent which was
22 established pursuant to Section 32.73-1 of the San Francisco Administrative Code. Rent
23 increases attributable to the City Administrator's amortization of an RAP loan in an area
24 designated on or after July 1, 1977, shall not be included in the base rent.

1 (2) From and after the effective date of this ordinance, the base rent for tenants
2 occupying rental units which have received certain tenant-based or project-based rental
3 assistance shall be as follows:

4 (A) With respect to tenant-based rental assistance:

5 (i) For any tenant receiving tenant-based assistance as of the effective date of this
6 ordinance (except where the rent payable by the tenant is a fixed percentage of the tenant's
7 income, such as in the Section 8 certificate program and the rental subsidy program for the
8 HOPWA program), and continuing to receive tenant-based rental assistance following the
9 effective date of this ordinance, the base rent for each unit occupied by such tenant shall be
10 the rent payable for that unit under the Housing Assistance Payments contract, as amended,
11 between the San Francisco Housing Authority and the landlord (the "HAP contract") with
12 respect to that unit immediately prior to the effective date of this ordinance (the "HAP" contract
13 rent").

14 (ii) For any tenant receiving tenant-based rental assistance (except where the rent
15 payable by the tenant is a fixed percentage of the tenant's income, such as in the Section 8
16 certificate program and the rental subsidy program for the HOPWA program), and
17 commencing occupancy of a rental unit following the effective date of this ordinance, the base
18 rent for each unit occupied by such a tenant shall be the HAP contract rent in effect as of the
19 date the tenant commences occupancy of such unit.

20 (iii) For any tenant whose tenant-based rental assistance terminates or expires, for
21 whatever reason, following the effective date of this ordinance, the base rent for each such
22 unit following expiration or termination shall be the HAP contract rent in effect for that unit
23 immediately prior to the expiration or termination of the tenant-based rental assistance.

24 (B) For any tenant occupying a unit upon the expiration or termination, for whatever
25 reason, of a project-based HAP contract under Section 8 of the United States Housing Act of

1 1937 (42 USC Section 1437f, as amended), the base rent for each such unit following
2 expiration or termination shall be the “contract rent” in effect for that unit immediately prior to
3 the expiration or termination of the project-based HAP contract.

4 (C) For any tenant occupying a unit upon the prepayment or expiration of any
5 mortgage insured by the United States Department of Housing and Urban Development
6 (“HUD”), including but not limited to mortgages provided under Sections 221(d)(3), 221(d)(4)
7 and 236 of the National Housing Act (12 USC Section 1715z-1), the base rent for each such
8 unit shall be the “basic rental charge” (described in 12 USC 1715z-1(f), or successor
9 legislation) in effect for that unit immediately prior to the prepayment of the mortgage, which
10 charge excludes the “interest reduction payment” attributable to that unit prior to the mortgage
11 prepayment or expiration.

12 (b) Board. The Residential Rent Stabilization and Arbitration Board.

13 (c) Capital Improvements. Those improvements which materially add to the value of
14 the property, appreciably prolong its useful life, or adapt it to new uses, and which may be
15 amortized over the useful life of the improvement of the building.

16 (d) CPI. Consumer Price Index for all Urban Consumers for the San Francisco-
17 Oakland Metropolitan Area, U.S. Department of Labor.

18 (e) Energy Conservation ~~Measures~~ Improvements. Work performed pursuant to the

22 Chapter 37.

24 occupancy of a rental unit including, but not limited to: repairs; replacement; maintenance;
25 painting; light; heat; water; elevator service; laundry facilities and privileges; janitor service;

1 refuse removal; furnishings; telephone; parking; rights permitted the tenant by agreement,
2 including the right to have a specific number of occupants, whether express or implied, and
3 whether or not the agreement prohibits subletting and/or assignment; and any other benefits,
4 privileges or facilities.

5 (h) Landlord. An owner, lessor, sublessor, who receives or is entitled to receive rent
6 for the use and occupancy of any residential rental unit or portion thereof in the City and
7 County of San Francisco, and the agent, representative or successor of any of the foregoing.

8 (i) Member. A member of the Residential Rent Stabilization and Arbitration Board.

9 (j) Over FMR Tenancy Program. A regular certificate tenancy program whereby the
10 base rent, together with a utility allowance in an amount determined by HUD, exceeds the fair
11 market rent limitation for a particular unit size as determined by HUD.

12 (k) Payment Standard. An amount determined by the San Francisco Housing
13 Authority that is used to determine the amount of assistance paid by the San Francisco
14 Housing Authority on behalf of a tenant under the Section 8 Voucher Program (24 CFR Part

17 Administrative Code).

18 (m) RAP Rental Units. Residential dwelling units subject to RAP loans pursuant to
19 Chapter 32, San Francisco Administrative Code.

20 (n) Real Estate Department. A city department in the City and County of San
21 Francisco.

22 (o) Rehabilitation Work. Any rehabilitation or repair work done by the landlord with
23 regard to a rental unit, or to the common areas of the structure containing the rental unit,
24 which work was done in order to be in compliance with State or local law, or was done to
25 repair damage resulting from fire, earthquake or other casualty or natural disaster.

1 (p) Rent. The consideration, including any bonus, benefits or gratuity, demanded or
2 received by a landlord for or in connection with the use or occupancy of a rental unit, or the
3 assignment of a lease for such a unit, including but not limited to monies demanded or paid
4 for parking, furnishing, food service, housing services of any kind, or subletting.

5 (q) Rent Increases. Any additional monies demanded or paid for rent as defined in
6 item (p) above, or any reduction in housing services without a corresponding reduction in the
7 monies demanded or paid for rent; provided, however, that (1) where the landlord has been
8 paying the tenant's utilities and cost of those utilities increase, the landlord's passing through
9 to the tenant of such increased costs does not constitute a rent increase; and (2) where there
10 has been a change in the landlord's property tax attributable to a ballot measure approved by
11 the voters between November 1, 1996, and November 30, 1998, or after [May 1, 2002 or 60
12 days prior to passage of this Ordinance on Second Reading, whichever is later], the landlord's
13 passing through of such increased costs in accordance with this Chapter does not constitute a
14 rent increase.

15 (r) Rental Units. All residential dwelling units in the City and County of San
16 Francisco together with the land and appurtenant buildings thereto, and all housing services,
17 privileges, furnishings and facilities supplied in connection with the use or occupancy thereof,
18 including garage and parking facilities. The term shall not include:

19 (1) Housing accommodations in hotels, motels, inns, tourist houses, rooming and
20 boarding houses, provided that at such time as an accommodation has been occupied by a
21 tenant for 32 continuous days or more, such accommodation shall become a rental unit
22 subject to the provisions of this Chapter; provided further, no landlord shall bring an action to
23 recover possession of such unit in order to avoid having the unit come within the provisions of
24 this Chapter. An eviction for a purpose not permitted under Section 37.9(a) shall be deemed
25

1 to be an action to recover possession in order to avoid having a unit come within the
2 provisions of this Chapter;

3 (2) Dwelling units in nonprofit cooperatives owned, occupied and controlled by a
4 majority of the residents or dwelling units solely owned by a nonprofit public benefit
5 corporation governed by a board of directors the majority of which are residents of the
6 dwelling units and where it is required in the corporate by-laws that rent increases be
7 approved by a majority of the residents;

8 (3) Housing accommodation in any hospital, convent, monastery, extended care
9 facility, asylum, residential care or adult day health care facility for the elderly which must be
10 operated pursuant to a license issued by the California Department of Social Services, as
11 required by California Health and Safety Chapters 3.2 and 3.3; or in dormitories owned and
12 operated by an institution of higher education, a high school, or an elementary school;

13 (4) Except as provided in Subsections (A) and (B), dwelling units whose rents are
14 controlled or regulated by any government unit, agency or authority, excepting those
15 unsubsidized and/or unassisted units which are insured by the United States Department of
16 Housing and Urban Development; provided, however, that units in unreinforced masonry
17 buildings which have undergone seismic strengthening in accordance with Building Code
18 Chapters ~~14-16B~~ and ~~15-16C~~ shall remain subject to the Rent Ordinances to the extent that the
19 ordinance is not in conflict with the seismic strengthening bond program or with the program's
20 loan agreements or with any regulations promulgated thereunder;

21 (A) For purposes of Sections 37.2, 37.3(a)(10)(A), 37.4, 37.5, 37.6, 37.9, 37.9A,
22 37.10A, 37.11A and 37.13, and the arbitration provisions of Sections 37.8 and 37.8A
23 applicable only to the provisions of Sections 37.3(a)(10)(A), the term "rental units" shall
24 include units occupied by recipients of tenant-based rental assistance where the tenant-based
25 rental assistance program does not establish the tenant's share of base rent as a fixed

1 percentage of a tenant's income, such as in the Section 8 voucher program and the “Over-
2 FMR Tenancy” program defined in 24 CFR Section 982.4;

3 (B) For purposes of Sections 37.2, 37.3(a)(10)(B), 37.4, 37.5, 37.6, 37.9, 37.9A,
4 37.10A, 37.11A and 37.13, the term “rental units” shall include units occupied by recipients of
5 tenant-based rental assistance where the rent payable by the tenant under the tenant-based
6 rental assistance program is a fixed percentage of the tenant's income; such as in the Section
7 8 certificate program and the rental subsidy program for the Housing Opportunities for
8 Persons with Aids (“HOPWA”) program (42 U.S.C. Section 12901 et seq., as amended).

9 (5) Rental units located in a structure for which a certificate of occupancy was first
10 issued after the effective date of this ordinance, except as provided for certain categories of
11 units and dwellings by Section 37.3(d) and Section 37.9A(b) of this Chapter;

12 (6) Dwelling units in a building which has undergone substantial rehabilitation after
13 the effective date of this ordinance; provided, however, that RAP rental units are not subject to
14 this exemption.

15 (7) Dwellings or units otherwise subject to this Chapter 37, to the extent such
16 dwellings or units are partially or wholly exempted from rent increase limitations by the Costa-
17 Hawkins Rental Housing Act (California Civil Code Sections 1954.50. et seq.) and/or San
18 Francisco Administrative Code Section 37.3(d).

19 (s) Substantial Rehabilitation. The renovation, alteration or remodeling of residential
20 units of 50 or more years of age which have been condemned or which do not qualify for
21 certificates of occupancy or which require substantial renovation in order to conform the
22 building to contemporary standards for decent, safe and sanitary housing. Substantial
23 rehabilitation may vary in degree from gutting and extensive reconstruction to extensive
24 improvements that cure substantial deferred maintenance. Cosmetic improvements alone
25

1 such as painting, decorating and minor repairs, or other work which can be performed safely
2 without having the unit vacated do not qualify as substantial rehabilitation.

3 (t) Tenant. A person entitled by written or oral agreement, sub-tenancy approved
4 by the landlord, or by sufferance, to occupy a residential dwelling unit to the exclusion of
5 others.

6 (u) Tenant-Based Rental Assistance. Rental assistance provided directly to a tenant
7 or directly to a landlord on behalf of a particular tenant, which includes but shall not be limited
8 to certificates and vouchers issued pursuant to Section 8 of the United States Housing Act of
9 1937, as amended (42 U.S.C. Section 1437f) and the HOPWA program.

10 (v) Utilities. The term "utilities" shall refer to gas and electricity exclusively.
11
12

13 Section 2. The San Francisco Administrative Code is hereby amended by amending
14 Section 37.3, to read as follows:

15 SEC. 37.3. RENT LIMITATIONS.

16 (a) Rent Increase Limitations for Tenants in Occupancy. Landlords may impose rent
17 increases upon tenants in occupancy only as provided below and as provided by Subsection
18 37.3(d):

19 (1) Annual Rent Increase. On March 1st of each year, the Board shall publish the
20 increase in the CPI for the preceding 12 months, as made available by the U.S. Department of
21 Labor. A landlord may impose annually a rent increase which does not exceed a tenant's
22 base rent by more than 60 percent of said published increase. In no event, however, shall the
23 allowable annual increase be greater than seven percent.

24 (2) Banking. A landlord who refrains from imposing an annual rent increase or any
25 portion thereof may accumulate said increase and impose that amount on the tenant's

1 subsequent rent increase anniversary dates. A landlord who, between April 1, 1982, and
2 February 29, 1984, has banked an annual seven percent rent increase (or rent increases) or
3 any portion thereof may impose the accumulated increase on the tenant's subsequent rent
4 increase anniversary dates.

5 (3) Capital Improvements, Rehabilitation, ~~and~~ Energy Conservation ~~Measures~~
6 Improvements, and Renewable Energy Improvements. A landlord may impose rent increases
7 based upon the cost of capital improvements, rehabilitation, ~~or~~ energy conservation ~~measures~~
8 improvements, or renewable energy improvements, provided that such costs are certified pursuant
9 to Sections 37.7 and 37.8B below; provided further that where a landlord has performed
10 seismic strengthening in accordance with Building Code Chapters ~~14-16B~~ and ~~15-16C~~, no
11 increase for capital improvements (including but not limited to seismic strengthening) shall
12 exceed, in any 12 month period, 10 percent of the tenant's base rent, subject to rules adopted
13 by the Board to prevent landlord hardship and to permit landlords to continue to maintain their
14 buildings in a decent, safe and sanitary condition. A landlord may accumulate any certified
15 increase which exceeds this amount and impose the increase in subsequent years, subject to
16 the 10 percent limitation. Nothing in this subsection shall be construed to supersede any
17 Board rules or regulations with respect to limitations on increases based upon capital
18 improvements whether performed separately or in conjunction with seismic strengthening
19 improvements pursuant to Building Code Chapters ~~14-16B~~ and ~~15-16C~~.

20 (4) Utilities. A landlord may impose increases based upon the cost of utilities as
21 provided in Section 37.2(q) above.

22 (5) Charges Related to Excess Water Use. A landlord may impose increases not to
23 exceed 50 percent of the excess use charges (penalties) levied by the San Francisco Water
24 Department on a building for use of water in excess of Water Department allocations under
25 the following conditions:

1 (A) The landlord provides tenants with written certification that the following have
2 been installed in all units: (1) permanently installed retrofit devices designed to reduce the
3 amount of water used per flush or low-flow toilets (1.6 gallons per flush); (2) low-flow
4 showerheads which allow a flow of no more than 2.5 gallons per minute; and (3) faucet
5 aerators (where installation on current faucets is physically feasible); and

6 (B) The landlord provides the tenants with written certification that no known
7 plumbing leaks currently exist in the building and that any leaks reported by tenants in the
8 future will be promptly repaired; and

9 (C) The landlord provides the tenants with a copy of the water bill for the period in
10 which the penalty was charged. Only penalties billed for a service period which begins after
11 the effective date of the ordinance [April 20, 1991] may be passed through to tenants. Where
12 penalties result from an allocation which does not reflect documented changes in occupancy
13 which occurred after March 1, 1991, a landlord must, if requested in writing by a tenant, make
14 a good-faith effort to appeal the allotment. Increases based upon penalties shall be prorated
15 on a per-room basis provided that the tenancy existed during the time the penalty charges
16 accrued. Such charges shall not become part of a tenant's base rent. Where a penalty in any
17 given billing period reflects a 25 percent or more increase in consumption over the prior billing
18 period, and where that increase does not appear to result from increased occupancy or any
19 other known use, a landlord may not impose any increase based upon such penalty unless
20 inspection by a licensed plumber or Water Department inspector fails to reveal a plumbing or
21 other leak. If the inspection does reveal a leak, no increase based upon penalties may be
22 imposed at any time for the period of the unrepaired leak.

23 (6) Property Tax. A landlord may impose increases based upon a 100% passthrough
24 of the change in the landlord's property tax resulting from the repayment of general obligation
25

1 bonds of the City and County of San Francisco approved by the voters between November 1,
2 1996, and November 30, 1998, as provided in Section 37.2(q) above.

3 A landlord may impose increases based upon a 50% passthrough of the change in the landlord's
4 property tax resulting from the repayment of general obligation bonds of the City and County of San
5 Francisco approved by the voters after [May 1, 2002 or 60 days prior to passage of this Ordinance on
6 Second Reading, whichever is later], as provided in Section 37.2(q) above, and subject to the following
7 requirement: Any rent increase for bonds approved after the effective date of this initiative
8 ordinance [November 2000 Proposition H, effective December 20, 2000] must be disclosed and
9 approved by the voters.

10 The amount of such increase shall be determined for each tax year as follows:

11 (A) For general obligation bonds approved by the voters between November 1, 1996 and
12 November 30, 1998:

13 (A i) The Controller and the Board of Supervisors will determine the percentage of
14 the property tax rate, if any, in each tax year attributable to general obligation bonds approved
15 by the voters between November 1, 1996, and November 30, 1998, and repayable within
16 such tax year.

17 (B ii) This percentage shall be multiplied by the total amount of the net taxable value
18 for the applicable tax year. The result is the dollar amount of property taxes for that tax year
19 for a particular property attributable to the repayment of general obligation bonds approved by
20 the voters between November 1, 1996, and November 30, 1998.

21 (C iii) The dollar amount calculated under Subsection (B ii) shall be divided by the total
22 number of all units in each property, including commercial units. That figure shall be divided
23 by 12 months, to determine the monthly per unit costs for that tax year of the repayment of
24 general obligation bonds approved by the voters between November 1, 1996, and November
25 30, 1998.

1 (B) For general obligation bonds approved by the voters after [May 1, 2002 or 60 days
2 prior to passage of this Ordinance on Second Reading, whichever is later] where any rent increase has
3 been disclosed and approved by the voters:

4 (i) The Controller and the Board of Supervisors will determine the percentage of the
5 property tax rate, if any, in each tax year attributable to general obligation bonds approved by the
6 voters after [May 1, 2002 or 60 days prior to passage of this Ordinance on Second Reading, whichever
7 is later], and repayable within such tax year.

8 (ii) This percentage shall be multiplied by the total amount of the net taxable value for the
9 applicable tax year. The result is the dollar amount of property taxes for that tax year for a particular
10 property attributable to the repayment of general obligation bonds approved by the voters after [May
11 1, 2002 or 60 days prior to passage of this Ordinance on Second Reading, whichever is later].

12 (iii) The dollar amount calculated under Subsection (ii) shall be divided by two, and then by
13 the total number of all units in each property, including commercial units. That figure shall be divided
14 by 12 months, to determine the monthly per unit costs for that tax year of the repayment of general
15 obligation bonds approved by the voters after [May 1, 2002 or 60 days prior to passage of this
16 Ordinance on Second Reading, whichever is later].

17 (D C) Landlords may pass through to each unit in a particular property the dollar
18 amount_s calculated under ~~this~~ these Subsection_s 37.3(6)(A) and (B). ~~This~~ These passthrough_s
19 may be imposed only on the anniversary date of each tenant's occupancy of the property. ~~This~~
20 These passthrough_s shall not become a part of a tenant's base rent. The amount of each
21 annual passthrough imposed pursuant to this Subsection (6) may vary from year-to-year,
22 depending on the amount calculated under Subsections (A) ~~through~~ and (C B). Each annual
23 passthrough shall apply only for the 12 month period after it is imposed. A landlord may
24 impose the passthrough_s described in this Subsection (6) for a particular tax year only with
25 respect to those tenants who were residents of a particular property on November 1st of the

1 applicable tax year. A landlord shall not impose a passthrough pursuant to this Subsection (6)
2 if the landlord has filed for or received Board approval for a rent increase under Section
3 37.8(e)(4) for increased operating and maintenance expenses in which the same increase in
4 property taxes due to the repayment of general obligation bonds was included in the
5 comparison year cost totals.

6 (~~E D~~) The Board will have available a form which explains how to calculate the
7 passthrough.

8 (~~F E~~) Landlords must provide to tenants, *at least 30 days prior to the imposition of the on*
9 *or before the date that notice is served on the tenant of a* passthrough permitted under this
10 Subsection (6), a copy of the completed form described in Subsection (~~E D~~). This completed
11 form shall be provided in addition to the Notice of Rent Increase required under Section
12 37.3(b)(5). A tenant~~s~~ may petition for a hearing under the procedure described in Section 37.8
13 where the tenant alleges that a landlord has imposed a charge which exceeds the limitations
14 set forth in this Subsection (6). In such a hearing, the burden of proof shall be on the landlord.
15 Tenant petitions regarding this passthrough must be filed within one year of the effective date
16 of the passthrough.

17 (~~G F~~) The Board may amend its rules and regulations as necessary to implement this
18 Subsection (6).

19 (7) RAP Loans. A landlord may impose rent increases attributable to the City
20 Administrator's amortization of the RAP loan in an area designated on or after July 1, 1977,
21 pursuant to Chapter 32 of the San Francisco Administrative Code.

22 (8) Additional Increases. A landlord who seeks to impose any rent increase which
23 exceeds those permitted above shall petition for a rental arbitration hearing pursuant to
24 Section 37.8 of this Chapter.

25

1 (9) A landlord may impose a rent increase to recover costs incurred for the
2 remediation of lead hazards, as defined in San Francisco Health Code Article 26. Such
3 increases may be based on changes in operating and maintenance expenses or for capital
4 improvement expenditures as long as the costs which are the basis of the rent increase are a
5 substantial portion of the work which abates or remediates a lead hazard, as defined in San
6 Francisco Health Code Article 26, and provided further that such costs are approved for
7 operating and maintenance expense increases pursuant to Section 37.8(e)(4)(A) and certified
8 as capital improvements pursuant to Section 37.7 below.

9 When rent increases are authorized by this Subsection 37.3(a)(9), the total rent
10 increase for both operating and maintenance expenses and capital improvements shall not
11 exceed 10 percent in any 12 month period. If allowable rent increases due to the costs of lead
12 remediation and abatement work exceed 10 percent in any 12 month period, an
13 Administrative Law Judge shall apply a portion of such excess to approved operating and
14 maintenance expenses for lead remediation work, and the balance, if any, to certified capital
15 improvements, provided, however, that such increase shall not exceed 10 percent. A landlord
16 may accumulate any approved or certified increase which exceeds this amount, subject to the
17 10 percent limit.

18 (10) With respect to units occupied by recipients of tenant-based rental assistance:

19 (A) If the tenant's share of the base rent is not calculated as a fixed percentage of
20 the tenant's income, such as in the Section 8 voucher program and the Over-FMR Tenancy
21 Program, then:

22 (i) If the base rent is equal to or greater than the payment standard, the rent
23 increase limitations in Sections 37.3(a)(1) and (2) shall apply to the entire base rent, and the
24 arbitration procedures for those increases set forth in Section 37.8 and 37.8A shall apply.
25

1 (ii) If the base rent is less than the payment standard, the rent increase limitations
2 of this Chapter shall not apply; provided, however, that any rent increase which would result in
3 the base rent being equal to or greater than the payment standard shall not result in a new
4 base rent that exceeds the payment standard plus the increase allowable under Section
5 37.3(a)(1).

6 (B) If the tenant's share of the base rent is calculated as a fixed percentage of the
7 tenant's income, such as in the Section 8 certificate program and the rental subsidy program
8 for the HOPWA program, the rent increase limitations in Section 37.3(a)(1) and (2) shall not
9 apply. In such circumstances, adjustments in rent shall be made solely according to the
10 requirements of the tenant-based rental assistance program.

11 (b) Notice of Rent Increase for Tenants in Occupancy. On or before the date upon
12 which a landlord gives a tenant legal notice of a rent increase, the landlord shall inform the
13 tenant, in writing, of the following:

14 (1) Which portion of the rent increase reflects the annual increase, and/or a banked
15 amount, if any;

16 (2) Which portion of the rent increase reflects costs for increased operating and
17 maintenance expenses, rents for comparable units, and/or capital improvements,
18 rehabilitation, ~~or~~ energy conservation *measures improvements, or renewable energy improvements*
19 certified pursuant to Section 37.7. Any rent increase certified due to increases in operating
20 and maintenance costs shall not exceed seven percent;

21 (3) Which portion of the rent increase reflects the passthrough of charges for gas
22 and electricity, or bond measure costs described in Section 37.3(a)(6) above, which charges
23 shall be explained in writing on a form provided by the Board as described in Section
24 37.3(a)(6)(E);
25

1 (4) Which portion of the rent increase reflects the amortization of the RAP loan, as
2 described in Section 37.3(a)(7) above.

3 (5) Nonconforming Rent Increases. Any rent increase which does not conform with
4 the provisions of this Section shall be null and void.

5 (6) With respect to rental units occupied by recipients of tenant-based rental
6 assistance, the notice requirements of this Subsection (b) shall be required in addition to any
7 notice required as part of the tenant-based rental assistance program.

8 (c) Initial Rent Limitation for Subtenants. A tenant who subleases his or her rental
9 unit may charge no more rent upon initial occupancy of the subtenant or subtenants than that
10 rent which the tenant is currently paying to the landlord.

11 (d) Costa-Hawkins Rental Housing Act (Civil Code Sections 1954.50. et seq.)
12 Consistent with the Costa-Hawkins Rental Housing Act (Civil Code Sections 1954.50. et seq.)
13 and regardless of whether otherwise provided under Chapter 37:

14 (1) Property Owner Rights to Establish Initial and All Subsequent Rental Rates for
15 Separately Alienable Parcels.

16 (A) An owner or residential real property may establish the initial and all subsequent
17 rental rates for a dwelling or a unit which is alienable separate from the title to any other
18 dwelling unit or is a subdivided interest in a subdivision as specified in subdivision (b), (d), or
19 (f) of Section 11004.5 of the California Business and Professions Code. The owner's right to
20 establish subsequent rental rates under this paragraph shall not apply to a dwelling or unit
21 where the preceding tenancy has been terminated by the owner by notice pursuant to
22 California Civil Code Section 1946 or has been terminated upon a change in the terms of the
23 tenancy noticed pursuant to California Civil Code Section 827; in such instances, the rent
24 increase limitation provisions of Chapter 37 shall continue to apply for the duration of the new
25 tenancy in that dwelling or unit.

1 (B) Where the initial or subsequent rental rates of a Subsection 37.3(d)(1)(A)
2 dwelling or unit were controlled by the provisions of Chapter 37 on January 1, 1995, the
3 following shall apply:

4 (i) A tenancy that was in effect on December 31, 1995, remains subject to the rent
5 control provisions of this Chapter 37, and the owner may not otherwise establish the
6 subsequent rental rates for that tenancy.

7 (ii) On or after January 1, 1999, an owner may establish the initial and all
8 subsequent rental rates for any tenancy created on or after January 1, 1996.

9 (C) An owner's right to establish subsequent rental rates under Subsection
10 37.3(d)(1) shall not apply to a dwelling or unit which contains serious health, safety, fire or
11 building code violations, excluding those caused by disasters, for which a citation has been
12 issued by the appropriate governmental agency and which has remained unabated for six
13 months or longer preceding the vacancy.

14 (2) Conditions for Establishing the Initial Rental Rate Upon Sublet or Assignment.
15 Except as identified in this Subsection 37.3(d)(2), nothing in this Subsection or any other
16 provision of law of the City and County of San Francisco shall be construed to preclude
17 express establishment in a lease or rental agreement of the rental rates to be applicable in the
18 event the rental unit subject thereto is sublet, and nothing in this Subsection shall be
19 construed to impair the obligations of contracts entered into prior to January 1, 1996, subject
20 to the following:

21 (A) Where the original occupant or occupants who took possession of the dwelling
22 or unit pursuant to the rental agreement with the owner no longer permanently reside there,
23 an owner may increase the rent by any amount allowed by this Subsection to a lawful
24 sublessee or assignee who did not reside at the dwelling or unit prior to January 1, 1996.
25 However, such a rent increase shall not be permitted while:

1 (i) The dwelling or unit has been cited in an inspection report by the appropriate
2 governmental agency as containing serious health, safety, fire, or building code violations, as
3 defined by Section 17920.3 of the California Health and Safety Code, excluding any violation
4 caused by a disaster; and,

5 (ii) The citation was issued at least 60 days prior to the date of the vacancy: and,

6 (iii) The cited violation had not been abated when the prior tenant vacated and had
7 remained unabated for 60 days or for a longer period of time. However, the 60-day time
8 period may be extended by the appropriate governmental agency that issued the citation.

9 (B) This Subsection 37.3(d)(2) shall not apply to partial changes in occupancy of a
10 dwelling or unit where one or more of the occupants of the premises, pursuant to the
11 agreement with the owner provided for above (37.3(d)(2)), remains an occupant in lawful
12 possession of the dwellings or unit, or where a lawful sublessee or assignee who resided at
13 the dwelling or unit prior to January 1, 1996, remains in possession of the dwelling or unit.
14 Nothing contained in this Subsection 37.3(d)(2) shall be construed to enlarge or diminish an
15 owner's right to withhold consent to a sublease or assignment.

16 (C) Acceptance of rent by the owner shall not operate as a waiver or otherwise
17 prevent enforcement of a covenant prohibiting sublease or assignment or as a waiver of an
18 owner's rights to establish the initial rental rate unless the owner has received written notice
19 from the tenant that is party to the agreement and thereafter accepted rent.

20 (3) Termination or Nonrenewal of a Contract or Recorded Agreement with a
21 Government Agency Limiting Rent. An owner who terminates or fails to renew a contract or
22 recorded agreement with a governmental agency that provides for a rent limitation to a
23 qualified tenant, shall be subject to the following:

24 (A) The tenant(s) who were beneficiaries of the contract or recorded agreement
25 shall be given at least 90 days' written notice of the effective date of the termination and shall

1 not be obligated to pay more than the tenant's portion of the rent, as calculated under that
2 contract or recorded agreement, for 90 days following receipt of the notice of termination or
3 nonrenewal.

4 (B) The owner shall not be eligible to set an initial rent for three years following the
5 date of the termination or nonrenewal of the contract or agreement.

6 (C) The rental rate for any new tenancy established during the three-year period in
7 that vacated dwelling or unit shall be at the same rate as the rent under the terminated or
8 nonrenewed contract or recorded agreement, plus any increases authorized under this
9 Chapter 37 after the date of termination/non renewal.

10 (D) The provisions of Subsections 37.3(d)(3)(B) and (C) shall not apply to any new
11 tenancy of 12 months or more duration established after January 1, 2000, pursuant to the
12 owner's contract or recorded agreement with a governmental agency that provides for a rent
13 limitation to a qualified tenant unless the prior vacancy in that dwelling or unit was pursuant to
14 a nonrenewed or canceled contract or recorded agreement with a governmental agency that
15 provides for a rent limitation to a qualified tenant.

16 (4) Subsection 37.3(d) does not affect the authority of the City and County of San
17 Francisco to regulate or monitor the basis or grounds for eviction.

18 (5) This Subsection 37.3(d) is intended to be and shall be construed to be
19 consistent with the Costa-Hawkins Rental Housing Act (Civil Code Sections 1954.50. et seq.)

20 (e) Effect of Deferred Maintenance on Passthroughs for Lead Remediation
21 Techniques.

22 (1) When lead hazards, which have been remediated or abated pursuant to San
23 Francisco Health Code Article 26, are also violations of State or local housing health and
24 safety laws, the costs of such work shall not be passed through to tenants as either a capital
25 improvement or an operating and maintenance expense if the Administrative Law Judge finds

1 that the deferred maintenance, as defined herein, of the current or previous landlord caused
2 or contributed to the existence of the violation of law.

3 (2) In any unit occupied by a lead-poisoned child and in which there exists a lead
4 hazard, as defined in San Francisco Health Code Article 26, there shall be a rebuttable
5 presumption that violations of State or local housing health and safety laws caused or created
6 by deferred maintenance, caused or contributed to the presence of the lead hazards. If the
7 landlord fails to rebut the presumption, that portion of the petition seeking a rent increase for
8 the costs of lead hazard remediation or abatement shall be denied. If the presumption is
9 rebutted, the landlord shall be entitled to a rent increase if otherwise justified by the standards
10 set forth in this Chapter.

11 (3) For purposes of the evaluation of petitions for rent increases for lead
12 remediation work, maintenance is deferred if a reasonable landlord under the circumstances
13 would have performed, on a regular basis, the maintenance work required to keep the
14 premises from being in violation of housing safety and habitability standards set forth in
15 California Civil Code Section 1941 and the San Francisco Municipal Code. In order to prevail
16 on a deferred maintenance defense, a tenant must show that the level of repair or remediation
17 currently required would have been lessened had maintenance been performed in a more
18 timely manner.

1 Section 3. The San Francisco Administrative Code is hereby amended by amending
2 Section 37.7, to read as follows:

3 SEC. 37.7. CERTIFICATION OF RENTAL INCREASES FOR CAPITAL
4 IMPROVEMENTS, REHABILITATION WORK, ~~AND~~ ENERGY CONSERVATION ~~MEASURES~~
5 IMPROVEMENTS, AND RENEWABLE ENERGY IMPROVEMENTS.

6 (a) Authority. In accordance with such guidelines as the Board shall establish, the
7 Board and designated Administrative Law Judges shall have the authority to conduct hearings
8 in order to certify rental increases to the extent necessary to amortize the cost of capital
9 improvements, rehabilitations, ~~and~~ energy conservation ~~measures~~ improvements, and renewable
10 energy improvements. Costs determined to be attributable to such work and improvements shall
11 be amortized over a period which is fair and reasonable for the type and the extent of the work
12 and improvements, and which will provide an incentive to landlords to maintain, improve and
13 renovate their properties while at the same time protecting tenants from excessive rent
14 increases. Costs attributable to routine repair and maintenance shall not be certified.

15 (b) Requirements for Certification. The Board and designated Administrative Law
16 Judges may only certify the costs of capital improvements, rehabilitation, ~~and~~ energy
17 conservation ~~measures~~ improvements, and renewable energy improvements, where the following
18 criteria are met:

19 (1) The landlord completed capital improvements or rehabilitation on or after April
20 15, 1979, or the landlord completed installation of energy conservation measures on or after
21 July 24, 1982, and has filed a proof of compliance with the Bureau of Building Inspection in
22 accordance with the requirements of Section 1207(d) of the Housing Code;

23 (2) The landlord has not yet increased the rent or rents to reflect the cost of said
24 work;

25 (3) The landlord has not been compensated for the work by insurance proceeds;

1 (4) The building is not subject to a RAP loan in a RAP area designated prior to July
2 1, 1977;

3 (5) The landlord files the certification petition no later than five years after the work
4 has been completed- ;

5 (6) The cost is not for work required to correct a code violation for which a notice of
6 violation has been issued and remained unabated for 90 days unless the landlord made timely good
7 faith efforts within that 90-day period to commence and complete the work but was not successful in
8 doing so because of the nature of the work or circumstances beyond the control of the landlord. The
9 landlord's failure to abate within the original 90-day period raises a rebuttable presumption that the
10 landlord did not exercise timely good faith efforts.

11 (c) Amortization and Cost Allocation. The Board shall establish amortization periods
12 and cost allocation formulas, in accordance with this Section 37.7. Costs shall be allocated to
13 each unit according to the benefit of the work and improvements attributable to such unit.

14 (1) Applications Filed Before [May 1, 2002 or 60 days prior to passage of this Ordinance
15 on Second Reading, whichever is later]. The following provisions shall apply to all applications
16 filed before [May 1, 2002 or 60 days prior to passage of this Ordinance on Second Reading, whichever
17 is later].

18 (A) Amortization Periods. Costs shall be amortized on a straight-line basis over a
19 seven or ten-year period, depending upon which category described below most closely relates to the
20 type of work or improvement and its estimated useful life.

21 (i) Schedule I - Seven-Year Amortization. The following shall be amortized over a
22 seven-year period: Appliances, such as new stoves, disposals, washers, dryers and dishwashers;
23 fixtures, such as garage door openers, locks, light fixtures, water heaters and blankets, shower heads,
24 time clocks and hot water pumps; and other improvements, such as carpeting, linoleum, and exterior
25 and interior painting of common areas. If the appliance is a replacement for which the tenant has

1 already had the benefit, the cost will not be amortized as a capital improvement, but will be considered
2 part of operating and maintenance expenses. Appliances may be amortized as capital improvements
3 when: (1) part of a remodeled kitchen; (2) based upon an agreement between the tenant and landlord;
4 and/or (3) it is a new service or appliance the tenant did not previously have.

5 (ii) Schedule II - Ten-Year Amortization. The following shall be amortized over a
6 ten-year period: New foundation, new floor structure, new ceiling or walls - new sheetrock, new
7 plumbing (new fixtures, or piping,) weather stripping, ceiling insulation, seals and caulking, new
8 furnaces and heaters, refrigerators, new electrical wiring, new stairs, new roof structure, new roof
9 cover, new window, fire escapes, central smoke detection system, new wood or tile floor cover, new
10 sprinkler system, boiler replacement, air conditioning-central system, exterior siding or stucco,
11 elevator rebuild, elevator cables, additions such as patios or decks, central security system, new doors,
12 new mail boxes, new kitchen or bathroom cabinets, and sinks.

13 (B) Allowable Increase. One hundred percent (100%) of the certified costs of capital
14 improvements, rehabilitation, and energy conservation improvements may be passed through to the
15 tenants who benefit from such work and improvements. However no increase under this Subsection
16 37.7(c)(1) shall exceed, in a twelve-month period, ten percent (10%) of the tenant's base rent at the
17 time the petition was filed or \$30.00, whichever is greater. A landlord may accumulate any certified
18 increase which exceeds this amount and impose the increase in subsequent years, subject to this 10%
19 or \$30.00 limitation.

20 (2) Applications Filed On or After [May 1, 2002 or 60 days prior to passage of this
21 Ordinance on Second Reading, whichever is later], For Qualified Energy Conservation Improvements
22 and Renewable Energy Improvements. For Applications filed on or after [May 1, 2002 or 60 days
23 prior to passage of this Ordinance on Second Reading, whichever is later], the following provisions
24 shall apply to certification of costs for qualified energy conservation improvements and renewable
25 energy improvements.

1 (A) Amortization Periods. Costs shall be amortized on a straight-line basis over the
2 period of time provided in 37.7(c)(2)(B)(i), or as determined pursuant to the procedure provided in
3 37.7(c)(2)(B)(ii).

4 (B) For purposes of this Subsection 37.7(c)(2), qualified energy conservation improvements
5 and renewable energy improvements are:

6 (i) 100% of new EPA Energy-Star-compliant refrigerators where the refrigerator replaced
7 is more than five years old and where the unit has separate metering, which costs shall be amortized on
8 straight-line basis over a ten-year period; and,

9 (ii) Other improvements as may be approved by the Board of Supervisors upon
10 recommendation of the Rent Board, following hearings and recommendations by the Commission on
11 the Environment in an Energy Conservation Improvements and Renewable Energy Improvements List
12 (List), as follows:

13 (I) The Commission on the Environment shall hold hearings to develop a list of
14 recommended energy conservation improvements and renewable energy improvements that
15 demonstrably benefit tenants in units that have separate electrical and/or natural gas metering. Such
16 recommendations shall include consideration of cost effectiveness for tenants, appropriate amortization
17 schedules, and permissible passthrough amounts that will encourage landlords to make such
18 improvements.

19 (II) The Commission shall also consider whether the certification for each such
20 improvement should include the entire improvement, or only that portion of the improvement cost
21 directly attributable to energy conservation or renewable energy.

22 (III) The List shall take into consideration the variety and conditions of housing in the City.

23 (IV) The Commission on the Environment shall adopt the List at a public meeting, and shall
24 transmit the List to the Rent Board no later than [six months after the effective date of this Ordinance].

1 (V) The Commission on the Environment shall periodically review and amend the List as
2 warranted by changes in technology or conditions in the electricity and natural gas markets. Any
3 amended List shall be transmitted forthwith to the Rent Board.

4 (VI) The Rent Board shall consider any such List received from the Commission on the
5 Environment, and recommend appropriate Subsection 37.7(c)(2) amendments to the Board of
6 Supervisors.

7 (3) Applications Filed On or After [May 1, 2002 or 60 days prior to passage of this
8 Ordinance on Second Reading, whichever is later], For Seismic Work and Improvements Required by
9 Law, and for Work and Improvements Required by Laws Enacted After [May 1, 2002 or 60 days prior
10 to passage of this Ordinance on Second Reading, whichever is later].

11 For applications filed on or after [May 1, 2002 or 60 days prior to passage of this Ordinance
12 on Second Reading, whichever is later]:

13 (A) This Subsection 37.7(c)(3) shall apply to certification of costs for seismic work and
14 improvements required by law.

15 (B) This Subsection 37.7(c)(3) shall apply to certification of costs for capital improvement,
16 rehabilitation, energy conservation, and renewable energy work and improvements required by federal,
17 state, or local laws enacted on or after [May 1, 2002 or 60 days prior to passage of this Ordinance on
18 Second Reading, whichever is later]:

19 (C) Amortization Periods. Costs shall be amortized on a straight-line basis over a
20 twenty-year period.

21 (D) Allowable Increase. One hundred percent (100%) of the certified costs of capital
22 improvement, rehabilitation, energy conservation, and renewable energy work and improvements
23 required by law may be passed through to the tenants who benefit from such work and improvements.
24 Any rent increases under this Section 37.7(c)(3) shall not exceed, in a twelve-month period, a total of
25 ten percent (10%) of the tenant's base rent at the time the petition was filed or \$30.00, whichever is

1 greater. A landlord may accumulate any certified increase which exceeds this amount and impose the
2 increase in subsequent years, subject to this 10% or \$30.00 limitation.

3 (4) Applications Filed On or After [May 1, 2002 or 60 days prior to passage of this
4 Ordinance on Second Reading, whichever is later], for Other Work and Improvements On Properties
5 With Five Residential Units or Less. For applications filed on or after [May 1, 2002 or 60 days
6 prior to passage of this Ordinance on Second Reading, whichever is later], the following provisions
7 shall apply to certification of all work and improvements for properties containing five residential units
8 or less, with the exception of work and improvements costs certified for passthrough under Subsections
9 37.7(c)(2) or (3):

10 (A) Amortization Periods. Costs shall be amortized on a straight-line basis over a
11 ten, fifteen or twenty-year period, depending upon which category described below most closely relates
12 to the type of work or improvement and its estimated useful life.

13 (i) Schedule I - Ten-Year Amortization. The following shall be amortized over a ten-year
14 period: New roof structure, new roof cover, electrical heaters, central security system, telephone entry
15 systems, new wood frame windows, new mailboxes, weather-stripping, ceiling insulation, seals and
16 caulking, central smoke detection system, new doors and skylights; appliances, such as new stoves,
17 disposals, refrigerators, washers, dryers and dishwashers; fixtures, such as garage door openers,
18 locks, light fixtures, water heaters and blankets, shower heads, time clocks and hot water pumps; and
19 other improvements, such as carpeting, linoleum, and exterior and interior painting of common areas.
20 If the appliance is a replacement for which the tenant has already had the benefit, the cost will not be
21 amortized as a capital improvement but will be considered part of operating and maintenance
22 expenses. Appliances may be amortized as capital improvements when: (1) part of a remodeled kitchen;
23 (2) based upon an agreement between the tenant and landlord; and/or (3) it is a new service or
24 appliance the tenant did not previously have.

1 (ii) Schedule II - Fifteen-Year Amortization. The following shall be amortized over a
2 fifteen-year period: New floor structure, new ceiling or walls – new sheetrock, wood decks, new stairs,
3 new furnaces and gas heaters, new thermal pane windows, new wood or tile floor cover, new sprinkler
4 systems, air conditioning-central system, exterior siding or stucco, elevator rebuild, elevator cables,
5 new kitchen or bathroom cabinets, and sinks.

6 (iii) Schedule III - Twenty-Year Amortization. The following shall be amortized over a
7 twenty-year period: New foundation, new plumbing (new fixtures or piping), boiler replacement, new
8 electrical wiring, fire escapes, concrete patios, iron gates, sidewalk replacement and chimneys.

9 (B) Allowable Increase. One hundred percent (100%) of the certified costs of capital
10 improvement, rehabilitation, and energy conservation work and improvements may be passed through
11 to the tenants who benefit from such work and improvements. However, no increase under this
12 Subsection 37.7(c)(4) shall exceed, in a twelve-month period, five percent (5%) of the tenant's base rent
13 at the time the petition was filed or \$30.00, whichever is greater. A landlord may accumulate any
14 certified increase which exceeds this amount and impose the increase in subsequent years subject to
15 this 5% or \$30.00 limitation.

16 (5) For Applications Filed On or After [May 1, 2002 or 60 days prior to passage of this
17 Ordinance on Second Reading, whichever is later], for Other Work and Improvements for Properties
18 with Six or more Residential Units. For applications filed on or after [May 1, 2002 or 60 days prior
19 to passage of this Ordinance on Second Reading, whichever is later], the following provisions shall
20 apply to certification of all work and improvements for properties containing six residential units or
21 more, with the exception of work and improvements certified under Subsections 37.7(c)(2) or (3):

22 (A) Amortization Periods. Costs shall be amortized on a straight-line basis over a seven or
23 ten-year period, depending upon which category described below most closely relates to the type of
24 work or improvement and its estimated useful life.

1 (i) Schedule I - Seven-Year Amortization. The following shall be amortized over a
2 seven-year period: Appliances, such as new stoves, disposals, washers, dryers and dishwashers;
3 fixtures, such as garage door openers, locks, light fixtures, water heaters and blankets, shower heads,
4 time clocks and hot water pumps; and other improvements, such as carpeting, linoleum, and exterior
5 and interior painting of common areas. If the appliance is a replacement for which the tenant has
6 already had the benefit, the cost will not be amortized as a capital improvement, but will be considered
7 part of operating and maintenance expenses. Appliances may be amortized as capital improvements
8 when: (1) part of a remodeled kitchen; (2) based upon an agreement between the tenant and landlord;
9 and/or (3) it is a new service or appliance the tenant did not previously have.

10 (ii) Schedule II - Ten-Year Amortization. The following shall be amortized over a ten
11 year period: New foundation, new floor structure, new ceiling or walls - new sheetrock, new plumbing
12 (new fixtures, or piping) weather stripping, ceiling insulation, seals and caulking, new furnaces and
13 heaters, refrigerators, new electrical wiring, new stairs, new roof structure, new roof cover, new
14 window, fire escapes, central smoke detection system, new wood or tile floor cover, new sprinkler
15 system, boiler replacement, air conditioning-central system, exterior siding or stucco, elevator rebuild,
16 elevator cables, additions such as patios or decks, central security system, new doors, new mail boxes,
17 new kitchen or bathroom cabinets, sinks, telephone entry system, skylights, iron gates, sidewalk
18 replacement and chimneys.

19 (B) Allowable Increase.

20 (i) Only fifty percent (50%) of the costs certified under this Subsection 37.7(c)(5) may be
21 passed through to the tenants who benefit from such work and improvements. However, no increase
22 under this Subsection 37.7(c)(5) shall exceed, in a twelve-month period, ten percent (10%) of the
23 tenant's base rent at the time the petition was filed or \$30.00, whichever is greater. A landlord may
24 accumulate any certified increase which exceeds this amount and impose the increase in subsequent
25 years, subject to this 10% or \$30.00 limitation.

1 (ii) In the alternative, a tenant may elect to have one hundred percent (100%) of the costs
2 certified under this Subsection 37.7(c)(5) passed through to the tenant. In that event no increase under
3 this Subsection shall exceed, in a twelve-month period, five percent (5%) of the tenant's base rent at the
4 time the application was filed, and over the life of the tenancy the total increase shall never exceed
5 fifteen percent (15%) of the tenant's base rent at the time the application was filed. A tenant must elect
6 this alternative by filing such an election with the Board on a form prescribed by the Board. An
7 election may be filed at any time after the application is filed but no later than fifteen (15) calendar
8 days after the Administrative Law Judge's decision on the application is mailed to the tenant. In a unit
9 with multiple tenants, the election form must be signed by a majority (more than 50%) in order for the
10 election to be accepted. If a timely election is made after a decision has been issued, an addendum to
11 the decision will be issued reflecting the tenant's election.

12 (6) Development of On-Line Programs. The Board, in conjunction with the
13 Department of Telecommunications and Information Services, shall design and implement on-line
14 programs by September 1, 2003 to allow landlords and tenants to perform calculations concerning
15 allowable increases for capital improvement, rehabilitation, energy conservation, and renewable
16 energy work, and to compare average costs for work certified in prior decisions.

17 (d) Estimator. The Board or its Executive Director may hire an estimator where
18 an expert appraisal is required.

19 (e) Filing Fee. The Board shall establish a filing fee based upon the cost of the
20 capital improvement, rehabilitation, ~~or~~ energy conservation ~~measures~~ improvement, or renewable
21 energy improvement being reviewed. Such fees will pay for the costs of an estimator. These
22 fees shall be deposited in the Residential Rent Stabilization and Arbitration Fund pursuant to
23 Section 10.117-88 of this Code.

24 (f) Application Procedures.
25

1 (1) Pre-Application Notice for Large Projects for Parcels or Buildings Containing Six or
2 More Residential Units. If at any time prior to filing an application the landlord determines that
3 the total cost of a project for a parcel or a building containing six or more residential units is
4 reasonably expected to exceed \$25,000 multiplied by the number of units on the parcel or in the
5 building, the landlord shall immediately inform each tenant and the Rent Board in writing of the
6 anticipated costs of the work. The landlord's notice must occur within 30 days after such determination
7 by the landlord.

8 (~~1~~2) Filing. Landlords who seek to pass through the costs of capital
9 improvements, rehabilitation, ~~or~~ energy conservation ~~measures~~ improvements, or renewable
